at present in a concentration camp in Italy should like to be freed or at least be granted a long term leave in order to be able to reorganize their farm which has gone from bad to worse due to the age and health conditions of their father (more than 80 years of age and suffering from anginn pectoris). The two prisoners of war have been absent respectively from 1939 and 1940. The family resides in Talamone (Ascoli Piceno).

I recommend the request that it be taken in favourable consideration because they are the only men at home, and is unable to take care of the farm.

..... as I've transferred from several months Father, Tina and Emily to Gorizia (Villa Concordia, Corso Vittorio Emanuele 50) in the boarding house where was living also a sister of major Guerriani. For Mother you don't need to worry and the same for Emily, but I cannot give a 100% guarantee for Tina.

On their arrival from Africa, Father with Tina and the girl went to Ventimiglia and I rejoined them immediately. They were lodged in an Hotel but they didn't like to stay there, notwithstanding my advice. They choosed a sort of flat as a provisory lodging awaiting something definite. No sooner was I back in Latisana that I was called back in Ventimiglia because Tina was not well.

I saw immediately the impossibility of their standard of living. I obliged them to leave the house and to go back to an Hotel. From Ventimiglia, with Mr.Marenco I transferred all of them to Genoa as guests of the Swiss Hotel under the expenses of the Government. As Tina's conditions worsened I took them with me in Latisana. Here for special reasons they could not stay and I sent them to Gorizia, in Villa San Giusto. From there a month later I took them again to Ventimiglia, after three days I took them back to Gorizia in "Villa Concordia" where they are living now.

With the help of our friends Delfino I've made all what was possible to prevent the internment of Lina in an Asylum because she is suffering from a form of obsession but not of madness. But I cannot succeed in persuading her to be cured or to go at least for a month in a nursing home for a treatment. I hope to succeed to persuade her later on.

Prof. Beliavitis of Gorizia, director of the Asylum had asked - owing to her restlessness - had admittance in his hospital but she refused and I hope that at last she will be willing to undergo a treatment.

Division A.G.R.

Prot. No. 447/11191

Subject: Colavecchi Pasquale son of Beniamino, interned in Afragola

We forward the following report for your attention regarding the case of Colavecchi Beniamino residing in Marino Laziale, who wishes to obtain the release of his son Pasquale from the concentration Camp of Afragola or Montaro (Salerno).

The Police in Rome have furnished the following information, giving a favourable opinion relative to his release particularly for the reason that he is the father of 4 small children, who live without a parents care.

"Colavecchi Beniamino father of the individual in question has sent the following report with which he asks for the release of his son, who is interned in a concentration camp at Afragola, stating that his son's wife after her husband was arrested, abandoned her four small children leaving for an unknown destination, nor has it been possible since to trace her.

Colavecchi Pasquale was arrested the morning of the 4th of June 1944, (the day the Allies entered Rome) because, he finding a hand Grenade in Piazza Colonna with the pin taken out, thought it opportune to throw it away, and wounded himself and 4 other people and was taken to the hospital of S. Giacomo.

This matter was subsequently denounced to the competent judicial authorities for lawfull procedure.

In the meantime, having accertained that Colavecchi had belonged to the G.N.R., when he was dismissed from the hospital, he was arrested by the Political Military office and in his quality of black shirt, interned in the concentration camp of Afragola.

1399

Declassified E.O. 12065 Section 3-402/NSC no. 785020

From information received it results, that Colavecchi, who has no criminal procedents, political or otherwise, was an ardent fascist, inserted in the C.M.R. but no proofs were found to accuse him of having collaborated with the Germans.

It also resulted that his wife after her husband was arrested left her four children, Franco aged 9, Carlo aged 7, Maria Teresa aged 4 and Elena aged 21 months, without care: they were however taken by the internee's father, who took them to his home at Marino Laziale where they are at the present moment.

Taking into consideration of what is written above and in view of the fact, that the Grand-parents live in a very poor financial condition and have not the possibility of taking care of 4 small children, that Colavecchi has already had a year of imprisonment and has no fascist activities to his discredit, it is thought that the individual in question should be dismissed from the concentration camp and allowed to go home and take care of his four children.

Signed for the Minister

MINISTERO DEGLI AFFARI ESTERI

MEMORANDUM FOR THE ALLIED COMMISSION

SUBJECT: Signor Verita - Interned by the Allied Authorities at Caserta.

The Ministry for Foreign Affairs earnestly wish to acquaint the Allied Commission with the case of the Italian soldier Giuseppe Verità, an internee of the concentration camp at Caserta, controlled by the Allies.

