TO : Allied Commission, S/C, IPW Div. Rome.

From information received by the Public Safety, Ministry of the Interior it results that Capt CATINELLA, Gino on the 8th. of Sept 43 tried to avoid being called up in the Republican Army by going to his family in the vicinity of Grosseto.

It does not result that either before or after the 8th September 43 he was particularly compromised as a fascist: he was considered on the category as not having expressed any fascist sentiments.

His wife is ill with T.B. pulmonary and his two children are therefore left alone.

Dear Colonel Regis,

H.E. Monsignor MONTINI has been asked to interest himself in obtaining the repatriation of Mr. PAGANI, Giovanni, Civilian Internee, N.E. 32003, Italian Evacuee Camp N.3, Kaniuki Kenya.

This Office has twice recommended this repatriation through the usual Government channels but as H.E. Monsignor MONTINI has again insisted, I turn to you hoping of your intervention.

The situation of his family as appears from attached documents is really Compassionate as his wife is ill in hospital with a tumour and the doctors have no hopes of saving her life and the elder son has to support the other children who are all minors, in the place of the father who has been away for 11 years.

I thank you in the name of H.E. Monsignor MONTINI for what you can do regarding the above matter.

Sincerely Yours.

COMMUNE OF FIUGGI

Notary-Public Act

In the year 1946, on 30 April, in the City-Hall of this Commune, before me, Mayor of this Community, assisted by Mr. Francesco Spadola Secretary of this Commune, has personally appeared Mrs. Angela Mori, who has requested the issue of this Notary Public Act.

The witnesses, after having been warned upon the religious importance of the oath and upon the punishments given for perjury they swore to tell the truth, nothing but the truth;

The witnesses are the following:

Mariano Scaramastra, son of the late Giuseppe, 55 years old, laborer;

Bruno Riccardi, son of the late Arturo, 28 years old, laborer;
Iorenzo Angiotti, son of Vincenzo, 24 years old, laborer,
all residing at Fiuggi, qualified and personally known to me.

They have concordantly stated that Agostino Rudetti, son of Alberto, presently held as a Prisoner of War in Egypt, is the only support of his family, which is composed with his wife, 2 sons and his parents old-aged and unable to perform any profitable work.

TO : The Allied Commission - Caserta -

I, the undersigned, Mrs. Elvira Cardo, a widow, am appealing to your Commission in order that you may take into benevolent consideration my application tending to obtain repatriation of my son, Vincenzo Cardo, a Lieutenant on active duty, prisoner S. N. 4673, presently belonging to 301st Ital. Coop. Group Section I.C.A.C. - Nairobi (Kenya).

I am not seeing my son since 1937. He used to be my mainstay as I am a widow whose only source of income is a scarce pension. In addition I am in very bad physical conditions either on account of my age (70 years old) and of my being affected with arteriosclerosis, which forces me to stay still for long periods of time.

This is very troublesome for me as I have no relative who may bring me some relief and take care of me when my sickness reaches its climax.

After enduring my son's absence for 9 years experiencing hardships of every sort I, having reached the bottom of my energies and financial possibilities as well rest all my hopes for a passable future, which will be a short one, on your intervention. I beg you to include my son on the list of those prisoners enjoying a special priority on compassionate grounds.

My son's prolonged absence is shortening the few years of life I still have; therefore I iterate my anguished appeal to you in order that, in the name of a divine and moral justice, your Honorable Commission may well understand my pitiful case and do everything within your powers to bring about my son's repatriation.

In the certainty to meet your comprehension, I send you the expressions of my gratitude.

Canosa di Puglia, 5 May 1946

TO : The Allied Force Headquarters - Caserta -

I, the undersigned, Giuseppe Marchese, take the liberty to apply to your Command in order to obtain your consideration of the following:

I am the father of Lieutenant Savino MARCHESI, a POW in the 83rd Camp along R. Bombay (India), under the serial number 46900. He was captured in July 1941. Since the Italian Armistice in September 1943, my wife and I anxiously longed for our son's repatriation so that we could have embraced him and could alleviate the physical and moral hardships caused by the war. But we hoped in vain; days and months went by while our moral tortures were daily increased.

This continuous expectation, at last, led my wife to death: she died on 11 August 1944 serenely in her spirit but desperate in her heart because she would never see and kiss again her beloved son, still away from the Fatherland and unaware of his family's tragedy.

Now I am widowed, a poor 70 year old man, unable to carry out any kind of work. I am alone, with no help, wife, nor comfort: with only a great grief in my heart.

Therefore I am forwarding this petition to your Command in the hope that you will make arrangements for early repatriation of my son on compassionate grounds.

The generosity and clemency of your Command will understand the feelings of a father and will heed his request.

s/ Giuseppe Marchese

Savona 26 April 1946

To the Colonel.

