FERRARO, Antonio, is composed of his father Umberto aged 74, who lives on the pension as a Capt of the Merchant Marine Service; his mother housewife aged 71; sisters: Olimpia aged 37 housewife; Rosa aged 34 the latter is employed at the Lloyd Triestino; two aunts: Maria housewife aged 37 and Teresa housewife aged 58.

The mother is the owner of two apartments in Genoa of value. The father has no private means. The brother of Capt Ferraro is liaison Officer at the Allied Command in the Port of Genoa.

His family reside in Lavagna since 1940. During their stay in that place they have behaved very well. They did not collaborate with the invader during the period of the so-called republican Government and they had no political activities. They are respected and have good reputation.

...go l'occasione per pregarla di quanto segue:
Mio figlio Antonio, C.L.C. e 3° Uff.le della ex m/n "Romolo", fin dalla prima quin-
dicina del giugno 1941 fu fatto prigioniero nel Mar d' Coralli e come tale trovasi
ancor'oggi in Australia, al seguente indirizzo-

ANTONIO FERRARO - OFFICER MM - P.W.I.M. 7188 - CAMP N° 5/B -
MYRTLEFORD (VICTORIA-AUSTRALIA)

Egli ha un ottimo passato e come ufficiale di vascello di complemento e
come ufficiale della Marina Mercantile: Ha una profonda cultura sia generale che
professionale, conosce perfettamente non soltanto la lingua inglese, ma anche la
francese e la spagnola.

Detto mio figlio nutre un affetto ammirabile per la famiglia ed in parti-
colare per noi genitori, ultrasettantenni ed in precarie condizioni di salute; que-
sto pensiero assillante lo strugge e gli rende sempre più amara la cattività.
Trova un po' di svago soltanto nel continuo studio. (Tali notizie mi sono state
date da suoi compagni di prigionia recentemente rimpatriati.)

Lascio immaginare a Lei con quanta ansia attendiamo questo caro figlio!

Potrebbe Ella porre i Suoi buoni ed autorevoli uffici affinché si affretti
il suo rimpatrio?

Se ciò fosse possibile egli potrebbe, fra l'altro, esplicitare, date le sue
profonde conoscenze professionali e linguistiche, un'attività utilissima nel piano
di ricostruzione nazionale, anziché languire nella prigionia.

Ossequio, anticipando i sensi della mia gratitudine .

Dev.mo

POW Major Giuseppe Gatti, son of Nicola(81 years old) and of Clotilde Daldola(74 years old) born at La Spezia on 13 December 1896. Camp 26/5/C - GHO Bombay(India). Serial Number 262 733.

Dear Capt. Fabricotti,

As my numerous applications to the Italian High Commissioner for POWs have been unheeded, I take the liberty to apply directly to you in order to obtain my brother's repatriation.

My mother who is 74 years old and is affected with heart-disease, fears that she will never see again her son who has left us 8 years ago(In 1938 he was in Abyssinia).

Also my father, who is 82 years old, is longing for his son. I add that my brother was the only support of our family and that, notwithstanding I am trying to support it with my work, we find ourselves in very dire financial conditions.

Therefore my brother's repatriation would be of great relief, both from the moral and financial viewpoint.

With the certainty that my request will be taken into favourable consideration, I beg you to accept my best thanks and regards.

S/. Irma Gatti.

29th March 1945

Dear Sir,

I am writing on behalf of an Italian friend of mine.

She and her husband during the war put up two English P.O.W.s hiding and feeding them. They have papers and photographs to prove this.

Their son is a prisoner of war in English hands, at present in Egypt. His grandmother is old and suffering from a very weak heart, and is liable at any moment to die. They wondered whether there was any hope of this boy being released in order to see his grandmother who has expressed a fervent wish to see him before she dies.

The parents are prepared to pay his passage home etc.

I told them I thought there was little hope of your being able to do anything, but I believe there is a ruling that P.O.W.s can be released for compassionate reasons, and I thought perhaps this might possibly come within that region.

The name, number and address of the P.C.W. is as follows:-

HELONI Vittorio Caporal Maggiore 348768
2627 Italian Coy. P.M.A.
P.C.W. Postal Section, Middle East, Egypt.

