To : His Eccellency the British Minister of Foreign Affairs.

Pardon me, Sir, if I apply to you in order to obtain the repatriation of my husband.

For the past nine years he has been away from home, and at present he is detained as a prisoner of war in India. Some time ago his name was included in the list of those prisoners to be repatriated on compassionate grounds, since his situation had been considered by the Allied and Italian Authorities very unusual.

Since last year we are awaiting for his return, but nothing has been done on his behalf, although the Allied Authorities had promised to take an interest.

Sir, I apologize if I dare to bother you, but I beg you to take an interest in my husband's repatriation.

God will reward you.

My husband's name is: Captain Count Leonard Nardini, 48206, Camp 26 - Wing 3-6 - c/o - G.P.O. Bombay (India Brit.)

I will be grateful to receive an answer.

Please, accept my best regards and thanks.

Perdonate, Eccellenza, se oso disturbarvi, ma mio Marito assente da Roma sino da casa dal principio in India fu inviato nella lista dei rimpatriati quel doloroso, ma giusto così furono riconosciute dalle Autorità Alleate le situazioni dovevo comprendervi le quali era indispensabile d'urgente il mio ritorno. Vero posso un lungo elenco di persone e di voci altre, nulla vieta fatto per questa creatura e noi. Le Autorità Alleate avevano che per i casi pietosi si fosse provveduto con una certa umanità e rapidità, invece, nulla, nulla visto fatto. Scusate il disturbo che Vi arreco, ma io: sono a mani giunte di muovervi a pietà e di disporre per questo rimpatrio come meglio Vi è possibile. Rome, 18 December 1945

ROME

I am a mother who is sorrowfully writing and addressing to you an affliet supplication: my only son BERNARDO VALENZI has been for five years prisoner of war in British India. He left home when he was still a boy and he will come back already a man with his mind exacerbated from his sufferings.

Do something, Sir Admiral, in order that my son will come quickly to me. I cannot resist any more this long waiting. I am alone with two daughters, my husband; Excellency Valenzi Bernardo, is now President of the Court of Appeal at Tripoli and he has always collaborated and at the moment too is collaborating with the Allied Authorities.
Hear my voice, please

Yours very truly

My return home would greatly help this desperate situation which has arisen after my father's death, I therefore beg this Command to consider with benevolence my case.

Sir,

I u/s C.M. ARIDI G. No. 47554 b ing you at notice the following.
I have already been P.O.W. with the Germany troops, on September 1944 in the Nord Aegean Islan, and after all this, I have been transfered in Greece where I was free by the Bulgarian National troops.

Arrived in Sofia in November 1944 with others 6000 of Italians, and there we have had the freedom after to have took the agreemants with the allied authority for our repatriation.

On 28 of January 1945 I was been called by the English commander in Salonicco and then have asked to me where my family live? I have told them my family live in Aegean Isle, therefore they have sent me in Egypt for my repatriation in Piraeus Aegean.

But now I have had news from Rome that my parents have changed the place, and now we live in Nord Aegean Isle.

Now respectfully ask to this command if it is possible to sent me where my family live at the present.

Hoping that you will take this in your kind consideration thankfully.

Sir, I am

R O M E

I send you the following case for your benevolent examination that merits particular attention and comes under the head of the classes that are contemplated for repatriation.

Sergeant LORENZETTI Cesare son of the late Romolo born in Rome on the 27th. of January 1921, who belonged to the 146th.Group 478th. Battery P.M.166 POW N.A/T. 191204 POW Camp Algiers.

His father is dead and he is the head of the family and only support of his widowed mother and 4 brothers, three of whom are under age, as is shown by the family sheet herewith attached.

Given the bad financial condition of his family we beg that his name may be on a list to be repatriated in the near future.

We have presented a request for his repatriation to the H.C. for POW with the necessary documents attached.

Thanking you for whatever you may do regarding this matter I take this occasion to send you my most cordial greetings.

R O M E

Mr. President,

Although knowing that the repatriation of It. POW will be made according to an established plan I take the occasion to recommend to you the case of 2nd. Lt. BARBIERI Giuseppe- POW N° 12338, Camp 27 Wing 1/B at Bombay.

