In accordance with the wish of H.R.H. the Lieutenant General of the Kingdom, I mention to you, for immediate repatriation, 2nd Lt Giuseppe SCAPPARONE, P.O.W. in the United States, who belongs to the Labour Units.

Very painful reasons - among which, in particular, the very grave situation of the family of the prisoner - cause the present request to obtain that Mr. Scapparone be shipped home as soon as possible.

I beg you to intervene in this sense with the Commission, and shall be most grateful if you keep me informed on this matter.

TRANSLATION

TO : His Excellency General Alexander. Supreme Commander of the Military Allied Forces.

Bari, 1 Sept. 1945.

Please excuse me if I dare apply you. I rely on your justice. My husband ZAETTA Mario, who is now interned at the Camp 337-6-A, on the unlucky 8th of September 1943 was in service as an aviator at Torre del Lago (Viareggio).

Disbanded, as so many others, he took refuge with me on a mountain till it was possible. But he had no financial means to support me and our child and could not reach his family who lives at Bari.

To avoid reprisal against us, he was compelled to enlist in the Republican Guard. This was not the best solution, but it was the only solution which he could avoid transferring into Germany and the reprisals against his family.

He was sent to an office at Rovigo, where he served about a year. As soon as the insurrection rose, he took off his uniform and voluntarily presented himself to the "Comitato di Liberazione of Rovigo".

He remained there in jail 62 days at disposal of the quastorship. But there was no proof of his having taken part in mopping up operations or other specific accusations and was released. Provided he delivered a travelling authorization to the Authorities in Volterra from which he had left.

At Volterra nothing was proved against him but nevertheless the local Staff-Sergeant of the Carabinieri interned him at disposal of the C.I.C.

He has been there two months, lacking everything and not knowing his future while my child and myself are without the necessary means, we are the guests of my parents-in-law, who are not rich, they struggle hard for their living, and my father-in-law does not earn much as a photographer.

Even if it were possible to believe that my husband committed some crimes, I dare say that what he has endured in jail and in the concentration camp is sufficient punishment.

I hope that he will be returned to his wife, to his child and to his parents.

Please excuse me if I have not made myself understood and excuse me if I have made you lose valuable time.

Excellency! I rely very much on your equity, on your mercifulness. I hope you will grant me the grace to embrace my husband and, to my child, to embrace his unhappy father.

Respectfully.

S/. Zaetta Wanda

15th October, 1945.

TO: Prisoner of War Sub-Commission,
Allied Commission.

The Ambassador has been asked privately whether he could facilitate the repatriation of Lt. Tullio BIAGIOTTI who is a prisoner of war in India. This officer has been a professional soldier since 1937 and was taken prisoner in January 1941 at Tobruk. His mother who is in poor health is no longer young. Sir Noel Charles considers that this officer has good grounds for repatriation from a humanitarian point of view.

His Excellency would be grateful if you could approach the competent military authorities through the normal channels and enquire whether Lt. Tullio BIAGIOTTI, provided his political and personal conduct have been entirely satisfactory, could be repatriated. His personal particulars are as follows:

BIAGIOTTI Tullio, first Lieutenant
N.135946 P.O.W. Camp No 28, Wing Ia.
c/o G.P.O. Bombay.
Belonged to the Divisione Sirte.
Was taken prisoner at Tobruk, 21st January 1941.

Inter Office Memo

From : Liaison Office to Chief Commissioner

Subject : POW Luciano COSTA

File no. 162/M.G.

TO : I.P.C.W. S/C

Rome, 4 September 1945

This Office has been interested for the following case: Luciano COSTA, being a student at the Genoa University, Veterinary Branch, in 1943 was dispensed from military service.

After the Armistice, he tried to avoid being drafted, hiding for some time, but finally, under the pressure of his mother (whose husband was Chief Engineer on an Italian ship abroad and was interned in India. She was thus left with the boy Luciano and a little girl), he gave up and was sent to Germany for training. Subsequently, on Nov. 1944, he was sent back to Italy and assigned to the "Littoria" Div, Veterinary Coy stationed at Cuneo (Piedmont).

On 25 April 1945, taking advantage of the Allied Advance, he fled, but at Turin he was caught by the Germans who put him in an internment camp or prison, where he was found by the American troops and sent to a POW camp.

