SUBJECT : Warrant Officer R.E.
BERARDI Mario son of the late Tommaso born in 1898-

The Ministry of Foreign Affairs has the honour to request that your Division take up the matter of the repatriation of the warrant officer in question with the competent Allied Authorities; who is interned in Camp No.3 POW. N.E.20862 South Rhodesia.

His case could receive priority under the ruling of the Allied Authorities as his wife is very ill and poor being obliged to live on charity.

The Ministry of Foreign Affairs has nothing contrary to this repatriation and calls your attention to the urgency of the case while awaiting your courteous answer,

TO: G.H.Q. C.M.F. Naples

I, the undersigned, Savino Delle Noci, son of the late Francesco, residing at Andria Via Tesorieri 29, am applying to your Command for the following:

We Savino Delle Noci and Maria Concetta di Gioia, parents of soldier Giovanni Delle Noci, presently held as a Prisoner of War at the 141st Concentration-camp located in Great Britain, being without any material support and in addition being stricken with paralysis as you can notice through the inclosed medical certificates, are applying to you so that our son be immediately released.

The return of our son, who is our only support and help, will smooth and alleviate our sorrowful life. My son was taken prisoner in 1941 and since then we have been living in such a bad situation. In addition being our health-conditions getting worse we ask you to allow us to embrace our son once again.

In the hope that you will accede to our request we thank you very-much. Accept our best regards.

Herewith inclosed are two-medical certificates. We attest to the exactness of the above statement.

Subject: Repatriation POW ME/90340 CAMILLITTI Ugo. -

Ref. letter n° IPW/I/Ica/I429 B dated
30/3/46. -

Inquiries have been carried out concerning the repatriation on compassionate grounds of airman CAMILLITTI following an application made by his mother which was forwarded to your Commission.

From information received, it appears that his family lived in ~~Abete~~ until August 1942, his father died previously in Addis Abete.

From then on his mother CATHIA Maria, together with daughters Lilianna and Maria Luisa reached, as evacuees, the city of Rome where they live in Via Azio n° 12. -

From a certificate issued by Pre-natal Clinic of R. University of Rome on the 3rd May 1946, it appears that the a/m Signora has been admitted to the clinic in order to undergo an operation, for the removal of a cancer from the vaginal canal; and she has to undergo another operation for the same disease.

Her daughter Maria Luisa is suffering from pleurisy. Her younger daughter, Lilianna, is employed privately and earns 8.000 lire per month.

The mother, though in poor health conditions also helps the family, by doing private nursing, thus earning ~~very~~ little money.

The family receives from the Ministry of Africa, as ex-4593

application made by his mother which was forwarded to your Commission.

~~From~~ ^{From} information received, it appears that his family lived in ~~Ababa~~ until August 1942, his father died previously in Addis Ababa.

From then on his mother CATHIA Maria, together with daughters Lilliana and Maria Luisa reached, as evacuees, the city of Rome where they live in Via Ezio n° 12.

From a certificate issued by Pre-natal Clinic of R. University of Rome on the 23rd May 1946, it appears that the a/m Signora has been admitted to the clinic in order to undergo an operation, for the removal of a cancer from the vaginal canal; and she has to undergo another operation for the same disease.

Her daughter Maria Luisa is suffering from pleurisy. Her younger daughter, Lilliana, is employed privately and earns 8.000 lire per month.

The mother, though in poor health conditions also helps the family, ~~by~~ doing private nursing, thus earning ~~very~~ little money.

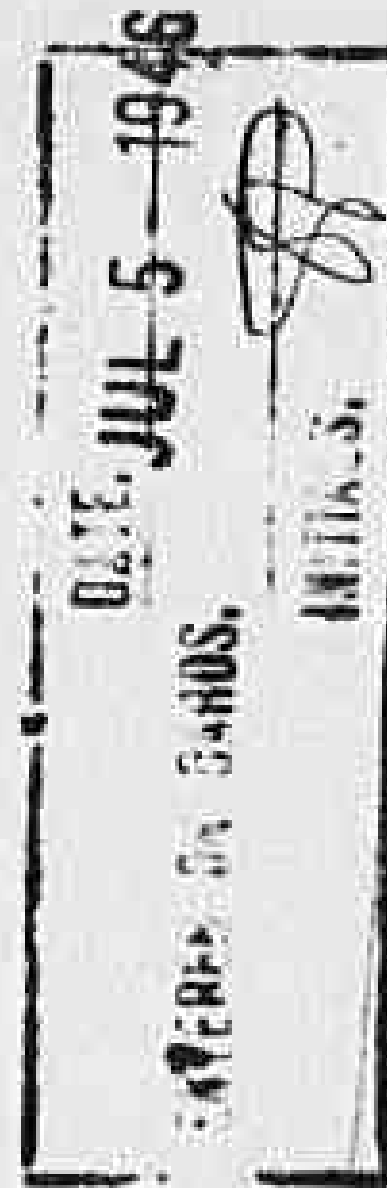

The family receives from the Ministry of Africa, as ⁴⁵²³ from East Africa, 740 lire per month; and also receives from the Air Ministry, in advance, 1/3 of the pay due to airman Camilletti equivalent to 437 lire a month.

