In letters received in this last period I have been told by my wife that the economic and finatial conditions of my family are becoming worse every day and almost desperated.

I include the address of my wife in the case you would like to carry out the necessary investigations:-

Mrs. RUNGO MARINIELLO Giuseppina - Via Atellana 58

Trusting that your attention will be given to this application I am sir, your most obedient servent.

I the undersigned Co-operator MINISSALE Letterio - 410627 -, on the strength of the 2659 Italian Coy have been 6 years in the Army. I am 35 years old and I have been working at the Coy Workshops (he means the R.E. W/S) where I have always been carrying out my duties in the best way I could and all what I have been ordered to do, without having ever been punished.

I am married and on my charge for living I have my wife, sons and old parents. I lived in a house of my own which was demolished by bombs.

I have lost everything. My family lives now in a poor shed in the worst conditions and they starve and suffer cold (Via M.M. No. 7-9) Villa Lina Giostra - Messina.

I beg, then to be taken in consideration to be repatriated as I am willing to help my family, after the due ascertainment.

Brunico 28 October 1945

To : Allied Force Headquarters - Caserta.
"Reserved for the Supreme Commander"

Very Illustrious Sir,

on 7 August 1945 my father, Major Giuseppe Liberta', a POW at Camp # 356, S.A. East Africa Command, wrote that his repatriation was very near.

In a second letter he wrote that unfortunately his repatriation had probably been postponed to the next spring!

My mother and I are desperate as it has been 66 months since we last saw him and I have even forgotten his face; I need my father very much for my schooling as I have started to study the English language by myself and my mother can't help me.

I beg you to be so kind as to take an interest in the release of my father the same way you would interest yourself for your own daughter. God will bless you.

Expecting my father at least for Christmas, I thank you in advance.

I beg you to answer to me. "Good day".

BRITISH LEGATION TO THE
HOLY SEE,
ROME.

28/108/45

5th November, 1945.

Dear Colonel Oliver,

The Vatican has been approached by Signor Carlo Bonometti, Sindaco of Gussago, in the province of Brescia, for assistance in facilitating the repatriation of various prisoners of war at present in England, a list of whom is attached.

In support of this request the Sindaco states that the townsfolk of Gussago hid and fed various British escaped prisoners of war from September 8th, 1943 to last April, at great risk and considerable sacrifice.

The Allied Screening Commission have confirmed a number of cases of such help given by these townsfolk to South African soldiers, and in view of this the appeal might, I think, be forwarded with a recommendation, to the Italian High Commission.

I should be grateful if you would do this, and let me know, so that I may inform the Secretariat of State.

Yours sincerely,

D G Oliver

Vatican City, October 18, 1945.

Your Excellency,

On November 15th, 1944, the "Alto Commissario per il Rimpatrio dei Prigionieri di Guerra" presented and recommended (Prot. 13467) the repatriation of Lt. Luigi Scalambretti P.O.W. No. 361342 - Camp N.304 Egypt) to the proper English Authorities.

It was a question of returning of a man indispensable for his family (parents, wife, five children).

The application was renewed on April 7, 1945, but up to date they did not receive an answer.

In the meantime the Scalambretti family's situation became worse: the prisoner's old parents are sick and wish to see their only son again.

I recommend eagerly this case to your Excellency for an early repatriation of Lt. Scalambretti.

With my deep gratitude for your kindness, and regards I am

Sincerely,

My dear Sergio.

Now that we don't get news from you for a very long time, we are terribly upset, but we know that from Palestine, even other families don't get mail for a long period from their dear P.O.W's.
Now that you already know that in Europe the war is over, and this is for everybody a cause of pleasure, because all the unions separated will be finished and we can start our work again with the same serenity as before. We don't get mail from Beppi and from Pelagia, family that was living in Cuneo. We are all keeping well and we hope the same thing for you. You have known directly from Paulo, that she is ill in Hospital. We hope to see her getting better.
We hope to have you with us quickly and think for your future as always.
Mother is keeping well and have sent you a message which I hope you already received. We send you our best wishes and kisses from me, Berto, Beppi, Maria, Mary, Joe, children and from your mother that always thinks to you.