The undersigned knows very well the boy and can give full guarantee for him, both on personnel and political ground, and consequently inquires into the possibility for him of being released or, at least, be left in a camp in Italy and not be sent abroad.

COPY OF REQUEST BY Capt GRECO MARCELLO

To 52 BLU

The undersigned Capt GRECO MARCELLO, judge on the Court Martial Centre of "LEGNANO" Div reports as follows :

After 2 years of absence from home, due to the exigencies of military service with Allied units (called up on the 26 Aug 43 I did not follow the Germans nor the Fascists after 8 Sep) I found my house and chattels destroyed due to an air-raid. But what was most painful to know was my own son (18 years old) GIAMPERO was a POW of the Allied troops in the POW cage W.P. 209 at AFRAGOLA (under the command of G 2 ALLIED MILITARY HQ; CASERTA).

From several reports as well as from my wife, I learnt that my family was subject to retaliations by the Republican Government after 8 Sep 43, since they considered me as a traitor. My family lived at MILAN, 3 Via Mercadante. All their means of livelihood were taken away from them and my son, whose age group was 1926, was called up by the Republican Army. After suffering various hardships and further retaliations against the family and especially his brother ALBERTO (not yet 16 years old) who later on succeeded in escaping aided by Partisans, my son GIAMPERO joined the 10th "FERRARIGO" Bn. He did not take part in any mopping up operations of Partisans but was sent into the line, where he was later taken POW.

He is a young student, who had to discontinue his studies and who never, of course, took part in any Fascist politics.

The undersigned would like to request 52 BLU kindly to arrange;

- (a) For me to receive letters from my son.
- (b) That I be granted permission from G 2 Allied Military HQ CASERTA, to speak to my son.
- (c) And if possible at all, to set my son free, whilst I go bail for him or render myself subject to all security measures and dispositions Allied HQ might decide to take.

His military past as well as his present employment with the Combat Group give the undersigned the hope that my application will be granted.

I, the undersigned, parson of Quarna Comune (Novara Province) dare to implore your Excellency in order to obtain informations about the two underlisted soldiers, my parishoners :

De Bernardo Luigi, son of Alfonso, born in 1925, residing at Quarna (Novara Province)

Forni Pietro, son of Sisto, born in 1925, residing at Quarna (Novara Province).

Their address before the war was: G.B.C.A. Cavalry Platoon P.O. L. 39.

These two boys, were compelled to enlist themselves in the Republican Army, in order to avoid reprisals against their parents. During the war, they were able to send news, but since the war finished, their family did not receive any news from them.

Therefore, the undersigned parson asks your clemency to forward any available information.

SUBJECT : Lieut. BRIGIDA Leonardo -

Following letter no. 32009 dated the 19th June 1945 and reference to your letter IPW/1/3/1039 B dated 24th August 1945, we beg you to investigate the situation of Lt. BRIGIDA Leonardo son of Domenico, who remained hidden in Greece during the German occupation of that Country.

On the arrival of the English the officer in question presented himself at the concentration Camp. The following having forgotten some articles belonging to him he left the Camps to go to his former house, on the way he was arrested by the Greek Authorities and taken to the Averoff prison.

The family have received recently a letter from him through the Red Cross in which he informs them that due to a mistake he is now in the Callitea prison (Athens).

We beg your intervention regarding this matter in order to clear up the position of this officer.

Thank you.

ALLIED COMMISSION - ROME

I take the liberty to call your kind attention for the purpose of trying if it would be possible for the Allied Commission to take some action in favour of an Italian young man, who is now a war-prisoner in the United States.

The name of this young man is Perosio Celestino, now in the N° 63 Italian A.M. Serv. Comp. G.P.O. Box 20, whose mother is living alone in Genoa, as a consequence of the death of the respective husband. Therefore that poor mother is greatly in need of her son's assistance: then to obtain his return with a certain speed would be a very good work.

I dare to hope that you may be able to hasten the carrying out of such a benevolent work, and in the meantime I thank you very heartily for it.

No 18005 di prot.

SUBJECT : Request for repatriation of Lt. CIAFFEI Giuseppe C.C.R.R. - N. 31772 - Camp 27/2-A - India as a particularly compassionate case.

