SUBJECT : Application for Repatriation of Italian P/W
S/Ten. LANCIA Erasmo 118504
Camp N° 20/3A, c/o 020 Bombay.

This Commission has received from SUCCO Mario, of Sulmona an application for the repatriation of the a/m P/W, who is his brother-in-law.

SUCCO Mario was the leading helper of escapers in the Sulmona area, and a statement by one of the British officers he assisted is attached. The facts have also been substantiated from other sources.

The family consists of an aged father and three unmarried sisters. Their home has been completely destroyed and they are practically destitute. Some cash payment has been made to relieve their present desperate situation, but it is felt that the degree of assistance rendered to the Allied cause justifies the full support of this application for the repatriation of LANCIA Erasmo.

I wish to certify that Mario SCUCCO, dentist in SULMONA, was, during the months of September, October, November and December, the most enthusiastic and generous helper of the numerous Allied escapers in Sulmona and in the surrounding country-side. He literally bereft himself of all his belongings and he was a man of substance - on behalf of the escapers. I left Sulmona in December, but I understand from many sources that he continued the invaluable and extremely dangerous work, until he was arrested by the Germans.

It was in large measure due to Scucco's courage and selfless spirit that other Italians in Sulmona were willing to do so much and risk so much on behalf of the escapers. The population held him in the greatest respect, and did whatever he suggested. The name SCUCCO is one recorded by most of the escapers who passed thro" or in Sulmona.

The total number of civilian suits (new) which he obtained and gave to us, I cannot guess, but I know it was large. (a rough guess would be 20 (twenty) new suits). Further all his own wardrobe, except the suit he was wearing was given to the escapers.

He gave money, cigarettes and other material help to everyone who came his way, and seldom thought of a receipt.

I understand that his wife and family are now literally destitute since Signor Scucco is now either in Germany, or has possibly been shot. No news of him has been received since he was taken off by the Germans.

ECCELLENZA,

Vorrete Eccellenza compatire l'ardire di chi si rivolge direttamente a Voi,ma il cuore esulcerato di una madre non conosce limiti e le sue angosce,meritano compatimento

Mio figlio,sottotenente Gaetano Semperi,fu chiamato allo inizio di queste guerra,ed obbedendo agli ordini superiori,abbandonò tutte une vastissime attende industriale e commerciale ed andò dove gli fu comandato

L'avanzata delle truppe liberatrici,lo trovò in Messina al Comando di un nucleo antiparacadutisti e fattolo prigioniero lo trasportarono nel campo di concentramento di Orano in Algeria e di là,da recente in territorio francese

Or mio figlio era

Consigliere delegato della Soc.An.Gaetano Semperi con sede in Catania che gestisce il più grande molino della Sicilia con un importante e moderno pastificio,e di tale Società è in possesso della quasi totalità delle azioni

Proprietario di oltre 770 ettare di terreno sito nelle provincie di Catania,Siracusa ed Enna coltivati ad agrumi,seminerio e vigneti,che curava direttamente

Proprietario e unico titolare della azienda Trasporto Gaetano Semperi

1702

Declassified E.O. 12065 Section 3-402/NNDC No. 785020

Domino diretto di circa 3400 ettare di terreno in Maletto (Catania) con circa 1100 utilisti

Tale azienda agricola industriale è rimasta per parecchio affidata alla cura di mio marito,padre del militare il quale non è in grado di condurre una sì vasta azienda.

Colpito or son circa dieci anni da trombosi cerebrale,che gli ha residuato una leggiera paresi facciale sinistra non può occuparsi di cosa alcuna e i medici gli impongono il più assoluto riposo

Io oltre al danno della lontananza del mio figliuolo debbo assistere alla lenta distruzione del fisico minorato del mio sposo cui l'eccessivo onere della vasta amministrazione agricola industriale è il grave nocumento

Si è cercato di ottenere il rimpatrio del militare e su richieste del Prefetto di Catania il Ministero assicurava che egli era stato incluso nelle liste dei rimpatriandi

Dopo tale assicurazione nulla si è saputo.

