TO Regional Commissioner Date 1 Sep 45

FROM Capt. C.T. Isolani, I.C.

Sir,

I beg leave to make the following personal request. I trouble you only because the matter is urgent and I do not know to whom to turn.

I have an Italian cousin aged 22 with whom I corresponded regularly and whose sentiments have always been pro-allied. During this war, and while he was in hospital near his home in FLORENCE, he was, together with others, rounded up and sent to Germany where he was forcibly included in the MONTEROSA Division as a medical orderly. When the Italian army collapsed he was rounded up with the rest of his battalion, and is at present a prisoner of war in an allied camp near PISA. He is very young and the only son. His mother, my aunt, has already had to bear the news of my mother and father's death which it fell to my lot to announce. She is naturally extremely anxious about her son. I wish to obtain his release and am willing to vouch for him personally. I am ever more anxious to ensure that he is not shipped abroad without a proper examination of his case. I enclose details of his whereabouts. Could you give me any advice?

Subject: REPATRIATION.

I understand Cpl. HANDI Cloud, on strength of 214 Stevedor Co (Amer.), making reference to his application of January 25th, 1919, about repatriation, the copy of which is here attached, has this Co. not failed to be so kind as let me by result of the previous one, having already passed almost six months since he stated it in.

I think that my conditions are regarded by the new provisions about relative of re.s. to two Compatriots of my Company (Privat soldats CARVILLE Antonio - Privat soldats FABIANINI Mario) have already been registered, due to the same conditions of mine, that is:

- Wife (not, privat soldat).
- Two children (two).

As to my conditions, as given into 1, above mentioned application, are seem worst to worst, due to the registration to ASSIA, for which conditions (lack of money of my husband-wife, whom presently is very dangerous for my children, who can be forced to live with.

If it is taken on consideration that the colonel-in-the, is not yet in condition to give her full rations, due to the children, due to a severe wound

Subject: Application for repatriation on compassionate ground.

The undersigned Capt. GANGI Biagio, No. 361256, of the 2661 Italian (Depot) Coy, sets before the Commandant the following:

On the 6th of August 1943, during an air raid on GIARRE - ACIREALE (Sicilia) the house in which his family lived was hit and his wife, sister-in-law, were deadly injuried and his mother-in-law was heavly wounded at her foot.

Out of thid disaster, miraculously his children escaped.

After this disaster and in consequence the family of the undersigned consists of his old grand parents and his two children, one of 5 years and the other of 3.

Since then these children have been obliged to live with their grandparents, who notwithstanding their affection for them, owing to their advanced age are unable to help in any degree. For this reason, to give them the necessary care their young age requires, being motherless, and which in these cases only a father can give, the undersigned states his presence in the family is indispensable and irreplaceable.

He entreats that this application will have consideration and the pitiful case the end of which will be his repatriation.

Attached is a letter from his father-in-law, by which he informs him of the accident. For the necessary information hereby is the address:

I 341730 Sgt.FERRERO Carlo wish to present my case for sympathetic consideration for repatriation.

Enclosed is a copy of letter I have received from my sister and the news it contains shows the serious plight in which she finds herself. I am her only surviving relative as her husband and our sister have been killed. My presence at home by her side would help her to bear her sorrows and it is my duty to provide for her.

TORINO 1st June 1945

My dear Carlo,

at last the war is over and we have gone through a lot of sorrow, but now together we must forget all and we will try to reconstruct our future.

On February 7 th 1943 in TORAZZA my husband died with the Partisans. On the same night the notorious BALBETTA with his gang killed our Clara and also the boy Franco, and Iolanda and amputated Carluccio both arms.

Dear Carlo, I hope you will arrive soon in Italy in Torino; maybe you have changed and I am certain you will make your only sister and your good child Carlo happy.

From sorrow and injuries grand father Antonio has died.

Carluccio has started to walk and is already saying some words.

We are still crowded at Verolengo, but soon we shall return to Torino.

I am living in two rooms in Mosca street No. 4, therefore come to see me there first and then to the firm.

