To: The Director,
War Materials Disposal and Italian Prisoners of War
Sub-Commission, Headquarters, Allied Commission.

Dear Sir,

I should like to recommend the case of S/Tenente
Giovanni Pediconi, No. 116570, Prisoner of War Camp 27/28
Bombay, for repatriation on compassionate grounds.

This Italian officer, age 29, has been a prisoner of
war for over four years. His parents, whose address is
Via Spalate No. 10, Littoria, are both old, and the father
has become paralysed so that he is unable to work any
more. The return of their son, apart from being a great
comfort to them morally, would help to solve their financial
problems. Signor Soncin, of Littoria, who has brought this
case to my notice and strongly recommended it, gave
hospitality for a month to Flight Lieutenant J.M.H. Jewell,
an ex-prisoner of war from Modena, and hid him until the
arrival of the Allies. I should like to repay him for
his help to the Allied cause by meeting his charitable
request.

Yours faithfully,

D. G. Duvigne.

I, the undersigned, Quattrociochi Sante, living on Via Francesca, Veroli, (Frosinone), P/W NA/T 22644, cooperator in the force of the 771 Italian A.W. Co RE, ask to be released for the following reasons:

I have three brothers prisoners, two in Germany and one in India.

My return to my family would be a great help to my parents, and even at home I could, although indirectly, continue to aid the allied cause as I have done till now; and as my brothers have done, who preferred imprisonment to working for the Germans.

I enclose certified documents signed by me.

Affidavit

1944, 26 December, in the Town Hall of Veroli, Before us Prefect of this Commune, in the presence of the undersigned Secretary, at the request of Mr. Quattrociochi Raffaele, sons of Sante (deceased) personally appeared:

- | | | |

| 1) | De Carolis Pietro, son of Giovanni (deceased) | age 45 |
| 2) | Paniccia Umberto, son of Attilio (deceased) | " 39 |
| 3) | Cerro Giuseppe, son of Raffaele | " 24 |
| 4) | Pagliaroli Luigi, son of Sisto | " 32 |

Suitable witnesses and not interested in this act nor in the parties who previously received from me the necessary admonition. One after another took the oath, pronouncing the formula:

"I swear to tell the truth and nothing but the truth."

After which they declared in agreement: that the soldier Quattrociochi Sante, son of Raffaele, class of 1919, at present P/W, RA/T 22644, Cp 208 Naples Italy, has at the same time 3 other brothers in prison, to wit: Quattrociochi, Vito, cl 1911, P/W in Australia; Lazaro, cl 1915, P/W in Germany, and Genesio, cl of 1923, likewise P/W in Germany; that the family, resident in Italy at "Casa Dell'Untocoltira" with a project of farm-improvement of 7 acres, possessing an ox, while on it are left only a 60 year-old father and a brother of 14, and that for the above reasons, and by virtue of concessions made to the agricultural classes, the presence of the soldier, Quattrociochi Sante, is absolutely necessary, since none of the other aforementioned prisoners can enjoy such a privilege because they are located beyond the sea and in other countries.

Read, confirmed, and signed as follows:

I, the u/s SARDANO Giovanni, son of the late Vincenzo, family residence Via Ferruccio No. 172 Andria (Bari), present this application with attached documents to this H.Q. for the u/s reasons:

Being my son SARDANO Domenico at present a P.O.W. with this H.Q., No. NA/T. 26837/R, 208 P.O.W. Camp, NAFIES (Italy), I would desire him to be repatriated because I am in the following conditions:

My family is composed of 4 sons, of whom Vincenzo resides in Alfontino, (Ravenna) and I do not know anything about him. He is a Vice Brigadier in the CC.RR. Nicola is a Prisoner of War in Germany, and Domenico for whom I ask to be repatriated, is a Prisoner of War in Allied hands, and Francesco, my youngest son died in the August 1943, as it is testified in attached certificate.