Mrs. Lyda Ciaffei, stricken suddenly with a very serious mental illness and sent to the hospital as results from attached certificate.

The husband Lt. Ciaffei C.C.R.R. - n.31722, is POW in India at Camp 27/2-A since January 1941.

His repatriation was requested in letter 7417 dated the 30th of September 1944 on the 1st list from the Presidency of the Council of Ministers.

This case is particularly compassionate, firstly due to the serious conditions of the wife's mental ~~debase~~ ⁶⁴⁷ and secondly due to the fact that both parents of the officer died during the war and the officer's only daughter, a minor, is being taken care of by the mother's relatives. There is no-body who can direct⁶ take care of their private affairs.

We beg your Sub Commission to call this matter to the attention of the competent authorities to obtain the repatriation of the officer in question with due priority.

In view of the fact that, as you can gather from the attached documents and I can state and hereby confirm, the above mentioned Dr Turolla is a true patriot, who during the period of conspiracy has strongly helped in the fight against nazi-fascists enduring many hardships for freedom's sake, I submit also my personal and heartfelt prayer in support of those of Adria C.L.N. and Ariano Polesine C.L.N. to obtain a prompt repatriation so that he may be able to fill again his place in our "Liceo Magistrale Comunale".

FROM: National Liberation Committee

To Whom it May Concern.

25 Aug 45.

This is to state that Dr OTTORINO TUROLLA has been a member of the clandestine organization of this Liberation Committee since February 1944. He gave his active co-operation to anti-fascist propaganda and to the organization of Partisan Squads who subsequently worked in Isola di Briano. For these facts he was arrested on December 1944 and subjected to illtreatments and cruel tortures. He then was sent on, under escort, to Brescia and there forced to enlist in R.P., where he continued his work against fascists and Germans.

In this C.L.N. opinion, Dr Turolle, of whose efficient activity as Patriot the Allied Military Government was duly informed, must be sent immediately back to his family, who also has suffered so much during all this time, to his school where he always brought his faith of Patriot and his efficient activity against the oppressors, and to his country which needs his young and honest intelligence to rely on.

THE PRESIDENT

We confirm the above statement and express favourable opinion in respect of the liberation of said prisoner.

FROM: LIBERATION NATIONAL COMMITTEE

Statement

The undersigned Bessilio Danesi states that the Patriot Dr OTTOBRINO TUROLLO of Primo, born in Ariano Polesine on January 10th 1920, during February 1944, organised, together with the undersigned some partisan groups in the Municipality of Ariano. Mr Turollo gave all his activity to put these groups in fighting order and to keep contact with Adria (Cesare Zen) and with Rovigo (Alessandro Ubertone).

On November 28th 1944 I was arrested by the Black Brigade stationed at Ariano Polesine, and commanded by Tenente Simaldi. I then was subjected to torture.

Similar was the fate of my friend and co-operator Mr. Turollo. He was put in jail and tortured until December 21, 1944. Mr Turollo never disclosed the name of the Partisans nor gave to his keepers any particulars which could help them in finding out the secrets of the organisation.

On December 21, he was transferred to Rovigo jail and subjected again to cruel tortures.

Whilst we were in jail at Ariano I had suggested to Mr Turollo to try the means of forced enlistment in the Republican Forces in order to put an end to the continued ill-treatments, which in course of time would have upset his nervous system and this would have been a great loss for the Partisans Organisation.

Such advice was forwarded to me also by Tenente Ubertone of Rovigo, with whom I was in contact.

Mr Turollo, on January 7th 1945, was brought under escort to the 4th RAP Battalion in Brescia and then to Turin and was forbidden to return in Rovigo province.

In spite of all advances he always kept contact with me, and in fact whilst in Ariano to execute orders issued by the Command of Brescia RAP (March 13th) he helped the escape of 8 disabled men.

Mr Turollo, even before the Liberation had been elected President of C.L.N. by its members.

Mr Turollo was also member of S.E.P.

interrogation. I noticed also various contusions on the
head (hors-whip strokes administered whilst the prisoner
had the hands bound and was suspended to a cloak-stand.)

I cured him until December 24, on which date
the prisoner was transferred to Rovigo jail.