My elder brother Lt. Ernesto POW in Italian East Africa since May 1941 and at present at Nairobi as Co-operator since 21 Jan 46, after having received the news of the death of our two brothers asked the English Captain Commanding the Camp if it would be possible to repatriate him with priority given the special circumstances. The English Capt told us to refer the matter to the nearest Allied Command. The Allied Command at Genoa told my father that the matter must be taken up by the Ministry of Post War Assistance, which Ministry when referred to told us that the directives for the repatriation were already layed on and that my brother being of the class of 1915 would not be repatriated for quite awhile time.

Will you please take this matter up personally with the Ministry of War and see if anything can be done about it. My brother is Lt. VALVASSURA, Ernesto born in 1915 POW 27713-128 Hut Icac Nairobi.

Thank you.

I, the undersigned, Gina Ferraro, daughter of the late Isaac and of the late Grenata, born at Meddaioni (Caserta) on 27 March 1908, a resident thereof, at Via Monte Carlo II tratto # 75 take the liberty to apply to your Command for the following:

As my husband, Vincenzo Carapelle, son of the late Pasquale and of Alfida Rosa, presently being held as a POW in England, has been away from his family for seven years, I had to go through unbearable sacrifices in order to provide for the living of my three children: for wife, Luigi and Rosa. One year ago, my second-born child, Luigi, lost his right arm because of the explosion of an American bullet found by some of my son's same-aged play-mates. In that circumstance those few savings which I had laid aside thru hard work were soon resulting in the deterioration of my financial conditions.

Afterwards I underwent an operation to my left leg, which confined me to bed for quite a long time; later on the conditions of my health did not become normal again as I was still suffering from pains to my operated leg.

I am presently incapable to perform proficient work and I am therefore living in anguish with my three children, on account of my husband's absence.

Therefore I am compelled by necessity to make this appeal to your Command in order that you may heed my case and aid my destitute family in whatever measure you will deem.

In the certainty of your human intervention I thank you and respectfully.

Yours sincerely

Reference your IPW/1/100/1464 B dated 16 April 46.

From the information given in Miss WIDMANN'S letter, a copy of which was forwarded with yours of above reference, we are unable to connect the P/W mentioned with any existing claim in our office. The only grounds we have for requesting priority repatriation of an Italian P/W are those of assistance given to Allied escapees or evaders by members of the P/W's immediate family.

If we could be given the name and address of the parents of P/W MELONI, together with details of help given to English P/W's, it is possible that we could initiate action for priority repatriation.