Furthermore I make present that I have various lots of cultivated ground, not of my property, as certified by the proprietors, and owing to the fact that I am in very poor health, suffering from Sciatica and Rheumatism, I am unable to do any work, and for above reasons I cannot attend to the land.

For such urgent and necessary reasons, to sustain his family and for the good of Agriculture, I wish that my son be repatriated. Attached is a certificate from the Province Association of Farmers - Section of Andria, certifying my illness.

I trust that the H.Q., on examining the documents I have forwarded, stating that the release of my son is urgently needed, will look on this favourably.

Awaiting a positive answer, I thank you in anticipation.

Complimentary closing,

SIGNED. SARDANO Giovanni.

P.S. The attached medical certificate certifies the inability of my wife who is suffering from Sciatica and Myocardite.

ENCL. IN COPY TRANSLATION.Subject: Co-operators Italian - Releases.

To H.Q.

I, the undersigned RA/T.28061/R Sergeant Listorto Angelo, son of the late Giuseppe, born in TERNI (Prov. Campobasso) on the 3. 7.1921, at present on the strength of 420 Italian Ordnance Amn. Coy, submit this request for my release on compassionate grounds.

From documents herewith attached, I am the only son of a widowed mother who through persistent sickness is incapable of doing any proficient work and is unable to sustain herself.

The remittances which I could eventually send her are quite insufficient owing to the high cost of living, and as there are no male parents who can take charge of, and sustain my mother, she absolutely needs my direct help.

I bring to your notice that I am in charge of an uncle, MANZI Umberto, aged over 70, who is also unable to work.

Being repatriated from France in April 1941, I have no income or property which can give me a rent of any kind, and the living conditions of my mother are very difficult.

I hope then that my request will be kindly examined. Should I be released, I can immediately take over duties as interpreter with the British Authorities stationed in my village and also be in the position to sustain my mother.

Obediently,

(Signed) Listorto Angelo.

As my intellectual ability, I explain the reason for my application. By family is commonly called of woman, so there is no real connection.

My mother, who is a widow since 1926, was very old, and still to be subject to the burden of any kind of hard work and to face in part the high expenses to carry on the family.

My sister helps my mother with her little profitable work.

My wife is alive longtime affected by chronicl hepatical cirrhosis (see the medical statement certified), for that she needs continuous attentions and is not able to perform any work.

Also my little niece, daughter of my brother who is a prisoner in German hands, lives with my family.

My presence with my family could be a great assistance, as I have to perform a great job, for I have small money for decorator and vanishes, like

Extract of the letter for Girolamo Bellavista.

nella cartella (380)
n. 3171 bs

I take the liberty of recommending to your attention the case of Capitano Girolamo Bellavista, of the 321st Italian Quartermaster Battalion, Letterkenny Ordnance Depot, Chambersburg, Pa., who desires to be repatriated to his home in Sicily.

Captain Bellavista was captured in Tunisia, and since his capture for a period of six months from January 14th to July 15th 1944 he was confined to the hospital for a serious nervous breakdown. His father who lives in Palermo is now 72 years of age, and in ill health, and the Captain fears he will not be able to see him again if his return is much delayed. Moreover his wife who is also chronically ill has been forced to take employment to supplement the small income at her disposal. In civilian life Captain Bellavista was a professor of law at the University of Palermo:-

EXTRACT OF THE LETTER FOR Carlo Belletti.

Allegato al foglio IPW/1/1cm/H8B del 9/2/45

I take the liberty of recommending to your kind consideration the case of Sergeant Carlo Belletti, of the 25th Italian Engineer Dumptruck Company, Camp Steward, Georgia, who desires to be repatriated to his home in Rome, Italy.

Sergeant Belletti will be 49 years of age on February 28th 1945, and has been a prisoner of war since November 8, 1942. He was captured in Tunisia, at Oran, with the members of the Italian Armistice Commission, and he was not engaged in combat duty, although he did hold the rank of sergeant.

