*L'Alto Commissario
per i prigionieri di guerra*

n. 3962/Mil.II[^]/G-2

OGGETTO: Prigioniero di guerra FARINA Antimo - campo n.371 Campo Italia.

ALLA COMMISSIONE ALLEATA DI CONTROLLO

R O M A

Il maresciallo maggiore FARINA Antimo - già effettivo al 15° regg^o Autieri Savona - trovavasi alla data dell'armistizio in viaggio di ritorno al Corpo da una breve licenza quando fu catturato dai tedeschi e trasportato nella zona di Cassino. Quivi giunto, il predetto maresciallo maggiore riusciva a fuggire trasferendosi presso la famiglia sfollata in S. Giovanni Incarico. Dopo qualche tempo fu nuovamente ripreso dai tedeschi e inquadrato in un'unità di lavoro. Nel maggio 1944 il Farina riusciva nuovamente a fuggire e il mattino del 25 stesso mese si presentava al Comando Alleato di occupazione nella speranza di poter riprendere regolare servizio.

Contrariamente ad ogni sua aspettativa il maresciallo FARINA veniva, invece, internato al campo n.371 dove tuttora trovasi. 6704

Prego cotesta Commissione di voler rappresentare alle competenti Autorità la particolare situazione del prigioniero, che, fra l'altro, ha lasciato la moglie e cinque bambini in situazione economica assai difficile ed esaminare benevolmente la possibilità di concedere al Farina di essere liberato dai vincoli della prigionia.

SUBJECT: P.O.W. required as Citrus Fruit Inspector.

TO : War Material Disposal & Italian P.O.W. S/C

1. We refer to signal C/DII of Sept. 6 from Major Stephens, Exports Officer, Messina, and to telephone conversation Lt. Tor - Maj. Gent.

2. It would be appreciated if efforts could be made to obtain release of Sottotenente Dott. VINCENZO BONFIGLIOLI, P. of W. with Italian Naval Company, Caserta, in order that this person may be utilised by ACC or the Italian Government as a fruit inspector.

3. The citrus fruit export program, for which the Foreign Trade Section of this Sub-Commission is responsible, entails the preparation for export, and shipment, of nearly 2 million boxes of lemons and oranges, and a large number of qualified fruit inspectors are required to handle this work. For many reasons there is a shortage of experienced men, and the release of the a/m P. of W. would materially assist this Sub-Commission.

HIGH COMMISSIONER FOR PW
File n. 3962/Mil.II/C.2

8 September 1944

TO: A.C.C. ROME

SUBJECT: PW FARINA Antimo, Camp n. 371, Campo Italia.

Maresciallo Maggiore FARINA Antimo, belonging to the 15th Regt. Autieri Savona, was, on the day of the Armistice, enroute to his unit after a short leave, when he was captured by the Germans and taken to the Cassino zone.

Thereupon he succeeded to escape and to join his family which had fled to S.Giovanni Incarico.

A short while later he was captured again by the Germans and assigned to a work unit. He succeeded to escape again in May 1944, and on May 25th applied to the Allied Command hoping to be allowed to reassume regular service.

To his great surprise, Maresc. FARINA was thereupon interned in Camp n. 371, where he still is.

I beg the ACC to clarify the peculiar situation of this PW to the Authorities concerned. He left his wife and five children in very trying financial conditions, and I ask therefore that he be released as soon as possible.

I know you understand how difficult it is to get the younger and fit PW repatriated. I have stated in the case of the ones you have asked for that appointments will be available for them immediately on their return to Italy.

No 5042/1/Sogr part C.3.

8 Sept. 1944

SUBJECT: Repatriation of PW Lieut Giuseppe Prosperi
No 31256 - 26/3 B Camp - CPO GPO Bombay, India.

TO : A.C.C. ROME.

FROM : High Commissioner for Prisoners of War.

I want to notify to the A.C.C. the compassionate case of the Family of PW Lt. Giuseppe Prosperi, No 31256 26/3 B Camp, Bombay, India.

The above mentioned family has other two sons: one PW and the other dispersed in Tunisia.

At home only the women are left (the mother over 60 years old and in a very bad state of health) without any material or moral support.

The following fact should also be noted in favour of this family:

Mrs Michelina Prosperi during the period August 1943 - February 1944 gave hospitality to British soldiers (Louis Reginald Watson, New Road, Biddulf Moor, Stoke on Trent, and William H. Binch, 36 Moor Street, Notts. England) who had escaped from Italian PW Camps, allowing thus these soldiers to join up with their own units instead of being captured again by the Germans.