Following the death of his father Dr. Ettore Barbieri, who died on the 3-d. of November, the officer in question has become the head of his family and of his father's firm.

His remaining in prison will compromise his business and a part of the employees will be sent away.

In consideration of what is written above, and as his case is contemplated in your ruling we hope for a favourable answer.

Herewith attached are the documents regarding the case.

Accept the token of my highest esteem.

Signed
Father Ferdinando Baldelli.

To : Allied Commission for the Repatriation of POW's.

I have been informed thru the Ministry of Post-War Assistance that my son, Lt.Lt. Fontana Eugenio, presently held in P.W. Camp 356, East Africa Command, has been put on the POW's priority list on compassionate grounds. He is waiting for your decision ruling that he may be repatriated.

Please, have pity for an unfortunate mother who has experienced many sufferings through the loss of her only support; return my son, who is my sole source of help, to me! Give me a ray of hope for this Christmas as I do not feel I shall survive beyond it since I am a sick old woman, 70 years of age.

Have pity for a mother, may her words be not unheeded and God will repay you.

You have a mother too and it is in your mother's name that I beseech you to help me.

yours sincerely

s/ Graziata Maria widow of Fontana.

TO THE ALLIED COMMISSION
(IPW S/C) - ROME -

The undersigned MORMILE Raffaele, father of five children and ill, due to the extirpation of one of his kidneys and therefore unable to work. His wife is ill with heart trouble and in a very depressed nervous condition, owing to the fact of having 3 sons under arms and the small son aged 4, is suffering from shock due to air bombardments and now without sufficient food.

The elder son who kept the family, Caporal Mormile Salvatore son of Raffaele and Trupiano Rosa, born in 1913 at Palermo, taken prisoner in East Africa at present in Camp 12/A, matriculation n. 56254 - at Cowra (Australia) and the other two sons are in Italian Territory that has been recently liberated by the Allies.

The writer had already written H.M. the King of England begging that his elder son be repatriated, as the only support of his large family who are dying of hunger. The POW in question during military service in East Africa was operated for appendicites and afterwards for Haemorrhoids, then transfered to India where he caught malaria and is therefore in a very nervous and depressed state of mind. 3294

Attached herwith is the answer that H.M. the King of England deigned to send me and I turn to you gentlemen of the Commission to aid me in my very compassionate situation.

Your obedient servant Mormile Raffaele.

14 November 1945

Due to the deprecable war just ended I had four sons called in the service. One of them died in Albania on 5 January 1941 from battle wounds; the other three were captured; their addresses are the following:

Gareu Enrico S.I. 495186 - 301 I.P.W. Coy Camp - Great Britain
Gareu Egisto S.I. 49726 - 344 Camp. Great Britain
Gareu Ildebro A.A. 047486 - 0 Pow Camp - Naples Italy.

Since repatriation of Italian POW's from England has started, I beg you with all my heart, in order that you may interpose your high authority to effect the anticipated repatriation of one, at least, ~~three~~ of my sons: Gareu Enrico S.I.49518 C, 301 Camp. He is over 32 years of age, he has been held as a prisoner since 5 January 1941 and has been away from home 12 years, as he was living in Sowilland at the time of his call in the service.

I am sure that you, well understanding the special situation of my family, will obtain the longed anticipated repatriation.

yours truly

s/ A. Gareu.

Oggetto:- Rimpatrio per motivi di famiglia.

Al Comando della 2652 Italian Coy. M.E.F.

Il sottoscritto Maresciallo Capo CC.RR. FAILLACI Gioacchino No.3039 chiede di venire rimpatriato per motivi di famiglia.
La sua famiglia si compone della moglie Franca Failloci e dei figli Maria Vittoria e Antonio rispettivamente di anni 11 e 7 che risiedono a Napoli (Italia) in via Santa Maria del Pianto, 16.
Come risulta dalla lettera allegata la situazione delle suddette persone e' molto grave. La moglie e' gravemente ammalata e soffre di deperimento organico e i figli soffrono la fame in cosi giovane eta' per l'assenza del Capo famiglia. Il fratello e' in Sicilia e la mia sorella e' in America. Mio padre e mia madre sono entrambi morti e non vi e' nessuno a cui mia moglie si possa rivolgere per aiuto.
Il sottoscritto che conta anni 45 d'eta' ed oltre 25 anni di servizio nell' Arma dei CC.RR. e' un ex Co-otelligerante che parecchi mesi dopo l'armistizio tra l'Italia e le Nazioni Unite fuggi dall'Isola di Creta con un gruppo di patrioti e raggiunse il Medio Oriente unendosi agli ordini delle autorita' inglesi.
Quando io ritornero' in Italia io potro' ancora essere impiegato come Maresciallo dei Carabinieri poiche' io ho firmato per una ferma di 30 anni.
I fatti suesposti mi causano grande ansieta' e preoccupazioni.
Sperando che la presente richiesta venga presa in considerazione, il sottoscritto firma