I should be most grateful if you could let me know if there is any hope of his release.

Yours sincerely,

Elizabeth Wyndham

Dear Father DORMAN:

The Secretariat of State of His Holiness takes the liberty to request that you recommend for the attention of the competent Authorities the petition of Giovanni and Savina Peduzzi, Via Roma 22, Colle di Val d'Elsa (Siena) for the repatriation of their son Vallis Peduzzi, T 65901 Arm. Camp n. 86.

The request states that Peduzzi Vallis was taken prisoner by the British in North Africa during December 1941. He was interned in Egypt for some time and later transferred to England.

Since he is the only boy in the family, and in view of advancing old age, the parents request that he be returned to Italy even though he should still remain in the services of the British Authorities.

Thanking you for your kindness, I am

Sincerely yours,

Man. Joseph T. 2, 200.30

TRANSLATION OF LETTER:

I beg of this command to give me a bit of assistance.

My husband, ANDREANI, Emilio, son of Primo and Picocchi Maria, born in San't Agata Bolognese, Bologna, is now stationed in Camp No. 368, Taranto, Algiers.

I am home alone, without any support, my father is very old and ill and is in no condition to support me.

My husband has never committed any crime nor has he ever been a fascist and he has never ~~had~~ had any sympathy for the Germans.

I ask of this command to examine my husband's case and to have him return to his home after an absence of 7 years.

Various other friends of my husband have had the same cases and have been repatriated from the very same camp.

I beg you to speed repatriation of the following P.O.W.
FERNANDO VALENZI son of Fernando VALENZI, Jun. Lieut.
No. 21652

No. 27/2 B P.W. Camp
C/o G.P.C. BOMBAY

The said Officer was captured at TOBRUK on 22 Jan. 41.
His mother is ill and his father is at TRIPOLI, the First
President of the Court of Appeal.

The Italian Ministry in ROME for the Post-War Relief has
proposed him to the Allied Commission for anticipated
repatriation inserting him in the list of compassionate
cases.

In addition to this I point out that he had his studies
in the High School of Laws interrupted and that his return
to Italy is needed since owing to illness of his mother and
forced absence of his father he will deal at home with
important family interests remained abandoned during five
years.

SUBJECT: Request for priority repatriation of Italian PW Capt
PICCININO Pasquale (90836) Camp 353, KENYA

TO : G1(Br), GHQ CMF

1. This Division has received an urgent request for the repatriation of subject PW on compassionate grounds.

2. The mother of Capt PICCININO died on 19 Jan 46, and on 11 Mar 46 his wife's mother also died. The PW's father, who is 68 years old, has been in very poor health for a long time, and the double tragedy of his wife's death, followed by that of his daughter-in-law's mother, has greatly aggravated his condition.

3. In addition to this, the wife and father are in very poor financial circumstances, and the wife, also because of the two deaths in the family, has been nervously affected. In addition, her husband, who was captured in ERITREA in 1940, has been a PW for almost six years.

4. Maj. Willard B. MORRELL, of Hq, European Division, Air Transport Command, PARIS, who has been personally acquainted with the family for more than two years, vouches for the veracity of the foregoing statements, and therefore this Division recommends that a priority repatriation, if possible, be granted to Capt PICCININO.

5. May this Division be advised, please, of action taken, and ETA ITALY, when available?

1. It is felt that a considerable amount of unnecessary correspondence and delay is being caused due to the procedure at present in use for verifying the merits of applications for repatriation on compassionate grounds.

As far as the Middle East is concerned, applications are instituted by prisoners of war, supported in most cases by documents from Italy. They are then forwarded to Allied Commission for verification.

2. It is proposed, with your agreement, to issue instructions that applications for repatriation on compassionate grounds must be instituted by the relatives of the prisoners of war and passed through channels in Italy for certification and recommendation. In this connection it is noticed that under C1(Br)3697/A2 dated 6 Sep 45 a list of 56 prisoners was forwarded, together with special forms "CAS-I PIETROSI" recommending repatriation on compassionate grounds.