For the reasons of this being a compassionate case and also because of the help Mrs M Prosperi has given to these Allied soldiers I beg you to take this case into consideration and submit it to the benevolent interest of the A.C.C. so as to obtain the repatriation of Lt. Giuseppe Prosperi, needed very badly by his family.

Segnalo a cotesta Commissione il caso pietoso prospettatiomi dalla famiglia del tenente Giuseppe Prosperi, P.fo W.31256, 26/3 B Camp - India -

Detta famiglia ha altri 2 figli : 1 prigioniero di guerra e l'altro segnalato disperso in Tunisia.

In casa, pertanto, sono rimaste solo le donne (la mamma ha oltre 60 di età ed è molto cagionevole di salute) senza nessun appoggio materiale e morale.

Segnalo inoltre ad onore di detta famiglia, il seguente fatto.

6670

La Signora Michelina Prosperi, nel periodo agosto 43 - febbraio 44, ha dato ampia assistenza a 2 soldati inglesi (Louis Reginald Watson - New Road, Biddulf Moor, Stok Ontrent, England -; e William H.Binch, 36 Moor Street, Notts, England) evasi da campi di concentramento in Italia permettendo così ai soldati stessi di difendersi da gravi pericoli e di raggiungere poi i propri reparti.

Sia per le speciali condizioni di famiglia, sia per quanto la signora Michelina Prosperi, moglie dell'ufficiale, ha fatto a favore dei due soldati inglesi, ritengo il caso veramente merite-

~~37 VIA S. ANTONIO DI S. ROCCO~~

69/31/44

4th September, 1944.

Dear Colonel Brown,

With reference to our telephone conversation this morning, about cases concerning prisoners of war, we often, as I am sure you will realise, receive appeals from Italians on behalf of their relatives whom they are anxious to have home again.

The Foreign Office inform us that they are prepared to repatriate Italian prisoners of war (a) on grounds of health and (b) if specially applied for by the Italian Government. As regards the second category the Foreign Office think that any applications which we receive should be referred to the Control Commission who, if they think fit, will refer them to the Italian Government. It is then for the latter to apply for the release of the men in question. Alternatively, the Foreign Office say we can tell our correspondents to address their application to the Italian authorities.

In these circumstances, I venture to send you the enclosed notes of three really hard cases which we referred to the Foreign Office but which it seems that they are not taking up. ^(The Address) We could of course refer the petitioners to the Italian authorities, but as so much time has already been lost and they are such particularly hard cases, I feel that it is right that ^(The Address) we should ourselves take the initiative. I feel this particularly because in two of these cases the petitioners helped British prisoners of war; whereas in the other instance the wife of the prisoner of war whose return is asked for both helped our prisoners of war and herself fell an innocent victim to our bombs. I should add that the case of Pagliaroli has been brought by us to the attention of the High Commissioner's Office and that/

that, although they cannot intervene officially (as he is neither ill nor required for the Italian war effort) they have said that they will see what can be done privately.

I greatly hope that you will be able to devise some means of helping these unfortunate people; in the case of Pagliaroli it seems to me that it almost amounts to a debt of honour on our part.

Yours sincerely,

Memorandum regarding requests received for
Repatriation of Italian Prisoners of War.

(1) Virgilio PIGNOTTI, a shoemaker, from Poli (Province of Rome) appeals for return of his only surviving son Giuseppe PIGNOTTI who is a prisoner of war at the following address: No. 113553 Arma A.R.M. Prisoner of War Camp No. 78, Great Britain. Signor Pignotti, who appears to have given help to fugitive prisoners of war at Poli during the period of the German occupation, states that his two other sons were barbarously killed by the Germans after the Via Rasella incident in March last. (These two sons lived in the Via Quattro Fontane close to the place where the thirty German soldiers were killed, so I take it that they fell as a result of the indiscriminate shooting which followed the incident and not, as this Legation at first imagined, among the three hundred hostages who were executed later).

Signor Pignotti, who says that he is growing old and that his wife is ill, begs that his only remaining son may now be allowed to return home.

(2) Giulio ZACCARELLI, resident at Rome (this Legation have not his address at the moment but can obtain it without difficulty) who rendered valuable service during the German occupation to British prisoners of war, states that his wife is gravely ill and has only a few weeks to live. Her one desire, in these circumstances, is to see her son, Corporal Mario ZACCARELLI, No. 11547, who is a prisoner of war at the following address: Camp 2° T.1. Le Kreider, French Africa.

