SUBJECT:- Request for reempatriation.
TO :- Allied Military H.Q., Pola.
FROM :- BENDORICCHIO Amalia, Via Diaz N°19. POLA.

On the 14th September 1945, at 1000 hrs., in Via della BORSA, in Trieste, Mrs. PETEANI Giuseppina birth name MILESSA, aged 52, by Pola, was invested and killed by an Allied Motorcycle.

The named lady had gone to Trieste to cash some unpaid pehsion, because her husband PETEANI Lamoral, a skipper, was prisoner in Mexico (Avenida Libertad 1000 Guadalajara - Jalisco - Messico), and her son Doc. MILESSA Alessandro, a II Lieutenant, was P.C.W. in Egypt (N° 358045 - 304 P.O.W. Camp. C/O Chief Prisoners of War Postal Section Middle East - Egypt.)

Now, as that one was the only son, who was a prisoner since three years and had only his mother, whom he adorated, I beg that honoroble H.Q. to make him reempatriate, so that he can find some consolation for the bad accident has struck him, in the proximity of the relations.

Expressing my best gratitude, I remain.

POLA,
26th September 1945.

Yours AMALIA BENDORICCHIO
sister of the late Mrs. PETEANI.

O.C. 304 P.O.W. Camp.

Sir.

I beg to submit the following:-

I am a 2nd Lt. in the Italian Police, Tripoli.
When the British troops occupied the town, I was retained in my office as Chief of Criminal Investigations, Tripoli, under the orders of Lt. Colonel MILLER. Afterwards I was taken as a P.O.W. In June,1944, I was selected as as a Co- operator and posted to 211 Group Pnr. Cy.,in charge of the Italian Military Police. I was many times requested to co-operate with the S.I.S. Benghazi, and I venture to say that on those occasions I rendered approved services. In April 1945 my services in Cyrenaica were no more required,and I was transfered to this ,304 P.O.W. Camp. These 10 months I have been without news from my family which in August, 1941,left Tripoli for Italy and was settled in Viola (Cuneo).
I request to be repatriated so that I may give my family the necessary help and resume my duties of a Police Officer.under the Italian Government.
Should my repatriation not be possible, I beg to be employed again in Tripolitania, where I already served before and after the British occupation, and where my services may prove useful.
Hoping that this my application may be taken into good consideration, I beg to remain, Sir respectfully,

24-8-45. Signed:- S/Ten. ALDANO Vincenzo

I know the reasons that we are kept here is due to the shortage of food in Italy, but I beg to draw your attention to the fact that my repatriation would mean a lot of employment farmers and consequentely with the result of benefit and help to my countrymen.

He is a father with a broken heart that turns to your with just one word you can release the son who has been hit by an undeserved destiny. I have addressed my request to Italian and Allied authorities but I have not received any reply.
I am not asking for pity nor consideration, but only justice because I am convinced of my son's innocence.
A summarized & precise explanation of the circumstances will enlighten you more of the tortuous argument.

1. The generalities of my son are:
2nd Lt. DRAGONETTI Raffaele, born in Turchia 23 years ago and dwelling at Rome on Via Palestro No. 73 - and at present is interned at 211 PGW Camp in Algiers (Algeria). No. N.B/961691.
2. On the 8th of September 1943 while he was serving with the Commissariat of Aeronautics in Atene, he was first interned in Germany and then in Polonia and in various concentration camps. He signed with the Republican Fascists because his state of health was very poor during the 8 months of deportation and he was then returned to Italy direct from the concentration camp in May 1944.
3. He also had a 15 day furlough, 10 days after his arrival in Rome he was halted by the Italian Military Police and was sent to Milan. In order not to serve with the fascists, he had a surgical operation done to his nose and at the end of his convalescent furlough, on the 22 of July 1944, he was discharged because he was afflicted with chronic appendicitis.
4. Since the 19th of August 1944 he was employed as a book-keeper in the Bank of Rome (an agency in Milano) and when Milan was liberated by the allies, he had been employed as a civilian for more than 8 months.
5. On the 26th of May 1945, he returned to Rome with permission from the Allied Military Command and on the 1st of June he was arrested by the Italian police and turned over to the allies. I have received some post cards from him and he tells me that he was sent to Algiers without ever being interrogated and as a result he finds himself with the officers that have collaborated with the Fascist Republic.

