Claim 17671

Major Umberto LOSANA:

Maj. Losana, after the time of the Italian Armistice in September, 1943, until he was arrested by the Germans in January, 1944, was always extremely active and courageous in the furtherance of the Allied Cause.

Among his many subversive activities in the area of Rome, he did extremely fine work in assisting numerous escaped Allied ex-PsW.

After his arrest, he languished for some time in jail, and was finally killed by the Germans on 24th March, 1944. He leaves a widow and two children.

The latter do not desire any form of compensation in respect of the deceased's good work, but are in rather difficult straits being without any means of support.

Representations have been made to us that Lt. Col. Guido LOSANA, brother of the deceased, who is at present an Italian P/W in Camp 28, Ambay (India) should be repatriated as soon as possible with a view to helping to support to dependents of the deceased.

I am informed that Prince Umberto has already applied for the repatriation of Lt. Col. Losana, but it has been suggested that in view of his close connection with our escapers during those dark days, a further recommendation should come from us.

This would seem to be a most deserving case.

TO: HIS EXCELENCY ADMIRAL STONE: Head of the Allied Commission.

ROME.

On the 16th of September 1944, I received a letter N.I/04 Mil.I/C/I from the It.High Commissioner informing me that my son PW 2nd Liut.COLELLA Giuseppe,N.55019 at Camp N.28/IA Bombay;has been included amongst those P.O.Ws' who were to be repatriated, subject to available shipping space.

Nearly six long months have passed and I have had no further news.

I recall the fact to your Excelency that the repatriation of my son is very necessary for the reasons you are aware of.

I have been informed that many P.O.Ws' have been repatriated from India and I am surprised that no place was found amongst these numbers for my son.Why should I have been then informed that he was to be repatriated? and raise the hopes of his poor mother who has not seen him for five years?

In the meantime I beg your Excelency to do all that you can to have my boy repatriated and whatever your decision communicate it to me as soon as possible.

Thanking you.

Devotedly

I, Cerverizzo Giuseppina daughter of Caetano, wife of the Prisoner of War D'Addio Alessandro son of Pasquale, captured in Sicily by Allied Troops in 1943 before he was sent to Algerie but now working for Allied Forces at Leghorn. I take the liberty to write to you because you know her case of pity. I live with my two daughters and mother-in-law all are ill, and therefore not able to work. Another enquiry was sent to R.Prefettura of Naples with a doctor of medicine's certificate. Therefore only you Sir can give me again the tranquillity and peace for my family ordering that my husband be returned home because he works and helps his family.

Waiting eagerly

To:- Officer Commanding, No. 124 Italian Field Bakery, R.A.S.C.

Sir,

I the undersigned, T/9325/R Pte. RACHIA, Antonio class 1912, an Italian Co-operator of 124 Italian Field Bakery, R.A.S.C., submit this, my Application for release on compassionate grounds.

I live at RANDAZZO in the Province of MESSINA, SICILY, am married and have four children all under the age of 10 years. My trade is shoemaker. I have no income whatsoever except that which I am able to gain by my work.

When visiting my family on leave, I saw with my own eyes that the living conditions of my children were very bad. They have no clothes to wear, the food is insufficient for their needs, and they have to search for something to eat. The debts continue to mount, not counting the furniture and other things that have been sold.

For the reasons stated above, I respectfully ask that you will give this matter your kind consideration, in that, if my release is granted I shall be able to alleviate the condition of my family which is all I have.

I am, Sir,
Your obedient servant,

4/5/45. (SD) A. RACHIA. Pte.

To the Commander of the A.M.C.

M E M O R A N D A

I enclose a copy of the letter which Robert Thurston (ex R.A.F.) left with me to open by pilot he had been shutting in my house since July 1944. Nothing has been promised to anyone outside England as payment of any kind. I never thought of claiming any money for what we did in it of Robert Thurston as it was only out of a feeling of gratitude for what we did. Further to handing the story with me as stated on the form, we left me as signed his letter. But should the English Government wish to show appreciation of the risk we ran in sending us R.A.F., and looking after him at a time when Germany and Vichy be acquired the country and burned the houses in which they found us R.A.F., and recompense us accordingly I have the liberty to say, that it should be done by returning my son Kenneth Wendon, who was a prisoner of war in Egypt, and whose presence is so necessary on the farm, now that my husband son is disabled for a year with heart disease. I do not merely offer, and therefore cannot work.