Si è infine fatta istanza al Ministero dell'Industria e del Lavoro cui si è rimesso un curriculum vitae che si allega in copia

Or mentre si attendono le determinazioni ufficiali,io mi rivolgo alla Sac.V.

A Voi che portate presso la Santa Sede il grande cuore e la vasta comprensione delle Repubblica Stellate e vi prego di intervenire in favore di una famiglia che va alla deriva

TRANSLATION OF LETTER

Ida Riccardelli, dwelling at Corso Umberto No. 1, Caserta, and being a widow for many years, has provided education and instructions of her 3 children, one XXXXXX girl and 2 boys, enduring all kinds of sacrifices and affronted all sorts of responsibility. Of her boys, the first named Ferdinando, Engineer Officer, is now fighting alongside the Allies and the other son named Ugo, after having participated in the African campaign was taken prisoner and after remaining in Algiers for approximately two years, was returned to his country, but remained in the status of a prisoner of war.

The destiny of her two sons and other family mosfortunes are causing her XX to pine away. She is not only in need of medical attention but it is impossible to provide or even to overlook the administering of her property. It is impossible for the daughter to do so because she has the difficult task of assisting the sick mother.

In such sorrowful conditions the undersigned doesn't see any other possibilities other than the return of her imprisoned son in order that conditions won't XX become worse.

Therefore with surest confidence I turn to the magnanimity of your excellency and hope that you will arrange to have my son Ugo liberated after all those distant years. This act of clemency may lessen the pains of a sick mother. This will certainly show plain proof of the very high sinse of himanity of which the Allies ar struggling and winning over the much despised enemy.

With reverent respect---------- /s/ Ida Ricciardelli

TRANSLATION OF LETTER

Medical Captain FUSCO, Raffaele in October of 1943 was assigned to the military hospital in Ancona. He entered the hospital with 32 other officers who belonged to the Republican Fascist government but doctor FUSCO, being an Anti-Fascist and in spite of the fear of being sent to Germany KK refused to become a member.

In February of 1944 he was transported to Ferrara by the Germans and from there was taken to Parma thus his transfer to Germany was deferred because a contagious disease broke out and the Germans were in need of his medical assistance.

The following November, FUSCO succeeded in getting across the front lines and he presented himself to the Allied Command in Pietrasanta from there, without his being interrogated, was interned in the Prisoner of War Camp of Firenze on the 12th day of December 1944. Then on the 2nd of February 1945 he was transferred to Camp 326 in Aversa where he is now stationed.

Doctor FUSCO, desiring to be interrogated and to confirm all the above-mentioned, is enclosing a list of those who will confirm his story:

1. Statement from the director of the hospital in Ancona.
2. Statement from the ex-director of the hospital.
3. Statement from the Ancona Hospital Chaplain.
4. Statement from the Committee of National Liberation of Osimo(ANCONA)

All these statements certify that Dr. FUSCO not Anly KKKKKK abhorred the Nazi-Fascists but repeatedly refused to take orders from 2 German Generals, was mistreated and transported as it has already been mentioned above.

1687

It is requested that doctor FUSCO will be interrogated with the most courteous and utmost speed so that he could hurry to his sick mother and also alleviate the financial embarrasment of the family with the exercise of his profession.

The undersigned Ait Antonina di Luigi, married to Cpl COTTOLI, Amerigo di Luigi, born in 1907 who is under your command, utter a prayer so that her husband may be repatriated because of the following reasons.

The inquirer and two very young children are the only ones left at home, have great tracts of land which were completely abandoned when the husband left for the army, can't depend on the father-in-law who is very old and unable to work. ITALIAN HIGH COMMISSIONER FOR PW Rome, 21st June 45

No.37347 di Prot.

SUBJECT: Repatriation of Lt.Col. D'ANGELO Luigi.