The family of the sergeant in Rome consists of his wife and eleven children, and he is most anxious to return to them in order to be able to help them, as they are in difficult financial circumstances. I believe too that Sergeant Belletti may have merited some special consideration for his work as Camp Leader of the Italian prisoners at Camp Wheeler, before joining the Service Unit.

Ho preso la libertà di raccomandare alla V. Signoria il caso del ser. Carlo Belletti, del 25° Comp. Gen. in servizio al posto, Campo Steward, Georgia - che desidera essere repatriato a Roma, Italia. Il ser. Belletti compirà 49 anni il 28 febbraio 1945 ed è stato prigioniero dal 8 nov. 1942. È stato catturato in Algeria, ed ora, con i membri della Commissione di Armistizio, non prende combattimenti, sebbene detiene il grado di sergente. La famiglia del ser. a Roma, è composta della moglie ed 11 figli. Egli è molto ansioso di tornare per poter dare loro sollievo, dato che si trovano in difficili condizioni finanziarie. Penso anche che il ser. Belletti possa aver meritato una speciale considerazione per il suo lavoro quale capo campo p.d.f. al campo Wheeler, prima di essere assegnato ad unità di lavoro.

Extract of the letter for Annibaldi Fernando.

Colonello Fernando Annibaldi, of the Italian Service Units, at Camp Myles Standish, Massachusetts, has requested my assistance in obtaining repatriation to Italy, and I take the liberty of recommending his case to your attention.

Colonel Annibaldi was born November 26th 1893, and his wife and two sons live at Rapagnano, Province of Ascoli Piceno, Italy. The elder son who is 24 years of age is seriously ill, and unable to do any sort of work; the other of 14 years is still a student in school. During the course of the war the wife and children of Colonel Annibaldi were supported by his own father, who died earlier this year, leaving the family without any resources, and the Colonel is anxious to return to Italy in order to be able to assist his family. He is presently in command of Italian Service Unit forces, and is willing to continue to serve the Allied forces in Italy, if that can be arranged.

L'altro, di 14 anni, è ancora studente. Durante la guerra la moglie ed i figli del col. 974 sono stati mantenuti dal padre del col. che è morto al principio del primo anno, lasciando la famiglia senza risorse ed il col. è ansioso di tornare in Italia per poter aiutare la famiglia. Attualmente egli comanda l'Unità di Truppe Italiane ed è desideroso di continuare a servire le forze alleate in Italia, se possibile.

Extract of letter for Vincenzo Amato.

1. Pvt. Vincenzo Amato POW T-68067 (ISU Serial Number IE 904868) of the 73rd IQM Serv., Co., captured in Tunisia on 3 February 1944, has lately received news that his wife Giuseppa Gilberto was killed during the war in Sicily and the bombardment of Palazzolo Acreide (Siracusa).
2. Pvt. Vincenzo Amato has also known that his 76 years old mother died in August 1944.
3. On account of this misfortune the three Pvt Amato's sons, Paolo, Salvatore, and Giuseppe, four, three, and one years old, have no assistance, and only strange persons are looking after them, because another member of Amato's family, a sister-in-law of his, was killed during the same bombardment.
4. Pvt. Amato's father is unfit and 82 years old.
5. Pvt. Amato's situation is particularly pitiful; he is worried about his sons' condition and he is anxious to look after them personally, and to care for them in place of their deceased mother.
6. It is believed that Pvt. Vincenzo Amato should be among the prisoners of war for whom repatriation is considered on account of exceptional family conditions.
7. The case of Pvt. Amato is recommended for consideration by the Provost Marshal General Office, in order that he may be included on the repatriation list, after proper investigation.

STATION HOSPITAL
PRISONER OF WAR CAMP
MONTICELLO, ARKANSAS

13 December 1944

SUBJECT: Physical Status of Prisoner of War Colonel Fernando Mariani,
81-1-51073.

