TO : MILOUSA A.P.O. 512, U.S. ARMY

The undersigned, Dalli Cardillo Carmela, daughter of the late Gerlando, residing at Agrigento, Via Duomo Cortile De Castro No. 9, states:

Since 1935 her husband, Pvt RIZZO Ernesto, son of the late Salvatore, was in Abyssinia as a member of the Italian Army stationed there.

At the end of the war against Ethiopia, despite the continued and persistent requests made by the writer, it was impossible to obtain the repatriation of the above named husband because he had been mobilized as a civilian and as such was forced to remain in far away Africa.

Since 1941 he has been in the hands of the British and is now in the service of the Allies in Kenya at the following address: Pvt. Ernesto RIZZO, No. 36293 - 351 P.W. Camp East African Command. The present letter is a formal request for the repatriation of the soldier in question.

Trusting in the favorable consideration of the request hereby submitted, with thanks,

TO:THE ALLIED COMMISSION.ROME.

SUBJECT: P.W. BOCCIA Ciro, son of Giuseppe.

I have been asked to examine with a view of repatriating above-mentioned subject, the situation of the subject's family:PW BOCCIA Ciro, was taken prisoner in East Africa in 1941 and is now interned in Camp 52, Great Britain, under Number 39117.

The family situation is as follows:

the wife of the PW has left her home and is living with another man.

Following the juridical act of proved adultery, the Prefecture of Naples has decreed that the custody of the children be given to the father. The children are: Fortuna, aged 15

Giuseppe, aged 11

Antonella, aged 8

The said children are at present living with the PWs' parents, who are old, unable to work and have no money.

The PW on his return would take up his work as shoemaker and would therefore be able to take care of his family. The address of the prisoner's parents is: Vico 3, Politi N.4. Naples.

We beg the Allied Commission to examine the possibility of repatriating PW BOCCIA Ciro, son of Giuseppe.

TO: THE ALLIED COMMISSION. ROME.

Subject: Repatriation of PW LA SALA as compassionate case.

I return the enclosed case relative to the repatriation of PW LA SALA Salvatore, son of the late Vitto, of class 1908, N.321926-camp 360, Section C, East Africa Command, taken prisoner in Ethiopia in the 1940s.

The High Commissioner had already requested information on the case prospected by the mother of the PW, Mrs. VACCARO Rosa, widow and residing in Santa Ninfa (Trapani) Sicily.

The mother is old (77 years of age), ill and in a very straightened economic condition with no one to aid or assist her.

This is therefore to be consider a Compassionate case that I recommend to the Allied Commission, that you may consider the repatriation of the only son to help an old and aged mother.

Subject: Repatriation of PW SANTONASTASO Pietro, "o. I -
499137 m. 58 P.C. Great Britain.

I think it is my duty to again prospect to the Allied Commission the Compassionate case regarding the family of PW SANTANOSTASO, Pietro.

It is true that the Italian Law gives the responsibility of the children to the mother but in this case the mother has completely abandoned her children to the care of the Paternal Grandmother.

The grandmother is nearly seventy and very ill, as the local authorities have confirmed and cannot take care of the PW's three small children.

As the financial conditions of the family are very bad, they possess no private fortune, nor have they relatives to help them, we again beg this Commission to examine this case and we implore the repatriation of the PW that comes under the 3rd class of compassionate cases.

We will forward the case in its correct form.

Dear Jack

I send you herewith an original letter which has just reached me. It does appear to me, that the younger Bruno BROCCOLI, if he were in fact fighting with the Greek Partisans against the Germans, might receive some preferable treatment in being brought back to Italy as soon as possible.

Would you please let Lt. Col. SIMON, Naples know, have the answer, as he will be dealing with this question for me.

To the High Commissioner for Italian PW.

The undersigned Campana Lina, Broccoli, residing in Vairano Patenera (Naples) esposes as follows:

Her husband, (Permanent active-service General Umberto Broccoli who has been away from his family since the beginning of hostilities and that is since 1940, at the conclusion of the Armistice with the United Nations, Commanded the Presides of Athens (Greece) and following this event was taken prisoner by Germans and sent to Germany where he is at the present moment (General Umberto Broccoli N; 141 Atlas 642 - Schoppen - Posen).

The son Bruno, also in permanent and active service of the artillery, after having gone through the Military Academy of Turin left in 1942 for Greece with a motorized unit - on the date of the Armistice, hearing of his father's fate preferred to go with a band of Greek partisans rather than as prisoner of the Germans, he escaped capture more than once and went through many dangers. As soon as the zone where he was hidden was liberated by the Allies, he was sent to a concentration camp in Egypt where he still is.

The undersigned in Sept. 1943 was refugee with her two daughters, Vittoria aged 25 and Gloria 18 and her old and ill mother Anna Garidelli at Vairano Patenara where the Germans on hearing that she was the wife of a General, deliberately blew up her house in which she lost most everything she possessed.

Not content with this the Germans compelled her to come to Rome with her family but during the trip: with the aid of Italian soldiers she managed to escape and found refuge with said family in a Convent at Arpino, Prosinone, where she remained hidden until her liberation.

Afterwards on her return to Vairano she was taken into a family who are now keeping her as she has nothing to live on but the allotments of her husband PW. and has to take care of two daughters and her old mother. Now she is informed that her only son is in a PW Camp in Egypt, which is absurd as this unfortunate young man was only awaiting the day to take arms against the Germans.

She begs therefore, that her son may be repatriated as he is the only man in the family that can help their urgent needs. His address is as follows:

2nd Lieut.- Bruno Broccoli, N. 247301 - Camp 305 - c/o Chief
- P.O.W. Postal Centre - Middle East - Force,
Egypt.

Herewith attached is copy of the PW's letter
signed Liba Broccoli

In confirmation of what is written above I certify the
need of the repatriation of the son of Liba Broccoli for
her moral and material needs.

Signed Antoni.

Copy of Lieut. Bruno's letter to his mother

1st. January 1945.

Dearest Mother, today new years' day all my thoughts turn to you and I hope that in the course of this year we will all be together as in the past. Here we commence the year in mud, because the rain has been continuous - but this morning a ray of sunlight has arrived to warm us. I can't wait to receive news of you all and that is my only preoccupation - as soon as I have your news I will support with patience the day in which this stupid and unjust imprisonment will finish, imprisonment that has put an end to all my hopes of becoming the hunter after having been the hunted.

Instead of which I am here, inside barbed wire P.W. of the English and papà P.W. of the Germans, therefore, in theory my father and I are enemies. Hoping to see you soon I embrace you

Translation in English letter 22.8.44 Salemi.

As soon as I return to the city, if nothing has been done as to your re-impatriation, I will attempt to make an application through the E.C.W. Commission to see if your return is possible.

The reason which induces me to ask, is because of my health conditions, which need the unquestionable presence of a relative near me.

