With reference to your Y 257 and other communications regarding your duties as ALCOM Liaison Officer in Sardinia.

1. I am inclosing the AFHQ letter of 29 March with various appendices and also GOC's letter of 7 April to ALCOM for your private information.
2. I can only suggest that you handle the matter as you think best, and let us know at the end of a month how much of your time ALCOM is taking.

To : HQ ALCOM (for Executive Commissioner)

1. I have received AMHQ AG 091.1/081 GEG-0 of 29 March, enclosing your 7002/EC of 24 March.
2. (a) You will remember that when asked verbally whether my MMIA LO in SARDINIA could act as ALCOM LO there also, I replied that I agreed in principle but that I required to be informed of the exact duties and scope of the ALCOM work before I could give a definite answer.
 (b) This information was NOT given me, and the first I hear of this is a fait accompli in the shape of the letters mentioned in Para 1.
3. (a) I imagined that the ALCOM work for my MMIA LO would be only of a very general and light nature. Now I find that the work will be comprehensive and considerable.
 (b) I may say that he is already fully occupied, my staff in SARDINIA (all American) being in process of reduction to two officers. Also he is new, as I have had to rearrange my staff, replacing Colonel SIMMONS by Lt Col ALBERT from SICILY.
 (c) A further aspect is the matter of ALCOM dealing with Lt Col ALBERT direct. MMIA work must come first, the ALCOM work being done thereafter as far as may be possible. Two separate masters will make matters very difficult for Lt Col ALBERT, from the point of view of priority if nothing else.
4. Therefore:-
 (a) I must reserve the right to reconsider, at a later date, as to whether Lt Col ALBERT can perform both functions, which I doubt.
