SUBJECT : Italian PW Mail for Certain Individuals.

TO : PWIB, CNR. Brodayay & Glenhantly Rd. ELWOOD, S.S.

VICTORIA, AUSTRALIA

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

Pisa, 15 a, ile, 1946

Mio carissimo Emmanuele
che bella sorpresa! La tua lettera,
la tua carissima lettera mi ha ricolmato l'anima
di gioia indefinita, quale si può provare
al giungere di notizie costantemente attese, riu-
mente desiderate e ormai quasi insperate.
Mi sono affrettata a mandare a casa tua
gli scritti fuggiti, ben sapendo l'ansia della
tua mamma. Quanto mi sforzai di confor-
tarla durante i due mesi da me trascorsi in
famiglia l'anno scorso! ora spero che il
tuo figliotto, l'unico ricevuto, sia nelle
mani di Via Maddalena! Tutti gli altri
suoi scritti non ci sono pervenuti.
Qualche settimana prima del mio arrivo
sposai Adolofora con un giovane che mi fece
ottima impressione. Puggero e Larino sono
bravi nei loro affari, e i tutto va bene.
Come vedi, le notizie non sono buone, ora ci
vuole il tuo ritorno, così la famiglia
godrà la sua serenità senz'alcuna nube.

Mio C. illo gode buona salute.
 sente la tua mancanza e anela di rivederti.
 Mio fratello Agostino si trova a casa, ha no-
 leggio di biciclette e per ora tutto va bene
 come si spera per l'avvenire. La figlia di
 mio Angelo è sposata anche lei. Il marito
 di Marietta di cui non si sapeva alcuna
 notizia, ha una quella della morte sparita
 si nel paese ora è tornato; manca solo il
 figlio di mio Vincenzo di cui non sappiamo
 niente. Pirino pure, dopo aver fatto tanto
 viaggiare per la sua temuta morte, grazie
 a Dio, è in famiglia.
 Mi sto interessando per il tuo ritorno. Ho
 raccomandato l'affare ad un avvocato molto
 stimato presso il Comando Americano, il qua-
 le, personalmente, a Roma perverrà la tua can-
 ta. Vorrei pregare anche tante anime inno-
 centi e bambini del nostro Istituto perché tu
 possa presto ricambiare chi con tanta ansia
 ti attende. Passerai da Pisa? Abbi anche tu
 fiducia nella Madonna di cui ti avvicina il
 bel mese. Nel maggio otterremo tanta grazia?
 Ti mando l'ulivo benedetto che ti porterà l'eco della
 tua terra e l'augurio di grande pace e serenità
 nel raggiungimento del tuo ritorno. Tu e noi, desidero
 ogni giorno.

Angeli della Inferno e da tutte le anime che pregano per ti

affetto

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Dell'Uomo" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

SUBJECT : Italian PW Mail for Certain Individuals.

TO : PWIB, Union of S.A Dept. of Defence, PRETORIA, SOUTH AFRICA

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discounting the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

For the Acting Chief Commissioner.

SUBJECT : Italian PW Mail for Certain Individuals.

TO : EPM; Section, GHQ, 2nd Echelon UNF

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

ITALIAN PRISONERS OF WAR DIVISION

SUBJECT : Italian PW Mail for Certain Individuals.

TO : PWIB, Union of S.A. Dept. of Defence, PRETORIA

SOUTH AFRICA

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.

1. This office receives repeated inquiries from families of Italian PW-instances in which no word from the PW has been received by relatives for months. Because often as much as six months or a year has elapsed since news was last received, these families repeatedly write to the "Ministero per l'Assistenza Post-Bellica" and to every possible Allied Agency asking for information about the PW.

2. To avoid having several Headquarters working on each case, this office is, with the consent of Allied Force Headquarters, writing directly to your office (Attention: Italian Prisoners of War Section) asking that you forward a letter in each case to the PW, and that you obtain a receipt from him. Letters with attached receipts are enclosed. The receipt will then be returned to the family, assuring that he is alive, thus discontinuing the flow of excited correspondence in regard to the prisoner's existence. The problem of his not corresponding in future then becomes a personal one instead of a matter for official attention.