Made out on plain paper for military uses.

From Ancona the British Authorities sent him to Bari, where he was treated very well and where he explained to them technical details about the sub marine.

After that he was sent to the P.W. Camp 209 at Afragola where he is still up till now.

Cervarese di S.Croce 12/9/45

TO : Military Allied Command - PADOVA -

The undersigned Vigolo Fedele fu Sante, domiciled at Cervarese di S.Croce, asks to this Command to obtain the discharge of his son Vigolo Guido born in the 1913, who is a prisoner of war in Gorcer-Bortain, campo N.149 with the number 61259.

This soldier was a member of the 2nd artillery "contrareti" Regiment da 75/27 C.K.I. Battery. He was recalled the 6th of June 1940 and from that time he did no more show himself in his family because the December of the same year he was made prisoner on the African front. (Porto Badia - Libia).

His father, the writer, is unfit for the work and he must work 26 "campi" and his son's presence would be of much help to him.

Best regards

Vigolo Fedele

22 May 1945

TO : The Respectable Allied Command.

I, the undersigned, Giuseppe Scicchitano, beg this Supreme Command to examine my case in view of the following:

I am a regular Staff Sergeant of the Royal Army, in which I saw 23 years of service. During all this time I worked my way ahead in offices and I never belonged to any party. After September 8th 1943, the Republican Army ordered me to continue my work at the International Assistance Office (depending on the Military District of Ravenna) on behalf of families of soldiers, who were prisoners and missing. When the Republican Army went on retreating northwards, I was ordered by the "R. Prefettura" of Ravenna to continue my work at the above mentioned office, as a civilian clerk, which I did even after the liberation of Ravenna by the Allies.

On the 8th of February, 1945, the Allied F. S. S. invited me (and three friends of mine) to go to the Italian Expiation Commission of the Adriatic Regional Sector to be discriminated, but so far this was not done as nobody has as yet interviewed me. Moreover, some soldier fellows and superiors of mine, whom I knew as fighting men of the Republican Army, have been liberated and are now working at the above mentioned Assistance Office.

I therefore beg this Command to have my revisioned as I am longing to be liberated from prison so that I can return to my wife and three little children who have no means to support themselves.

I will be very grateful for your help.

Yours truly,

(s) Maresciallo Giuseppe Scicchitano

The Academy was transferred on account of bombardments to Lucca and then from Lucca to Piacenza. Finally all Academist brought in the Graziani's Army, given the grade of sergeant and then promoted according to seniority. Rozino became an lieutenant (second lieutenant). Their task was to instruct the recruits. Rozino, as far as I know, as well as the other ones, did not take part in any war action.

Rozino's mother had no news from him since March 1945 when a vet Gross mes. age informed her of his being a war prisoner. She went to Coltano after a disastrous journey, stopped four days but was not allowed to see him.

I have been told that there is a possibility of obtaining release of the prisoner producing documents about his identity. A fellow-student of Bogino at the Academy and prisoner as he at Coltano has accordingly already been released. I should be grateful if I could be notified about such documents in order that I may do at once what is in my capacity in my nephew's case. Thanks.

Dear comrade NENNI, you should remember my name; I am an old comrade of yours who contributed to the struggle against the "arrivistes" and the false socialists of Benevento. My name is SCOGNAMIGLIO Arturo, father of an officer prisoner in Germany.

I rely on you for an act of justice. My son is at present time in a Prisoners of War camp in France. His imprisonment is quite illegal, since he was wrongly considered as a prisoner of war in the same way as the military personnel of the 4th Army. Nevertheless he was not in France during the Italian occupation, he was neither fascist nor collaboratorist. His documents show clearly that he has been prisoner of the Germans up to the 14th of April 1945 and on the 12nd of May freed by the Americans and allowed to repatriate.

He tried to come home through Holland, Belgium and France, but at the Italian frontier he was arrested and sent into a Prisoners of War camp.

Here is his address:

P.C. S. Tenente SCOGNAMIGLIO Amedeo No. 339531 - Depot 156 - de P.E. de l'Asce - Paulon (France) Chantier Bon Rencontre.