I am referring to that disturbance in the neck, which is now transformed in a true and proper deformity, which needs the immediate intervention of a surgeon, also because it gives me, for a year now, above all, the strain of speaking and the weight of the baby, pain and annoyance.

Dr. La Grassa, who observed it at Palermo a few months ago, told me that he could without doubt, operate in October or November because it would be the right time. If I did not have the children I would not worry, but how can I leave, the children at home with that old woman, to enter the clinic, and find myself alone, for whatever emergency may occur.

On the other hand I cannot hold this illness for any longer, and the extradition can only be put off for a month or two.

In writing this letter I do not wish to afflict you, because it is not the case, but to inform you about it, and hear your opinion. I think I could not assume the initiative to do everything as I wish on account of the children. The surgeon is Dr. La Grassa is whom I have faith.

Capt. GROBELLO, Natalia.

The above named Italian Officer, Senior Officer of No. 13 Italian Company, has today received a letter from his wife, dated 22nd August, 1944, in which she states that it is necessary for her to undergo an operation, sometime in October or November. She is suffering swelling in the neck, believed to be goitre, and the Specialist she consulted advised an operation about the time stated.

The Captain has asked us if he may be repatriated, giving us the following particulars in his application.

"The Captain's wife, Mrs. Rosalie Grobello, lives at Via Catania 22, Palermo, Sicily, together with her two children one aged five and the other eighteen months. Her only relatives are her parents, who live at Salemi (Trapani) some 80 miles away, and are unable to attend to their daughter, as they are both over 75 years of age. The Captain being an orphan, has absolutely no relatives whatsoever, which means the care of the children during the illness is a matter of grave concern to him.

The specialist, consulted by Mrs. Grobello was Dr. Pietro La Grassa, of Piazza Virgilio 30, Palermo, Sicily".

It would be appreciated if this matter could have your immediate attention and favourable consideration. Captain Grobello, aged 46, has been a co-operator since January 1944, and during his stay with this Company has rendered valuable assistance.

T.O.C.5. Italian No. 1 Company.

I O.M. BARRETTA Silvio T/10991R of 5 Italian Naval Company attach hereto letters dated 6/11/44, 12/11/44 and 16/1/45 received from my mother so that the Command may see the position of my family owing to very unfortunate circumstances. Following are the principle points of letters--:

- (1) On 17/2/44 my father Riccardo Barretta was killed by aircraft machine gun fire at Sabaudia near Rome.
- (2) On 29/3/44 my brother Giova ni died in Rome hospital from natural causes.
- (3) On 13/1/45 my brother in law Destro Mario was killed by the explosion of a mine.
- (4) Another brother Abele is a prisoner of war in German hands.

Owing to the above occurrences my family is now in a very piteous state. There is now at home only one brother who is able to work. He is a farmer of 15 ettari of ground. This brother has 3 sons of his own all under 13 years old. On top of this he has to provide for his mother, 3 sisters one who is under 16 years, 8 sons of my brother in law Destro Mario who is dead all these children are under 13 years of age, 6 sons of my brother Giovanni who is dead all these are also under 13 years of age.

In view of the circumstances mentioned above I ask if it is possible to be repatriated or if this is not possible a transfer to a Co-operator Company in Italy as I am sure that if I was present with my family I could be of great assistance.

For purposes of the Command checking these statements herewith my home address--:

My dear General Bryan: *

Lieutenant Giulio Fama, of the 99th Italian Quartermaster Service Company, at Gosport Ordnance Depot, Toledo, Ohio, has asked me to recommend his request for repatriation to his native country.

He has received news in a letter written more than two months ago that his wife has been stricken with paralysis and is not expected to live long. She presently lives with a small child, and in the event of her demise the infant would be left without parental care. Foreseeing this possibility the wife of Lieutenant Fama ardently desires the return of her husband to their home at Via Peschiera 9, Messina, Sicily.

I shall be grateful for the consideration which you may find it possible to give to the request of Lieutenant Fama.

With sentiments of esteem, and every good wish, I remain

My brother GIUSEPPE BARNETTIER Lieutenant of the Royal Engineers, Italian Army, was taken prisoner at Bardia on 4 January 1941. His present status is: PW No. 31325, POW Camp 28/1, c/o G.P.O. Bombay, India.

Because of his nervous ailment he is now hospitalized for the second time. He does not know that his father died last Easter day, leaving my younger brother and myself as the sole supporters of our family, bearing particularly in mind that my 58 years old mother is also sick.

Therefore, I warmly request that my brother be released as soon as possible, if above mentioned ground are sufficient to be considered "compassionate" and of extreme emergency.

Assuring you of mine and my family's deep gratitude for whatever you may find possible to do, I remain

Since July 7, 1943 her husband is a prisoner of war. She has neither father nor mother and she is in a very bad economic condition. Her health is precarious because she had been sent to the Messina's Hospital for nerve disease and she is not yet recovered. She has also a baby five years old and she must bear by herself the family; months ago she has required her husband but since now she has received any reply.

For avoiding her sufferances and that of her child she requires to have paid the sum her husband has earned for the work done in the period October 23 till now.

The undersigned is Stefania Letteria, wife of the prisoner of War, sergeant of the Corp of Engineers, Spagnolo Filippo of the late Giuseppino, born in 1916, matricular number 81 - 1 - 9407 company 7011 A.M. Serv.(1.) Livorno (Italy) declares to your Headquarters following matters :

In 1941 she entered the psychiatric hospital of Messina because afflicted by mental disease, as shown by the certificate of the physician herewith enclosed.

During the month of July 1943 her husband became prisoner and the undersigned remained alone with a small child. Owing to this fact and being in want of money, the conditions of health of the undersigned became soon worse, and until now she is in the impossibility to recover.

Therefore the undersigned should enter into a psychiatric hospital as per the certificate of the hospital of Palermo, which is also enclosed.

For the above mentioned reasons the undersigned prays earnestly your Headquarters in order that her husband may return, in order to provide to the urgent wants of the wife with regard to the shelter into hospital and besides to the education of the child.

If it is not possible, she prays you to transfer him, at least, in the Prisoners Department in Palermo.

Sure of a deep interest and of a favourable result, she thanks you very much.

SUBJECT: PW Serg.Maj. ROHR Giuseppe.

The family of Serg.Maj. of the Airforce Rohr Giuseppe lets us know that the Serg.Maj. at the moment of the Armistice was in Greece, where he was made P.W. by the Germans and deported to Germany.

He succeeded in escaping from the concentration camp he was in and, wanting to join the Italian Army in its fight against the Germans, repaired to France where he presented himself to the Allies.

There to his painful surprise, he was considered as a Pw and is at present at the following address:

No.978901 Camp 98 - Gr Britain.

We beg you to consider benevolently the particular case of this n.c.o. who results to have been captured under special conditions after the Armistice, and consequently if possible have him repatriated.