TO : Commanding Officer, Prisoner of War Camp, Monticello, Arkansas.

1. Reference is hereby made to the attached request of the above named Prisoner of War addressed to the Provost Marshal General, Washington, D.C. regarding repatriation.

2. Prisoner of War Mariani was examined by the undersigned on this date. His principal complaints are semi-paresis of the tongue and pain in the right leg (post-traumatic) associated with difficulty in walking. Examination revealed a 52 years old Italian male, not acutely ill, blood pressure 132/84, a punctured left ear-drum, and a partial paresis of the tongue. The tongue was directed toward the right with failure of extension. The paresis is due to a gunshot wound during World War I. The chest, including the heart and lungs, revealed nothing unusual. The abdomen is negative as far as clinical examination is concerned. There is evidence of an old healed fracture of the proximal one-third of the right femur with a resulting shortening of the right leg. Flexion of the right leg on the thigh at the knee was found to be 120 degrees. There was complete extension of the right leg on the thigh. No subjective pain was present in the right leg on straight leg raising. It is to be noted that the patient walks with a slight limp. No abnormal neurological findings were present. The physical examination of Prisoner of War Mariani was essentially negative except as above noted.

PRISONER OF WAR CAMP - MONTICELLO, AR.
COMPOUND N. 1

FROM: Colonel Fernando MARIANI - 81-I-51073
TO: Provost Marshall General - Washington, D.C.
SUBJECT: Repatriation.

December, 9, 1944

Sir,

I am hereby applying to obtain the privilege of being included on the list of the Italian Prisoner of War qualified for repatriation.

I was born in 1892. I was captured in Sicily on the 21st of July 1943. My impaired physical conditions and my particular unfortunate familiar situation are worthy a special regard.

I am a trained veteran of world 1st (tongue paresis). I have been wounded in action five times.

In 1941, while sailing from Patras (Greece), my ship was torpedoed and sunk. I got a double femoral fracture.

It has caused a permanent limited flexion of my right knee and a consequent semi-rigidity of my right leg. I am also affected with a sciatic on the leg injured.

Because of lacking of proper therapeutic treatment, not available here, such as mud baths and massages, my conditions are getting worse and worse every day.

Under the circumstances and for the steady pain on my leg, I am not able even to dress myself without an helper.

My house in Rome, Piazzale Prenestina n. 64, was demolished by a bomb, on July 12, 1943, during an air raid. My wife was rescued from the debris wounded and contused. She is in a permanent status of nervous break-down. Her conditions, both mental and physical, are aggravated by not having news from our two sons, now in German hands and by my captivity. I know I could help her very much in restoring her health, especially with my moral support.

I hope my case will be considered with benevolent attention.

Yours very truly,

Col. Fernando Mariani

To : the COMMAND of the CAMP 359

EAST AFRICA COMMAND

I, the undersigned, Branca Carmela, wife of the P.O.W. Curcio Francesco, ASN. 38285, who at present is at a camp in East Africa, inform you of the following:

I have six sons; the eldest is still under arms, one died during the war, and the other four are all in my care; they are very young and therefore unable to support our family.

I get a subsidy of 21 lire per day, but this is quite insufficient for the maintenance of my family; furthermore this small sum is paid to me very irregularly and sometimes two or three months pass before I manage to get my subsidy. At present prices are growing higher and higher, and I am facing great difficulties that I cannot find words to describe them to you.

Now at home, besides my four children, I have to support my father and mother-in-law; so, I have seven persons in all to take care for, and I do not conceal to you that we spend some days in great distress and at times suffer hunger.

I am applying to this Command and I beg you to send my husband back home, since he is the only supporter of my poor family. I am ill and if ^{one} day or other I shall have to leave this life, my children will at least have their father with them.

I hope you will give some consideration to my desperate case.

Your servant
/S/ Carmela Branca

LETTER

My dear husband,

I received your two letters and I am glad to know you are in good health; this is really a great consolation for me.

