TRANSLATION

Subject : Co-operator Officers

To : The High Command for Prisoners of War

War Department - ROME

1) I am including an article of the "East African Standard" of Nairobi, written om Feb. 19, 1945. This article points out the co-operation of a group of about 400 Italian officers with the Military Administration offices (Pay Corps).

2) It is understood that these are not the only officers who are co-operating with the Allies in British South Africa. There are hundred more employed in industries, agriculture and other colonial activities, and others as liaison officers with the co-operator groups and battalions.

3) If it is possible, I will send a correct list of all the co-operators, soldiers and officers, classified according to their activities.

RAG. CAV. UFF. UGO AGOSTINI
Via Ufente, 14 - Tel. 86011

Roma, May 22, 1945

(190)

TO: ALLIED COMMISSION
Prisoners of War Sub-Commission

I am an ex-prisoner of war, having been captured in February, 1941, at Mogadishu (East Africa), and repatriated after 27 months spent in the POW Camps of British Kenya, on March 10, 1943. My son, Franco AGOSTINI, now 22, who was living with me in the said town at the time of my capture, remained there alone.

In July 1944 a normal mail service was authorized between Italy and East Africa, but since that date I never heard from my son; my family and I wrote to him about 16 letters in all this period; however, in the nine messages that we received from him via Red Cross, he complains about the complete lack of our news.

In view of the fact that, for some inexplicable reason, I cannot succeed in getting in touch with my son through the normal channels, I beg you to forward to him, if possible, through the Police Service, the letter that I am enclosing herewith, and to obtain for me some information about him.

In case it were impossible to you to comply with my request, I would be very grateful for any suggestion as to the best and speediest way to establish a communication between my son and myself.

Hoping to hear from you in a short time, I remain

sincerely yours

Cap.n Ugo Agostini

Ugo Agostini 2779
Captain, Administrative Corps.

Letter mentioned above to forward to Franco Agostini has been sent through ordinary Air mail service in use in this Sub-Commission. Receipt is attached to the letter, to be signed by the receiver & to return to this Office — 1st June 1945 —

SUBJECT: Italian PW Mail for Certain Individuals.
TO : PWIB., Union of S.A., Dept., of Defence, PRETORIA, SOUTH AFRICA.

1. In certain instances this office receives repeated inquires from families of Italian PW- instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was received, these families repeatedly write to the Italian High Commissioner for Prisoners of War and to every Allied Agency with whom they have any contact, asking for information about the PW.

2. To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of excited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of excited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

WAR MATERIALS DISPOSAL AND ITALIAN PW SUB COMMISSION

IPW/A/87

28 February 1945

SUBJECT: Italian PW Mail for Certain Individuals.

TO : The Provost Marshall General, U.S. Army, Washington,D.C.
Attention: Italian Prisoner of War Section.

1. In certain instances this office receives repeated inquires from families of Italian PW- instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was received, these families repeatedly write to the Italian High Commissioner for Prisoners of War and to every Allied Agency with whom they have any contact, asking for information about the PW.

2. To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of excited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

3 FEB 1945 1944

SUBJECT: Italian PW Mail for Certain Individuals.

TO : The Provost Marshall General, U.S. Army, Washington,D.C.
Attention: Italian Prisoner of War Section.

1. In certain instances this office receives repeated inquires from families of Italian PW- instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was received, these families repeatedly write to the Italian High Commissioner for Prisoners of War and to every Allied Agency with whom they have any contact, asking for information about the PW.

2. To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of excited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

1. In certain instances this office receives repeated inquires from families of Italian PW- instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was received, these families repeatedly write to the Italian High Commissioner for Prisoners of War and to every Allied Agency with whom they have any contact, asking for information about the PW.

2. To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of excited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

IPW/A/ 134
14 - April - 1945

SUBJECT: Italian PW Mail for Certain Individuals.

TO: PWIB, Curzon Street House, Curzon Street,
LONDON W.1. ENGLAND

1. In certain instances this office receives repeated inquires from families of Italian PW instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was received, these families repeatedly write to the Italian High Commissioner for Prisoners of War and to every Allied Agency with whom they have any contact, asking for information about the PW.

2. To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of excited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner:

SUBJECT: Italian PW Mail for Certain Individuals.
TO The Commanding Offre of PW Camp 208. Naples ITALY

1. In certain instances this office receives repeated inquires from families of Italian PW- instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was received, these families repeatedly write to the Italian High Commissioner for Prisoners of War and to every Allied Agency with whom they have any contact, asking for information about the PW.

2. To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of excited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

SUBJECT: Italian PW Mail for Certain Individuals.

TO: P.W.I.B. Union of S.A. Dept. of Defence
PRETORIA, SOUTH AFRICA.

1. In certain instances this office receives repeated inquiries from families of Italian PW instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was received, those families repeatedly write to the Italian High Commissioner for Prisoners of War and to every Allied Agency with whom they have any contact, asking for information about the PW.

2. To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of uncited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.