Grateful to you for information on the subject.

TRANSLATION

TO HIS ROYAL HIGHNESS
THE PRINCE OF PIEMONTE
LIEUTENANT GENERAL OF THE KINGDOM.

Maria Berlingeri, married Parentini, living in Florence, Viale Piazza
Imperiale 12, wishes to expose the following:

Since Sept. 1944, her husband PARENTINI Giulio of Eligio, born at Montai-
ne (Prov. Florence) is interned at the concentration camp 81-I-285184
U.S. P.W.S. - 326, for political reasons. He is an invalid of the of
the first war 1915-18 and was recalled to arms in Nov. 1941 with the
grade of Major, re-sining in service up Sept. 1943. After the 8 Sept.
he re-sined at home but was recalled under the republican army, not
being able to refuse as he was a squadrista. Although he belonged to
the above mentioned army, he tried to help all the youth who refused to
join. He was also aware that in the home of the undersigned's parents were
hidden six young men, three officers, two under officers and a soldier
as well as co-mandant of the Partisan Band "TESSE". The following are
their names:

- 1) Capt. R.C. delle Foreste DA GAUDIO Saverio, looked for by the Repu-
blican police, accused as being a traitor. Is at the moment administra-
tor of the forests of VALLOMBROSA.
 - 2) Lieut. of the Aviation DE LUCA Gage - Head of the Partisan Band
"TESSE". Actually in service with the 8th Army on the Adriatic Front.
 - 3) Lieut. of Artillery TRITONY Filippo, class 1910, who abandoned the
establishments of "TERNI" where he was under the army. - at the moment
he is in Florence in Via Vecchia di PENSOLATICO N° 39.
 - 4) Sergeant DE GAUDIO Gaetano class 1919 whom PARENTINI Accompanied,
in May 1944 to the Military Barracks writing him down as belonging to
the class 1913 - Actually at Trebisacce (Cosenza).
 - 5) Sergeant REGINA Alfonso, class 1917. - Actually at TREBISACCE.
 - 6) Corporal Morelli Albino, class 1922, whom PARENTINI accompanied to
the Military barracks, and under his own personal responsibility and
guarancy wrote him down as belonging to the class 1920, as deserters of
the class 1922 had to undergo the penalty of death. At the moment
Morelli is living in Florence at Via Montebello N° 60.
- Parentini also knew very well the activity carried on by the "TESSE"
band and that the above mentioned persons were members of same.
The undersigned therefore begs that her husband's case be re-examined
and that he be released. She and her family are in very poor conditions
and she is also worried for the health of her husband who is suffering
with a nervous breakdown.

Subject: Repatriation of I.T.P.O.W. Rizzo Vittorio

Reference your letter IPW/1/1cm/186B dated the 20th. of March 1945.

I find it my duty to intercede again with the Allied Commission, for the compassionate case of P.O.W. Rizzo Vittorio and to make a statement regarding the Prisoner's family situation, which is really exceptional.

The family is composed of 3 children all minors, the oldest being 16 years of age, and the mother who can not perform any profitable work, not being able to leave her children.

These children are growing up with **out** any paternal guidance and under the most squalid conditions in view of the fact that they have no private fortune and live only with the allotments from the P.O.W.

The poor mother who has repeatedly asked for the repatriation of her husband, has been informed by the Allied Commission in letter IPW/1/1cm/14B dated the 27th of Jan. 1945 that disposals had been given to release him.

Before denying the news of his release to this woman, who with her eight children is anxiously awaiting his return, we again beg the Commission to call this matter to the attention of the Superior Command, that the P.O.W. RIZZO Vittorio No. 858858-J Dank C.N. NI 30 PW Camp c/o C.P.O. Bombay, may obtain his repatriation.

On his return the High Commissariat will interest themselves personally that work be found for him.

2. The applicant for the release of the above-mentioned is his mother BROCCOLI, Lina, and the application was forwarded through Headquarters, Allied Commission.
3. BROCCOLI's mother states that her husband, General BROCCOLI, Umberto, has been away from his family since 1940 and is now a prisoner in German hands.
4. It is said that, at the time of the Armistice, BROCCOLI, Bruno preferred to go with a band of Greek Partisans rather than be taken prisoner by the Germans. He managed to avoid capture by the Germans, but, as soon as the zone wherein he was hidden was liberated by the Allies, he was sent to a concentration camp in EGYPT, where he still is.
5. The mother goes on to say that in September 1943, when she was with her two daughters, Vittoria, aged 25 and Gerina 18, and her old and ill mother at VALIGNA PATENA, the Germans, on hearing that she was the wife of a General, blew up her house. Further the Germans tried to compel her to go to ROSSI with her family, but she managed to escape on the way and found refuge, with the family, in a convent at ARFINO, PROGINORE, where she remained hidden until her liberation. Some friends at VALIGNA are keeping her, her two daughters, and her old mother. She is said to have nothing to live on but the allotments of her husband PW and has to take care of her two daughters and her mother.
6. BROCCOLI, Lina states that her son was only "awaiting the day to take up arms against the Germans."

Il figlio Bruno, Tenente di artiglieria anche in S.P.E., dopo aver frequentato l'accademia di Torino, partì anche egli nel 1942 per la Grecia con reparto mobilizzato, all'atto dell'armistizio, come tutti la sorte del padre, prigionieri unirmi alle bande dei partigiani ellenici di unione ai tedeschi sfuggendo più volte alla cattura ed incontrando gravissimi pericoli per la propria esistenza; ma, appresa liberata dal regime alleato la zona nella quale si era rifugiato, fu indolgentemente ammesso a un campo di concentramento in Egitto, ove continuò a vivere.

Gli avvenimenti del settembre 1943 corrispondono la sorte, svolta con la due figlie Vittoria di anni 25 nubile, e Flavia di anni 18 nubile, nonché con la madre Anna Garbelli, anziana e malata di salute, della località di Asolo Veneto e cioè, a Vittorio Veneto ove i tedeschi, venuti a conoscenza che essa era la moglie del generale Priam, prima di lasciare il paese, presero nelle truppe alleate, fecero saltare in aria deliberatamente l'abitazione della sorella che perdettero così quasi tutte le suppellettili e la maggior parte della biancheria.

Non dimentici di ciò i tedeschi imposero alla sorella di trasferirsi a Roma con la famiglia contrungendo a seguirli con un suo socaro, ma a Roma, attraverso innumerevoli stratagemmi e pericoli, la sorella, con l'aiuto di alcuni italiani, riuscì a fuggire riprendendo nel comune di Asolo (Provincia) ove trovò rifugio con i genitori nel convento di quella città dove come narra, fino alla liberazione.

