SUBJECT : Italian PW Mail for Certain Individuals.

TO : FWIB, AG's GHQ, SIMLA INDIA

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

6 - Letters and same number of blank receipt forms attached., as follows:

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. CIVIL AFFAIRS SECTION
ITALIAN PRISONERS OF WAR DIVISION

SUBJECT : Italian PW Mail for Certain Individuals.

TO : GHQ, CEF M.E.F.

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discounting the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

SUBJECT : Italian PW Mail for Certain Individuals.

TO : PWIB, WASHINGTON, D.C.U.S.A.

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

SUBJECT : Italian PW Mail for Certain Individuals.

TO : PWIB, WASHINGTON, D.C.U.S.A.

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

SUBJECT : Italian PW Mail for Certain Individuals.

TO IPWB, Curzon Street House, Curzon Street, LONDON W.1

ENGLAND

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discounting the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.