As you can see the injustice is quite clear. French Authorities want pure antifascists to pay dear for the crimes committed by the fascists. However your authority will be able to carry out justice so that I shall have my son repatriated as soon as possible.

SUBJECT : Italian soldiers in Middle East -

Where is transmitted a communication dated 17 July 1945 of the Royal Italian Embassy in Turkey about Italian soldiers detained in Middle East.

1. Case concerning Artillery soldier DEL MONACO Giovanni - This soldier of the "Cuneo" Infantry division arrived in Turkey from the isle of Samos in November 1943. While traveling across Turkey in train with his unit to the Middle East he was victim of a terrible accident and both his legs were amputated.

He was taken care of for long months (in Turkish hospitals and then in the Italian hospital of Istanbul) were through care of this Royal Office he was given artificial limbs and was sent to Siria because it was thought British Authorities would immediately repatriate him. In December 33 DEL MONACO was in a concentration camp near Aleppo in terrible physical and moral conditions.

2. Case concerning Sub. Lieut. MOLLICA Rodolfo and soldiers FORCELLA Giuseppe and MONTANARO Angelo.

These three soldiers, that were interned in Turkey, were employed, during 6 months, by the Information Centre of Izmir in the difficult work of finding our soldiers still hiding in the isles occupied by the Germans and they had done their duty well in many dangerous missions concerning their informative activity that was well known to your Military Allied authorities. When the Information's Centre activity ceased in October 1944 Sub. Lieut. MOLLICA and the two soldiers were sent to the Middle East to be repatriated - but they were put in the Alep 6200 concentration Camp where they still are.

We ask your Sub Commission to obtain their repatriation.

Subject : Repatriation of a prisoner of war.

The undersigned, Pennino Gennaro, son of the late Vincenzo, and of the late Filomena Esposito, was born at Naples on the 31th of January 1880.

The undersigned Giuseppina Marzocchelli, daughter of the late Domenico and of the late Rosa Pedata, was born at S. Antimo (Naples Province) on the 3rd of November 1875.

We, the undersigned, are the parents of seaman Pennino Eugenio and live in Naples in Vico Noce a Fonseca Nr. 15 (Sez. Stela).

Our son is a prisoner of war since the 21st of January 1941, while he was at Tobruck ; this is his address : P.F.C. 73 T.H.I.G./M.- Service ; C.O. UTAH, Depot GGDEN UTAH, U.S.A.

We dare beg that Hon. Office G-5 of Caserta to take into consideration this request to hasten the repatriation of our son Eugenio.

We inform that he is the only supporter of his parents; his father is old, and by the " Istituto della Previdenza Sociale " of Naples has been declared unable to do any type of work. Besides this the old man is wounded because he took part in the four days of Naples. The old mother also cannot work. The military subsidy is their only income.

We take the liberty to invoke the prompt repatriation of our son after about five years of imprisonment.

Therewith we enclose the certificate of family situation, to which the Reali Carabinieri have added their visa,

We rely that our request will be taken into consideration and in

anticipation we thank you.

Yours respectfully

S./ Pennino Gennaro

SUBJECT : LONGO Franco di Donato -

We transmit a plea of LONGO Giuseppina of Rome asking for the liberation of her son Franco, aged fourteen, from the concentration camp, P.O.W. 209. The local Police has given the following information and has given favourable opinion.

The minor LONGO Franco of Donato and Merico Giuseppina born in Poggiardo (Lecce) the 10th of February 1931 has no precedents in our files. From information we have he disappeared from his home one day of March 1944. He is very well developed but has had pleuritis and has two ribs missing. His family is composed of his father LONGO Donato, born in Poggiardo 10.1.1900, of his mother MERICO Giuseppina of Germano, born in Poggiardo 1 February 1903, of his sister Maria, born in Poggiardo 22.3.1926, unmarried and brother Ferdinando, born in Poggiardo the 24.5.1933.