These are the facts: I believe that they will not justify a long period of internment in a concentration camp. I turn to you in order that an accurate inquiry can be made and I am sure it will result in the complete innocence of my son so that he could be released.

With Profound devotion,

Antonio Dragonetti

The undersigned Ritella Pasquale son of the late Antonio, agriculture from Venafro has the honer to state as follows to your Commissariat. His son Ritella Antonio born in 1920, stationed with the 50 th Regg. Artillery at Rhodes (Egean) from the time he was called up by the Army. He was a good soldier during the war right up to the day of the Armistice. From that time the Germans who occupied the island from that date, obliged him by menacing reprisals to fight with them. He never belonged to the fascist party.

After Germany fell, the island was occupied by the English and our soldiers were repatriated to Taranto and there, after a short trial sent to concetration Camp in Algiers because sentenced to six or seven months of imprisonment.

Said lad is now at the following adress: No. 484557 - 211 POW Camp Amgiers.

The undersigned for the above reasons concludes as follows : it is a poor father who is writing, please have compassion for him, he knows how his son has suffered, he knows the lad's political ideas which were always against fascism, he begs you in the name of your own children to have pity for a poor mother who, ill, has not seen her boy for 6 long years and nowthat the war is over have him repatriated and the good Lord will reward you.

Mrs. Paolina STROPPOLO, widow LICATA, living in Eritrea (Adi-Ugri Asmara) 70 years old in very bad health requests the repatriation of her only son PW 1st Lt. LICATA Vito,No.81570 - 28/3 PW Camp c/o G.P.O. Bombay,- as after her husband's death she has no one who can look after her and administrate her small patrimony.

This is a particular compassionate case, which cannot be included in the proper lists as the repatriation of the PW in question, if authorized by this Commission, should be effected at Massawa, in order that he may reach Adi Ugri, where his mother lives.

TO : The Allied Command

I write in the name of numerous mothers and sisters who pray for the return of their dear ones from Russia. Even war has its logic and its right.

The POW is not captured war materials and for that reason we want the immediate repatriation of the Prisoners whose imprisonment has been very much too prolongeed.

No one can force this long wait upon us, even if we have lost the war.

We surrended in-conditionaly and we will pay if we have to, but we will not pay with the lives of our countrymen that were torn from their families, because it has been centurees since the countries that have lost a war, pay with the slavery of her citizens.

For over two years 500.000 Italians are prisoners of the Co/belligerants, nothing can express our tragedy better than this.

It is not true that these repatriation do not take place, due to lack of available shipping place.

Now, after years of strife, that the war is over, the Italian people have begged an act of justice that will superate any act of surrender, and that is that her sons be returned to her. In this claim there is the weariness of thousand of tired mothers and the anxiety of hyndreds od thousands of old people who only ask to see their dear ones before their death. They are prisoners who have been away five years. There is nothing that justifies the prolonging of this situation. If at the head of all ideals there is the word of Liberty, in which name the conquerors impose on the world their mission, too long have the prayers of these people not been heard.

That the Allies remember, that more then coal or wheat or anything else, we desire that our sons be returned to us. There is not an Italian who when thinking about their countrymen do not fel great bitterness.

We therefore hope that a column of trucks will be provided immediately and sent to the Concentration Camps and bring back our brothers.

2. Captured on the 2nd of March 1945 at Cesena.

3. Report on his character and his conduct.

From the documents in the possession of this Ministry he results as having a frank and loyal character with a great sense of comradeship.

Very much attached to his duty. Good conduct on duty and ~~out~~ off duty.

On September 8th 1943 Major Grenga was on duty at the General Staff of the Command of the III Division Celere in the region of Casola Valsenio.

After a few days of resistance against the Germans, his division surrended and the officers were

interned in the Hotel Baglioni at Bologna, and subsequently sent to a concentration camp near Mantova to be transfered to Germany.