The father and seven brothers of the applicant, all pesants, were barbarously slain by the Germans on November 7th, 1944, and their house destroyed with all their belongings at Vecchiazzano 127, a suburb of Forlì.

The applicant was deported to Germany, whence he was later transferred to Piedmont; he subsequently managed to escape and cross the lineas into liberated Italy. He was then captured by the Allied Military forces and interned at Caserta.

The applicant's mother, who has no other relatives and is obviously in no condition to cultivate qlone the farm, sole means of support of her family, as addressed herself to this Ministry in order to obtain that her only son left, aged 21, be released from internment and authorised to return to Forlì.

The Ministry for Foreign Affairs need not emphasize the particular urgency of the case and beg to recommend it warmly to the competent Allied Authorities in order that Giuseppe VERITA be released as early as possible.

A reply on the matter will be much appreciated.

General MARK W. CLARK

Dear Sir;

I am sorry to write you at this time, being you are a very busy man. But knowing you are the only one that can help me I am writing this letter hoping that you could do something for my brother, ALFRED DE GENNARO, who has been interned for seven months just for having a good heart and helping some Italian civilians that were absolutely poor, while he was in the American Army in the 2677th Regiment, APO 534, U. S. Army. My brother has never been in America and he joined in the American Army soon after the liberation of Naples where my whole family reside. He did wonderful work while he was with his Regiment meriting the trust and esteem of his American superiors, there is proof for everything I am saying. He is sorry for helping those civilians not knowing the consequences; he thought that he was doing good. Because he is only a good hearted kid. He speaks, writes, understands English well and has never been in America, that is because since we were kids from knee high we were taught from our father to love America and fight for her and maybe one day live in this great land of liberty all of us. I for one, I am a Veteran from the Southwest Pacific Theatre of War but three months ago I was Honorably Discharged from the Army for a disease I caught out there, and if it wasn't for that I would still fight for this land that has adopted me. Every member of my family is like me (true Americans). My family has endured a lot of suffering from the hand nuts with my father in a concentration camp for three years. For my mother and father are both very sick and with my brother interned they cry day and night and it is worse because with the little th t my brother earned the family could eat. He used t support the family while I was fighting in the Pacific and was le to help them - Please Sir, I beg of you to look into the matter and see if you could obtain my brother's release or pardon him for you will not regret it. He is a Naval expert and will do a lot of his share for the war effort. As for my mother, you will give her happiness that she has never known, receive her blessings and mine and I will be ever grateful to you for the rest of my life. The Camp where my brother is interned is (Alfred De Gennaro, "A" Civilian Internee Camp, C.A.P., Italy.

I thank you with all my heart.

Yours truly,

To : The Commandant of the 208 P.C.W. Camp

NAPLES

The undersigned Angelici Guido, son of the late Angelo, a resident of Norcia (Prov. of Perugia), has three sons under arms:

1) Angelici Sirio, ASN 9276, born in 1911, at present a P.O.W. in this Camp.

2) Angelici Dino, born in 1914, who is at present at the 2nd Replacement Camp, 1st Group, section of Trani.

3) Angelici Angelo, ASN 55402, born in 1918, who belongs to the 3rd Infantry Regiment, at present a prisoner in Germany, in Camp No. 787.

My two other sons, Nello and Ezio, emigrated to the United States in the year 1920; since then, they never came back to their country.

The undersigned finds himself in the conditions which are requested in circular file No. 300/II, chapter II, issued on December 15, 1943 by the War Department:

Due to his ill health he is unable to work. Furthermore, he is in a bad economical situation; before his three sons were called under arms they worked together with him in his artisan-shop.

He therefore begs this Command to have his eldest son Sirio released.

Enclosed are:

a) A family situation certificate which states that he lives together with the three above-mentioned soldiers;

b) A medical certificate from which it is evident that he is unable to work due to his ill-health and his old age (70 years old);

c) A certificate from the Command of the Military District of Spoleto from which it is evident that his son Dino is yet under arms.

1367

d) The same certificate for his son Angelo.

With the hope that the present petition will be given consideration, he thanks you.

Yours devoted
Angelici Guido

1. Reference your G-1 (Br) 3891/AP dated May 245 received this Headquarters 13 May 1945 and which I have been unable to attend to until now.

2. The applications in Classes II and III submitted to Allied Force Headquarters were only forwarded on receipt of an assurance from the Italian Authorities that the particulars given were correct. A number of similar cases held in American hands have been forwarded to G-1 (A) who so far have raised no objections to the details given and have taken steps to have the repatriation carried out.

