RAZZANO, Angela

The undersigned, Razzano, Angela, residing at MADDALONI, Via Napoli, 52; 68 years old, exposes the following facts:

As it is shown by the enclosed Family-Record, she has two sons, one, SCHIOPPA, Francesco, is PW in Germany-O.945 KDO 1167 GW-, and the other, SCHIOPPA, Michele, is a PW in England-T-204675, 580 POW Camp.

She is a land-owner, but she is unable to cultivate her land because she is alone, and has been deprived of the help of her sons.

For two years no one took care of the hemp crop, because her son Michele who is a specialist for hemp manipulation is a PW in England.

She asks for the repatriation of her son Michele, so he could do the proper work on her land, and support his old mother so close to the end of her days.

In the year 1944, on the 16th day of December, in Barletta and in the Town Hall.

- 1) Esposito Ludovico fu Francesco
- 2) Pierro Giuseppe di Nicola
- 3) Deicurstolo Cesare fu Felice

all of them residing here, all eligible to give evidence, who declared that it is to their knowledge and that therefore they can state that Russo Savino di Salvatore, married, Class 1912, Sergeant, previously belonging to the 10th Infantry Regt, 2^o Batt, 5th Gunners, P.N. 550 (Egean), prisoner of war since 6.1.1943, escaped from the Germans on 12.1.1944 and was sent by the Allies to a concentration camp. As the said prisoner of war is the owner of a landed property in Barletta, which he cultivates himself, and due to the fact that nobody among those who belong to his family, can take his place, his presence is necessary and indispensable, so much the more since his class has already been dismissed.

After which the present act was compiled, read, confirmed and duly signed by the above mentioned witnesses and by me.

The undersigned father of subject ask for the release of his son for urgent agricultural needs.

He cultivated the property of Collepallegrino, trusted to him by Michele Dattucci, resident in America, and administered by Mr. Spata Lucresi.

He is the last son left on the property, which is a property of 15 acres, and it is impossible for him to cultivate it alone.

His two other sons are also P.W.'s as is shown by certificate herewith attached, and the presence of his son Giovanni would help him in the period of the sowing and the gathering of the olives.

If this request is not regarded he will find himself compelled to reduce the sowing of the grain and will also have to reduce the number of animals which are needed on the farm.

A F F I D A V I T

Personally appeared before me, the undersigned, authorized by law to administer oaths, one PUGGIOLINI Alfredo, Soldato, 81-1-80254, 7304 Port Company (Italian), who being duly sworn, deposes and says:

I was taken prisoner of war by the English on 11 May 1943 at Ghelibia, Tunisia, and transferred to the Americans on 27 June 1943. At the present time I am an Ordely at ISU Camp 1008 in Casablanca. I am 34 years of age and have a wife, Signora Poggiolini, Teresa, age 31, and one son, Poggiolini, Alvaro, age 4. My wife is working as a farmer, both in the fields and at culinary duties on Far La Rocchetta, at Olmo (Florence), Italy, 13 Kms. north of Florence, where I was also employed as a farmer prior to entering the Italian Army. My wife's parents, Signor and Signora Lascialfari, Palmiro, are laborers in an unknown Villa on Via Boccaccio in Florence.

At the age of 5, my father and mother died during an influenza epidemic following the last war. I was adopted by Signor and Signora Zanobelli, Giuseppe, Via dei Bosconi No 6, Fiesole, Florence, Italy. My foster mother died in March 1944. My foster father, my Uncle and Aunt, Signor Zanobelli, Pietro and wife, Julia, also a cousin, Zanobelli, Graziella, were all killed in September 1944 while they were returning to Florence, following its occupation by the Americans, as the result of an exploding mine in a field which they were crossing.

I have no living brothers and one living sister, Signora Lombardi, Vittoria, Via Romana no 3, Florence, Italy who is a housewife and whose husband was previously a laborer in a factory, but I do not know his present occupation.

To my knowledge none of the living relatives mentioned above are able to support my wife and child, and I have no other relatives who are financially able to do so. (2)

I am advised that all of my personal belongings which were in the house in which I lived at the farm where I was employed was taken by the Germans during their occupation or at the time of their evacuation. I do not own a home of my own, nor do I own any property, real or personal, so as to contribute to the support of my wife and child. I am sure that I could work on the farm where I was previously employed and where my wife is now if I could go back to Italy.

further deponent says to naught:

PUGGIOLINI, ALFREDO
Soldato, 7304 Port Co. (It).