As for me, I continue to suffer from anemia and general weakness and with the troubles the children cause to me, you can imagine how I am getting on with my health.

Upon knowing that the Allied Military Authorities give consideration to applications for the release of prisoners of war, who are the only supporters of their families, I made an application that you are going to submit to your Command.

I have great hopes that the description of our family conditions, sent to your Command, will have its good effect and you will soon be released.

I have nothing else to write you. We are expecting anxiously you to come home.

Best wishes from me, as well as from our children, especially from Bonna; she cannot forget you.

Your most devoted wife

TO HIS ROYAL HIGHNESS
THE PRINCE OF PIEMONTE
LIEUTENANT GENERAL OF THE KINGDOM.

Maria Berlingieri, married Parentini, living in Florence,
Viale Piazza Imperiale 18, wishes to expose the following:

Since Sept. 1944, her husband PARENTINI Giulio of Elirio, born at Montalcino (Prov. Florence) is interned at the concentration camp 81-I-285184 - U.S. P.W.C. - 326, for political reasons. He is an invalid of the first war 1915-18 and was recalled to arms in Nov. 1941 with the grade of Major, remaining in service up to Sept. 1943. After the 8 Sept. he remained at home but was recalled under the republican army, not being able to refuse as he was a squadrista. Although he belonged to the above mentioned army, he tried to help all the youths who refused to join. He was also aware that in the home of the undersigned's parents were hidden six young men, three officers, two under officers and a soldier as well as commandant of the Partisan Band "TESCO". The following are their names:

- 1) Capt. R.C. delle Foreste DE GAUDIO Saverio, looked for by the Republican police, accused as being a traitor. Is at the moment administrator of the forests of Valtombrosa.
 - 2) Lieut. of the Aviation DE LUCA Gega - Head of the Partisan Band "TESCO". Actually in service with the 8th Army on the Adriatic Front.
 - 3) Lieut. of artillery LANTONY Filippo, class 1910, who abandoned the establishments of "TERNI" where he was under the army.- at the moment he is in Florence in Via Vecchia di POZZOLATICO n. 39.
 - 4) Sergeant DE GAUDIO Gaetano class 1919 whom PARENTINI Accompanied, in May 1944 to the Military Barracks writing him down as belonging to the class 1913 - Actually at Trebisacce (Cosenza).
 - 5) Sergeant REGINA Alfonso, class 1917. - Actually at TREBISACCE.
 - 6) Corporal Morrelli Albino, class 1922, whom PARENTINI accompanied to the Military barracks, and under his own personal responsibility and guaranty wrote him down as belonging to the class 1920, as deserters of the class 1922 had to undergo the penalty of death. At the moment Morrelli is living in Florence at Via Montebello n. 60.
- Parentini also knew very well the activity carried on by the "TESCO" band and that the above mentioned persons were members of same.

La sottoscritta Bongiorno Maria ved. Mignemi residente in Catania Via
Gorizia N. 23 presso Agatina Licari espone quanto segue: Il di lei figlio
a nome Giuseppe Mignemi fu Giuseppe, che trovavasi militare in Sicilia, lo
scorso anno e precisamente nel luglio 1943, preso prigioniero ad Ispica (Ra-
gusa) e condotto in Algeria ove trovasi in atto ad Orano.

Fin dal settembre dello scorso anno ho ricevuto le di lui notizie che
provengono regolarmente fino ad oggi grazie al servizio postale così bene
organizzato.

In una sua lettera pervenuta da recente il figlio prigioniero mette a

prigionieri le cui famiglie trovansi in condizioni disagiati tali da po-

La sottoscritta ammalata da vari anni, oggi alquanto peggiorata per
varie cause, fa presente a Cotesto Comando Quartiere Generale Divisione Cam-
pi Prigionieri di guerra di avere oltre la grave sventura di un figlio ac-
ciecato da recente da ambe due gli occhi, celibe in casa con lei al quale
dovrebbe prodigarli quelle cure a cui essa n° può attendere perchè soffe-
rente e inoltre procurargli il necessario per il sostentimento.