Lt.Col. D'ANGELO Luigi 2/N 4WI 13037 Fort Meade Box 20 APO New York, has written to the High Commissariat to obtain his repatriation.

He states that his wife Mrs. Antonietta D'Angelo residing at Palermo Via S.Martino 89, is handicaped in the education and the bringing up of her two sons aged 17 and 12 respectively, by a nervous breakdown and she had therefore sent them to a boarding school, but recently the elder son ran away from the school with a fourteen year old girl.

This affair has brought on a relapse of the mother's illness and therefore the officer in question desires very much to obtain his repatriation, to be able to return and take care of his family in this very critical moment. The officer in question was born on the 5th of Nov.1895.

Regarding what is written above, we inform your Sub-Commission that we have already requested information from the CC.HH. to be able to include him in the next list of compassionate cases under class II, unless given the urgency of the request, your Sub-Commission can have him immediately repatriated in consideration of the very particular circumstances.

I, the undersigned Soldato CIATTI, Remo, MA/T 18207, Prisoner of War, belonging to the protected Personnel of 7331 QM Service Company (Italian), having knowledge of the regulations relative to Italian Prisoners of War who are in distressing family conditions, requests this Headquarters that, for the reasons mentioned below, his case be favorably considered with a view to an eventual solicitous repatriation. Through correspondence with my family in Italy I was informed of my brother's death, caught and shot by the Germans for being a patriot. A later letter announced me that my father was dieing and also that my wife was incapecitated through illness. My mother has been an invalid for several years. My two sons, 14 and 6 years old, are therefore without proper care and assistance. I feel that because of this my presence at home should be indispensable for the welfare and assistance of all the family and confide in a benevolent consideration of my case.

The undersigned Soldato Lupi Armando, NA/T 18789, Prisoner of War, 7332 Quartermaster Service Company (Italian) having come to know of dispositions applying to Italian Prisoners of War who are in certain grave family conditions requests this Headquarters to consider his case so as to bring about an eventual solicitous repatriation. On April 14, 1945 I have received news from home of my mother's death. My father has not been heard of for about two years and it is believed that he has been deported to Germany. Castelline, 17 Maron 1945.

FROM: Mrs Lidia Tozzi, Castelline Ma', (Pisa- Italy)

TO : Headquarters, 7306 GS PWB, Naples Italy.

I the undersigned LIDIA TOZZI, mother of Soldato EMILIO (sic) TOZZI, 31-I-200639, E.T., State as follws:

Due to the cause of the War that swept over our country, and for the continuous worry about our son, my husband SETTIMO ettore TOZZI, has been suffering of mental deficiency. At the present time the doctor who has been treating him advised me to intern my husband in an insane asylum.

My situation in this case would result very complicated. I am alone with various acres of soil to cultivate, therefore before my husband is taken in custody by the above mentioned institution, I bey you to give my son a leave or to repatriate him, so he can be of great comfort to me during this period, and at the same time of great help in the farm work. The farm is the only resource we have and unless it is taken care of, we cannot live. My son has been absent from home for 27 months.

I hope your kindness will provide for the above merciful case, and will communicate whatever action has been taken.

Thanking in advance I remain

Yours truly

SUBJECT : Repatriation of Italian POW VERTULLO, Carmine - T.245074/R.

Enclosure 5

Reference your letter IPW/1/1cm/388B, dated the 16th of May 1945.

The information received, relative to the family of VERTULLO, Carmine C.C.R.R., has confirmed what the individual in question stated in his report and which we herewith return to you.

In fact, the wife is affected with a tumor of the uterous and has no way of providing for her three small children, aged respectively, 14-11 and 8 years.

The name of this POW has already been sent to your Sub-Commission with letter No.15524 dated the 5th of Dec.1944, in which his repatriation was requested as a specialist of the C.C.R.R. but his repatrintion was refused in letter 30677/1/C2b, dated the 16th of March 1945, because the POW in question belonged to a co-operator Unit.