Embraces and kisses from your sister

Luigina.

Herewith application to this command for the purpose of obtaining the repatriation of P.O.W. RAINIERI Domenico, on strength of 308 camp on compassionate ground.

I am the sister of the above mentioned and I beg you Sir that Command grant the favour which I have asked, i.e. to obtain the repatriation of my brother, the only support of my family. My father is unable to work and bedridden since one year and my mother is infirm and now very old.

Moreover during the bombardments our house was hit and now we are hopeless. As that honorable Command I am alone (I am only 22 years old) and at the mercy of dangers and sorrows.

My brother was my parents' and my only support. After his departure we are in great trouble.

I hope that my application be taken into consideration with the same feeling as it has been written and I thank in advance.

TRANSLATION OF LETTER:

TO: PRISONER OF WAR INFORMATION AGENCY

CASERTA

Mr. Volpe, Police would like his son, POW VOLPE, Oronzo, repatriated because of the following reasons:

1. The family consists of 7 children , and the father is the only one working. He is working at a small profit, not only that but he is nearly sixty years old. The children are too young to work.

2. He does not own property nor has he any other source of income which would provide for the family so he therefore has to maintain them with what little he earns.

3. During the German occupation his home was ransacked by the Germans and he and his familywere sent to a concentration camp but were later freed by the allies.

4. The prisoner has been absent from home for 5 years because he served in Libia and was captured in Tunisia.

Hoping that you will take interest in the case I thank you in advance.

Sir,

I, the undersigned, Private PIZZILLO Orazio, son of Giuseppe (deceased), living in Monteoalvo Irpino (Avellino), Corso Umberto I, at present a Prisoner of War co-operator with No. 11 Italian RAF Company, number MM/T 24392, submit for your consideration the following:

On August the 2nd 1945, by post, I received a certificate stating that my wife, VERNACCHI Carmela, died in Monteoalco Irpino on the 21st June 1945.
My family, which was already in a very difficult position because of my absence and because of the loss of their house with everything it contained by a fire on the 3rd March 1945, now loses by my wife's death the only help.
I am a poor man and my family was supported by my and my wife work, as we were peasants employed in a rented field.
My daughter Giuseppa, 17 years old, is unable to support hereself and the other two children, Gemma in 13 and Antonio in 8 years of age, and no one of my nexts of kin can now give the slightest help.

I have the honour to beg you, Sir, to examine my position and I believe, Sir, that you will so kind as to make arrangements so that the disciplinary action taken against me (not to be employed in any Unit operating in Italy or Sicily) for absence without leave during the time when I was employed in Italy) can be cancelled, and so that I can be repetriated in order to support my children and look after their welfare.

To : the Allied Forces Headquarters - Italy.

I take the liberty to beg the Allied command to consider my case.

I am the mother of soldier De Paola Rocco. I lived in Greece and then moved to Taranto. A friend of mine told me that he had seen my son while he was landing in this town. I never thought that a poor old mother, who has very little time to live and who is broken hearted, owing to the absence of her two sons, (my other son is in East Africa whom I have not seen for the past 10 years) should suffer so much. They did not allow me to embrace again or, at least, to greet from afar my son, whom I have not seen in three years and of whom I have not heard for two years.

I never thought that the Allied Command, which acts with so great wisdom and goodness in the interest of this poor and unhappy Italy, refused the mother of a soldier, whose son has suffered two long years in the far and desolate isles of the Aegean Sea, what is also granted to the mothers and relatives of the worst criminals and assassins.

I have been told that my son and others, who have come from the Dodecaneso, will be interrogated, to make sure that they have in no-way co-operated with the nazi-fascists.

My son, during Mussolini's dictatorship, had the courage to refuse to belong to the fascist party and in consequence of it he could not obtain a good and enviable employment. How then is it possible to believe that he has co-operated with the nazi-fascists ? Is he a traitor ?

Therefore I do beg the goodness of this Command in order to actively enquiring matter and grant her once again the joy to embrace her son.