Tornata poi a Vittorio fu obbligata a denunciare i concetti da tre anni all'esterno delle riserve non dimenticando che del marito Bruno non aveva corrisposto nulla al fine di ottenere del denaro per il sostentamento mentre se ne provvedeva alle esigenze per i suoi due fratelli famiglia con morte da quattro donne.

A colmare il deficit delle sue due figlie ora la sorella che il figlio Bruno, dopo di essersi battuto per quattro anni nella guerra dei tedeschi e proprio quando ella sperava che avesse potuto rivedere il proprio, si trova ristretto in un campo di concentramento in Egitto.

Si verifica così l'assurdo perché il malcapitato giovane che si sottometteva aspettava di poter continuare a vivere per la stessa causa e di diventare ucciso, dopo d'aver fatto la parte della salvataggio, come ha testimoniato subito dalla prigione, e riconosciuto nominalmente.

To the High Commissioner for Italian PW - Rome

The undersigned CAMPANA Lina married Broccoli, residing in Vairano Patenaro (Naples) informs you as follows:

Her husband General Broccoli Umberto, who has been away from his family since the beginning of hostilities and that is, since 1940, at the moment of the Armistice, with the United Nations, was the Area Commander of Athens (Greece) and following the events of those days was taken prisoner by the Germans and sent into Germany where he now is at the following address (General Umberto Broccoli No. 141 Ofleg 642 - Schokken - Rosen).

Her son Bruno, Lieut. of Artillery after having gone through the Academy of Turin, left for Greece in 1942, with a mobilized unit, at the moment of the Armistice aware of the fate of his father, preferred to join a band of Greek partisans rather than to go with the Germans, escaping more than once from capture and endangering his life many times. As soon however as the territory where he was, was taken over by the Allies, he was transferred to a concentration camp in Egypt, where he is at the present time.

The events of 1943, found the undersigned, refugee with her two unmarried daughters, Vittoria aged 25 and Gloria 18, her mother Anna Giardelli, (the latter is old and in poor health) at Vairano Patenaro where the Germans, before leaving the village before the advance of the Allied Troops, deliberately blew up the undersigned's home in which she lost all her possessions.

Not content with this the Germans obliged the undersigned to go to Rome, but after many dangers and with the help of the Italian soldiers, she managed to escape and went to Arpino (Frosinone) where she found sanctuary in a convent and remained there until liberated by the Allied advance.

Returning to Vairano she was taken care of by generous friends but is at the end of her resources, having only the allotments given her as a wife of a P.O.W. and they are four women who have to live.

With all this trouble the most bitter news that she has received was that her son, after having fought the Germans, ~~and was~~ ^{for 14} months was taken to a concentration camp in Egypt, just when she thought she was to see him again.

THE HIGH COMMISSIONER FOR PW

Military Section

Rome, March 9th 1945

N.20626 di prot.

TO: THE ALLIED COMMISSION. ROME.

SUBJECT: Repatriation of PW CAIA Antonino, N.SI-I-274833, Camp I31
Oran, Algiers.

1). The following Compassionate case is reported to you for your examination and decision of PW CAIA Antonino, class 1920, who according to information received from his family, escaped from the Germans in France, being with the Taro Division at the moment of the Armistice.

He hid himself as a civilian and after the occupation of France presented himself at the Allied Command from where he was sent as PW to Camp I31.

It is thought that this individual should not be treated as a PW because he did his duty as an Italian soldier, by escaping from the Germans, presenting himself to the Allied Command with the aim of being repatriated to his own country to get in touch with the military Authorities.

2). The situation of Caia's family is as follows: on the night of the 7th of August 1943 during an Allied Air raid his five brothers and two sisters were killed and his mother was wounded so badly in the arm that it had to be amputated; the family now consists of the mother, father and three children:

Maria Vincenza, aged 18
Maria Carmela, aged 12
Vincenza, aged 8

3). The family resides in Bagnara Calabra (Reggio Calabria) and asks for the repatriation of this only son to help them.

4). I beg the Allied Commission to kindly consider the possibility of the repatriation of PW CAIA Antonino, N.SI-I-274833, in Camp I31, Oran Algiers on the grounds of what is written above.

Signed:

 (2) Italian Field Bakery, R.A.S.C.

Sir,

I, the undersigned, 2/120167, R. Sgt. LORI, Giacinto, Class 1207, or (2) Italian Field Bakery R.A.S.C., beg to apply for release on compassionate grounds, in view of the following facts relating to the condition of my family.

I live in Rome, Borough of St. Louis, my wife is biscuit-maker. I am married and have 3 children who are of a tender age, respectively 3, 5 and 2 years old. Also I support my parents who are unable to do any kind of work, both being 60 years of age.

During my absence, my wife has made every sacrifice in order to try and provide the family with the necessary means of life, but it has been impossible because my old parents and my small children have needed such care and attention. This has prevented my wife from finding a profitable occupation.

In the past my condition was not a wealthy one, I had no reserve of money, but was always able to support my family by my work. Therefore, I pray that my application will be accepted, so that at least, with my work and care, I could alleviate the condition of my loved ones.

Yours truly,

Object: request of speedy repatriation of the prisoner, CARRIERA Michele, 35 years old.

The Military Allied Command "Roma" accepted the request made in the month of November 1944, by Carriera Francesco and his wife, Maria Bianattasio from Biscelie(Bari) concerning the speedy repatriation of their son, who is their only means of support as they are very old and in bad health.

It is requested that the Allied Military Police take the necessary measures and in the most urgent manner, that Carriera be repatriated, as amongst other things he is subject to continuous and painful disturbances which force him to do only ~~the~~ very light work.

It is hoped that this request will be ^{given due} ~~taken in~~ consideration and also wish to state that his parents lost another son in the last war who was fighting in the American Army.

I, the undersigned, Niccolò Soldato CAPOZZI Nicola, son of Francesco and of Carosio Pilonena, born at Molinara in 1907, in pursuance of letter 2860/47 11.6 Febr.45 and of letter 120/19/A dd.12 Febr.45 of R.G. District, beg to submit the following application for release on compassionate grounds.

In fact my mother is sick and old; my 5-year old child cannot be entrusted to anybody's care since my wife, as is evidenced by attached death-certificate, died in January 1944; my father is now in America.

I beg to point out that my poverty, evidenced by attached certificate, prevents me from asking others to take care of them.

Feeling confident that you will take into consideration this application of mine, I thank you in advance.