In consideration of the fact that this case comes under the head of compassionate cases, the High Commissariat is of the opinion that his name can be included on a list of Compassionate Cases to be forwarded to your Sub-Commission in the near future, if you have nothing to the contrary.(Said list was sent to your Sub-Commission on the 15th of June 1945-6th list of Compassionate Cases.

2. Their economical situation is not good as neither of them work (there is no explanation as to why the daughter should not work) and the mother's health is not good - she is suffering from chronic rheumatism.

3. The mother receives the allotments from the above-named PW and also a widows' pension of Lire 240 per month.

4. This case does not fall in any of the three categories for release on compassionate grounds - apparently there are no young children in need of guidance and support and the health of adult Italian civilians should be the concern of the Italian authorities.

In Aug 44 he was transferred from N. Africa to Italy together with the Co-operator Unit with which he was serving. As stated in the High Commissioner's letter he was admitted to an Italian Hospital on 3 Oct 44, but on discharge did not report to his Unit.

Reference your G-I (Br.) 3991/A2 dated 20 June 45.

1. This Headquarters letter referred to, it is felt, should not in any way have led to a misunderstanding.

To : The Hon. Alice Gilbert Cotaoal

CAIRETA

I, the undersigned C. Lina Cano, a resident of C. Maria C.V., Victoria No. 3, inform this Consul of the following:

My husband Luaso Enrico, son of the late Pasquale, born in 1899, a staff-sergeant Commander of the Royal Carabineers Station, has been at Asmara since 1936. He has had no leave and he has remained away from his family for the past six years.

The circumstances of war and my husband's absence from home have reduced me to a miserable state, both financially and morally. Since I am not receiving for a long time any subsidy and in order to carry on living with my three children, I had to sell little by little all our belongings; then, my sources became exhausted. I live almost by begging and I suffered extremities of all kinds to support my poor children: of these, the eldest one, a 12-year-old girl named Anna, due to the insufficiency of food and an illness, died on Sept. 29, 1941, and her father could not see her. It has been a great grief to me to find her dying while I was away from home for the last time.

1550

To add my discouragement, also my health is not well, for I suffer from a cranial weakness and appendicitis-fits. This situation cannot continue because I have the responsibility for the life of my remaining children. They are lacking clothes, shoes; they have to go to school and I cannot provide the means for their necessities.

I have been informed that all Arabipoera, former residents of Africa, have

Declassified E.O. 12065 Section 3-402/NNDC no. 785020

been repatriated by request of the Ministry; therefore, I beg warmly this
favour to have my husband Mario Guerico repatriated. Now, that the war has
ended, there is no motive to hold him away from his family.

I appeal your humanitarian sense and your generosity and I am confi-
dent you will give consideration to my case.

Yours devoted

/s/ Lina Fusco

I, the undersigned Soldato ZIARELLI, Giovanni, T.24503, respectfully submit this my application to be released from Military service for the following reasons :-

(a) I have lost both my parents. Three years ago my wife lost her father, so that now she is solely dependant upon her invalid Mother (who has for some considerable time been suffering from paralysis).

(b) I have 3 children: the eldest being 8 years old.

(c) My wife is continually under treatment for malaria. A Doctor's certificate to this effect is attached hereto.

(d) I have no other relatives which I can call upon for assistance, and my wife is not in receipt of any other income beyond 500 lire monthly which is allotted by the Italian Government.

(e) At the present time my wife and children are sharing a house with another family since my own house was destroyed during hostilities.

1504

I am,

Your obedient servant,

(sgd) ZIARELLI, Giovanni.

Subject:- Release from the Army of the Co-Operator
240340 Serg. R.A.(Air Force) PICARAZZI ENNIO,

Sir,

I apply to you this my application for release from the Army and I explain the reasons and the condition of my family.

1. I have been far from Italy since August 1937, and I have been prisoner of War since June 1941.

2. When I came back to Italy I heard that my father died in 1943, and that my mother's house has been destroyed during an artillery bombardament.