I hope that my request will be granted. I thank you very much.

Yours respectfully
s/ De Paola Cristina

To : The English Allied Command-Naples. Paganica - 20 July 1945.

I have been informed that my son is among your prisoners of war.

He was deported by the Germans 11 days before the retreat. For the past 14 months I have not heard of him. You can understand the anguish of a mother, who has so much suffered and has been dispersed 2 times since 1940, because we were living at Thionville (Moselle) in France since 1920 and without interruption.

Due to the war, we were compelled to move here. My son,born on the 2nd of October 1920, was on service as an interpreter.

Please free him and send him to me. I want to receive him with open arms.

I love him so much! Please forward him the enclosed letter.

Please accept my kindest regards.

Yours respectfully

I warmly beg you to take interest on the prisoner of war, GIULIO CALASTRI, n. 174500, a marshall Arm. n. 136 Prisoners of War Camp,Great Britain.

Calastri, a technician of the Institute of Zoology of this University, had been sent to Africa in 1940 for scientific researches with Prof. Augusto Toschi, of the same Institute of Zoology, who also was taken prisoner.

Referring to my letter of 15 June 1945 I have the honour of asking for Calastri to be repatriated on account of his father being very seriously and dangerously ill.

With kind regards.

TRANSLATION

Piacenza, 17 June 1945

My dear brother Emilio,

today I was very happy to receive your dear news, two letters and two post-card dated respectively 2 May '45, 5 September '43, 2 September '44 and the other was received at home. Dear brother I was awaiting for your letters because we have received no news from you in one year and half, and you can realize our chagrin, but now we are glad for you and for Mario who wrote many times. But we have a mortal weight to bear and I can't find the strength to tell you about it: in the same time I think it is not right to keep the news from you. For all of that, we must be prepared to receive even the most terrible of news during a time of war.... and unfortunately we also suffered at the hands of the criminal republican fascists who killed our beloved Giuseppe on 11 March 1944 being in the rank's of the Patriots, or Partisans, over the mountains near Setolat in one raid of the criminal fascists three patriots were killed, one of Cronsolengo, one of Rivergaro and our beloved Giuseppe.Three days ago they have tried those same fascists criminals and they were condemned to the death penalty. We were all present at the trial and the sentiment of the population was such that they were willing to burn the criminals right in the Court House. We have burried our dear Giuseppe at our cemetery in Vaccari and in that way we have the simple satisfaction of going to visit his grave. Poor Mother goes there practically every day and carries flowers. God grant her the strength to support her grief, how very much better it would be should you be home to comfort her. At the ~~like~~ present time she goes to bed completely dressed thinking that you would be calling her at any moment and thus she would lose no time in greeting you.

And now for the circumstances leading to the death of Carlo: even his life is a dire story: he was always a member of the Partisans movement beginning his collaboration on the 8 September 1943 and finishing on the 26 April 1945 the day that the Americans arrived at Piacenza. The Partisans arrived there from the mountains to help in the liberation of Piacenza and many of them, after many sacrifices have given their lives at last moment and even our beloved Carlo, he was one of the first to enter the city at the head of his squad which was composed of the youth of Saint Polo and he and a friend of his, both fell after a burst of machine-gun fire from the German S.S. troops. His friend was a young fellow named Betti who was a refugee from Colombarlud and lived at the Mill of Piacenza. We also burried him at Vaccari , the two of them one next to the other, poor boys, we never though that such would be their painful destiny. Just think, dear Emilio, of what our home consists of now, we have only you to take care of us and no one else. We have gone through such terrible days that it is impossible for me to describe them to you and to make things even worse we were without news from you for so a long time. Now we have only you to confide in, we are all taking courage from the though that there are many others who are even more unfortunate than we, whose families have been completely destroyed in this war. The pain and destruction has not been limited only to ten cities but also in the country. For all of that one must still take comfort and faithx otherwise the only recourse would be in death. But what can one do, the dead is done and cannot be remedied, thus courage even you, my dear I... Please, do all that is possible to return home soon for in you lies the salvation of our parents and us. Present your case in all its aspects to the powers that be and perhaps you will be allowed to return. I beg of you that you read this letter with the courage and strength that I know you possess for your well being is so necessary to us all. I know that you can do this because have already gone through so much and suffered so greatly. We all have our destinies but for our dearly departed, there's, was indeed a sad one. Think only dear Emilio, of returning soon, we are anxiously awai-