Sir,

May I, the u/s Maresciallo Royal Carabinieri FAILLACI Giocchino No. 3069, ask to be repatriated on compassionate grounds.
My family is composed of my wife Franca Failla ci and of my children Maria Vittoria and Antonio, aged respectively 11 and 7, who live in Naples (Italy) Via Santa Maria a 1 Pianto, 16.
As stated in the enclosed letter the situation of the a/n persons is very serious. My wife is seriously ill and is suffering from organic deficiency and the children do not obtain enough food for their young age because of the absence of the head of the family.
My only brother is in Sicily and my sister is in Persia. My father and mother are both dead and there is no one for my wife to turn for help.
The u/s who is aged 45 and has served more than 25 years in the Royal Carabinieri is a former co-belligerent who several months after the armistice between Italy and the United Nations escaped from the island of Crete with a party of patriotes and proceeded to the Middle East reporting to the British Military Authorities.
When I return to Italy I shal still be able to be employed as a Maresciallo of the Carabinieri as I have signed for 30 years service.
This matter is causing me great anxiety and worry.
Hoping that this application will be taken into consideration, I sign,
Sir,

.....With three children I am suffering night and day...

.....The children want you the more because of the hardships they have to endure and because they see the difference with other families whose father is at home...

STATEMENT MADE ON OATH BY [illegible] ON 7/6/45.

I am unmarried and reside at [illegible] in Kenya, my father's name is [illegible] and he is a peasant farmer.

I myself am employed at the [illegible], and am 21 years old, whilst my father is about 60 years old.

I am the eldest of seven children, four of my brothers are dead, the last one died.

The farm is very large and several workers should be necessary, whilst at this moment, the only one who could work, my senior brother, is sick and weakened by the sufferings endured in order to prevent himself from being captured by the Germans. His help, therefore, is feeble and my junior brother is to young to give an efficient help to the family.

Because of the war the crop this year has been very poor and the houses sustained serious damages.

My relatives have been, besides, robbed of all their cattle by the Germans.

On account of the high cost of life, I was told by my relatives, that for them it is practically impossible to employ extra manpower that they cannot afford to pay.

After the German surrender we were liberated and sent back to our hometown.When we arrivalwe found our home a heap of rubbish the house completely destroyed and we are now in the road without even some clothes besides what we are wearing now.Dear son,we have no news from your brother in Germany;everyone has got back but we have not yet seen him.You have been 8 years away from home and if you do not come back we cannot do anything.Try to take some clothes with you as we are not able to buy anything....

TRANSLATION

for O.C. 2652 Italian Coy

Sir,

may I, the u/s No107402 Caporale RICCI Pasquale born of Alessandro and of DI BANCO Teresa, living in Castrocelo (Frosinone Province) Prisoner of war since the 4th January 1941, submit to you this application for repatriation on compassionate grounds.

My father is 65 years of age and unfit for work both for his age and for an inguinal and scrotal hernia which he was never able to get rid of for financial reasons.

My mother and two sisters aged 22 and 27 have returned from a German concentration camp in which they were detained for two years.

As stated in the enclosed letter, after their arrival in the hometown Castrocelo (Frosinone Province) they found the farm which they held as tenants completely devastated, robbed of everything and the house destroyed.

They are in the most poor conditions as they only possess the clothes they are wearing and the only person able to cultivate the farm is a brother aged 35, ~~invalid~~ as a deportee to Germany who for two years did not send any news; he was still away on the 15th July 1945.