Regards from Mimi.

Write as soon as possible in any way.

Dear Sergio

It's a long time that we don't receive any letters from you and we are very upset.
We hope that your health is good, also mother, Berto and U, are keeping well. We cannot say the same thing for Bepi, because he is in bed with liver trouble. We hope that he can get better.
Dear brother the war is over and we are expecting ~~wanting~~ you back from your present p.o.w situation. To help your mother in a moral way. Also Franca your girl, is terribly ill, I think that you already know that she is in a Sanatorium in Venezia. All our thoughts are always near her.
We are terribly sorry Sergio, to give you these news in our letter. We hope that God helps us and give us the strength to carry our cross. We recommend you Sergio, to write as soon as possible just to settle our financial situation. Also mother expects news from you.
We send you our best kisses and regards. Your brother Nini, mother, brothers in law and nephews.

To the Intelligence Office,

Sir,

herewith translation of attached application handed in by

P.O.W. 375835 DE ANGELIS T. and addressed to you.

A few days ago I, undersigned P/W 375835 De Angelis Tullio, received from you throught this pen's office, an application for my repatriation handed in by my mother in Naples some weeks ago. Please permit me first, Sir, to thank you, although I am very painfully surprised by the extremely bad news I now came to receive from my family.

Together with above application, the English translation of which I beg to hand back to you attached, I received also some other documents (application by a firm in Asmara/Eritrea for a prisoner called Nicola Giuseppe), and as these documents obviously did not refer to me, I handed them back immediately to your office throught the British N.C.O. i/c this pen.

Grateful for your kind interest in sending me my mother's application in order to let me have some news about my family, I would like to ask you to grant me an interview as soon as possible, as I need to give you some further explanation on my own and my family's situation, and as I would ask you for your kind advice on what I am to do now to obtain my re-patriation at the earliest possible moment.

Again thanking you, and awaiting to be called by you, Sir, I am

To Officer Commanding, No. 6 Italian R.A.F. Company,

Sir,

I undersigned Sailor Siracusa Francesco (T.205826) have the honour to request to be repatriated for the following reasons:

I am prisoner from the 12th June, 1943 and actually co-operator with No. 6 Italian R.A.F. Company. During my absence from home my family suffered a great loss for the death of my Mother on 9.3.1944 and one greater for that of my Father on 21.8.1945.

They left six girls and one boy, it could be said on the road, without any kind of help. The oldest is twuenty years aged, the second eighteen, the third sixteen, the fourth eight, the fifth six, the sixth three and a brother twelve years old.

For more misfortune the older of my sisters who was married lost her husband for incident caused by work. Her husband was working with a squad for cleaning the field from land-mines after the Allied Trbops entered the Sicily.

So also she (the older sister) who had found an accomodation (i.e. had married) away from the family, and thus should have been able to help the family under the present conditions, is prevented from doing so due to the death of her husband, and is herself in need of protection, but there is no-one to do this as both parents are dead. Her parents-in-law are in the absolute impossibility of giving any help.

After all this there is also to consider the case of my little brother (12 years old) who, after the Allied entered in Sicily suffered the amputation of two fingers, two toes and the extraction of an eye as the result of the explosion of a hand-bomb.

It appears clear from the matters explained above that the situation of my family is very unpleasant and that is more grave because there is nobody to look after six girls and one boy abandoned, being myself the oldest and that who should think to all their necessities.