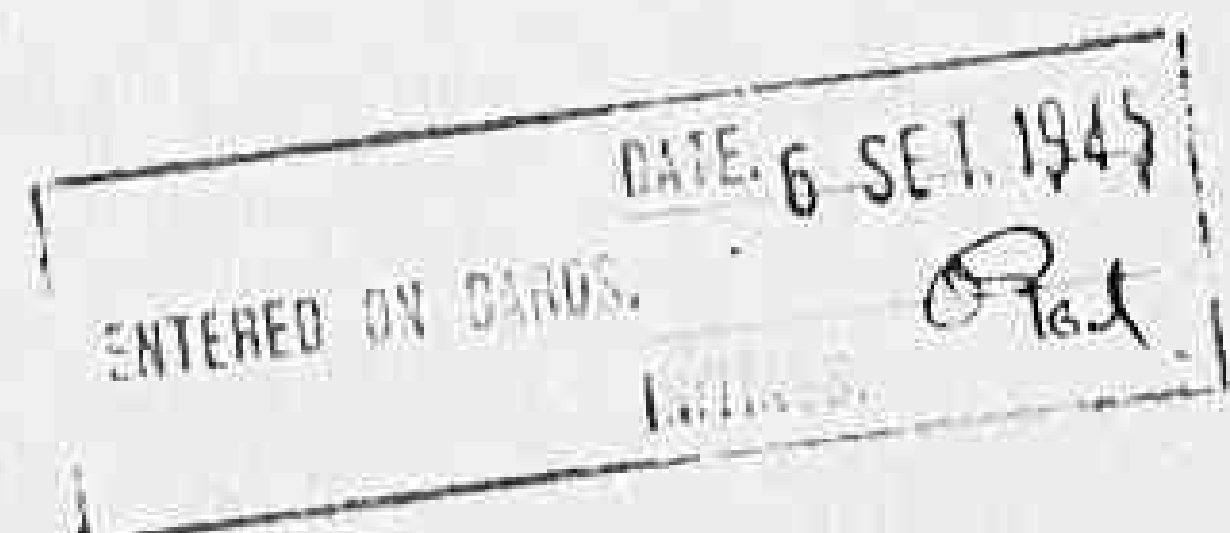

All the above lead a very peaceful and retired life have a very good reputation and the liberation of LONGO Franco would have a very good impression on the public.

This Bureau gives favourable opinion that the Ministry eventually applied to the Allied Authorities for the liberation of LONGO Franco.

The family thought he had been taken by the nazi-fascists but instead after a long time they received a post card of the boy dated 5.9.45 as Prisoners of War. The boy left home at the age of twelve because a prisoner at thirteen considering his age no political opinion can have caused his arrest. SUBJECT: POW Luciano COSTA

FILE No. 102/2.0.

ROME, 4 May 1945

TO: I.P.O.W. S/S

This Office has been interested for the following case:

Luciano Costa, being a student at the Genoa University, Veterinary Branch, in 1943 was dispensed from military service.

After the Armistice, he tried to avoid being drafted, hiding for some time, but finally, under the pressure of his mother (whose husband was Chief Engineer on an Italian ship abroad and was interned in India. She was thus left with the boy Luciano and a little girl), he gave up and was sent to Germany for training. Subsequently, on Nov. 1944, he was sent back to Italy and assigned

./.

to the "Littorio" Div, Veterinary Coy stationed at Cuneo (Piedmont).
On 25 April 1945, taking advantage of the Allied Advance, he fled, but at Turin he was caught by the Germans who put him in an internment camp or prison, where he was found by the American troops and sent to a POW camp.

The undersigned knows very well the boy and can give full guarantee for him, both on personal and political ground, and consequently inquires into the possibility for him of being released or, at least, be left in ~~maintain~~ a camp in Italy and not be sent abroad.

Dear Captain Neuburg:

I am enclosing herewith a copy of Note No. 99793/SA dated August 9, 1945 which I have received from the Holy See transmitting memoranda from the Superior General of the Capuchin Order, via Boncompagni 71, Rome, concerning three members of the Order who are stated to be German prisoners of war. The return to their monasteries of these three members of the Order, namely, Peter Unterholzner (in religion Frater Gottfried, seminarian), Franz Mur (in religion Frater Fidelis, seminarian), and Franz Trompedeller (in religion Brother Otto), is requested. The Note adds that the case of Peter Unterholzner is particularly urgent, since because of his forced connection with the SS he is reported to be in imminent danger of deportation to Africa for a period of twenty years.

Your courtesy in taking this matter up with the appropriate Allied authorities and letting me know the nature of the reply which may be made to the Holy See will be much appreciated.