Fa presente inoltre che il di lei figlio, oggi prigioniero, ^{già} ~~già~~ si
trovava in famiglia bastava a lenire le sofferenze di entrambi e con il suo
lavoro sopprimeva ai bisogni materiali. Oggi purtroppo questo è venuto meno
e la sottoscritta con il figlio cieco versa in condizioni assai disagiate,
come è facile immaginare, dato l'enorme rincaro del costo della vita.

Pertanto in virtù della suddetta disposizione emanata dal Comando Al-
leato in favore dei prigionieri i cui familiari sono residenti nelle terre

già occupate dalle truppe Alleate, si permette di rivolgere a cotesto Comendo Quartiere Generale Divisione Campi Prigionieri di guerra, la vivissima preghiera di ridonare all'affetto e alla famiglia un figlio ed un fratello.

Fiduciosa di ottenere quanto le sta a cuore ringraziando si sottoscrive.

Town Hall of Treia (prov. of Macerata)

Honorable Allied Command

Naples

On the 5th of this month in this Commune died Spurio Giuseppe, father of the prisoner of war Spurio Luigi, ASN 31286 - N. 208-, who at present is in this city.

Since his three other sons are prisoners of war, the family, which received the means of support from the father's carting profession, finds itself without any man and in absolutely indigent conditions.

I address a vivid prayer to this Command so that it may be kind enough to examine the possibility of returning the above mentioned soldier to his family.

/s/ The Mayor

The above application is confirmed by the Royal Carabinieri of Treia.

Your Highness

It is the father who is talking to you, it is a son of Cassino, symbol of the tragedy of Italy, who comes to plead for a just cause. He has just lost through the brutality of the Germans his dear wife. And his son who was an officer of the 1924 class, who lived with him in hiding till the liberators arrived he has had to see taken away from him and placed in a concentration camp. His son was captured by the Germans near Cassino on the 9 April 1944 and menaced to being shot for being a deserter. He was brought to the North of Italy, where at the process he showed that he was not aware of the new dispositions, he was therefore freed but was compelled to enter the republican army, after a few months he managed to escape but in crossing the lines he was taken by the American troops. His address at the concentration camp is :- "Sergente Asp. Lino MARSIGLIA - Matricola 81.C.409023 R. U.S. F. .E. 326-Naples". My son is waiting to be released so that he can fight and vindicate the death of his beloved mother.

I the father begs you Highness to please intervene for him.

REQUEST OF REPATRIATION

I, undersigned Angeloni, Giuseppe, Sold. ISN 81-1-342848 ask to be repatriated for extreme compassionate grounds.

My situation is as follows:

1. On 24 January 1945 I received a letter, dated 24 December 1944, from my cousin Giovanni Paris. He lives in my village, Luco dei Marsi, (L'Aquila) and in his letter he tells me that my wife, Nunziata Amadore, died on December 1943 and that my two children, Geraldino, 12 years old, and Nella, 10 years old, are living with my mother in law; 65 years old, a widow, an invalid, and living alone. I, undersigned, born in 1907 was called to active duty in artillery in February 1943. I had been sent to Sicily where I was taken prisoner on 21 July 1943 at Sciacca. Since that day I had no news from home and the first letter I received was that mentioned above, attached hereto. As my mother-in-law is in a difficult situation with my children in her car, I request this headquarters to present my situation to the higher authorities in order that I may be repatriated.

TRANSLATION

Dear Son,

In answer to your dear letter we are glad to know that you are well. The same is with us who are all in good health. We are always thinking of seeing you pretty soon. Your sons are growing up and are in good health. They are living with your mother-in-law because your wife has died more than one year ago. We did not want to let you know it but we thought that you should know it. Don't worry too much about it. You must submit to your fate which has broken your happiness in the prime of your life.