7581

My son left Egypt (December) 27 July 1941.

Yours faithfully,

X

Sir,

I, the undersigned, T/192255 Pte. MACCI, Guglielmo, Class 1907, submit this, my application for release on compassionate grounds.

The reasons for my application are as follows:-

I live at VALLERAO in the province of VICENZA.

I am married and have 3 children, one of which is still a baby in arms, and my parents are too old to work.

The only resource of my family is of obtaining a livelihood by the cultivation of the land in my possession (about 15 acres).

This is impossible as there is nobody in my family is able to do so, as my wife is sick, has to care for the baby and look after the house.

In spite of the efforts of my wife, in order to obtain a living it has been necessary for her to sell much of the furniture.

The family is living under great hardship and want, and debts are mounting day after day.

For the reasons stated above, I respectfully ask that you will give this application your attention, to that I may be able to provide for my family and also that I shall be spared from selling my furniture and possessions in order to support my family.

2 March 1945.

In case I do not find you in the office I am leaving this note with the enclosed memorandum. Mr. Galeazzi is very much interested in the case and has asked me to do everything possible to hasten the return of the said Bosi. It is indeed a pitiable situation for the poor absent husband. Can something more be done through your office? Or what counsel do you offer for the realization of the very earnest desire of those concerned?

Sincerely yours,

TRANSLATION OF MEMORANDUM RELATIVE TO LIUT. BOSI FRANCO. (172)

Liut. BOSI Franco (Reserves)M.8I-I-49014, Enclosure 7381 -MA.orano.

Liut.BOSI Franco born in Florence the 19th of November 1914, married miss Lilly CUTMANN, born in 1914 of Dutch nationality, and Jewish parentage, said parents are therefore interned at the present moment in a concentration Camp in Bohemia.Mrs Bosi, the wife of the PW is living at Portici(Naples) Via Poli III, with a young man by the name of LAPPAS Pericle, aged 26, of Greek nationality, who has a mother and sister living in Genova; LAPPAS is from Athens, he studied agriculture at Florence and has been interned at S.Gemignano.

Liut.BOSI has three children, 2 boys and a girl of 5,4, and 3 years old respectively, that are at the present living with their father's parents at S.Gemignano.

We have a motive to believe that the mother intends to ask for her children, which is a cause of grave preoccupation for the children's father and grand-parents.

The same Mrs.BOSI has also attempted to dispose of valuables deposited in the Bank of Italy at Lugano.

Steps have been taken by the police to deprive Mrs.BOSI of her Dutch passport.

Camp Shanks, N.Y.
13 DEC 44

SUBJECT: Request for Repatriation

TO : Headquarters 303or QM Battalio, Camp Shanks, N.Y.

The undersigned, Sergeant Major Magnini Vittorio, of the 303rd Bn., 51st Co., ISU submits the following.

The eighth of this month the writer received from his own brother Antonio the news that on the 26th June, 1944 both of his parents were killed following a tragic railroad accident which took place near Pistoia; that on the 24th October, 1943 their house in Pistoia was completely destroyed; and that an uncle (Magno Magnini, Colonel on active duty) and a cousin are prisoners of the Germans.

His relatives are now two brothers (Antonio and Aldo) both having a wife and children, who besides maintaining their own families must provide also for an elderly paternal aunt, Peppina Magnini Vedova Ferri, who is completely invalided and three cousins (children of the uncle colonel who is a prisoner of the Germans) two of whom are minor girls and one of whom is a blind boy.

The undersigned is certain that his family is approaching economic and spiritual conditions particularly disasterous and in consideration of the terrible disaster upset on his family in these tragic moments permits himself to present the following instance to this Headquarters.