Hoping to have yor assistance,

I am, Sir,

3.10.1945. Your obedient servant

Signed: Sailor Siracusa Francesco (205826)

TO: A.F.H.Q. S.Franch - Caserta

I, the undersigned, Ferraioli Angela, daughter of Giuseppe and of the late Guerra Giulia, sister of military driver Ferraioli Mario, born in 1909 and recalled to arms on 2 June 1940, at present a prisoner of war in England at Camp #645, Army Serial Number 377679, take the liberty to apply to your Command in order to urge his prompt release inasmuch as my brother is suffering from the effects of an appendicitis-operation undergone at the concentration camp in 1942.

I applied to the High Commissioner for Prisoners at Rome in order to obtain his release and was informed by the same that he had notified the Allied Command of my brother's situation and urged his release.

But 10 months have gone by and he is still a prisoner. My living conditions are very bad and a son of mine, 15 years old, is an invalid as a result of an air raid.

My brother is the only support I have. During his imprisonment my dear mother and a younger sister died. My sister left a small daughter, who now is living with me.

I am sure that your Command will give my particular case its benevolent consideration by ordering, at the earliest possible date, his repatriation.

Awaiting your immediate action, I send you my best regards.

Yours
S/. Ferraioli Angela

SUBJECT : Repatriation of Prisoner of War CURCIO Luigi 308933 camp nº 6 South Africa -

The letter IPW/I/I-IIº/32-II/1944 about Prisoner of War CURCIO Luigi has been trasmitted by your Allied Commission to the General Segretariate of the Italian Red Cross and has come to our Ministry that has already made known to the Allied Commission this compassionate case with letter n.27160 dated 3/5/1945 in list 5 of compassionate cases. When in last may the demand for repatriation of the above mentioned Prisoner of War was made the health conditions of his wife were not very alarming but the economical conditions of the family were terrible and the Prisoner of War was put down in the 3^ category for compassionate cases.

Our last informations collected too by the Italian Red Cross (see enclosure) confirm that the health conditions of the wife of the Prisoner of War have grown alarmingly worse(tuberculosis of the spine) and death is expected any moment.

We make this known to the Allied Commission for the decisions that the case requires.

3. In view of the fact that Italian prisoners of war are being repatriated en masse, the procedure of sending compassionate cases to Allied Commission for investigation and recommendation is no longer considered necessary. Recommend that applications for release, on compassionate grounds, be accorded such treatment as deemed appropriate by your headquarters on basis of data submitted, without forwarding cases to this headquarters for consideration. North Africa Service Command should then arrange transportation for those individuals who are approved for release and notify this headquarters, Southern District, Peninsular Base Section, and Allied Commission of expected time of departure and expected time of arrival of all such shipments.

DISPLACED PERSONS AND REPATRIATION S/C,
ALLIED COMMISSION, ROME.

Gentlemen,

Request is hereby made for the repatriation of my husband who was taken prisoner by the Allies in Africa on 11 December 1940. His name and present location are:

Captain Tommaso ARENA, 12040
P.W. Camp 28, Wing 1-a
c/o G.P.O., Bombay, India.

Since the time of his capture I have been the sole support of myself and our two minor children. At present I am employed at the American Red Cross Officers' Club, but because of failing health I shall soon be unable to continue such employment.

My home at Via Maletto Nº.3 in Palermo, Sicily was destroyed two and half years ago. Since that time I have been a refugee, at present residing at Via Pietro da Cortona Nº. 3 Rome.

Since Captain Arena is a member of the Italian Military Service it is believed that, if favorable action is taken on this request, expenses incidental to his return will be defrayed by the Italian Government.

Attached is a copy of a letter relating to an Italian soldier OSCAR DI PRETORO, No. 824642 P.o.W. Camp No. 29 - Great Britain.

I have been approached regarding the correct channel through which to make application for this soldier's return to Italy and, in view of the compassionate nature of this request, coupled with the fact that this soldier has immediate employment to go to on his return, I have undertaken to put this case forward myself.

