Reference your letter of the 26th January regarding repatriation of the above. However unless the family have written proof of this assistance from Escapers and Eavders the case will have to be investigated. If you will send correspondence to this Headquarters the case will be investigated when one of our officers is next in the area.

Io sottoscritta Augusta Due' ved. Nepi , le rivolgo la seguente preghiera con la viva speranza di essere esaudita .

Il mio unico figlio, prigioniero N. 317265 Tenente Nepi Mario Campo 25 ala 3 CO. G.P. O. Bombay India , parti' per l'A.O. nella primavera del 1938 e da quella epoca non l' ho piu' veduto . Suo padre sofferente di cuore decedeva il 22-3- 1944 con attacco cerebrale , conseguenza del bombardamento del 24- 9- 1943.

Lontana da tutti i parenti , poiche' nativa di Pisa , non posso raggiungere la Toscana per l'attuali momenti e perche' la mia casa di laggiu'e' stata colpita nelle azioni belliche dell'estate del 1944. Nel mese di maggio caddi gravemente ammalata da essere ricoverata all'Ospedale infettivo di Napoli , e tutt'ora mi trovo in cattive condizioni di salute .

Mi trovo nelle piu' disperate condizioni e l'unica speranza e'di rivedere mio figlio. Non ho altro che lui su cui possa sperare e non ho piu' forza di attendere ancora . Sono otto anni che attendo il suo ritorno e l'attesa e i dispiaceri senza numero mi consumano ora per ora . Sento che per questi casi particolari e' ammesso il rimpatrio , permetta quindi che fervorosamente faccia appello alla generosita'dell'animo Suo e posna sperare di avere questa grazia .

Con animo grato

Excellency,

I beg you to intervene on my behalf in order to repatriate an Italian POW at present in London.

I permit myself to inform you that from Oct 1943 at the head of a group at my orders I had the occasion to assist and save many British prisoners who had taken to the woods in the Ciociara territory and in the Abruzzo.

Our group received praise from Marshall Alexander.

The prisoner whose repatriation is requested on the grounds of his father's ill health, is:

Corporal GIANNANTONI Patrizio
POW No. 57104 - Arma A.R.M.
No.131
POW Camp Great Britain

I thank you excellency for what you may do regarding this matter. Obediently.

S i r :

I have been requested by the signer of the enclosed petition, Roberto D'AMBROSIS, to forward it to the Italian Ministry for Post-War Relief. but I have been informed that as it is a request that the petitioner's son, who has been for four years a prisoner in England, be sent home as his father is ill and unable to work the small farm which he owns in North Italy, it should be sent to the British military occupation authorities here in Rome for their consideration on compassionate grounds.

As I do not know the address to which it should be sent I venture to send it to you in the hopes that you will have the great kindness to forward it to the right quarters.

This poor man does not know how to get on; his health is very bad; and he is in great need of this only son to help him.

In the hopes that you will excuse me for troubling you in this matter, and thanking you in advance for any help you may be willing to give in forwarding the petition

I am

Yours faithfully,

Olivia Rosselli Agrosti.

The Undersigned, DEAMBROSIS Roberto son of the late Evasio, farmer residing at Occimiano, father of the prisoner of war DEAMBROSIS Pietro, of the 1919 class, now interned in Camp 88, N° 53675 Great Britaib, respectfully asks that his son be repatriated for the following reasons :

The Undersigned is 61 years of age and possesses a holding of 10 acres of land which he cultivates himself in the territory of Occimiano. As his son is a prisoner he is quite alone, and is in bad health as is certified by the enclosed medical certificate,; he has no help of any kind, and is therefore quite unable to work his farm.

The Undersigned earnestly begs the Ministry to take these facts into consideration and to appeal to the Allied Military Authorities to have his son repatriated.

In the hopes of receiving a favourable reply, this is respectfully submitted.

TO THE COMITTEE OF THE RED CROSS

As you know from a letter that I wrote on the 10th. October 1944, in which I asked your Committee to help me as my wife had died leaving three children. Your Comittee answered me on the 17th. October 1944 that I would be helped to repatriate. Up to know I have not been repatriated and I am very far away and no one to take care of my children.

Thank you.

I hope this letter will be given consideration.

EAF/71445 Civ ROUF Armando.

An application has been received from the a/m civ of offr status for repatriation on compassionate grounds. A summary of his case is att at Appx "A".

2. In the past it was the policy of this Directorate to take no cognisance of any compassionate cases, other than those for which the application originated in Italy and was fwd and recommended to this Comd by you.

b) It is thought that there may possibly be some very sound cases which are not so recommended because the relatives in Italy have not the means nor the knowledge to bring them to your notice.

3. Will you please state whether you are prepared, as a policy, to investigate and make recommendations upon applications originating from PW in this Comd and submitted to you by this HQ, as in this case. Such applications will of course be investigated as far as possible by PW Directorate, and only apparently really deserving cases passed to you.