Yours Sincerely

No.M.E.399573 Sold. Veneri, Orlando

I, the a/n Italian Co-operator, in the custody of and employed by Camp Commandant, A.P.H.Q.(B.S) with my home address at Corso Vittorio Emanuele No.308, Rome, born the 27 December 1907 now aged 38 years beg of you for my release for the following reasons:

My family is composed of three persons:

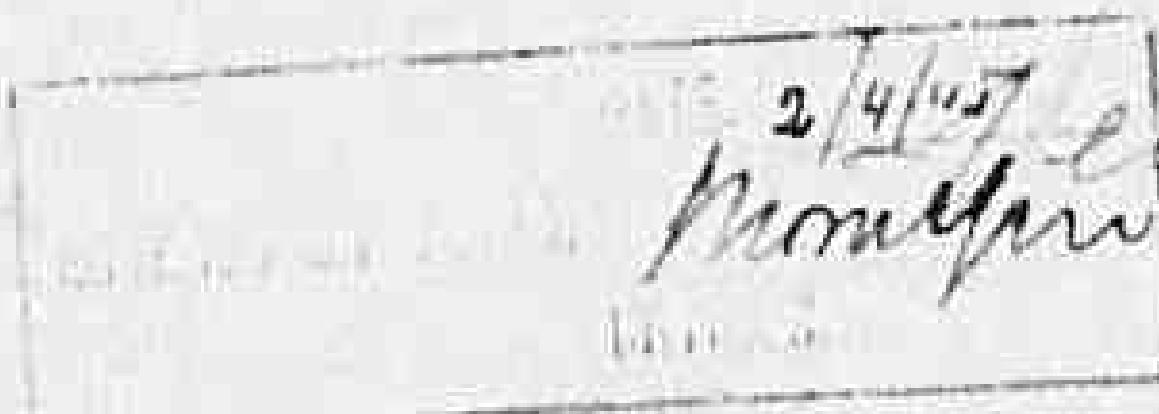

- (a) My wife Maria, born 23 August 1907, Aged 38 years
- (b) My son Sergio, born 25 May 1932, Aged 12 years
- (c) My son Veniero, born 27 April 1941, Aged 3 years

My wife is ill with heart trouble and anemia for not having proper food and care, she is very weak and often faints and so cannot work for our two children. She is in receipt of 700 Lire per month Government subsidy and 400 Lire per month for looking after a house of which she is the caretaker but this sum is not enough with which to buy bread.

For 12 years prior to the declaration of war I was employed in the offices of the International News Service in Rome at Largo Chigi 19 but during the occupation of this country by the Germans the offices had to be closed down. I have at my home documents of the Agency that I had to hide during the occupation and now that the offices have reopened at Via Ventitre Marzo, Rome they are awaiting my return for I understand the work. During the 12 years of my employment with the I.N.S. I have given news to Reuter, Exchange Telegraph, The United Press, the Daily Express, The Columbia Broadcasting Coy. and other newspaper concerns both American and British.

I beg that my application will be favourably considered so that I may look after my wife and children and help them to live in a decent way as they lived before.

Asks for the husband's repatriation giving the following reason.

She is affected with severe heart ailment.

She is alone because all the rest of the family lives at Turin.

The Director of "Cassa Malattie delle Industrie" of Palermo where the husband was formerly employed has put in a request to get him back to his old position.

What the above named, BONGIORNO, MARIA, stated in her request to have her son repatriated is true.

She is a widow, has a son blind, and her financial position is precarious, as the PW was the only support of the family.

Presently Mrs BONGIORNO and the blind son are living with one of her sisters who tries to support them the best she can.

Considering all this, a favorable opinion is expected for PW Mignemi's repatriation.

A copy of the family record is enclosed.

To: Commandant of P/W Camps, Oran, Algeria.

The undersigned widow Bongiorno Maria Mignemi, residing at Catania, Via Corizia #23 near Agatina Licari brings to your attention the following case: She has a son named Mignemi, Giuseppe, whose father is dead, and who was a soldier in Sicily last year and was taken prisoner at Ispica (Ragusa) and conducted to Oran, Algeria to the following address:

Cap. Mignemi, Giuseppe,
81-I-32494, R.E. NATOUSA PWE "H"
7066g Oran, Algeria.

Up to September of last year, I received letters from him regularly, thanks to the well-organized postal system.

In one of his recent letters, he brought to the attention of the family that prisoners who have families in uneasy circumstances are eligible for repatriation.

The undersigned, ill for many years, and getting worse because of various factor, informs this command of another grave misfortune: a son, who recently has lost sight of both of his eyes. He is unmarried, and she must take care of all his needs, which she is unable to do properly, because she is occupied with procuring the necessities of life.

When her son, now a prisoner, was at home he was able to provide the material things of life for all. It is easy to understand the condition of the family, with a blind son, and with living costs so high.

In view of this and the disposition which the Allied Command makes in such cases, I permit myself to request that you return a son and a brother to his family.

Very truly yours,

s/ Maria Bongiorno Ved. Mignemi,

The following is a copy of a letter dated March 27th 1945, addressed to the office of the Hon. Myron C. Taylor by the Master of Ceremonies of the Sovereign Military Order of Malta, Palazzo Malta, Via Condotti, Rome.

By the order of His Serene Highness, Prince and Grand Master, I have the honor to call your attention to the case of Lieut. Casto Zona R.N. who since the 9th. of May 1943 has been a P.O.W. in the United States of America, address No. 4 WI 15248 (N) Camp Fort Meade Box 20 - C.P.C. New York City.

His presence in Italy is urgently requested for serious family reasons, and R.N. the Grand Master begs through me, you aid in the matter.

His officer's wife is in a very precarious state of health, due to a serious breakdown of mental character and is utterly unable to take care of her son Francesco, affected with "meningo encefalite", for which malady he will have to undergo a surgical operation.

The officer's return is also needed for the financial conditions of the family.

Thanking you in anticipation for anything that you may do regarding this matter.

The undersigned SIBILLI Girolama, daughter of Giuseppe deced., of Isnello, wife of P.O.W. MAZZOLA Rosario, son of Michele deced., born 1912, at 208 P.O.W. Camp, Naples, (Italy) begs this Command to give orders for the repatriation of her husband as his presence at home is necessary and urgent for the following reasons : -

She is bereaved of both parents and has dependent upon her two small children, MAZZOLA Michele aged 5 and Giuseppe aged 2, the latter not yet being known to the prisoner, being born at the time of capture.

She is entirely without property or means of livelihood, consequently leading a life of drudgery and poverty as her only daily allowance is insufficient for the purchase of the indispensable.

She is weak in health which has deteriorated as the result of feeding the baby and lack of nutrition and consequently she is unable to undertake any work.

She adds, furthermore, that the fact that she has no relatives whatever to help her makes her position even more serious.

High Commission for It. PW.
Military Section
N. 5238 di Prot.

Rome 14th. March 1945.
To the Allied Commission
Rome.

Subject: Repatriation of Soldier PW Michele RISTALLO 31-I-30937
born in 1908 captured the 24th. of July 1943 at Trapani,
now at Natoussa, P.O.W. Enclosure 183 - Oran.

The subject's sister RISTALLO Speranza has made a request
to the High Commission for the repatriation of her brother.