Subscribed and sworn to before me this 5th day of February 1945.

CHARLES W. QUINA
Captain, Infantry
Summary Court Officer.

I certify that I have translated accurately the above statement to Poggiolini, Alfredo, which he states is a true account of the incidents and circumstances mentioned therein.

THE HIGH COMMISSIONER FOR PW

N.17083 di prot.

Rome, January 24th 1945

SUBJECT: Request for repatriation of PRIVITERA Lucio, civilian Internee.

TO: THE ALLIED COMMISSION. IPW SUB-COMMISSION. ROME.

On the 23rd of July 1944 in Rome a truck having the following numbers N.14991 Rome.- was run into by an Allied Cannon as reported by the Commissary of the It. Public Safety and the CC.BR. Command of the Quadraro district, and was duly reported to the Competent Allied Authorities in date of July 23rd and July 27th 1944.

On this truck was Mrs. DE MATTEIS PRIVITERA and her daughter Rosana aged 12, the daughter was wounded in her right hand and Mrs. DE MATTEIS was wounded in her right leg so severely that she died a few hours afterwards in the Hospital of San Giovanni.

This tragedy has affected very severely the health of Capt. PRIVITERA Dr. Benedetto, husband of the deceased and recently repatriated as a war invalid, who now finds himself in entire charge of his two daughters, aged 16 and 12 (who had been repatriated from Harrar) without the mother's help and his only son Lucio aged 18, who was not allowed to leave Harrar and was held as a Civilian Internee in Kenya, having superated the age of repatriation, being at that moment just over 15 years old.

The absence of this son after this tragedy is felt very much in the family and his presence in this moment would be a great comfort to his sisters who are alone in the house.

We add that the father, above-mentioned Officer Capt. Dr. PRIVITERA, is at present on duty at the Military Hospital in Rome and may receive orders any moment to leave for the Zone of Operations, in which case the two daughters would be left entirely alone.

We therefore beg this Commission to examine with benevolent attention this case for recommending to the Competent Allied Authorities of the repatriation of Lucio PRIVITERA, taking into consideration his age and the tragic circumstances of his family.

The above-mentioned PRIVITERA Lucio is interned in Kenya, Camp I A for Civilian Internees.

Herewith attached is a certificate of the Roman Court of the Justice of peace.

Thanking you.

Signed:

The High Commissioner

General Pietro GAZZERA

Subject:- P.W. No.437212 - Sold. MOSCHINI AMEDEO.

To:- O.C. 208 P.O.W. CAMP
NAFLAS.

Sir,

I notify you of the particular situation of Signora Guiducci Casilde fu Domenico, living in this town, mother of the a/m P.W. Moschini Amedeo is the only support of his mother, who, because of her very old age, is unable to work and is ill and in need of continuous care.

Moreover the workshop of the a/m P.W. has been destroyed by war, and the financial situation of the family is very serious.

As Mayor of this town, I kindly ask you for a benevolent examination about the particular conditions of Famiglia Moschini, conditions which are piteous and which drive me to intervene, by this application, in order that the a/m P.W. may be released to help his mother by his work.

Soldato Moschini Amedeo, class 1908, has always had a very good moral, civil and political character: he is an honest and able worker and his release is hoped for by the whole Comune.

Very truly

The Mayor

FEB 1945

To : H.Q. No.1 Post Operating Group .

The undersigned ROLLI Cosima di Cosimo, born 7/12/1911 in Mesagne, now living in Maya Matardona street n.92, wife of the soldier ROMANO Antonio , class 1907, Reg. n.23798, informs your H.Q. of her particular circumstances .

She is not able to work and cannot assist her three sons, all of tender age , because she is suffering from pulmonary tuberculosis . Her mother, DI VOLA Cosima Rolli, 58 years old, is unable to work because of " endocardite cronica " , and cannot help her grandchildren. The mother in law, MICCOLI Lucia, widow ROMANO, 58 years old, is not able to work because of chronic bronchitis and, of course, she cannot assist her grandsons.

To what has been mentioned above it is necessary to add the condition of their 4 pieces of land (3 the property of husband and 1 leased) after the call to the army of her husband . It was not possible for her herself , due to her modest economic conditions, with three children, to carry out the engagement of labourers for the necessary agricultural work. Owing to that state of affairs the land and the trees have not given any products.