Major Grenga who at that time was effected with a very serious form of rheumatic Arthritis contracted while in service, managed to escape from the Germans and arriving in "ome had himself sent to the hospital "Buon Pastore" and before said hospital passed under German control, obtained a leave of 60 days.

His leave he passed with his family at Cesena (Forli).

At the end of his leave Major Grenga managed to obtain an extension of said leave up to April 1944. During this period he was called to Bologna to pass a visit of control and Col. Vetuschi, being informed of his youth and his position in the regular army, refused him further estension of leave.

Around about the middle of February 1944 Major Grenga was called by a written order from the Military Command of Forli, and under menace of reprisals towards his family was forced to take the fascist republican oath.

At the end of his leave he was forced to go on duty at the Command in Bologna.

He decided that, due to his health, and in consideration of the inevitable reprisals on his family, the lack of documents that would have helped him to escape control and his financial difficulties, he would not leave Cesena, where he decided to remain in hiding. After a few days

Declassified E.O. 12065 Section 3-402/5D2C no. 785020

the Brigata Nera looked for him and he was obliged to leave for Bologna where he was assigned to the Territorial Command. He was frequently punished for negligence by said Command where he remained on duty for about 40 days, from the middle of May until the middle of September.

He went often to the "Putti Institute for treatment and to the military hospital "Mazzacurati": he was given leave various times of 10 days duration to see his family.

At the end of August when the patriots had killed Col. Vetruschi, Grenga in agreement with the new President Major Stisi, managed to obtain a leave of 120 days on convalescent grounds. The Command refused this leave and again menaced serious reprisals on his family if he was not transfered in the North.

However he was allowed a brief leave to go to Bologna: instead of which he went to Cesena, where at the end of his leave he remained hidden for more then 40 days and that is until the city fell to the Allies on the 20th of October.

He then presented himself to the Allied Authorities, and Italian Authorities who advised him to await the descrimination commission.

While awaiting in good faith, he was arrested on March 2nd 1945 by agents of the Military Police.

Orofino Carmine di Francesco e fu Stella Maria Rosa

minori, fratelli di:

Orofino Giuseppe, attualmente prigioniero di guerra con indirizzo:

United States Prisoners Of War Enclosure 7094 NAPLES Italy

chiedono che il suddetto loro congiunto venga rimpatriato.

Il loro caso rientra fra quelli "pietosi".

Infatti, come risulta dagli allegati documenti, i sottoscritti, uno di anni 13 e uno di anni 11, nullatenenti, dopo la morte della madre, avvenuta il 22/12/1943, sono rimasti senza alcuno che pensasse a loro, il padre essendo all'estero e non dando notizie dal 1939. Essi vivono in mezzo alla strada, non avendo nessuno che pensi a loro e perciò hanno assoluto bisogno che il loro fratello Giuseppe di anni 21 ritorni a casa per curarsi di loro.

Fiduciosi che la suddetta domanda venga accolta dalle autorità al caso si firmano:

ask that their brother be repatriated.

Their case can be classified among "woeful cases".

Indeed, as it is shown by attached papers, the undersigned boys, one 13 and the other 11 years old, very poor, after that their mother died on 22/Dec.1943, are without nobody who takes care of them, their father living in foreign country and giving no news from 1939. They live in the middle of the road nobody taking care of them and therefore they need absolutely that their brother Giuseppe, 21 years old, come back for taking care of them.

SUBJECT : Investigation regarding Lt. Ravalli.

With letter IPW/1/1cm/671 C dated the 4th of June 1945, this Ministry was informed of the negative result regarding the investigation of the case of Lt. Ravalli.

The father of the officer in question, to whom we forwarded the result of your investigation, has informed us that, he has received, through an English officer from Greece, a letter from his son in which letter his son tells him that he is in the Prison of Eptapirghio (Salonicco) due to the false accusations made against him by people of that place.

We beg you to call this matter to the attention of the Competent Authorities in order to ascertain the truth regarding the matter and if the investigation turns out favorable to him, if possible, have him repatriated.

Thank you.

Prot. nº 417729/R.P.G.R.