From information received at this office it results that the
soldier in question lost in the bombardment of Eboli in Sept. 1943,
his wife Vitalo, Angelina and his three children Antonio, Giuseppe
and Cosimo. The P.O.W.'s mother died from an illness contracted
during the bombardments.

In more, the subject's brother Antonio married with four
children is also a P.O.W. (No. 61035 - Camp 360, East Africa
Command.)

The only one left in the family is the sister Speranza,
whom with no aid and assistance, cannot look out for the brother's
interests. Added to all these unfortunate happenings, the subject's
house was destroyed and it is therefore, necessary that the return
to aid this family that have ~~particularly~~ ^{practically} been thrown in the streets.

As this case does not enter into any of the classes of com-
passionate cases we forward it to you, to beg you to give it your
kind consideration and give the proper disposals that this PW. may
be repatriated, keeping in mind that the case though not com-
templated in the ruling is very serious.

Signed: The High Commission
Gen. Pietro Gazzera.

MEMORANDUM FOR THE DIRECTOR

THE HIGH COMMANDER OF THE ITALIAN ARMY

R O M E.

The undersigned, General (H. E. E.) Umberto, who has been away from his family since the beginning of hostilities, that is to say since 1940, on the conclusion of the armistice with the Allied Nations, was Military Commander of Athens (Greece) and, in consequence of following events, was arrested by the Germans and sent as a prisoner of war to Germany, where he still is at the present time (General Umberto Pasquini No. 141 - Office of the German High Command).

The son Bruno, Artillery Lieut. (H. E. E.), after having frequented the Academy at Turin, also left in 1940 for Greece with the mobile section, and at the moment of the armistice, having heard of the fate of his father, preferred to join the ranks of Greek patriots rather than the Germans, escaping capture many times and encountering serious dangers to his personal safety; but as soon as the district in which he had taken refuge was liberated by the Allies, he was indiscriminately sent to a concentration camp in Egypt, where he is at present.

The events of September, 1943, found the prisoner "refugee" with her two daughters, Vittoria, 25 years of age, and Maria, 18 years of age, also unmarried, as well

of war to Germany, where he still is at the present time
(General Umberto Spadolini No. 141 - Office 642 - Stockholm-
Sweden).

The son Bruno, Artillery Lieut. (C.), after having
frequented the Academy at Turin, also left in 1942 for Greece
with the mobile section, and at the moment of the Armistice,
having heard of the fate of his father, preferred to join the
bands of Greek patriots rather than the Germans, escaping
capture many times and encountering serious dangers to his
personal safety; but, as soon as the district in which he had
taken refuge was liberated by the Allies, he was indiscriminate-
ly sent to a concentration camp in Egypt, where he is at
present.

The events of September, 1943, found the writer a
refugee with her two daughters, Vittoria, 25 years of age,
unmarried, and Gloria, 18 years of age, also unmarried, as well
her mother Anna Giordelli, old and in poor health, in their
place of refuge, i.e., at Valeno Petenore, where **709**
coming to know that she was the wife of a General and a
prisoner, before leaving the village, surrounded by Allied
troops, deliberately blew up her house so that she thus lost
nearly all her furniture and the greater part of her linen.

Not content with this the Germans obliged the writer
to transfer to Rome with her family, forcing them to follow
their retreat in a truck. But, at Rome, by means of
innumerable stratagems and dangers, the writer, with the help
of Italian soldiers, who succeeded in escape to the Germans of
Aprino (Proseone) where she took refuge with relations in
a convent where she remained hidden with the Sisters until
the liberation.

Returning then to Valeno she was given hospitality by
generous friends but found herself at the end of her resources
having nothing but the meagre food allowance given her against
the salary of her prisoner husband, while she had to provide
for the personal needs of her derelict family comprising four
persons.

To bring the challenge of her suffering she now receives the news that her man Bruno, after having struggled against capture by the Germans for fourteen months, not exactly when she had hoped to be able to re-embark him, is held in a prisoner's camp in Egypt.

An immediacy is thus brought about because the unfortunate youth, who was anxiously awaiting the chance to continue the fight for the right cause and to become a hunter after having played the part of the hunted, according to his actual words written from the prison camp, is considered an enemy!

But, apart from this, on this only one would be the sole support of the family, the writer implores, both in the name of justice and in that of human solidarity, which have never been lacking in the great British nation, that he should be liberated and as soon as possible returned so that he can contribute with his work to the support of his family.

TRANSLATION, ca.COPY OF LETTER SENT BY LT. BRUNO BROCCOLI TO HIS FATHER.

1-1-45. Father dearest, To-day, the first of the year, I turn my thoughts and all my best wishes to you, hoping fervently that during this year fate designs to reunite us all again as in the good times past

Here we have begun the year in the midst of and, unfortunately, because a persistent rain of three days' duration has reduced us to a pond But this morning a ray of sun has come to warm us. I am longing for news of you, that is my one preoccupation, as soon as I hear something of you all, I can wait with patience for the day when this unjust, stupid, ridiculous imprisonment may end, in which have foundered all my hopes of 14 months spent as a hunted being waiting to become a hunter.

Instead of which, here I am, surrounded by barbed wire, a prisoner of the English, while father is a prisoner of the Germans and therefore, in theory, father and I are enemies To what incredible absurdities the heavenly father has given me the price to assist! It is better not to think about it and wait. Wait, to see each other again, now I don't want to think of anything else but this, and while waiting I embrace you, Bruno.

IL QUESTO E DI NAPOLI

Napoli, 17 marzo 1945

- all. 1 -

My dear Major,

My nephew, whose name is "BROCCOLI Bruno" was in Greece at the Armistice time, like Lieutenant of Artillery on permanent duty.

After having escaped to the Germans during fourteen months, he is now in a prisoners of war Camp stationed in Egypt (Tenente BROCCOLI Bruno n. 247301 - Campo 305 - C/O Chief P.O.W. Postal Centre - Middle East - Egypt).

His father, brother of mine, named BROCCOLI Umberto, General on permanent duty, being at the Armistice time Commanding Officer of the Military Area Athens (Greece) refused to cooperate with Germans and was captured and sent in Germany where he still lives in captivity.

You can easily feel how terrible is the situation of Bruno's mother and her two daughters

733

who after having long roamed and very much suffered, returned to Vairano (Naples) having lost everything-Germans, indeed, destroyed their house before leaving the country.

Hereby inclosed is a copy of the application of my sister in law Mrs Campena in Broccoli, and you can learn more details about their pietifull history.

The application was sent by my sister in law to the Italian High Committee for War prisoners in order to get the repatriation of Bruno.

It is a very exceptionally unlucky case and I beg you to offer your authoritative intervention towards Lt. Col. V. Campdell, Italian Prisoners of war Sub Commission, Allied Commission A.P.O. 394, in order to approve the above mentioned application for the repatriation of my nephew.

Also by name of my wife and the unlucky family, I thank you very very much remaining

Looking forward to your answer.