Therefore my presence is indispensable to support my old parents and my sisters and to allow them to stay in the farm in which they have worked for so many years; if I shall not be repatriated soon the owner of the farm Dr. GALLI COLLI, 19 Viale Angelico now, will be compelled to employ other labour.

I therefore enclose a letter confirming what stated above.

Hoping that the matter will receive your kind consideration I am,

Sir,

Molto volentieri alla domanda della famiglia aggiungo la mia per la liberazione del prigioniero Boldo Ottavio trattenuto a New-York, essendo buon testimonio delle misere condizioni in cui si trova sette sono i figli dai 18 anni in giù, scarso oltremodo il lavoro redditizio: il ritorno sospirato del padre è condizione indispensabile per il mantenimento di tutti. E se questo ritorno dovesse ritardare, non sarebbe il caso di provvedere a questa famiglia bisognosa di tutto, qualche notevole sussidio? Lo domando, e lo spero. Ossequii

TO THE PRESIDENT OF THE UNITED STATES:

Arminio Gerardo, son of the late Antonio of Bisaccia, Province of Avellino, born in 1907, and is at the present in a PW Camp in North Africa. He is stationed at PWE 7096 Naples, Italy, ISN 81-I-359972. He is the father of two young children and has a brother who is reported missing in Russia. His parents are dead and he also has a brother who is serving as a guard with the Secret Police. I ask that he may be granted the grace of returning to his family after his two years of imprisonment so that he could assist, guide and educate the two children and to manage the agricultural concern which he is the owner of. I have already sent the documents proving such conditions and I am now enclosing the certificate of family status. Procaccino Evellina, the wife of the POW is asking for this favorto be granted because she is sick and is in no condition to take care of her children.

Hoping that your office will concede the favor of having the 38 yr. old militarist returned to his home. He has tollerated the entire grave period of the this disastrous war.

I thank you,

TRANSLATION.

Parma 1o November 1945

To : The Allied Supreme Commander in Italy
Major General Sir W.D. Morgan - Rome.

Pardon me, Sir, if I dare write to you: I am an insignificant Italian woman who has been compelled by her despair to address you this application.

My husband is a prisoner in Tripoli for the past three years; I am here in Italy alone, unhealthy and without any other support. I have tried continously to have him repatriated but always failed.

My last and only hope rests with you. You are great and mighty and I know that a little consideration will help my case.

Please, help me and I will be always grateful to have my husband repatriated, whom I have been waiting for the past seven months.

yours respectfully

To:- O.C. 2652 Italian Coy.

The u/s No. 158101 2o.Capo (Royal Italian Navy) DELLA PIETRA Lorenzo, 2652 Italian Coy, born in Marzano di Nola (Avellino province) on the 15th March 1912.

Ask for repatriation on compassionate grounds.

May I submit my case in details in order to underline the reason for my applicetion.

Enlisted on the 4th April 1939, I was posted to the Navy H.Q. of Tobruk (Cirenaica). Captured in this place on the 22nd January 1941, I was taken to 309 P.O.W. Camp where from the month of March onwards I was employed at 5 B.O.D.,R.A.O.C. In June 1943 following my request, I was transferred to this Camp as e clerk for P.O.W. Accounts Office.M.E., where I am now employed.

1) I have been away from home since 1939 and

2) Due to the intervening death of my father Vincenzo (on the 25th Dec'43) and of my mother SANTANIELLO Laura (on the 12th Jan'45) both of whom lived in Marzano di Nola (Avellino) I have autmatically found myself head of a family composed of my wife CASTALDO Fede and of my brother Antonio, aged 17, both living in Marzano di Nola.

3) Owing to the poor health of my wife and to the incapacity of both, a little and very modest warehouse which provided the means for the support of the family has come to a standstill. At the time of my departure I left unsolved many little problems of a legal Charecter which are at the present more serius for the intervened death of my parents and for the prolungation of my absence. Because of these facts together with the uncertain conditions in Italy, my dependants find they will be unable to maintain themselves if I do not come back to start the activity of the small warehous and to support them.
The above mentioned warehous consists in a wholesale trade of fresh and dry fruits and of alimentary merchandises. With my previous experience in that trade it is my intention, as soon as I get home to reopen the trade to improve it as much as the economic conditions of the province will permit.