You already knew that the health of your beloved wife was. Therefore be strong and take everything as it comes. When you receive this letter you will do well if you take it to your Headquarters to let your superiors know what your conditions are here at home, that you have two motherless children who are alone while their father is far from them. I tell you again, my dear son to not worry.

Once you should have known it. Don't think any longer about it. Do as we tell you. Take this letter to your Command and let your superiors know everything. We have received your photos and all of us are glad to see that you are looking so well. Always hoping to see you again, love and kisses from your mother

Capitano CERADDELLI Francesco (Artiglieria) 81-1-48884
 Head Quarters and Headquarters Detachment 7103 - Ordnance Battalion.
 (Comando e Plotone Comando 7103 Battaglione Servizi di Artiglieria,
 - Aiutante Maggiore del Battaglione e interprete di Inglese).

In favore del predetto Ufficiale - SEARCATO IN ITALIA IL 15
 GENNAIO 1945 - è stata presentata la richiesta della BANCA COMMER-
 CIALE ITALIANA entro il mese di GENNAIO U.S., al COMANDO ALLEATO
 - SOTTOCOMMISSIONE PRIGIONIERI DI GUERRA, Via Veneto -, tendente ad
 ottenere che egli venga rimesso in libertà.

Gli Ufficiali Alleati, incaricati all'esame delle richieste del
Genere, sembra che siano: IL TEN. COL. CAMPBELL, IL MAGGIORE PARTIGA
 ed IL CAPITANO ALFER.

Si desidererebbe un sollecito corso della richiesta di cui
sopra, per restituire alla vita civile il CAPITANO CERADDELLI e ri-
prendere così le sue mansioni presso la BANCA COMMERCIALE ITALIANA,
che come si è detto, l'ha già regolarmente richiesto.

IL CAPITANO CERADDELLI è stato fatto prigioniero in SICILIA.

CLASS III - CERADELLI Lydia
Via Le Specie 95
(visitata Sig.ra NICOSIA)

Asks for the repatriation of her husband Francesco Ceradelli who is PW. In Oran, Algiers. The Banca d'Italia where Ceradelli worked, has also asked for his repatriation. Mrs. Ceradelli is ill with heart trouble Arthritis, she has a child 11 years old and they live with the pension of the father in law who is a Naval Officer. At this moment the father in law is in hospital for the amputation of a leg. The concierge told me that the family are in a very bad economical situation. They are given soup from the soup kitchens of Villa Fiorelli and they have had to sell cloths to ~~live~~ live.

My impression was that the family belongs to the class of clerics that at this moment are all suffering very much in the financial crises.

Int. III - CERACELLI Lydia
Via La Spina 55
(Viale S. Maria Nicosa)

Chiede il rispetto del marito Carlo Ceracelli Francesco che trovandosi prigioniero a (ora in Algeria) (ult. notizie del luglio scorso). La banca Commerciale Italiana, presso cui il Ceracelli era impiegato, ha chiesto il rispetto del prigioniero. La Sig.ra Ceracelli Lydia è malata di cuore e di artrite; ha una bambina di 11 anni chiamata 1^a Maria; vivono con la pensione del suocero, Ufficiale di Marina in pensione. Presentemente il suocero trovandosi all'ospedale per l'operazione di una gamba.

Il portiere mi disse che la famiglia si trova in gravi condizioni economiche; che prende la sussistenza alle cure economiche di Villa Torrelli e che ha dovuto vendere diverse biancherie e altro per poter vivere.

La mia impressione è stata questa: trattarsi di una famiglia disposta in cattive condizioni alle attuali condizioni di vita, che gravano maggiormente sul ceto impiegatizio.