I, the undersigned Lodovica Cavicchioli, wife of the prisoner hereinmentioned, mother of 3 children, a farmer by profession, am applying to the generosity shown by the Allied Command towards those who were not combatants in this war yet sheltered New Zealand POWs against the Germans, in order to obtain the release and repatriation of my husband, inasmuch as his presence is required by his family and for the operation of his 33 hectare farm.

I add that my husband was only a member of the Fascist Republican Party and was neither a soldier nor an active Party man. This can be certified by the competent Authorities.

TURIN - 24/12/45

SUBJECT: PETITION.

I am the mother of the P.O.W. Cpl. Gasco Antonio who has been under the army since 1935 serving with the ex- 5th Reg. Artillary Div. Superga - at present an internee at Casablanca Enclasure. Apart from the pain my son suffered to be separated from his family, whom he knew to be in want, it grieved him most when after the liberation it was denied him to return to his dear ones and work for their upkeep.

I thus appeal to the competent authority to come to my help and bring about the repatiation of my son, who at this moment is more needed than ever owing to a gastric ulcer which has been troubling me for years and which prevents me from working.

Hoping to receave all your help, I thank you in advance.

Dear Capt. Bodo;

Reference your letter dated 4 Jan 46 addressed to Col. REGIS-HAMILTON.

Major HAMILTON, my Executive Officer, referred the above mentioned letter to me for further action upon my return from an extended trip.

An overall repatriation plan of all PWs has been decided upon by the Allied Governments and no individual case is considered, unless it is an extremely compassionate case. I am sorry to say that your request does not come under this exception.

It is to be hoped that your brother will be among the early repatriates from India.

Sincerely yours

1.It is impractical to initiate action to repatriate individuals as it is expected all Italians will be repatriated before 1 February 46. Repatriation being a continuing action it is quite possible that the individual in question is already repatriated.

I am a widow in straigtened Circumstances, my daughter aged 23 Milena Zambon who helped me as an employee of the Banca d'Italia, has been for three months in a Sanatorium because she is affected with Tuberculosis; disease that she caught in the Concentration Camp of Ravensbruck, where she was interned for having favoured the escape of Allied Prisoners, and my older son who is the head of the family, Giovanni Zambon, has been a prisoner for five years in South Africa. It is extremely necessary that the latter be repatriated in order to take his place as head of the house and bring up my small children. I have another daughter in Eritrea and another one (get a war widow also resides in Asmara.
Therefore my family is divided and my small children are in great need of their older brother.

I beg you to have him repatriated in order to recompense the sacrifice made by my daughter who before dying desires to embrace her brother once more.

TO : AFHQ - PWIB.

I, the undersigned, Augusta Due' widow Nepi, am appealing to your Command in the hope that my request will be heeded.

My only son, Lt. Mario Nepi, a POW held in the Concentration -Camp No.25 wing 3 Co. G.P.O. Bombay, India, Serial Number 317265, left for East Africa in the spring of 1938. Since then I haven't seen him any more.

His father, suffering from heart desease, died on 22 March 1944 of cerebral concussion, as a result of an air raid on 24th September 1943.

I was born in Pisa(Tuscany), and am unable to join my relations there, because of the present difficulties and because my dwelling there was damaged during war operations of summer 1944. In the month of May, I was so seriously ill as to be admitted to the Hospital of contagious diseases in Naples and at present am still in ill health.

I find myself in very dire conditions and my only hope is that of seeing my son again. I have no one to depend upon but him, and I have no strength left with which to await his return. 8 years have passed and the hope of his return and innumerable sorrows have consumed me continually.

As it is rumored that for such compassionate cases repatriation is allowed, I am applying to your generosity in the hope of obtaining this request.

Yours respectfully

On the IIth inst. he received a letter from his wife Trevisan Angelina , resident at Milan,Via Paravia 80,by which(it was dated the 3rd of Sept.ult.) she informed him of the tragic and immature death of their only daughter Giannina,aged 16 and his mother-in-law,which occured after an air raid in October 1944.

Such grave bereavement has produced consternation to his wife,who now is alone and without any material help from her relatives,that live far away and have no possibility to give any sort of aid,so she is living in very difficult economic and moral comditions.

I undersigned, certify that Mrs Rosa BENETTI née Pavoletti, 59 years old, at the present moment living in Via Masaccio 225, is under my treatment since several years for pulmonary Tuberculosis, bad functioning of the thyroid & nephritis (subject to frequent haemoptysis).

Owing to the nature of these diseases and of all the great privations she has suffered (their house and all their belongings were destroyed in Via Borgo San Jacopo No 9, IIIrd floor) her condition of health have been getting always worse and worse on behalf of more haemoptysis and heart troubles. The case is such that if these pathological phenomena should manifest themselves again, she can be in death peril from one moment to the other