4) Here I produce the attached letters from my niece, married sister and my wife in support of the above statements. One of two my married sisters has been living in Milan for many years.

I hope that you will take into kind consideration this

TRANSLATED EXTRACTS FROM ATTACHED LETTERS.

(1122)

1) ....so you will imagine how much pain I felt when I learned the news of the death of my dear grandmother and grandfather. Whom I loved so much, and they loved me too. often it seems to me I see and hear them, in perticular my grandmother, who will not miss her protection of all us.

2) .....I let you imagine after so many years that I was waiting the joy of coming to Herzeno to find our perents and you free and happy together with your wife, instead what an affliction, what a ruin in our house. My dear brother I am not able to tell you it always looks like to me to see them appear somewhere, I shall leeve in a few days sadder and more desperate than ever, because I have not seen our dear parents. As we both have always been away from them and so deprived of their love, our sorrow will be much harder for us than other relatives.
I suppose you perceived the bad news by the letters, but it was told me all at once when I arrived at Nola Station. I left our mother and father two years ago in very good health, and of course, it is very hard not to find them alive. When may I see you again ? I am very keen of seing you for it is nearly 10 years you are away.
I left you know that our brother Antonio needs very much help. He is a very good boy, but till now he has been disappointed many time and now it is your task to try to find the right way for this brother to earn his living and make him forget the sorrow to have become an orphan,so young.

3) .....after the death of our perents I find myself deprived of everything, our home empty and the business is over. It is very necessary in this moment that you get home as soon as possible, for after the death of our parents so many things are in a bad mess.

4) .... the day before her death, your mother had a bad return of her disease and in the following night she died.

To the Command 219 Group Pioneer Corps
Through 2653 Italian Coy -MEF-.

I the undersigned Soldato CONTI Luigi No.413394 belonging to the 2653 Italian Coy, wish to state the following:

I have received news from my family where it says that the living conditions at home are very precarious owing to the fact the heart trouble which my father has suffered with for the past five years has now rendered him incapable of any form of work.

The living reserve of my relatives consisted in the condution of farms belonging to Mr.CORBETTA Giovanni from the town of SIRONE, but owing to my fathers health conditions these farms have not been cared any more and left unploughed.

On the other hand my father cannot have any help for the ploughing of such farms, my brother of 19 years of age has been an invalide since birth and my fathers brother living with him is incapable owing to his old age.

For such reasons they are obliged to abbandon the only source of the family means of existing.

I ask therefore this Command to except kindly the present request from the competent authorities so it would be possible for me to get my repatriation as my presence home is required for the support feeding of my family.

The following address is my fathers living;

Further to your telephone message - the following information on the above named man is given:-

Captured at Bardia	-	4/1/41
Entered 305 PW Camp at Moustapha Wing	-	26/1/41
Escaped	-	10/5/41
Apprehended	-	20/6/41

Worked as informer and with A.D.S.O. 10 Area from that date until 30/9/45.

Posted to Italian Co-operative Coy No. 2640 at Ismailia on 7/9/45.

Escaped from that Coy on 10/9/45.

Apprehended in Cairo on 15/9/45.

Reached 305 PW Camp on 17/9/45
At present undergoing 28 days detention.

This man has been confined in Cells enclosure by POWs whom he has actually been instrumental in apprehending and there are several others in this Camp who have vowed vengeance.

When I was Commandant of 305 PW Camp (afterwards No.4 Italian Admin) I knew this man and met him often in connection with Italian PWs at A.D.S.O. office. (Major Polo and Capt. Scott).

He was, I believe, instrumental in arresting a South African bandit, Maurice de la Bromyere and also a violent Greek Communist.

Capt. Scott found him entirely valuable in his duties of apprehending escapees from amongst Italian PW and Italian Cooperators.

At the moment he is incarcerated in the Satellite Cells where prisoners from the M.E. are undergoing sentences up to 2 years and under 28 days (this for his security as he is not known by any there).

It is recommended that for his past services to us, and in view of our difficulty in accommodating this man as he is an enemy to both ex Co-ops and Fascists he be removed, preferably to Italy. He himself expresses a wish to be sent home or to be employed in any post with the British Forces outside a Camp of Italians.