Sincerely yours,

Harold H. Tittmann

The undersigned Superior General of the Capuchin Order hereby attests that the persons mentioned of the enclosed list are all members of the Order. He earnestly requests that these persons be permitted to return to their respective monasteries. The motives for granting this request are as follows:-

- 1) All the listed individuals are from Alto Adige, Province of Bolzano, and in the year 1943 at the general opinion all of them voted against returning to Germany.
- 2) As members of a religious Order they were all exempt from military service in accordance with the Italian Concordat with the Holy See.
- 3) Nevertheless, when the Alto Adige was occupied by the German troops, they were forced to join the German Army.
- 4) Some of the individuals listed were even obliged, against their will, to become members of the German SS and German Police, for purpose of giving expression of the German antipathy towards the Catholic religious Orders.

The undersigned sincerely trusts that the above request will receive the attention it deserves.

No 57225 - P.W. Postal Employment - Control Centre S. 9 -

S.A.L. of C.A.A. - Australia,

request that my son be returned home to work on the land owned by us (approx. 15 acres). During the periods of "upgrading my" operations of Allied P.O.W., date by Nazi-German troops, I kept in my house at Savigno Grosseto region a British prisoner for 9 months sheltering him from the persecution of Nazi troops. Then at night, I used to be visited by 8 or 9 British P.O.W. who were in the vicinity of my house, and who came to listen to the British broadcasts.

For the reason stated above, I beg you to consider my application pointing out that my other son, Biagiolo Felice, is nearly always sick and cannot help to cultivate the land.

Respectfully,

Biagiolo Alfonso

SUBJECT: Illegal Certificates for the Release of PW.

TO : Office of the A.C. of S, G-2(CO), AFHQ, APO 512, U.S. Army.

1. Many Italian Committees of Liberation, Partisan Organizations and Town Mayors, in order to favor the release of PWs, are issuing certificates stating that PWs were never fascist-minded and that they were forced against their will to join the Republican Army.

2. These certificates may easily be obtained, either by bribery or by recommendation. At present there are many Partisan Organizations which are not recognized officially, and besides, these documents do not conform with Italian laws. Certificates are valid only when issued by regular military authorities or by an "atto notorio" (a declaration under oath made by five witnesses of good character who must be personally known to the Doctor or Town Mayor, and signed in his presence.) If the statement is made before the Town Mayor, his signature to the certificate must be witnessed either by the President of the Tribunal or by the Prefect. None of the certificates intercepted by this Detachment bears such legality. It is suggested that these certificates be condemned in order to prevent the unjust release of PWs.

MINISTRY OF INTERIOR
General Direction of Public SafetyDiv: A.G.R. Sec: 1
Ref No: 447/11726

Rome, 11 Aug.45.

SUBJECT: COCCOLINI - ex Military Chaplain- Internee.

TO : A.C. Public Safety Sub-Comm.Rome.

For the actions you deem necessary, we re-write the letter n.1642 dated 30/7/45 sent to us by the chief Chaplain for Italy, Arch-Bishop Carlo Ferrero, hoping to obtain the liberation of the Domenican Father COCCOLINI, who was the Military Chaplain of the "Brigate Nere" of Bergamo.

""""""""Father Coccoli was arrested and kept, since the 11th of June, first in the Questura and afterwards in the concentration camp of Sesto S.Giovanni, who was after the request made by his Superior he was sent to the Convent of Fontanellato (Parma).

The reason for which he was arrested is because he was the Military Chaplain of the "Brigate Nere" of Bergamo; considered as a volunteer he was interned, according to the Allied dispositions who concentrate all those who enlisted as volunteers in special localities of the boundry.

But I am very grateful to you for having solved a simular case as that of Solmona, and I beg you to please intervene in the case of Father Coccolini as soon as possible in order to have his returned to his Convent in an absolute liberty.

According to the Ginevra Convention Father Coccolini as a member of the "Protected" personnel was not to be arrested not stopped. On the other hand Father cannot be considered as a volunteer, being that he was the Chaplain of the "Brigate Nere" of Bergamo in force of a precise order of the legal ecclesiastic authorities who were interested in the spiritual assistance of the "Republican Armed Forces."""
