SUBJECT : Italian PW Mail for Certain Individuals.

TO : **PWIB, Union of S.A. Dept. of Defence, PRETORIA, SOUTH AFR**

1. This office receives repeated inquires from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

1. Instances have been brought to the notice of this office of the non-receipt of mail by the relatives of PW in Africa or India; in some cases this has gone on for as long as 2 years. At the same time the relatives have learnt from other sources that the PW are well and write regularly, but do not receive letters.

2. It would be appreciated if we could be informed if there are any means of corresponding with these PW other than the normal channels; e.g., is it possible for this office to write direct to the Commandant of the PW camp in such cases, or to a branch of G.H.Q., India?

SUBJECT : Inscription of POW on the electoral lists.

Reference letter 27/9/45 No.3476/F/7.

We assure you that this Ministry has, quite while ago, given the opportune disposals that the names of our prisoners, even those who have not yet been repatriated, may be inscribed on the electoral lists of the District where they resided last.

We are now examining the modalities that can be used to give them the right the vote.

SUBJECT : Italian PW Mail for Certain Individuals.

TO : PWIB, Information Bureau FRANCE

1. This office receives repeated inquires from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

1. This office receives repeated inquires from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

ITALIAN PRISONERS OF WAR DIVISION

IPW/A/360 25-10-45

SUBJECT : Italian PW Mail for Certain Individuals.

TO : PWIB, Union of S.A.Dept. of Defence, PRETORIA, SOUTH AFRIC

1. This office receives repeated inquires from families of Italian PW-instances in which no word from the PW has been received by relatives for months.Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is,with the consent of Allied Force Headquarters,writing directly to your office(Attention: Italian Prisoners of War Section)asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family,assuring that he is alive,thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

SUBJECT : Italian PW Mail for Certain Individuals.

TO : PWIB,Cnr,Broadway & Glenhuntly Rd.
ELWOOD,S.S.VICTORIA,AUSTRALIA.

1. This office receives repeated inquires from families of Italian PW-instances in which no word from the PW has been received by relatives for months.Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is,with the consent of Allied Force Headquarters,writing directly to your office(Attention: Italian Prisoners of War Section)asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family,assuring that he is alive,thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

To avoid having several Headquarters working on each case, this office is,with the consent of Allied Force Headquarters,writing directly to your office(Attention: Italian Prisoners of War Section)asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family,assuring that he is alive,thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

1. This office receives repeated inquires from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

SUBJECT : Forwarding of Correspondence

TO : Land Forces Sub-Commission

1 It is felt that as enquiries about Italians in Allied hands are addressed to the AFHQ (Provost), so enquiries about Italians in camps guarded by the Italian Army should be channelled through Land Forces to the Ministry of War, as it would not be appropriate for other branches to approach that Ministry.

2 If the preparation of any reply requires consultation with another Ministry e.g. the Ministry of Justice, it is considered that the Ministry of War should undertake such co-ordination. It is not possible for this HQ to know always when another, or what other Ministry may be interested.

3 May it also be arranged, if by chance an enquiry is sent to the Ministry of War because the person concerned is believed to be in Military custody, whereas he is in fact in civil custody, that the Ministry of War will pass the letter to the proper Italian Department.

4 I shall be glad to hear that you concur in this arrangement.

No 2888 Pol/C 16

SUBJECT: POW Mail.

We continue to receive complaints from POW on the mail service. The mail arrives in always smaller quantity and months late.

From letters that have come through the Red Cross it seems that many letters do not arrive at their destination.

We have informed the Ministry of the Italian mails regarding this matter, in case this irregularity is due to the Italian side and we beg your Sub Commission to call the matter to the attention of the Competent Allied Authorities in order to correct this inconvenience.

SUBJECT: Italian PW Mail for Certain Individuals.
TO :

PWIB MTOUSA APO 650 U.S. Army(Egypt / [illegible], Algeria, Tunisia

1. In certain instances this office receives repeated inquires from families of Italian PW- instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was received, these families repeatedly write to the Italian High Commissioner for Prisoners of War and to every Allied Agency with whom they have any contact, asking for information about the PW.

2. To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of excited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

SUBJECT: Italian PW Mail for Certain Individuals.

TO : [illegible], Union of S.A. Dept. of Defence, PRETORIA, SOUTH AFRICA

1. In certain instances this office receives repeated inquires from families of Italian PW- instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was received, these families repeatedly write to the Italian High Commissioner for Prisoners of War and to every Allied Agency with whom they have any contact, asking for information about the PW.

2. To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of excited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

TO : P.W.B. Unr; Bro[illegible]y & Glenhuntly [illegible], S.E.5. VICTORIA, AUSTRALIA

1. In certain instances this office receives repeated inquires from families of Italian PW- instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was received, these families repeatedly write to the Italian High Commissioner for Prisoners of War and to every Allied Agency with whom they have any contact, asking for information about the PW.

2. To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of excited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

We continue to receive complaints from POW on the -ail service. The mail arrives in always smaller quantity and sadder tale.
From letters that have come through the Red Cross it seems that many letters do not arrive at their destination.

We have informed the Ministry of the Italian [illegible] Commission to call the matter to the attention of the competent Allied Authorities in order to correct this inconvenience.

TO: ALLIED COMMISSION

ROME

SUBJECT: War Veterans.

The 13 of July 1945, one hundred Italian Officers returned from imprisonment from the Middle East and landed in Taranto. They had been requested by the Allied Command, and should have presented themselves to the Allied Authorities in Caserta; but an order came from M.M.I.A. of Bari that the 100 officers were considered as being at the disposal of the Italian authorities and therefore treated as War Meterans.

Said officers had brought two closed letters which had been given to them at the camp, but as they did not reach Caserta they could not consign said letters to the Allied Command, therefore they gave them to the Military Authorities in Taranto.

This Command sent said letters to M.M.I.A. - 54 Area- in Bari who returned them to us in order to send them to your S/C for your attention.

The two letters have the following addresses:

- one small, closed with a white strap- :- SECRET (in red)
  To: A.F.H.Q. - No. 63/718.

- one large, (opened by M.M.I.A.)

SUBJECT: Italian PW Mail for Certain Individuals.

TO : The Provost Marshall General, U.S. Army, Washington, D.C.
Attention: Italian Prisoner of War Section.

1. In certain instances this office receives repeated inquires from families of Italian PW- instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was received, these families repeatedly write to the Italian High Commissioner for Prisoners of War and to every Allied Agency with whom they have any contact, asking for information about the PW.

2. To avoid having several Headquarters working on each case, we are with the consent of Allied Force Headquarters writing directly to your office (Attention: Italian Prisoners of War Section) asking you to forward a letter in each case to the PW and to obtain a receipt from him. Letters with attached receipts are enclosed. The receipt we will return to the family so assuring them that he is alive and thus discontinuing the flow of excited correspondence reference to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

SUBJECT : Pow mail.

We continue to receive complaints from POW on the mail service. The mail arrives in always smaller quantity and months late.

From letters that have come through the Red Cross it seems that many letters do not arrive at their destination.

We have informed the Ministry of the Italian mails regarding this matter, in case this irregularity is due to the Italian side and we beg your Sub Commission to call the matter to the attention of the Competent Allied Authorities in order to correct 2 the inconvenience.