In view of what has been mentioned above the undersigned earnestly prays your H.Q. to grant the discharge from military service of her husband , private ROMANO Antonio, to give her , first of all, assistance for her children aged 6 , 5 and 2 years respectively .

She also states that her husband has on his hands his mother 68 years old and a sister named ROMANO Carmine , 25 years old , spinster .

She attaches to this letter the following documents :

- 2 " Family situations "
- 3 Medical certificates
- 1 Certificates from the Registrar of Land Property
- 1 Statement of lease .

The undersigned, CHIOMINO Antonio n°11375 a workman by trade Garrison C. informed about the tragic vicissitudes suffered by his family applies to your Lordship so you may interfere with the British Command in charge with the repatriation and he may be allowed to join his relations which have survived the dreadful violence of this tremendous conflict.

The plead is justified as well, by worsened conditions of his physical state which do not permit him to be fit for any hard work.

The survived part of his family is in a term of bewilderment and want that may be soothed by his rejoining.

I am sure you may help his request in so doing, avoid other sorrows to his family already so badly stricken.

Subject: Repatriation of PW Bondi Salvatore, N. 333133, Camp
351 c/o A.P.C. S.A. Command.

Mr. Bondi Giacinto aged 73 of Sanlorenzini Bagni, (Province of Grosseto) was informed as of the bad conditions under which his family are living. On controlling this situation we found that the family is composed as follows:

1. Bondi Giacinto, father of PW and head of the family aged 73, widower and ill.
2. Sigala, Concetta, mother in law aged 64.
3. Bondi, Salvatore - PW, above mentioned
4. " Francesco - brother of PW aged 32 - in territory not yet freed by the Allies.
5. Bondi, Gastone - brother of PW aged 30 - killed fighting in Greece.
6. Salvatrice aged 7/Sebastiano aged 7.

The inability to work of the father aged 73 has made the economic situation very difficult of solution, as they are now living with only the military allotments and a very small allowance from the Government, therefore the return of the PW, Salvatore Bondi is urgently requested, the father being too old to work and not able to take care of this numerous family. The PW on his return will have his job as blacksmith.

We beg this Commission to examine this case that is exceptionally compassionate and accord the repatriation if possible of PW Bondi Salvatore.

Signed. High Commissioner

Subject: Repatriation of PW Soldier RECCI, Alberto 81-1-87134 NATOUSA - Enclosure
7394 - Gran - Algiers.

Mrs. PERSANTI Giuseppina, mother of above mentioned subject residing in V. Lorenzo da Brindisi 14, ROME has informed us of the bad situation of her family. On controlling this case we find that the family is composed as follows:

RECCI Balio, father of the PW, aged 47, electrician of the tram Company of Rome.
PERSANTI Giuseppina, mother of PW aged 45
RECCI Alberto, (Attention Subject)
RECCI Adriana, sister of PW aged 19 housewife.
RECCI Adalgisa, sister of PW, student aged 15
RECCI Rosaana, sister of PW, student aged 12
RECCI Alba, sister of PW, housewife aged 17
RECCI Luciana, sister of PW, living in family aged 10
RECCI Ivana, sister of PW, student aged 9
RECCI Nanada, " " " " " 7
RECCI Franca, " " " living in the family aged 5
RECCI Caterina, " " " " " " 2

The economical conditions of this family are very bad as they are very numerous, have no private fortune, they live with the monthly wages of the father L.3.000 per month and the allotment from the PW L.400 per month which is absolutely insufficient for their needs particularly now, as they have had to send one of the daughters to the Forlanini Institute because she is ill with T.B.

We beg this Commission to kindly examine this case and the possibility of according the repatriation of PW Alberto Recci who is the only son of this poor man, and could help in the support of them as on his return, he will, have his job at the M.A.T.B.R. where he was employed from 1937 to 1941, the date of his call to arms.

The Major of the Comune of Massa d'Alpe, Province of Aquila, has informed us of the following compassionate case.

Subject: Repatriation of PW CURCIO Luigi, N. 377303 - Camp 18 - Great Britain.

Mr. Mario Curcio, employed at the Bank of Naples, has informed us of the sad situation of his family in the desire to ask for the repatriation of his son Luigi. The situation have been controlled by the High Commissioner results as follows: The family is composed of:

CURCIO Mario - father of the POW aged 60, employed at the Bank of Naples.

MONTANINI Anita, mother of PW, aged 46
 CURCIO Luigi, (attention subject)

CURCIO Enzo, brother of PW of the class of 1922, interned at Hannover - Germany.