The attached letter is self explanatory and I should be extremely grateful for any action you may be able to take to obtain this man's return. -

Ferriero Mª Assunta fu Carmine, di Melito Irpino, Provincia di Avellino (Italia) ha prigioniero di guerra, in codesto campo, suo figlio Sciarappa Francesco, Mr Mª 81-I-357208-
Essa, dopo la morte di suo marito Sciarappa Angelo Maria, come dal l'alligato certificato di morte, è rimasta sola e abbandonata.
È vecchia ultrasessantenne, malata ed inabile a qualsiasi lavoro, ed il sussidio che percepisce è ben povera cosa - coi tempi che corrono - in confronto dei suoi bisogni: ragione per cui vive nella più squallida miseria.

Unico aiuto e sollievo le può venire dal predetto suo figlio, del quale perciò la sottoscritta si permette chiedere che venga rimpatriato.

Fiduciosa che questa singolare grazia le venga concessa, porge i più vivi ringraziamenti ed ossequi.

The a/n soldier has received the attached express letter which states that his father is dead and that his presence is urgently required at home.

From information elicited the details of his family circumstances are as follows :-

Mother 48 years old
2 sisters of 6 and 17 years
1 brother of 12
1 brother of 21, last heard of as a POW in Germany.

This man has a good record of conduct and work in the Company and in view of the extremely difficult living conditions now existing in Italy, his case, in my opinion, merits sympathetic consideration.

O g g e t t o : Richiesta di rimpatrio

Il sottoscritto 2.capo Genn.R. arina FANELLI Gustavo matricola PCW No.160457, si permette anoltrare istanza tendente ad ottenere il rimpatrio per i seguenti motivi :

E' prigioniero di guerra da quasi 5 anni (fu catturato a Tobruch il 21 Gennaio 1941) e nonente da oltre da circa 6 anni

E' figlio unico i cui genitori, di età' avanzata, necessitano del suo appoggio. Gli stessi hanno inoltrata istanza per il mio rimpatrio sia alle Autorita' Alleate che a quelle Italiane ed e' stato loro indicato di far inoltrare domanda di rimpatrio anche da parte del richiedente.

Fa' presente che il suo rimpatrio non aumenterebbe il numero dei disoccupanti in Italia inquantochè la Ditta presso cui lavorava un tempo - Cgnn 21 Trasporti Internazionali Elefante Mangili S.A. - ha assicurato i suoi genitori che al suo ritorno verrebbe immediatamente rimpiegato.

L'indirizzo della sua famiglia e' : Fanelli Amedeo, Via Mezzocannone No.31 - Napoli.-

Sir,

I beg to submit this application for repatriation to Italy on the following grounds :

I left Italy on May 1940. I have been a POW for nearly 5 years having been captured at Tobruk in January 41.

I am single and the only child of my parents who are now aged and from letters received from them I learn that consequent upon their age they are unable to work and now have no means of livelihood. They have requested my return from the Allied & Italian Authority, who have indicated that a further application must be made by myself.

I also understand from my parents that my previous employment with Elefante Mangili S.A. (Forwarding Agents) in Napoli is still open and hence the question of employment will not arise.

My parents name and address is : Fanelli Amedeo - Via Mezzocannone No.31 - Napoli.-

TO: Commanding Officer
North African Service Command
APO 600

1. Reference is made to letter, your headquarters, dated 3 October 1945, subject as above. The release of the eighteen (18) Italian prisoners of war named on the attached list is approved.

2. Request that they be released, shipped to Naples, and this headquarters, Allied Commission, and Southern District, Peninsular Base Section, be advised of expected time of arrival.

3. In view of the fact that Italian prisoners of war are being repatriated en masse, the procedure of sending compassionate cases to Allied Commission for investigation and recommendation is no longer considered necessary. Recommend that applications for release, on compassionate grounds, be accorded such treatment as deemed appropriate by your headquarters on basis of data submitted, without forwarding cases to this headquarters for consideration. North African Service Command should then arrange transportation for those individuals who are approved for release and notify this headquarters, Southern District, Peninsular Base Section, and Allied Commission of expected time of departure and expected time of arrival of all such shipments.