(3) Emilia PAGLIAROLI, the wife of No. 261462 Giovanni Battista PAGLIAROLI, an Italian prisoner of war, was killed on a bridge in the district of Veroli, near Frosinone, close to her home. She left five small children "in a disastrous situation", and it is hoped that, in these tragic circumstances, her husband may be allowed to come back to Italy in order to care for his motherless and destitute children. treatment is yet more cogent in view of the fact that for a considerable period during last winter Emilia Pagliaroli gave food and lodging to three British ex-prisoners, as well as valuable assistance to many others passing by. She also, at great risk to herself, carried letters from the ex-prisoners to this Legation (in the Vatican City) which was then the chief centre of relief work for the prisoners, and took back food and clothing obtained in Rome. According to information received by this Legation from the Allied Screening Commission, Pagliaroli was captured at Massawa on April 4th, 1941; he was then a prisoner in Egypt at Camp 330 (M.E. Sudan); afterwards he was transferred to India, Camp 15; and now he is said to have been sent to Australia where however his address is unknown. This case was brought to our attention by Princess Luisa Ruffo di Calabria, (Via Jacopo 1, Rome - telephone 862094) who is personally known to members of this Legation and who last winter lost a son of her own fighting for the Allies in a Commando raid near Pescara.

SUBJECT: - Repatriation of Prisoners of War.

TO : - Director of War Material Disposal and
Prisoners of War Sub-Commission, HQ ACC.

Encl- 34. Sec 11-12

The following case has been brought to my notice (details of which are contained in the attached letter) by Col. Spicer, Interior Sub-Commission, and I am wondering if anything could be done to get 1st Lt. Dr. Michele De Arcayne home.

His wife tells me that there will shortly be some repatriation of Italian prisoners of war from the U.S.A. and if this young man's name could be included in the list I know his wife would be extremely grateful.

It is quite possible that those being repatriated might need some medical care and it is suggested that 1st Lt. De Arcayne might undertake this work.

Even in war time it seems a very hard case to me that a young couple should be separated if it is possible to bring them together again after all this time.

I should be grateful if you will let me know if there is any possibility of this officer's return as I have promised to let his wife know by the end of the week if possible. She feels that she would like to know one thing or the other.

Knowing that some sick and invalid Italian prisoners of war are expected to return from the U.S.A., I come to ask if my husband, being a doctor, could accompany them.

His name is 1st Lieut. Dr. Michele De Arcayne. He is not an officer in regular service, but was called up for the war with his class just after having taken his Dr.'s degree.

He is 30 years old and specialised in nervous and mental diseases. As he has been for a length of time in the tropics he is also quite capable in tropical diseases specially Malaria.

He was taken prisoner in Somaliland in Feb. 1941 and has been in concentration camps in Kenya and South Africa. Now he is in Arkansas and his address there is:

I S N 450 H I
S. Ten. Mexico DE ARCAINE MICHELE

P.O. Box, Monticello, ARKANSAS
c/o C.P.O. Box 20 - New York, N.Y. U.S.A.

I trust it would be possible to have him return to Italy to accompany these prisoners to assist them during the journey.

He has already been detained for a much longer period than the majority of prisoners in America.

Trusting that my request will be granted,

I remain yours truly,

(Signed) Olimpia De Arcayne

The mayor of the above mentioned certifies that GIORGI Giuseppe, father of PW, now in Allied hands, has a farm, to which he cannot attend himself due to his advanced age. Since there is no one else in the family who could do the work, it is believed that the repatriation of the PW would be of maximum usefulness.

Subject: Request of repatriation of P.W. 2nd Lieutenant Roberti Renato.-

It was brought to our attention by the undersecretary to the Presidency of Council, Mr. Sergio Fenoalta, the case of the 2nd Lieutenant of reserve of the Automobile Corps Roberti Renato of Lorenzo, and of Anna Capanna, born in 1913, -P.W. from January 1941 - N°20742 -Camp 28/IBC/o G.P.O. Bombay.-

The mother of 2nd Lt. Roberti, 75 years old, has been for over 20 years sick with paralysis of the right part of the body and arthritis to the legs; she is obliged to stay always in bed.- Her condition has become worst in those last days for the sorrow of his son P.W., who she thinks, she will never see again.- Even her mental condition is in danger, and the poor woman will probably lose her reason if her son is not repatriated.-

I represent to the A.C.C. the pitiful case of 2nd Lt. Roberti, sure that you will take interest in his repatriation.-

E' stato segnalato da S.E. il Sottosegretario alla Presidenza del Consiglio, Sergio Fenoaltea, il caso del sottotenente di complemento automobilista ROBERTI Renato di Lorenzo e di Anna Capanna -- classe 1913 -- prigioniero di guerra dal gennaio 1941 -- n° 26742 -- campo 28/IBC/o G.P.O. Bombay.-