Because in face of such a pitiful case he feels sure it would do all that is necessary and possible so that in the briefest time repatriation might be granted to him in order to bring material and moral aid to his dear ones.

He makes known that he has been a prisoner of war for your years, having been captured at Tobruck the 22nf Jan. 1941.

s/ Vittorio Magnini

I, the undersigned, I am Maria Bonanno, 65 years old, domiciled in Palermo, Piazza Vittoria, and mother of S/Tenente Bonanno Mario, son of the late Joneph, Camp 91-1-50579 P.E. Natonea PWE 6/126 Grano.

I write this application in the confidence that it will find a favourable reception.

This application is addressed to a High Command, free Therefore of his decisions, but in case it should fall in the hands of an honest man, he will be so kind to deliver it to the addressee or to the proper authority. In such a way my vow will be fulfilled.

I Write, as I have said, this painful history, without exaggeration, as if I were speaking to another woman.

I state, before all, that in spite of my present state of mind, I will try to remain calm, palin and concise in the statement of my case, abstaining from judgement of a too personal character and from a too diffuse commentary, and above all from complaints and phrases which would carry to excess my present state of mind and the nightmare threatening me.

As I have said, my son is a prisoners of yours he surrendered voluntarily and spontaneously during the military events in Sicily in the month of July 1943.

He was my only sustantation, I say "was" of course because he cannot be so now.

He is waiting his liberation with a resignation whigh I envy to him because it is an evidence of his heroism. I admire him and I try to imitate him awaiting, on my side, with his same faith his return.

Meanwhile my physical conditions are growing worse and are aggravating daily.

I am a widow, poor, and without any resources enabling me to cope with the present requirements.

The modest subsidy which is grated to me by the Italian Government is not even sufficient for the nutritio...I have been ill, very ill, for five years, and I am besides suffering from chronic gastro-enteritis and from organic decline with a subsequent general exhaustion, conneqience of the continual privations I have been undergoing.

7317

I have no sufficient money to buy foodstuffs and medical articles.

He is employed with an Istitution controlled by the Government and by virtue of recent Allied regulations he should be entitled to repatriate and resume his office.

What I wish and request you is that he be liberated on the parole.

(166)

You have always given evidence of generosity, magnanimity and comprehension.

Please welcome the imploration of a poor mother, alone, ill, deprived from her dearest affections.

Awaiting the favour of a reply I enclose a certificate stating that my son is an employee of an Istitution controlled by the Government.

I remain, Sirs,

Your truly

(Signed) Maria Monaco Vevorra Bonanno.

December 7 1944

To: Department of War WASHINGTON D.C.

THROUGH: Provost Marshal General.

From an article of "Il progresso Italo-Americano" November 30th, 1944, I know that amongst the conditions necessary to let an Italian POW go back to his homeland, mine may be included.

My house was destroyed, having been homed, during an action against Mondragone (Napoli)

On that occasion my father, SIMEONE, Michele, was killed; during a preceding bombing my brother-inlaw, BEATRICE, Michele was also killed leaving 6 children.

As I am the only son who is able to take care of my widowed mother, 67 years old, and of my widowed sister and her children, I request the Department of War to let me be repatriated.

I do hope that my request, which means the life of my folcks, will be granted.

2nd Lt. Simeone Gaetano.

La domanda del Sten Simeone trova riscontro in pubblicazioni apparse sulla stampa degli Stati Uniti.- Le disgrazie famigliari dell'Ufficiale e le condizioni attuali dei superstiti della famiglia sono profondamete pietose e degne di essere esaminate in considerazione.

Translation in English letter 22.8.44. Selomi.

As soon as I return to the city, if nothing has been done as to your re-impatriation, I will attempt to make an application through the P.O.W. Commission to see if your return is possible.

The reason which induces me to ask, is because of my health conditions, which need the unquestionable presence of a relative near me.

I am referring to that disturbance in the neck, which is now transformed in a true and proper deformity, which needs the immediate intervention of a surgeon, also because it gives me, for a year now, above all, the strain of speaking and the weight of the baby, pain and annoyance.

