SUBJECT: Change of category of military publications of a
secret-character

The following publications laid down by the Organisation and Mobilisation Office of this S.M.E. have been considered as secret. Whence the nature of the arguments they deal with does not justify such classification:

- 10/S. - "Provisional W.Es of territorial units of the Interim Army
Mil. Terr. HQs - Districts - Depots" - 1946 edition.
- 13/S. - "Provisional W.Es of territorial units of the medical service -
Interim Army" 1946 edition;
- 14/S. - "Provisional W.Es of territorial units of the commissariat
service - Interim Army" - 1946 edition;
- 15/S. - "Provisional W.Es of territorial units of the artillery
service - Interim Army" - 1946 edition;
- 16/S. - "Provisional W.Es of territorial units of the motorisation
service - Interim Army" - 1946 edition;
- 18/S. - "Provisional W.Es of territorial units for services (Military
Transport - Horse and veterinary section - Centres for
housing veterans and PWs) - Interim Army" - 1946 edition;
- 19/S. - "Provisional W.Es of Military Territorial Courts - Prisons
Correction Company - Interim Army" - 1946 edition;
- 42/S. - "Provisional W.Es of Schools and Military Colleges - Interim
Army" - 1946 edition;
- 40/S. - "Battle order and detailed distribution of the Italian Army"
(Periodical) - all pamphlets issued during 1946.

It seems opportune that the above publications be transferred into the category "NOT TO BE DISCLOSED".

as a consequence of this:

- a) the expression "PUBBLICAZIONE No...." must be cancelled on the inside and outside covers.

Subject Bomb Disposal.

1) - Reference letter G/97 dated 4/8/45 subject "Bomb Disposal"

2°) - With the object of easing the task of Mil.Terr.Hqs concerning the clearing of unexploded aerial bombs, your Subcommission forwarded to this ministry, in the a/m letter, two copies of each of the following manuals:

- a) - T M 9 - 1984 - Disposal of American and Allied Bombs and Fuses (copies numbered I69 and I74)
- b) - TM E9-1983 - Enemy Bombs and Fuses (copies numbered I6I and I77).
- c) - British Bomb Disposal Manual Nos 243 and 247. 5/33

3°) - This ministry has already arranged for the translation into Italian of these publications, and intends to issue printed ~~multi~~ copies of said translation (together with diagrams attached to the publication concerned) to personnel belonging to the Bomb and Shell disposal sections formed at the Detached Art. Directions and Sections, for the purpose of facilitating and rendering the clearing operations concerning unexploded ~~xxxxxx~~ allied and enemy aerial bombs less dangerous to the a/m personnel.

Naturally this publication will be held by the Detached Art. Directions and Sections with the most careful measures taken in order to ensure that it is only used by competent personnel for consultation from time to time in case of need.

P.T.O.

See folder 243/4

4°) - We ask your subcommission to kindly let us know whether they have any objection to the issue of the a/m translation limited to the a/m personnel.