La madre del ROBERTI che ha l'età di 75 anni, è ammalata da oltre 20 anni per paralisi alla parte destra ed artrite deformante alle gambe che la obbligano a stare quasi sempre a letto. Le sue condizioni di salute sono peggiorate in questi ultimi anni specie per il dolore causato dalla prigionia del figlio che essa teme di non poter più vedere: anzi le sue facoltà mentali ne sono state tanto scosse che la povera donna sta impazzendo se non rimpatria presto il figlio.-

Rappresento il pietosissimo caso a codesta Commissione Alleata con preghiera di voler benevolmente esaminare la possibilità di concedere il rimpatrio del sottotenente ROBERTI.-

1. Lt. DI CHIARA Giuseppe, 69 years old, has 4 sons as PW, 2 in India, one in Russia (of whom he has no news since 1943) the 4th is officer in a Grenadier Regiment in the part of Italy still occupied by the Germans (he has not written to his family since July 1943). Moreover, the son-in-law is a PW in Egypt and left his wife and a small baby to be looked after by Mr. DI CHIARA.

TRANSLATION

March 8, 1944.

I am the brother of Ilo Salvati, who was a Lieutenant, Chief-Pilot at the Foggia Airport, when you were there in 1917 and who often had the occasion to write to you. I am a prisoner of the Americans because I was captured at Palermo, where I was in service with the Military Tribunal.

I beg you to take interest in my case. As I requested at another time, I would like to serve the cause of the Allies, even fighting, against the German invaders, who now have the land of my birth, subject to their robberies. I am sure that we Italians, ignoring the fascist yoke, deserve the consideration of the United States, who has shown sincere sympathy for our beautiful Italy.

My brother is at Rome and I do not receive news from him. Please forgive my boldness and I hope you give some consideration to this case.

Major Geo Salvati, R. E.,

16 August 1944

Knowing that some sick and invalid Italian prisoner of war are expected to return from the U.S.A., I come to ask if my husband being a doctor, could accompany them. His name is 1st Lt. Dr. Michele De Arcayne. He is not an officer in regular service, but was called up for the war with his class just after having taken his Dr's degree. He is 30 years old and specialized in nervous and mental diseases. As he has been for a length of time in the tropics, he is also quite capable in tropical diseases specially Malaria.

He was taken prisoner in Somaliland in Feb. 1941 and has been in concentration camps in Kenya and South Africa. Now he is in Arkansas and his address there, is:

I S N 250 M I,
S. Ten. Michele De Arcayne Michele,
F.O.W. Camp, Monticello, Arkansas,
c/o G.P.O. Box 20,
New York, N.Y. U.S.A.

I trust it would be possible to leave him return to Italy to accompany these prisoners to assist them during the journey. He has already been detained for a much longer period than the majority of prisoners in America.

Trusting that my request will be granted,

I remain, yours truly,

Signed: Olimpia De Arcayne.

La descrizione fattami da persona che ha avuto l' onore di avvicinarla sull' affabilita' e cortesia che la distingue, mi ha posto nel dubbio che l' esposto inviatole fino dal 19 scorso mese di Luglio non le sia pervenuto. Siccome non vi e' per la mia mente tormento maggiore del dubbio, ho senz' altro deciso, pure di divenire tedioso, di rinnovare con la presente l' esposto del 19 u.s:

1° di avere l' onore di presentarmi personalmente;
2° se e' possibile di far giungere a THE SUPREME COUNCIL OF UNIVERSAL CO=MASONRY = LARKSPUR, COLO, una mia lettera;
3° chiedo il suo validissimo interessamento per il ritorno alla propria famiglia del Caporale dell' 81° Fanteria CHIAPPINI Giovanni di Marco, attualmente prigioniero al campo 131= ORANO (Algeria) avente il numero di distenzione 81-I=70698.

La disgraziata compagna del predetto caporale con la modesta arte da santa, nei tempi che corriamo, oltre a provvedere al sostentamento per se e per i due teneri Figli, deve soccorrere anche i Genitori vecchi del Marito Caporale Chiappini, i quali nel bombardamento di Cassino hanno per-

La disgraziata compagna del predetto caporale con la modesta arte
da santa, nei tempi che corriamo, oltre a provvedere al sostentamento per
se e per i due teneri Figli, deve soccorrere anche i Genitori vecchi del
Marito Caporale Chiappini, i quali nel bombardamento di Cassino hanno per-
duto lo stabile che era l' unica risorsa delle loro condizioni economi-
che.

Se per le molteplici e non indifferenti sue occupazioni non può
in altro favorirmi, mi lasci sperare che merce il suo interessamento
la Sig/ra Chiappini Calore Matilde possa ottenere il rimpatrio di suo
marito prigioniero in Algeria.

Con il massimo rispetto, mi onoro ossequiarla.