3. At the present moment my mother is very weak and ill and has a daughter and a niece wholly dependent on her and no man in the house with them.

4. During the advance of the Allied troops neer Rome a woman cousin has been wounded and has lost one leg, and she is now in a very difficult condition, with two children, as she has to be helped with money by her relatives, therefore by my family.

If you desire, you can obtain from the RR.CC.(Royal Carabinieri) Command of ROVILLE ERNICA (FROSINONE) confirmation proving that this is true.

As I am the sole support of these people may this my application be sent to the higher authorities so that I may receive my release from the Army.

TO : the LIASON OFFICE

S.MARINO

The undersigned ANGELI Camillo, son of the late Germano of Rimini residing in Via XX Settembre 27 asks for the release of his son Vittorio, born at Marciano Rome, on the 28th of July 1926, before POW No. T226319 Camp 209 CMF, at present in Camps 211 Algiers. My son was taken away last October by the P.S.S. and notwithstand all enquiries we made, it was not possible to find out for what motive he was deported to a concentration Camp.

The only reason we can imagine was, that he formed part of the X Corps "Mas" fleet. If such was the motive we inform you as follows.

"I never approved of my son having volounteered for this duty and reproved him many times but his youth triumphed and at 17 years old he ran away and enliated At Spezia. During his period of instruction, he took no part in Military operations and came on furlough for 7-8 and even 15 days. About the Middle of May 1944 he arrived at Rimini on a convaleacence furlough of 20 days for having broken his left foot.

From that period, May 1944, he did not return to his Corps and hid with his family at Villa VERUCCHIO so as not to be taken by the Germans, who were looking for young men to put in the TODT Organization.

After a few days he returned to Rimini to look after the house and was arrested there on the 15th of October 1944 by the P.S.S. This is the truth.

We received new giving the above mentioned orders 1766
him in March 1945, dated 31 December 1944 and 8th January 1945. After that no more news was received from him.

We hope that due to the course of the events that more favourable treatment would be given to these people who were deported, but now we see that may be a long time will pass before he will be returned to us.

I therefore beg you to examine this case and if possible have my son released.

/s/ ANGELO CAMILLO

SUBJECT: Application for repatriation of Italian PW [illegible] Giovanni Pe [illegible] R.C.A., Camp No 21 Great Britain

1. Ref your letter IPW/I/Icm/4483 dtd 1 Jun 44, in view of the desperate financial position of the family concerned, and the fact that there are six young children practically without means of subsistence, this Commission has made a payment of 5000 lire (lire five thousand) as reimbursement of the actual expenses incurred in assisting allied escapers.

2. It will be appreciated that this payment does not take into consideration the non-material aspect of the assistance rendered and the serious personal risks involved. It is considered that this factor, coupled with the family conditions outlined in our previous letter (and which will not have been greatly relieved by the small payment made), justifies the support of this application for repatriation.

SUBJECT: P.O.W. LO GIUDICE Giovanni.

The following case has been submitted to the High Commissioner.

The P.O.W. co-operator Lo Giudice Giovanni N° 39800 Camp 208, was separated with a company of workers and disembarked at Taranto. He fell ill and was taken in hospital, subsequently released and given ten days leave; at the end of which period he presented himself at the military Naval Depot at Taranto and on receiving his pay he was released from his military service.

Five months after the above mentioned facts, the Allied Authorities had him arrested at his home in Palermo - Via Diprossi 37 and was sent back to his unit.

In consideration of the prisoner's family, composed of the wife, ill with pleurisy, in the family why and with two small children, said wife being a very demoralized state due to the fact of having lost her house which was destroyed in an aerial bombardment, we beg your Sub Commission to call this matter to the attention of the competent authorities; and after controlling in the case to examine the possibility of releasing Lo Giudice Giovanni while awaiting your courteous answer, we thank you.
