SUBJECT: CG.MR. attached to Italian Army.

DAND WOODS HUB COMMISSION, AG.
H. E. I. A. ROME.

0/0/34/CG.MR.

26 August 1946.

TO: A.M.A.

1. Units of CG.MR. directly under the Ministry of War and operationally controlled by it are as follows:

- (a) 1 Coy. at R.M. (to provide guards and general surveillance).
- (b) 1 Coy with each of the three Divisions (Calabria, Costa, Sbanda).
- (c) 1 Coy with each of the 5 Combat Groups.
- (d) One section with each territorial command.
- (e) One section, temporarily, at the Military Police School, and Carabinieri undergoing training there for MP duties.

2. Details are given in Appendix A.

3. GHE, CG.MR. have no knowledge of any properly organized regimental police, but believe that they are picked from the ranks, temporarily, in case of emergency.

4. No Special Police are known to exist in the Italian Army, except CG.MR. in CG which makes enquiries of a political nature in the Army. CG includes both CG.MR. and Army personnel.

5. There existed in the Italian Army in 1944, and possibly still exists, an organization known as Ufficio "I" whose duties were apparently the reporting to the State Maggiore of political movements and feelings in the Army itself. Ufficio "I" and CG.MR. in CG appear to have had some connection, but certainly the junior members of these organizations were unknown to each other and worked separately.
