Subject : Transfer of Units

Ref 04/4473

Dtd: 14 Aug 45

1°) On the 11th and 12th of this month, there took place at Forlì manifestations of a political nature, in which participated soldiers from some of the units stationed in the town, together with civilians, in marching order, went through the main streets carrying banners bearing the following inscriptions: "Long live the Republic", "We want Votes for Soldiers", and "We want to be Released".

INFO COPY
C.I. 209

These manifestations, instigated by the agencies of some political parties, had above all, the aim of inciting soldiers of the units not participating to make common cause with the manifestants. On both days, in fact, the cortege halted before the billets of these units, asking for, but not obtaining, the exit of the soldiers.

2°) There are located in Forlì, the 4th and 5th Guards Coys; the 211 - 253 - 254 - and 257 Italian Pioneer Coys; the 2nd Coy of the 51st Guards Bn; the 3rd Coy of the 522 Guards Bn; the 508 Smoke Coy; the 1st and 2nd Coys of the 527 Guards Bn.

It would appear that some of the above-mentioned units are not fully employed. Where this is applicable, and where immediate employment is not foreseen for the said units, we propose the transfer from Forlì, to other localities, of units whose work is not required, or better still the disbandment of same.

These measures have the aim of removing the greatest number possible of the units, from surroundings in which are active the parties' political propaganda. *o senta*

3°) From investigations, which are still going on, it would appear that there have also participated in the above-mentioned demonstrations, some soldiers of the 253 ~~Baggage~~ ^{Back Det.} Group stationed on the outskirts of Forlì.

Since the disbandment of this group has already been recommended, we beg you kindly to expedite the disbandment Order as soon as possible.

4°) We beg to assure you that necessary measures for identification

of persons responsible and for the prevention of future manifestations of a similar kind have already been taken.

By order,

Chief of S.M.

Col. S. Salinari.