ting the day when we can heartily embrace you, and come back with a courageous spirit so that you may be a comfort to us. Please excuse me for having giving you the news in so brutal a manner, I have done this to keep you from getting the news all at one time upon your arrival. We are all well, Mother, Dad, Maria, Rina, Romanino Iddia, Mariuccia and I. Bruno is going to work in "Comune" at his old job. Since three days ago we have come to live at Piacenza, near the General Stores on the 1st floor over the cafe', the windows overlook the "Lupa" and the Mill. Should you arrive at night call me from the street for it would make me very happy to be the first to greet you. Our parents are all well, I cannot write you anymore since it would necessitate filling an entire book in order to relate all that is happened.
I close with many happy regards and kisses from my husband and children and we are anxiously awaiting the day when we can take you in our arms.

Your sister Rosa.

TRANSLATION OF LETTER ADDRESSED TO "PRISONER OF WAR MAIL, APHQ"

829

The undersigned, RAIMONDI, Giuseppe, a sharecropper of an 18 "biolche" farm (la Vigna del Duca) which is situated near the Solferino Bridge of Formovo, asks of this command to grant a furlough to RAIMONDI, Amleare, 81-I-10755, PW# 7276 8S Naples, Italy.

I am notifying this command that in my family there is only one person able to work because the mother of the above-mentioned prisoner is sick and is in need of continuous curing, one son finds himself in Russia, another is 10 years old and is subject to convulsions, and the one that is capable of working is a POW in American custody.

The land was situated near a military objective so therefore last autumn and winter it was not cared for and now it requires much work. The undersigned declares that he has suffered gravely at home and in the fields.

/s/ RAIMONDI, Giuseppe

SUBJECT: Request of repatriation

TO : U.S. Liaison Officer, Camp #112
Thru: C.O., Hq.& Hq.Sv.Co.,7096 Engr Bn(Ital-Sep), Camp #112

I, undersigned, Soldato DELLA CORTE, Pasquale, 81-I-35925, a member of Hq.& Hq.Sv.Co., 7096 Engr Bn.(Ital-Sep), request to be repatriated for the following reasons:

1. I have wife and three children, all of them dependants on me. The eldest of the children is 9 years old.

2. My wife is going to be hospitalized, because of a serious pulmonary disease (see attached copy of a letter another on date 25 June 1945).

3. Nobody is left at home to take care of my little children. My father and mother are dead. From my brother, who was in Russia, I never heard anything. Of my two sisters, one was killed during an aerial bombing; from the other, who was married with 4 sons and in poor conditions, I heard nothing since two years, and I don't know where she is. My father-in-law is dead. My mother-in-law is very old and poor. My only brother-in-law is prisoner of war in Germany.

[TRUE COPY of a letter]

Naples, 25/6/1945

Dearest Pasqualino,

I will make you know that my uncle hadreceved your letter of thanks for what he did for me. He lent me 2000 lire; but unfortunately this is not sufficient, in consideration of my disease, because I shall be forced to be hospitalised. You cannot fancy my suffering on going to part from my children. I lived but for them. I strained myself, working in jobs to which I was not used, to provide for their subsistence: and now I received this fine gift, nor am I sure to recover my health. Every day I am feverish, and the fever does not leave me. They say that one lung of mine is sick. Fancy my pain, and what are the sufferings among which I have got to live. I want you near me so badly, to help me! But an infamous fate does not allow me to have that, because you are prisoner. And who can know if you will find me still alive, when you will come back? I have nothing more to tell you. You will forgive me for having made you so sorrowful; but it was my duty to acquaint you about all that.

Have my greeting and kisses

Your

Dina