Dr. La Grassa, who observed it at Palermo a few months ago, told me that he could without doubt, operate in October or November because it would be the right time. If I did not have the children I would not worry, but how can I leave, the children at home with that old woman, to enter the clinic, and find myself alone, for whatever emergency may occur.

On the other hand I cannot hold this illness for any longer, and the extradition can only be put off for a month or two. 7 9

In writing this letter I do not wish to afflict you, because it is not the case, but to inform you about it, and hear your opinion. I think I could not assume the initiative to do everything as I wish on account of the children. The surgeon is Dr. La Grassa in whom I have faith.

My dearest Son,

In reply to your letters we are glad that you are well, the same we can assure of us both with your children until today. Dear Son, the news has been very bad we did not want write it to you before because you were so far . We hope that our Father and Virgin Mary will confort you. From June 10th we have worked to obtain your return but we have had no reply. We have sent the necessary documents to Palermo, and have been told that it was not possible; after, on December 10th your brother Paolo has been in Enna for information so that he knew that it was poesible the repatriation on compassionate grounds. Then we sent the necessary documents to the High Allied Commissary at Palermo on December 15th., hoping that Our Father will give light to family's father to the necessity we have. After, we have received your letter saying to send the documents to Naples, and we have done this. We are very sorry for the orphans, and we hope you make yourself courageous. This was your destiny.

Kisses from your children and us,
Your Father and Mother.

ROME

The undersigned CHIOCHETTI ELVIRA of the late Giuseppe, living in Umbertide, takes the liberty to send the attached demand, with the hope of being able to obtain the repatriation of her husband BIOCCO GUIDO of the late Domenico, born 14 September 1895, as his presence is needed owing to the financial conditions that his family are compelled to live in. At the moment they are living on the military subsidy of 600 lire a month.

His son Biocco Guido cannot be depended on although he is of age, he is without any employment and is studying at the moment privately so as to be able to get his degree as semester.

If repatriation of her husband is not granted, the family will be in complete misery and the son will not be able to continue his studies.

The only means the undersigned had to live on was the rent of a house belonging to her which rendered 3000 lire per year. This house has now been partly destroyed by the germans when they retired.

Her husband was taken prisoner in Dire Daua- Abyssinia - in June 1941 - was after transfered to the Italian Evacuee - Camp N.13 Kenya Colony. The above as prisoner has the following No. 7994.

The undersigned is sure that her request will be granted,

thanking you in advance,

/s/ Chiocchetti Elvira

TO: ALLIED BRITISH HEADQUARTERS, ALGIERS (Algeria)

I take the liberty to disturb you to ask you please to take the necessary steps for the repatriation of my loved son, war prisoner, 2nd Lt. CRAXI Vincenzo T. 303356-2II, F.O.W. CAMP, ALGIERS, Algeria, North Africa.

In July 1943, my son was at home on leave from MILAN where he was doing his regular military service, after being called to arms; he was at home, then, to take a first-year examination at the School of Economics and Commerce, University of Palermo, where he had been registered since before mobilization. However, he was not able to take that examination, because, after Sicily was occupied, the Anglo-American Command issued a decree according to which one had to come in person, in order to get such authorization, on parole.

In conformity with such decree, my son presented himself to the Anglo-American Command, on August 27, 1943, at the 1USA Concentration Camp (Province of Palermo). They kept him there, as an Army Officer, and sent him to the Palermo Camp; after a few days, on December 5, 1943, he was sent to Algeria as a war prisoner.

This year I ~~had him~~ registered for him, in the second-year course in the School of Economics and Commerce, in the hope that he would be repatriated in order that he might attend the University. But, as he has not yet been repatriated, I take the liberty to appeal to your kindness, in order that all steps be taken to have him returned to his native country as soon as possible. Thus he will be able to attend the University and help his parents, I hope that this humble request will be granted and that you will be able to contribute to the happiness of his poor father and mother, who are continuously ill, who know no peace either in the daytime or at night and who shed bitter tears over their son who is far away.