With my best regards.

Yours Sincerely.

ALTO COMMISSARIATO PER I PRIGIONIERI DI GUERRA

R O M A

La sottoscritta Campara Lima, in Broccoli, residente in Vairano Patenora (Napoli) espone quanto appresso:

Il marito Generale in S.P.E. BROCCOLI Umberto, allontanato dalla propria famiglia fin dall'inizio delle ostilità e cioè dal 1940, all'atto della conclusione dell'Armistizio con la Nazioni Unite era Comandante Militare delle Piazze di Atene (Grecia) e, a seguito degli eventi suoi seguiti, fu catturato dai tedeschi e inviato quale prigioniero di guerra in Germania, ove tuttora trovasi (Generale Umberto BROCCOLI R. 141 di prigionia - Oflag 64 2 - Schocken - Posen).

Il figliuolo Bruno, Tenente di Artiglieria anche in S.P.E., dopo aver frequentato l'Accademia di Torino, partì anche egli nel 1942 per la Grecia con reparto mobilitato e, all'atto dell'armistizio, conosciuta la sorte del padre, preferì unirsi alle bande dei partigiani ellenici anziché ai tedeschi sfuggendo più volte alla cattura e incontrando gravissimi pericoli per la propria incolumità; ma, appena liberata dal reparto Alleati la zona nella quale si era rifugiato, fu indiscriminatamente ucciso ed un cagno di concentramento in detto ove tuttora trovasi.

Gli eventi del settembre 1943 sorprendevo la scrivente, sfollata con le due figliuole Vittoria, di anni 25 nubile, e Gloria di anni 18, nubile, nonché con la madre Anna Cardelli, anziana e malata in salute, nella località di sfollamento e, cioè, Vairano Patenora ove i tedeschi, venuti a conoscenza che esse era moglie del Generale prigioniero,

aver frequentato l'Accademia di Torino, parti anche egli nel 1942 per la Grecia con reparto mobilitato e, all'atto dell'armistizio, conosciuta la sorte del padre, preferì unirsi alle bande dei partigiani ellenici anzichè ai tedeschi sfuggendo più volte alla cattura e incontrando graviissimi pericoli per la propria incolumità; ma, appena liberata dal reparto Alleati la zona nella quale si era rifugiato, fu indifferimamente avviato ad un campo di concentramento in Ungheria ove tuttora trovasi.

Gli eventi del settembre 1943 sorprendeivano la scrivente, sfollata con le due figliuole Vittoria, di anni 25 nubila, e Gloria di anni 13, nubila, nonché con la madre Anna Giordelli, anziana e malandata in salute, nelle località di sfollamento e, cioè, a Volzano Patenora ove i tedeschi, venuti a conoscenza che essa era moglie del Generale prigioniero, prima di lasciare il paese, pressati dalle truppe alleate, fecero saltare in aria deliberatamente l'abitazione della scrivente che perdettero così quasi tutte le suppellettili e la maggior parte della biancheria.

Non contenti di ciò i tedeschi imposero alle scrivente di trasferirsi a Roma con la famigliaola contringendole a seguirli ⁷⁸³¹ 7831. Un autocarro, ma a Roma, attraverso inenarrabili stratagemmi e pericoli, la scrive, con l'aiuto di militari italiani, riuscì a fuggire riprendendo nel comune di Arpino (Frosinone) ove trovò rifugio con i congiunti nel convento di quelle suore dove dette nascondo fino alla liberazione.

Tornata poi a Valerano fu capita da generosi conoscenti ma trovassi all'estremo delle risorse non disponendo che del magro assegno alimentare corrisposto sulle stipendio del marito prigioniero mentre deve

provvedere alle esigenze personali della sua derelitta famiglia composta da quattro donne.

A colmare il calice delle sue pene le giunge ora notizia che il figlio Bruno, dopo di essersi battuto per quattordici mesi alla cattura dei tedeschi e proprio quando ella sperava che avesse potuto rabbracciarsi, si trova ristretto in un campo di prigionieri in Egitto !

Si verifica così l'assurdo perché il malcapitato giovane che ansiosamente aspettava di poter continuare a battersi per la giusta causa e di diventare cecidatore, dopo d'aver fatto la parte della selvaggina, come in tentualmente scritto dalla prigionia, è considerato nemico !

Ma oltre a ciò, quando tale suo figliuolo l'unico sostegno della famiglia, la scrivente impetrisse in nome delle Giustizie e sia in nome della umana solidarietà che mai è venuta meno nella grande Nazione Britannica, che egli venga liberato e le sia al più presto restituito perché possa concorrere col suo lavoro alle impellenti esigenze della sua famiglia.

COPIA di lettera inviata dal Tenente Bruno BROCCOLI alla madre

1-1-1945 - Mamma carissima, oggi primo dell'anno, vi rivolgo tutto il mio pensiero e i miei auguri, sperando vivamente che nel corso di quest'anno la sorte voglia riunirei tutti ancora come ai bei tempi passati....

Qui abbiamo cominciato l'anno in mezzo al fango, purtroppo, perché una pioggia insistente da tre giorni ci ha ridotti in una pozza d'acqua.... Ma stamattina un raggio di sole è venuto a riscaldarci. Non vedo l'ora di ricevere vostre notizie, è l'unica mia preoccupazione, appena saprò qualcosa di voi potrò sopportare con pazienza il giorno in cui finirà questa ingiusta, stupida e ridicola prigionia, in cui sono crollate tutte le mie speranze di quattordici mesi trascorsi da selvaggio in attesa di diventare cacciatore.

E invece eccomi qui fra il filo spinato, prigioniero degli inglesi mentre papà è prigioniero dei tedeschi, e quindi io e mio padre in teoria siamo nemici..... A quali assurdità il padreterno mi ha dato la grazia di esistere! Meglio non pensarci e aspettare. Aspettare di rivedervi, ormai non voglio pensare ad altro che a questo, e nell'attesa vi abbraccio, Bruno.

Translation of letter dated 7-2-43 from Mrs. Mary Aldanese to Lt. Col. Scott.

Please excuse the liberty I am taking in turning to you personally and in bothering you with this letter.

I am the wife of Lt. Aldanese who has been a P.O.W. since 12-5-43 and am actually directly dependant upon him.

I am a native of Cairo and am here alone in an unknown country and am living withan only son who in a few days must answer to the new call up. I have no parents or friends to whom to turn to ask for help or protection. In order to live I am obliged to work and often until late hours at night.

My health, always very delicate and run down won't stand up to it any longer. I have a serious organic disability which won't allow me to continue this life much longer.

I therefore make this appeal to your generous spirit and kind heart to ask you to release my husband. His presence in such a sad and difficult time is indispensable to me. I know you can do a lot in this matter and that a 'good word' from you would have the desired effect. I beg of you Sir to intercede for our wellbeing and I shall always remember you with utmost gratitude.