SUBJECT : Repatriation of Lieut RAVALLI Giovanni.

With letter IPW/1/3848 B, dated the 3rd of August 1945 your Commission informed us that Lt. Ravalli, Giovanni was being held by the Greek Authorities in relation for the war crimes committed in the Region of Kozani during Italian occupation.

The father of the officer in question has sent us a letter from his son (who at present is in the Criminal prison "Eptapirghio" of Salonicco) in which letter he informs his father of the accusations made against him by the Greek Authorities.

On the basis of an accusation made by a Citizen of Kastoria, Ravalli was accused of having ordered reprisals to be carried out in that place in March-April 1945.

The absurdity of this accusation is evident when considering that the officer in question due to his rank would have no authority or competence to order reprisals; the truth of the matter is, that Lt. Ravalli was at the information section and his activities brought him into contact with the Civil Authorities of the place and he had nothing to do with any particularly serious questions.

After the Armistice, Ravalli voluntarily went to the mountains of Pindo with the "Pinerolo" Division to

fight against the Germans and was a valuable Co/operator to the Commander of that Division, who used him as interpreter and liason with the bands of the E.L.A.S.

On the 7th of September 1941, he was arrested by the Greek partisans and taken to Kastoria: transfered to the Concentration Camp of Kozani he was told by an English Major on the 16th of March 1944 that the partisans wfll convinced of his innocence. At Salonicco however, where he was taken to await repatriation, he was again arrested on the accusation of the partisan of Kastoria as being responsable for the above mentioned repriasls.

From that period the officer has had to submit to inhuman treatment, (beating, insults, hunger, thirst, filth, and imprisonment for long periods in sub-terreanum cells, without cloths or covering.)

We beg your Commission to inform the competent authorities of the false accusation moved against this officer in order to obtain his repatriation from the Greek Authorities.

RICHIESTA DI RIMPATRIO.

21 Luglio 1943

Il primo Gennaio 1943 veniva mia moglie [illegible],Concetta,gia' abitante in TUSA (Messina-Sicilia),via Ortanza No. 5,lasciando orfani i miei due bambini:LORO,Giuseppe di 7 anni e [illegible],Giuseppina di 3 anni,i quali,a causa della mia assenza,venivano presi in carico da mia sorella [illegible],Giuseppina e da mio marito LAVIA,Francesco,abitanti in TUSA (Messina-Sicilia),Via Ortanza No. 7,la cui famiglia e' composta di 5 figli, tutti al disotto dei 18 anni ed a carico.

Data la nostra precaria situazione finanziaria,il compito assuntosi da mia sorella e da suo marito,e' degno di considerazione e di aiuto ed a questo riguardo io spero che si vorra' appunto prendere in considerazione la situazione dei miei due bambini e dei miei parenti.

Sento che i miei bambini abbisognano di maggiori cure di quanto mia sorella e suo marito possano dare loro.

Desidero dare loro tutta l'assistenza possibile affinche' la loro vita sia felice e benefica a loro stessi ed al loro paese.

Chiedo pertanto che sia presa in considerazione la mia richiesta di rimpatrio perche' io possa dare assistenza alla mia famiglia.

REPATRIATION OF ITALIAN PW ON COMPASSIONATE GROUNDS.

1. The undermentioned three cases have been submitted to this office and are passed to you for verification and recommendation:-

(a) No.199248 RAPONI Nazzarene. His family is resident at 58 Via Papa Braschi, Subiaco (Roma). Father and brother are both dead, the remaining family being without support. This case appears to have been already submitted by I.R.C.C., Naples, to the Allied PW Commission in Rome.

(b) No.48508 CAPITANIO Cosimo. Vatican Radio has advised this PW on 16 Aug 45 that his wife and parents are dead and that his two sons, aged 14 and 9 years, are without support. The address is S. Elia, Fiume Rapido (Frosinone).

(c) No. 84032 Sold. GRISCO Antonio. This POW is father of nine children, of whom two have died during his absence. He has been away from Italy since 1939, when the family was already in serious circumstances which have now become much worse. Address: Monteforte Irpino (Avellino).