My son, before being called to arms, was employed at the Bureau of Colonization of Sicilian Estates in Palermo, where, with his pay, he was able to support his relatives and attend the University.

In the hope that you will certainly listen to the humble prayer of a poor desolate mother, I remain

VIENI MARIO, son of the late FRANCOIS PAUL

S.SALVATORE DE TITALIO, PROVINCE OF MESSINA.

February 3rd 1945

General,

I take the liberty to apply to You as I know how great are your goodness and piety towards the unhappy.

I am a girl, alone in the world as my mother died two years ago without seeing my father a last time having he been a prisoner of yours these ten long years, for he fought with the Duke of Aosta. His son, in whom he had placed all his hopes, was taken to Germany - and so, little by little, my family has been destroyed.

Once I was well off, I had all the necessaries of life and now I have nobody, I have nothing. I study in a boarding-school, at the charge of the Institute. So, You will easily understand that I cannot live any longer without my father,

7:15

where help is really indispensable to me in these moments. Certainly if you have a family, your family, far away, if you know what to love and to suffer mean, so think of me, think of a poor tormented orphan girl and, only by a word, let her feeler go back to her.

Two fervid prayers are raising from my heart one to You, General, imploring this grace, and one to God, that He bless You for the good You will do.

Listen to the cry of a suffering soul and let your heart be once more the secure refuge of the poor and afflicted people.

I confide in You, hope and thank You by all my young strength.

Faithfully yours

Fabrizia Pieri

To:-
Officer Commanding,
12A Italian Field Bakery, R.A.S.C.

19 February 1945.

Sir,

I, the under-signed, BIGLIARDORI, Agostino, Class 1909, an Italian Co-operator of 12A Italian Field Bakery, submit this, my application for release on compassionate grounds. I trust that you will give this matter your kind attention.

I live at PONSACCIOCC, Province of FORLI.

I am married, with two children; one four years old, and the other, eight years.

Also my mother, who is 72 years old, suffers with palpitations of the heart and has intestinal trouble. My wife suffers from chronic arthritis and rheumatism.

My trade is that of tailor.

The condition of my family is very uncomfortable. After my town had been liberated, I learned that my family suffered during and after the battle, the house where my family used to live has been destroyed by bombardment, causing the loss of my furniture and everything in the house.

As I am the only man in the family I alone can support them, and at present, it is impossible for me to improve the living conditions of my two children.

For the reason I explained above, and in the name of my children I respectfully ask for my release, in that, with my work, I could alleviate the sufferings of my family by returning to my home.

My family requires my care and guidance and the bread my work will provide.

With the hope that my request will meet with your kind approval and respectfully thanking you,

I am, Sir,
Your obedient Servant,

(D) BIGLIARDORI, Agostino.

TRANSLATION OF CERTIFICATE

"I am Parish-Priest of the Church of S. Maria Assunta in Cielo, town of Villanova del Battista, Diocese of Ariano Irpino, (Avellino) Italy.

I certify that Soldato SILANO RAFFAELE is well known in this Parish. He was drafted in the month of June 1942 and captured in Sicily on 16 July 1943. I certify that his family is in a very pitiful condition.

On Christmas Eve 1942 his only male child, named Carmine, ten years old, was murdered. His family has been forced to sell all his property to convict his father-in-law who was accused of the murder.

On 12 March 1943 his mother died leaving his wife and three little children, Assunta, Filomena and Antonietta. The wife runs a small bakery and a little field, and spends her days weeping both for her lost son and her husband.

This case is very pitiful. I, humbly, submitt this certificate to the High Commander of Soldato SILANO RAFFAELE, 81/1/66873, U.S.P.W. No. 105, 7162, hopeful that this Commander can do something to repatriate Soldato SILANO RAFFAELE.

God will inspire the mind of that Commander to help this Prisoner of War, who also must maintain a sad sister.

God will bless that Commander for his clemency.

s/ Arciprete Curato ALFONSO CALANDRO
Parroco di S. Maria Assunta di Villanova del Battista, (Avellino) Italy.