CURCIO Fernando, brother of PW of the class of 1923, sailor reported missing.

CURCIO Ada, unmarried sister of PW aged 20

CURCIO Elena, " " " " " 18

CURCIO Lina, " " " " " 14

CURCIO Rosina, " " " " " 11

CURCIO Vittorio brother of PW aged 10

CURCIO Giuseppe " " " " " 8

CURCIO Bruno " " " " " 3

They live in very straightened circumstances having no private income and live with the father wages, which is about L. 5.000 per month, none of the children can help as they are too young to work and of the three elder sons only the PW. above mentioned in subject, is the only one who could be returned to them.

I beg this Allied Commission to kindly examine this case which is exceptionally compassionate and if possible concede the repatriation of CURCIO Luigi, that on his return will have his employment at the Bank of Naples.

Subject : Repatriation of PW Soldier DE ANGELIS Giovanni ISN 11665
Camp 7 T. Meade N.D. c/o Box 20 GPO - New York N.Y.

Mr. De Angelis Domenico has requested the repatriation of one of his three sons, to aid him in the cultivation of his ground, a property of six acres at Castel di Tora, Province of Rieti, because his health is feeble and he is not able to work enough to provide for his family which consists of, De Angelis Domenico, head of family aged 65 affected with Hernia on both sides, arteriosclerosis and chronic rheumatism, therefore is unable to undertake any hard work;

Cresini Maria mother of PW aged 53

De Angelis Maria sister of PW aged 53

De Angelis Ines sister of PW aged 17

De Angelis Giovanni, (attention subject)

De Angelis Fausto brother of PW aged 30, PW 241584 Rank C.M. No. 25 IA

De Angelis brother of PW aged 25 PW No. 136649 Camp 91 - Great Britain

The family is in very straightened circumstances, they have no private fortune and live on their ground and the allotments from the PW.

The present state of cultivation of the ground is insufficient for their need and the return of the PW Giovanni would if not resolve, at least aid the family in this critical situation.

We beg therefore this Allied Commission to examine this exceptional compassionate case and accord the repatriation of PW De Angelis Giovanni.

T R A N S L A T I O N

A poor mother sunk into a sea of fierce pains, on her bed of death, is appealing to you herewith.

I have a son MORBA Leonardo, son of Giovanni, bachelor, who is now POW at the following address :- No 2298I - WO 1 PA MORBA Leonardo, Italian POW Camp - Union of South Africa, who should be now the only support of the whole family, consisting of myself, the old father, unable to work and mad, and two unmarried sisters.

I beseeche you to get him come back soon to Italy, so that I may see him before I die.

Might my pityfull conditions, the thought that I have not seen him 12 years, my sorrow if I should die before having committed him my two unmarried daughters, might all that move you to mercy.

If this son of mine will not come back before I die, whom would my daughters ask for aid? Shall I die with so broken a hearth? I had an other younger son, 20 years old, MORBA Vito, flight serjeant from whom I have not heard since 15 Aug 43: he died during a raid and the Ministry of War declired him missing.

My only son still alive is the one of whom I was speaking before, who would be my only help and, after my death, the only one help of my poor family. Only a few months life I am still allowed as shown by the enclosed medical statement, and therefore it is with my ~~big~~ eyes full with tears, that I am entreating you to let him come back at once, by airplane if possible.

Listen to a dying mother's voice, which is appealing to you.

Signed ELISA MASI

HIGH COMMISSIONER FOR PW
Military Section

File No. 6171

Rome, 30 January 1945

To : Allied Commission,
ROME

Subject : Repatriation of PW DELL'UNTO Ettore 197231 A.R.M. Camp 36,
Great Britain.

Mrs. Jolanda POGGIARELLI DELL'UNTO has informed us that during the imprisonment of her husband she is left alone with four children, Bruno aged 7, Romano aged 5, Vilma aged 3, and Maria Teresa aged 1½.

Mrs POGGIARELLI has had her house, situated in Via Saniti 42 Rome, semi-distroyed by an air raid where she is actually living at present, although the house has been declared uninhabitable by the civil engineers.

She is in very straightened financial circumstances and is not able to work as she has 4 children all minors, to take care of, and therefore lives with the military allowance from her husband.

We pray this Commission to examine this case and to accord the repatriation of PW Ettore DELL'UNTO, No. 197231 A.R.M. Camp 36-PW, Great Britain, who on his return could have his job with the Rimpielli firm where he was employed as a stone cutter.