1. I, GENNAO E. SIMONELLI, O-486830, 1st Lt. CMP, would be deeply grateful if my brother, Emiliano, Simonelli, now a prisoner of war interned by the Americans, could be repatriated for the following reasons:

- A. His wife and three children, living at Toro Province, Campobasso, Italy, are dependent upon him for support.
- B. His mother, 63 years old, and father, 62 years old, - both in very poor health - living at Toro Province, Campobasso, Italy, are also dependent upon him for support.
- C. He is a farmer and owns some land. If repatriated, he would contribute directly to the support of his family and indirectly to the reconstruction of his community. Having worked with the Allied Commission in Italy, I realize the value of such intentions.
- D. My brother was not a member of a political party and did not participate in political affairs. He was compelled to join the Italian army. He was captured during the occupation of Sicily.
- E. My brother is the only person who can support his family. Since I have dependents of my own and am certain of leaving the country, I respectfully request that his repatriation be expedited.

I received just now your letter and I am glad to know that you are all healthy.

As I wrote you before, we are not any more in Africa, but we were transferred in France. Really I feel now much better here, since I can breathe at last some pure air; furthermore there are more amusements than in Africa.

You ask me if I know somebody among my mates; I have met no one. I am satisfied to know that the herd is going well; try to keep everything up.

Mrs Angela di Leonardo, Via Barrese, Santa Ninfa, Province of Trapani, Sicily, has applied for the repatriation of her husband No. 38963 A.R.M. Giuseppe di Leonardo on the grounds that her two children were killed by a bomb on the 13th February, 1945 and that she herself is ill and suffering from shock.

The prisoner of war himself is a non co-operator and a Fascist and is unemployable on this account.

Your recommendations in this case are requested as although, if true, the circumstances warrant the prisoner of war's repatriation, the return of a malcontent character may be undesirable at this stage.

Dichiarazione del Soldato Giuseppe SPREMULLI 81-1- 2202

Io sottoscritto Soldato Giuseppe SPREMULLI figlio di Fu Marco nato a Bovino (Foggia) nel 1907 chiedo di essere rilasciato dalla prigionia, essendo questo l'unico modo di aiutare la mia famiglia che si trova in misere condizioni economiche.

Mia moglie quasi completamente cieca per difterite e' sola a casa con i miei tre bambini il maggiore dei quali ha 12 anni, e solamente una cura urgente e costosa le impedirebbe di divenire completamente cieca.

Io non posseggo alcun bene, come risulta dall'accluso certificato, e all'infuori dei 100 Dollari che ho potuto mandare a casa recentemente l'unica risorsa della mia famiglia e' costituita da lire 800 date mensilmente dal Governo Italiano. Ed e' impossibile affrontare le spese del cibo e del vestiario con queste entrate. Se fossi rilasciato, so che sarei impiegato come lavoratore nelle ferrovie e guadagnerei 250 lire al giorno.

Oltre all'aiuto economico che porterei alla mia famiglia porterei anche appoggio morale e fisico.

Qualunque inchiesta confermerebbe la condizione della mia famiglia, e spero che nella vostra umana comprensione appoggerete la mia domanda.

Giuro che quanto sopra corrisponde a verita'

Statement by Pvt. Giuseppe SPREMULLI 81-1-302202

I the undersigned Pvt. Giuseppe SPREMULLI, son of the late Marco, born in Bovino (Foggia) in 1907, request that I be released, as the only way to help my family, which is in a very bad economical condition.

My wife, almost totally blind with dyptheria, is home alone with my three children, the eldest being 12 years old, and only an urgent and expensive cure will avoid her becoming totally blind.

I have no propertions, as shown on the attached certificate, and with the exception of the hundred dollars I was allowed to send home recently, the only income my family has is the 800 lire given monthly by the Italian Government. And it is impossible to take care of the expenditures for food and clothing with this income.

If released, I know I would be employed as a railway worker and get 250 lire daily. And above the economical help I could bring my family, I could give them moral and physical support.

Any investigation would confirm my family's condition, and I hope your human understanding will give support to my request.

I swear that the above is true.