He speaks French, is a capable chauffer and horseman. Also he has written novels and is a clerk.

Subject:- Repatriation on Compassionate Grounds.

I, the undersigned, S.Ten. BOCCIA Renato, No.69330, a Prisoner of War captured in Bardia on the 3.1.1941, beg to make the following report :-

1. Before leaving my home to go on military service I was engaged to Miss Lina Tufano (resident in Ottaviano- Naples). Our relationship started in 1932.

2. I have come to know through correspondence that the economical conditions of the Tufano family, which were excellent before the war, have been greatly damaged by the war.

3. On the 19th. August 1944 the economical condition of her family was rendered even worse by the death of the only son and only support of the family- Flying Officer Luigi Tufano, 25 years old, who was posted to the Taranto airport. His death was due to a motor-car accident.

4. Miss Tufano's parents are elderly (over sixty years old) and are not in a position to control the family situation in any way.

5. Dependant on her family are also her grandmother, Mrs. Concetta Rubino (on the Mother's side), and her grandmother (on the father's side) Mrs. Tufano Carmela. Both these old ladies are over eighty years of age.

6. The family property has suffered grave losses and, at the present moment of economical difficulty, it has affected the standard of living of the whole family.

I, therefore, beg you to give your kind consideration to this sad case and to grant me repatriation so that I may legalize the positi by marrying the girl, and help her family out of the serious difficulties in which they find themselves.

THE PERSONAL REPRESENTATIVE OF THE

TO HIS HOLINESS THE POPE

2, via Boncompagni, Rome.

November 19, 1945.

Dear Colonel Regis:

I have received a letter from the Pontificia Commissione Assistenza, Prisoner of War Camps, at Subiaco under date of November 14, 1945 requesting that Italian prisoner of war Caporale TARDIOLA Franco, 81-1-70365, Compound 2 - Company 10, Prisoner of War Camp, Hereford, Texas, United States of America be repatriated on compassionate grounds, since his father died suddenly on November 2 and his brother, who has been very ill, is in a dying condition. The letter points out that the prisoner's mother is in a state of nervous prostration, that their home was destroyed by air raids and that the family is in a destitute condition. According to this letter, the prisoner's presence is urgently requested, since he is the only person who would be in a position to afford moral and economic help to his family. A copy of the letter is enclosed.

It would be appreciated if you would kindly indicate the nature of the reply which may be made to the Pontificia Commissione Assistenza.

Sincerely yours,

Harold H. Tittmann

Subiaco li 14 Novembre 1945

A Sua Eccellenza l'Ambasciatore degli S.U.A.
presso Sua Santità Pio XII
Città del Vaticano

Eccellenza,

Mi permetto di rivolgermi all'E.V. per un urgente atto di carità e di bontà che può sollevare una disgraziata famiglia.

La prego di interessarsi personalmente per il rimpatrio immediato del Caporale TARDIOLA Franco 81-1-70365 Compound 2 - Company 10 Prisoner of War Camp Hereford, Texas, U.S.A.

Il padre è morto improvvisamente il 2 Novembre c.a..

Un fratello è malato da molti mesi ed è in fin di vita.

La mamma, che vari anni or sono dovette essere ricoverata in un manicomio ed ora non gode mai buona salute, è in uno stato di prostrazione nervosa impressionente. E' rimasta sola una sorellina di 13 anni. La casa è stata completamente distrutta dai bombardamenti. Le eccessive spese sostenute per le malattie hanno ridotto la famiglia sul lastrico.

Il figliolo prigioniero è l'unica speranza per il sollievo morale ed economico di tale disgraziata famiglia.

Come vede il caso è pietosissimo. Sarà opportuno che al giovane Tardiola non vengano rivelate tante notizie dolorose.

Ho fiducia che l'E.V. verrà consolare col Suo personale interessamento tanto dolore.

Coi sentimenti della più viva riconoscenza, mi professo dell'Eccellenza Vostra

Dev.mo obbl.mo

The presence of the prisoner with his family is essential for he is the only able man.

His mother has been for several years suffering from a nervous illness, and the return of her son only can prevent her illness from taking a turn for the worse.
