Subject: OFFICERS - MIA

C O F Y

CHIEF OF

34

PARSONS 226

424/A9

6 Sep 46

To : HQ MIA

Reference the notes on officers by the Commander MIA.

1. The following action is being taken in response to your request for officer vacancies within MIA to be filled.

2. Training Majors:

Four Majors, Company Commanders, from Infantry battalions now disbanding will be posted as training majors. It is, however, not possible at the moment to give names, since MIA and 13 Corps are selecting. However, as soon as names are known these officers will be posted. It is possible that some, or all, may have families with them and it is requested that you confirm or otherwise that their families will be accommodated with the officers.

3. 12 MIA (Central Military Schools):

Instructor RM: An officer will be posted as soon as possible to fill this appointment, but, since this is again a matter of selection, it is not possible to indicate at the present time.

Instructor R Signals: Every endeavour is being made to fill this vacancy, but prospects are not very good. If it is not possible to find within the theatre, the War Office will be approached and requested to provide an officer.

into this vacancy.

4. RA Major:

An RA officer is being selected by 13 Corps to fill this vacancy, but it is emphasized that he will not be staff trained.

5. Ordnance Officers:

It is not possible to provide the three Captains RAGO, but three quartermasters (Infantry or RA) can be made available. It is requested that you confirm that these three officers would be acceptable in lieu of the Captain RAGO. It is pointed out that these Regimental Quartermasters are quite well used in the handling of stores and accounts on RAGO lines, but, of course, at a much lower level.

6. It will be appreciated that every endeavour is being made to reduce the officers to meet the above requirements as soon as possible and estimated dates of arrival will be notified to you as soon as they are known, but, since the officers are for the most part being selected as requiring special qualification, there may be a slight delay before the officers report for duty.

Four Warrant, Company Commanders, two Infantry battalions now dish riding will be posted as Training Majors. It is, however, not possible at the moment to give names, since MA and 13 Corps are selecting. However, as soon as names are known these officers will be posted. It is possible that some, or all, may have families with them and it is requested that you confirm or otherwise that their families will be accommodated with the officers.

3. 12 MM (Central Military School):

Instructor MA: An officer will be posted as soon as possible to fill this appointment, but, since this is again a matter of selection, it is not possible to nominate at the present time.

Instructor R Signals: Every endeavour is being made to fill this vacancy, but prospects are not very good. If it is not possible to find within the theatre, this MA office will be requested and requested to provide an officer.

DMOS: Major S.S. ARNOLD MA, ex DMOS MA (Tm Dr), is being **5858** into this vacancy.

4. MA Major:

An MA officer is being selected by 13 Corps to fill this vacancy, but it is envisaged that he will not be staff trained.

5. Griffiths Officers:

It is not possible to produce the three Captains MA, but three (overseas) (Infantry or MA) can be made available. It is requested that you confirm that these three officers would be acceptable in lieu of the Captains MA. It is pointed out that these Regimental Commanders are quite well used in the handling of stores and accounts on MA lines, but, of course, at a much lower level.

It will be appreciated that every endeavour is being made to reduce the officers to meet the above requirements as soon as possible and estimated dates of arrival will be notified to your MA as soon as they are known, but, since the officers are for the most part being selected as requiring special qualifications, there may well be a slight delay before the officers report for duty.

In anticipation of sudden conversion on to our new WE I have recommended the under-mentioned "planning of British officers" verbally to A.A.G.

1. We ask 2 Dist and RAAG to consult us on all MG matters pertaining to 50 and 54 and 56 MIA and the M. & T. and that MIA att Combat Gps be allowed to "vests down" in officer appointments.
2. That we remark now what positions within the MIA are our present outstation IAs will hold (less Egerton who remains on MIA WE).
3. If you want any officers for MIA MIA, I see no reason why we should not withdraw from MIA and Combat Gps those officers who we see will be surplus to the outstation requirements in the new org.
4. Of course we don't know yet what the exact position will be, but I shall be only too pleased to give any help on the org or WE side as far as its goes.

2nd.	Grade.	11.
3rd.	Grade.	10.

4. I must point out that the filling of these vacancies in time is a matter of the utmost importance. The work of M.M.I.A. has actually increased since the GERMAN surrender and will continue to increase in view of the vast re-organization and training programs now on the tapis, as notified by the Assistant Chief of Staff. M.M.I.A. situation is quite different to most other units who can, under present circumstances function with less officers than are allowed on the W.E. I must therefore press for priority in the filling of my vacancies.
5. As a means to helping solve the problem I have made the attached proposal to G-1 British for obtaining the names of officers who wish to volunteer for service as Liaison officers with the Italian Army.

Ref conversation of June 19th 45 Col. PIDSLEY - Lt. Col. WRIGHTSON and others.

1. Lieut. Col. HOWARD the present G.S.O.I. Liaison at this H.Q. is due to return to U.K. on Python in the immediate future and it is suggested that the appointment be filled by Major MAJORIBANKS - EVERTON. AF B194D in respect of this officer was forwarded under this H.Q. letter A394 S dated 7th June 45, please see also A 384 S dated 18th June 45.
2. The following officers will be leaving M.M.I.A. shortly:-
Major P.A. COLE (DAWMS) returning to U.K. on Python on 28th June.
Major R.T.M. WARHAM (DAWMS) U.D.F. returning to U.D.F. at once.
3. If the suggestion of promoting Major MAJORIBANKS-EVERTON (G.S.O.I.I.L) is accepted it will mean that there will be three vacancies for second Grade staff appointments on this H.Q. i.e. the vice MAJORIBANKS-EVERTON and two vice Major COLE, and Major WARHAM.
4. It is recommended that two of these appointments should be filled by promoting the following two officers at present on the strength of this H.Q.:-
(a) Capt, A.M. NEWTON. G.S.O. III Liaison.
(b) Capt. W.M.R. MAXWELL. Staff Capt. "A".
A.F.E. 194 D in respect of the former was handed you by Col PIDSLEY yesterday.
A.E.E. 194 D in respect of the latter is attached. The third appointment to be filled by an A.F.E.Q. posting.
5. The availability of officers for postings is not of course known to this H.Q., but if officers are to be posted vice NEWTON and/or MAXWELL the names of
(a) W/S. LT3 J.J.M. HORLICK (207657) Coldstream Guards.
(b) Lt. MAY. Royal Fusiliers, 304 P.O.W. Camp. M.E.F. (Full details handed you by Col. PIDSLEY yesterday), are put forward for consideration. The former was with M.M.I.A. for some time and is conversant with its working.
6. In filling these appointments the considerations are suitability and the probability of continuity i.e. not reliable to release or Python this year at least. A knowledge of Italian or experience with Italian Troops such as duty with B.L.U. would be an advantage. The time factor is important but comes after the above considerations.