If this suggestion were adopted throughout, all applications received would come on a waiting list and would be repatriated as shipping became available.

3. If you are in agreement with the proposal, may the necessary details be forwarded in order that detailed instructions may be issued to prisoners of war on the action to be taken by their relatives.

It is kindly requested that the application be forwarded thru proper channels for action.

May it be emphasized that the application is based on compassionate grounds.

Dear Admiral Stone

ROME

The undersigned Maria SANTHIA' - widow of Angelo CAMILLETTI who died in Addis Abeba - fled from Ethiopia in August 1942 with her two daughters Liliana and Marisa, leaving her sons Ugo and Carlo prisoners in Africa. She finds herself - since her repatriation - deprived of aid, in the worst of financial conditions; and despite her advanced age (56 years old) and her precarious condition of health (which necessitates a surgical operation) she is forced to employ herself in the most humiliating tasks in order to be able to make the bare living necessary for the maintenance of her daughters Liliana and Marisa, the latter is also in ill health and in need of medical care.

The undersigned kindly requests that her only two sons Ugo and Carlo be released and repatriated - who are at present located as follows:

- a) (Aviator) Ugo CAMILLETTI
Matric.: 90340
Camp : 351
East Africa Command (Chenia)
- b) (Civilian) Carlo CAMILLETTI
Matric.: 26651
Internment Camp 5
Forte Vittoria - Rhodesia - South Africa

Confident that this desperate appeal will be taken into favorable consideration, thanks and best wishes.

Rome, 7 March 1946

The undersigned Dina Stien de Mattheaia requests the repatriation of her husband, Capt Luigi de Mattheaia POW No. 18401 Camp 25, Ring 3-4/6 C.P.O. Bombay, on Compassionate Grounds.

He has been away 11 years, having left Italy in 1935, she saw him only once for 6 months on furlough, 7 years ago, and since then, she lives with two children, the youngest is 6 years old and the other 11. She is affected with heart and liver trouble. The small sum of money allowed her by the Ministry, is not enough to live on.

She also states that her husband is affected with neuritis and she is very much worried about him.

To : A.F.H.Q. - Caserta

As a consequence of the air-bombings of 27 January 1944 at Caiazzo (Province of Caserta), all my family (composed of four persons) was killed and our building was destroyed.

Since I have to proceed to the settlement of important and urgent familiar business, the presence in Italy of my brother, Capo Manipolo Nestrore Bruno, ASN 240377, POWs Camp #25, Wing 1-B- c/o G.P.O.- Bombay, a POW since 6 April 1941, is absolutely required.

His further absence would not only render impossible the above-mentioned settlement, but would also hurt our and likewise his interests.

Therefore, I take the liberty to earnestly beg your Command that my brother be repatriated at the earliest possible date.

Hoping that my application will be taken into benevolent consideration, I thank you wholeheartedly.

With best regards.

Yours very truly

s/ Corrado Bruno

MEMORANDUM FOR COL. REGIS

The Secretary of State to the Holy See has informed us of the case of SCIPPA Giuseppe, son of the late Michele, (PCM no. 87177 Camp II. 1 St. Denis Du Sig. Afrique du Nord Francesine), who is still held prisoner by the Allies because he is being used as interpreter, while his comrades have being daily repatriated.

As the family of the prisoner in question comes into a category of compassionate cases due to the fact that his father is a war invalid and his mother and sister can not live with the very modest and insufficient pension. We therefore if possible beg you to have SCIPPA Giuseppe repatriated.

Enclosed attached and forwarded to you for your attention is a letter dated 31st Dec 45 from the American Citizen Mr. WILSON, 31st Dec 45 who requests the repatriation of his son Giuseppe POW No. 145142, Camp 356 (B) Kenya.

The letter was received from the International Red Cross at Geneva with a letter dated Jan 22, 1946.

Notwithstanding the fact, that this Ministry is not authorized to send to your Commission requests for the repatriation of prisoners who are Regular Army officers and whose repatriation is requested for the organization of the Armed Forces, consider it as a duty to recommend the repatriation of the officer in question, as his parents are American citizens and his mother should be, due to her illness, most particularly considered.