Yours, etc.

Mary Aldanese.

From:- High Commissioner for P.O.Ws.
Rome.

We wish to bring to your notice the particular painful situation of the Italian P.O.W S/Lt. (attached) Aldanese E. of your unit.

When serving under the Italian 1st Army in Tunisia as a Civilian Cinema Operator of the Ente Statale Luce was captured in May '43 and in the spring of last year was brought to Italy, under Article 84 of the General Conventions and the agreements between Italy and England, he became attached in the rank of 2/Lt., but is a civilian.

Aldanese's family live in Rome, the house has been destroyed during aerial bombardment, and they find themselves in great distress, not being able to receive any allowances from the Italian Authorities owing to Aldanese being a civilian

In order to live he was obliged to sell that which he was able to salvage from his destroyed house and now he does not know how to continue.

On the other hand Aldanese has not been able so far to help his family other than in a very limited extent in so much as before his transfer to Italy he did not draw any pay. Later during the months of July and August of the 25 (2000 lire) which he drew monthly (another 25 being credited to his Account Card) not much remained after paying 1400 lire for messing and canteen supplies. After by not taking part in the mess but living on soldiers' rations he was able to put aside about 1000 lire monthly for his family, surely a sum too little for maintaining a family.

Towards the middle of October last he came to Rome on short pass. Seeing the sufferings of his family and their unhappy condition which was steadily deteriorating and perceiving his own unhappy position of not being able to help them whilst being a P.O.W., it affected him so much that when he was due to rejoin his unit, his nervous system already put out ~~was~~ made him ~~fit~~ ^{forget} to return, as seen by Medical Certificates sent by doctors. Now he is improving and is returning to his unit with the hope that you, understanding his unhappy state of affairs will do your best to obtain the freedom necessary to put him in a position to take up his work and keep his family who have already suffered much

I would refer you to my letter of 24/11/44 No. 15048.

The unhappy conditions of the family of the a/n still persist and for that matter are even more serious owing to the rise in the cost of living which is making the life of the wife and son of the E.O.W. still with you a very hard burden.

Gen. GARCIA who is the High Commissioner for E.O.W. has the interest of this unhappy family at heart and joins with me in making a special request in asking you to examine the possibilities of discharging the a/n in order that he may materially help his family who are in such dire need, and also to obviate the fact that due to the passage of time his firm who are keeping his job open for him may be obliged, owing to exigencies, to fill this job with some other, thus leaving this Officer in terrible circumstances.

Seeing the above into consideration, and also the correspondence already written in this matter, I hope you will recognize the need and urgency of this case.

Translation of letter dated 7-2-43 from Mrs. Mary Alfanese to Lt. Col. Scott.

Please excuse the liberty I am taking in turning to you personally and in bothering you with this letter.

I am the wife of Lt. Alfanese who has been a P.O.W. since 10-5-43 and am actually directly dependant upon him.

I am a native of Cairo and am here alone in an unknown country and am living with an only son who in a few days must answer to the new call up. I have no parents or friends to whom to turn to ask for help or protection. In order to live I am obliged to work and often until late hours at night.

My health, always very delicate and run down won't stand up to it any longer. I have a serious organic disability which won't allow me to continue this life much longer.

I therefore make this appeal to your generous spirit and kind heart to ask you to release my husband. His presence in such a sad and difficult time is indispensable to me. I know you can do a lot in this matter and that a 'good word' from you will have the desired effect. I beg of you Sir to intercede for our wellbeing and I shall always remember you with utmost gratitude.

Yours, etc.

Mary Alfanese.

I submit to the Command as follows:

My son, Lieut. of Artillery, Armando DI DATO, son of the late Ferdinando born at Portici on the 23 of October 1914 and called to Arms on the 13th of April 1941 and sent to the island of Rhodes in the Aegean, on the day of the Armistice he defended, with his regiment, the Island against the Germans, afterwards escaped from imprisonment and went to Turkey.

The Carabinieri Legion of Naples had informed me that he was interned in Turkey at the following address: Campo Internati of Isparta - Turkey. Afterwards my son wrote me that he was a prisoner of the English at the following address: No. 11277 - IW Camp 305 M.E.P.

I ask the Command how it is that my son is considered a Prisoner and was not repatriated with the other internees? In as much as he fought against the Germans and escaped their vigilance, arriving in Turkey.

His father was killed in the war of 1915-1918 and I am a widow alone with no-one to help me and I am also ill.

I am sure that my son always hated the Germans for they killed his father.

I therefore beg the Command to examine scrupulously this case because he has been unjustly arrested and from internee passed under a POW Status.

(Italian P.O.W.)

1. We have had an enquiry from one of the prisoners at present employed by these Headquarters, with regard to the possibility of a compassionate posting of the a/n.

2. The relative facts are as follows:-

- (a) The a/n is employed at 313 P.O.W. Camp, H.B.F., which we understand is at TRIPOLI.
- (b) His father - CAPITELLI DOMENICO, Via Campania Vice 4, No. 1, Santa Maria, C.V. (Napoli), is 77 years old and his mother Sr. (we have seen copies of both birth certificates). The latter is very ill and can walk very badly.
- (c) There was another son, but he died on 24 October, 1944 - aged 21.

3. The grounds for the enquiry about a compassionate posting are based chiefly on the age and health of the parents. It is obvious that the presence of their son would give them happiness even if only for a short while.

4. If you agree, would you please take all necessary action and advise us accordingly.

4. Please investigate this case and forward a report to the H.Q.

12. 3. 45.

Sir,

I beg to submit this application that I the undersigned may Cattalani, Frederic of the Italian Bersaglieri at present Camp leader of K enclosure be sent on duty or repatriated to Italy and that this application be sympathetically considered and recommended.

I have just had news that my wife and children have become victims of war. My family returned to their home in RUCE Province of Fabriano two weeks after the German retreat from that locality when a German shell hit and destroyed my home. My wife and three children scrambled out of the ruins to take shelter in the hills when another shell killed my son and mortally wounded my daughter and also my wife who after a long period in hospital is now partly recovered, but is in poor health and only one daughter to look after her. She is at present staying with a family at Cancelli.

This news has affected me very much and consider it my duty to try and do something for my wife and sorrowing daughter. Since capture I have always co-operate with the Allies and trust that this my effort will be taken into consideration.

Signed. Maj. CATTALANI.

My wife present address is:

Figure 1 is a line graph showing the effect of the concentration of the inhibitor on the rate of polymerization. The y-axis is labeled "Rate of polymerization" and ranges from 0 to 1.0. The x-axis is labeled "Concentration of inhibitor" and ranges from 0 to 1.0. The curve starts at (0, 1.0) and decreases as the concentration of inhibitor increases, approaching zero as the concentration approaches 1.0.