IL PRIMO AIUTANTE DI CAMPO GENERALE
DI S.A.R. IL LUOGOTENENTE GENERALE DEL REGNO

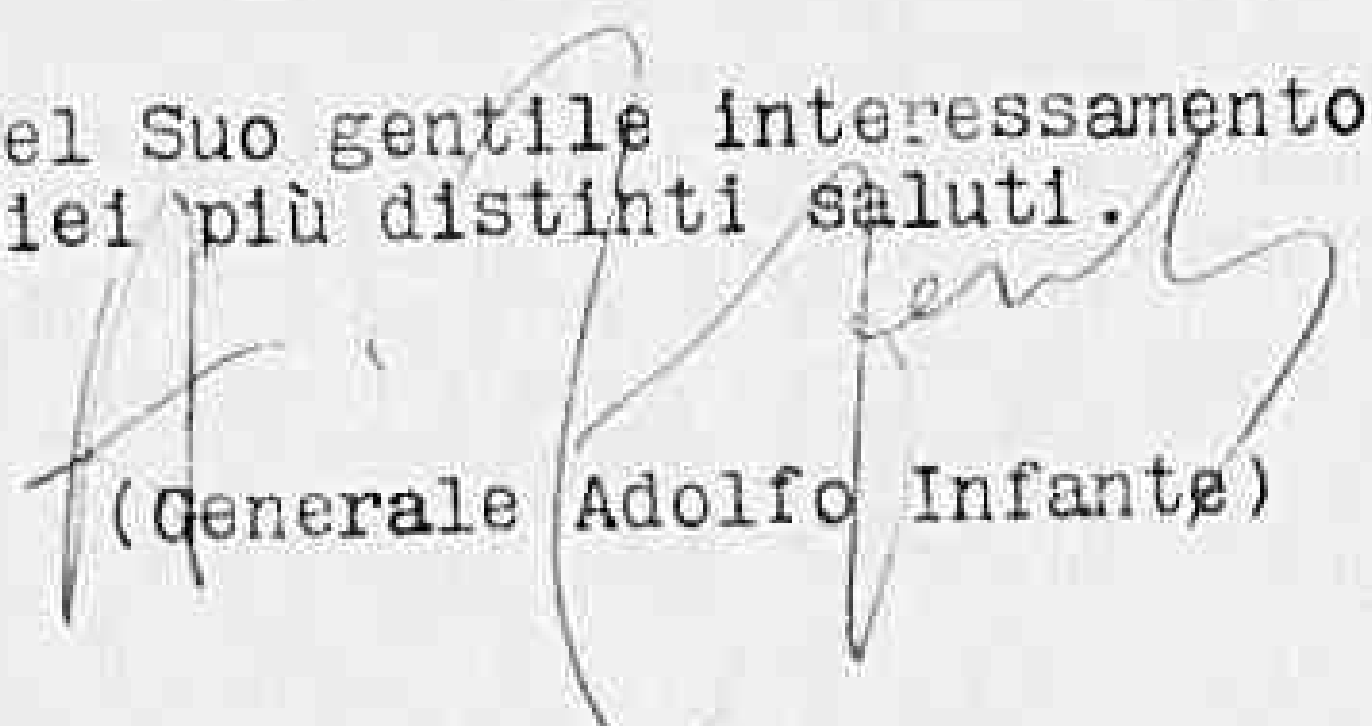

Caro Colonnello Regis.

Il Sig. Onorato Guariglia, residente a Napoli, Viale Elena, 23, ha qui invocato il rimpatrio del proprio figlio Antonio, sottotenente del Genio, prigioniero da tre anni a Bombay, P.O.W. 333378 Camp 10, Wing 1.

Il ritorno del predetto figlio sarebbe necessario in quanto il padre che è ammalato e inabile a lavoro proficuo, non può continuare il lavoro dell'Agenzia N. I dell'Istituto Nazionale delle Assicurazioni in Napoli, del quale è titolare unitamente al figlio Antonio.

Le unisco due certificati medici dei genitori del Sottotenente Guariglia, la copia della domanda qui presentata dall'interessato e le generalità del prigioniero, segnalando alla Sua cortesia il desiderio espresso dal Signor Guariglia, affinché possa esaminare la possibilità di accontentarlo nella sua aspirazione.

Grato fin d'ora del Suo gentile interessamento in merito. Le invio i miei più distinti saluti.

The undersigned Onorato Guariglia father of POW 2nd.Lt. Antonio Guariglia POW No.333378, Camp 10, Wing I, Bombay, states as follows:

Antonio Guariglia was captured at Bardia on Jan 2, 42 and has been a prisoner for 4 years. He holds a job at the National Insurance Co. in Naples.

The family has no private income and live on the son's earnings.

He will be dismissed from the Company if his son does not return, due to a diminution in the personnel. He and his wife are both 68 years of age.

In order to keep his job his son must return and he therefore requests his repatriation.

His other son whom he cannot count on because he is married and has children to support collaborated since October 43 with the Allies as a Naval Lt. as Liaison Officer at the A.M.G., Naples and is at present the Commander of the steam-boat "Citta' di Alessandria" on duty with the Allies.

Hoping that my request will be favourably granted I thank you.

TRANSLATION

(1510)

Naples, 22 March 1946.

To : The Allied Forces Headquarters.

I, the undersigned, Marcella Paone, married to Fontana, am applying to your Command in order to urge my husband's release. Last year I forwarded to the Italian High Commissioner for Prisoners of War an application, in which I requested the repatriation of my husband, taken prisoner by the British Troops on 15 April 1941 at Addis-Abeba. My husband is presently held in a concentration-camp located in South Africa.

Being in very critical health-conditions because of nephritis, pleurisy and colicky disorders, my husband's presence is urgently needed. Therefore, I take the liberty to lay before your Command my particular case in the hope that you will give to it your highest and benevolent consideration.

Six months ago I have had the grievous burden to loose a son of mine, who was 4 years old. In consequence of this grief my health-conditions have been getting worse, and a surgical operation has been considered urgent. It's my earnest desire to undergo the surgical operation only when assisted by my husband. Indeed, being the surgical operation very-delicate, I fear to die while being operated and to leave so abandoned my only daughter.

After having endured many hard-ships in Africa, from where I was repatriated as a refugee, I urgently need the material and moral assistance of my husband.

I am sure that you will accede to my request by releasing my husband.

I thank you in advance. Accept my kindest regards.

Yours devoutly

s/ Marcella Paone Fontana.

My address is : Corso Umberto, 191. Napoli.

I, the undersigned, Giovanni Rea, beg your Command to release my son Francesco Rea, a P.O.W. stationed at Farndon Road Camp. Market Harborough, Leics. Great Britain.

I and my wife are two old-aged persons and unable to work because of the poor health conditions. I have to support a numerous family and find myself in very dire financial conditions.

It is almost 6 years that my son is held as a P.O.W. and only his help can bring the family to a normal level of living.

In the hope that your Command will take this application into benevolent consideration, I remain

Yours very truly

s/ Giovanni Rea