3. With reference to para 8 I am afraid you are not conversant with the position regarding the availability of Allied Commission doctors who are already in such short supply that their ordinary work cannot be undertaken.

4. It is not possible for this office to examine more minutely the class II and III applications and it is my opinion that the assurance given by the Italian Authorities must be accepted. It is therefore recommended that the repatriation asked for be approved.

5. Your request in para 9 will have attention and in the future all applications will be forwarded in English.

7. It is also noticed that the medical reports on these cases have been submitted by Italian civilian doctors, and, while the ability of these civilian doctors is not doubted, it is felt that they may not fully appreciate the exacting demands for compassionate release, and also that, being without the influence of duty which would guide an Allied Medical Officer in such matters, they may well allow a desire to help the individual to affect their sense of proportion.

Dear Sir,

I am wondering if you will recall my name Leonardo di Vasciello Edoardo CAPUTILLO as I worked in the Italian Office with Capitano di Fregata Marco DAVIES from October 1943 to September 1944.

After being demobilised I took charge of the merchant ship "[illegible]" at present on Allied Troop transport under the control of A.M.G.F.

A particularly unhappy family circumstance compels me to beg you to help in the release of my brother [illegible].

My mother is paralitic and also almost blind and my father, who is seventy years old, suffers from chronic asthma. General ill health makes him unable to carry on his office.

My parents' only help was my brother Antonio CAPUTILLO, who was called up for overseas service at the beginning of the war. He was sent to North Africa as an Engineer Officer and there he was taken prisoner at Benghazi on 2nd January 1943.

For three years he has been interned in India and is now at No. 40 Camp, Ahmednagar, Bombay.

His number is [illegible].

As I am in the Navy it is impossible for me to look after my father's business, which now partly in the hands of my brother, so I am afraid that as times are so bad it is liable to collapse.

Subject: Repatriation fo POW.

Reference your letter IPW/1/1dm/ 187 dated the 20th of March 1945.

From information received the case of POW Costa Filippo results as follows.

1 - The parents of the prisoner are both 67 years old and unable to preform any hard work, the father in particular is very ill with Angina Pectoris.

2 - Relative to the 6 other children:
1 is reported missing in Russia.
5 of whom four are women are all married and live with their husbands and children and can give no aid to their parents, as they themselves live under very poor conditions.

This case could come under the third category of compassionate cases, if the Allied Commission has nothing contrary, the prisoner's name will be put on a list for requests for repatriation on compassionate grounds, to be forwarded in the near futher, to your Sub-Commission.

Camp Shanks, N.Y.
13 DEC 44

SUBJECT: Request for Repatriation

TO : Headquarters 303rd QM Battalion, Camp Shanks, N.Y.

The undersigned, Sergeant Major Magnini Vittorio, of the 303rd Bn., 51st Co., ISU submits the following.

The eighth of this month the writer received from his own brother Antonio the news that on the 26th June, 1944 both of his parents were killed following a tragic railroad accident which took place near Pistoia; that on the 24th October, 1943 their house in Pistoia was completely destroyed; and that an uncle (Magno Magnini, Colonel on active duty) and a cousin are prisoners of the Germans.

His relatives are now two brothers (Antonio and Aldo) both having a wife and children, who besides maintaining their own families must provide also for an elderly paternal aunt, Peppina Magnini Vedova Ferri, who is completely invalided and three cousins (children of the uncle colonel who is a prisoner of the Germans) two of whom are minor girls and one of whom is a blind boy.

The undersigned is certain that his family is approaching economic and spiritual conditions particularly disasterous and in consideration of the terrible disaster upset on his family in these tragic moments permits himself to present the following instance to this Headquarters.

Because in face of such a pitiful case he feels sure it would do all that is necessary and possible so that in the briefest time repatriation might be granted to him in order to bring material and moral aid to his dear ones.

He makes known that he has been a prisoner of war for four years, having been captured at Tobruck the 22nf Jan. 1941.

SUBJECT : Application for Repatriation of Italian P/W
BUCCILLI Cesidio No. T. 86483, Artigliere, Arma A.R.M.
No. 82 P.O.W. Camp, Great Britain

1. This Commission has received from BUCCILLI Antonio of Castiglione a Casauria (Pescara) a request fro the repatriation of the a/m PW, who is his only son.

2. It has been established that BUCCILLI Antonio assisted eight Allied escapers with food and clothing from time to time over a period of ten months.

3. Our investigator reports that he is 75 years old, is the sole support of the wife and two young children of his son, and is in extremely poor circumstances. He seeks no financial regard for his efforts on behalf of Allied escapers.

4. This case appears to be worthy of your consideration.