The above family, moreover, occupies a furnished flat in the a/m street, for which they pay a monthly rent of 740 lire.

Due to the above, we are of the opinion, that we cannot consider the repatriation on the basis of these conditions.

PRO-MEMORIA relativo al

Dott. RICHIANO MARAMOTTI, fu Giorgio e fu Maderai Giuseppe, nato a Riva S. Vitale (Svizzera) il 7 novembre 1904, coniugato con Derna Pensi - prole: n.2 figlie di età 12-10 anni.

magistrato (A-VII)

Residenza della famiglia: Via A. Vespucci 10 Viareggio (Lucca).

Posizione del Dr. Maramotti prima della guerra: già Pretore a Massa Aponia, nel settembre 1939 veniva comandato presso il Ministero A.I. a prestar servizio quale vice giudice della Colonia della Giudicatura di Harar (A.O.I.).

Posizione del Dr. Maramotti nella guerra: richiamato alle armi per mobilitazione; quale S. Tenente di Fanteria, il 19.5.40 fu assegnato ai Tribunali di Guerra dell'A.O.I. sino alla cattura da parte di truppe alleate per la caduta di Giama il 21 giugno 1941 - P.O.W. n. 40675 nei campi di prigionia del Kenya (365-356).

Dopo l'8 settembre 1943 faceva richiesta volontaria di cooperazione.

Nell'aprile 1945, richiesto dalla Corte d'Appello di Asmara, veniva dal Comando Britannico inviato in tale località, ove dall'ottobre 1945 presta ininterrotto servizio quale giudice presso quel Tribunale Civile e Penale, pur restando "prigioniero di guerra in libertà di movimento".

Nel 2° semestre dell'anno 1945 venivano richiesti dal Governo Italiano "per la ricostruzione" dei campi di prigionia del Kenya magistrati e funzionari di cancelleria - prigionieri di guerra; nei primi mesi dell'anno 1946 tutta la classe 1904, di prigionieri di guerra, veniva rimpatriata;

giugno 1941 - P.O.W. n. 40675 nei campi di prigionia del Kenya (365-356).

queste due possibilità non potevano venire usufruite da Maramotti che, assente dal Kenya, s'era prestato- quando ancora la guerra era in corso- alla collaborazione.

4520

L'Ufficio rimpatri della B.M.A. dell'Eritrea ha in questi giorni comunicato che fra qualche tempo saranno rimpatriati dalla Colonia circa 3000 connazionali, tra cui "persone richieste nominalmente dal Governo Italiano".

E' questa l'unica possibilità che si presenta perché il Dr. Maramotti possa ottenere un sollecito rimpatrio. A tal fine il Ministero della Giustizia dovrebbe pertanto richiedere alla Commissione Alleata in Italia che il nominativo del magistrato Dr. Maramotti fosse incluso nella lista in parola.

Si rappresenta infine che la presenza del Dr. Maramotti è assolutamente indispensabile in Italia per molteplici ragioni morali e materiali, fra cui:

la di lui moglie malata; la famiglia senza casa- ospite di pa-
renti; l'educazione dei figli; la ripresa del proprio "normale"
posto di lavoro dopo una assenza di circa 6 anni.

La permanenza del Dr. Maramotti in Eritrea non è di alcun bece-
ficio per la famiglia, dato che l'assegno che riceve dalle au-
torità di occupazione, è appena sufficiente per le di lui spese
di sostentamento - ne è di alcun vantaggio per il governo Ita-
liano che continua a pagare alla famiglia la metà stipendio senza
avvantaggiarsi dell'opera del funzionario dello Stato.

THE UNDERSECRETARY OF STATE
PRESIDENCY OF THE COUNCIL OF MINISTERS

Rome, 7 May 1946.

Dear Admiral,

My attention has been very particularly drawn to the case of a prisoner of war, 2nd Lt Mario CRISTIANO (Serial Nr 359889, Camp 305, Egypt) who was captured at El Alamein and transferred since several months to the abovementioned camp, as Camp 303 where he was before had been demobilized.

His conditions of physical decline and of nervous breakdown are seriously worrying his family which has already been recently suffering from other misfortunes.

I should be most grateful if you would kindly examine with special consideration the case of 2nd Lt Cristiano as well as the possibility of hastening as much as possible his repatriation.

Believe me, dear Admiral,

very respectfully yours,

Roma, 7 maggio 1946

Illustre Ammiraglio,

mi viene segnalato in modo del tutto particolare il s. tenente Mario CRISTIANO (matricola n. 358889, Campo 305, Egitto) prigioniero di guerra, catturato a El Alamein, trasferito da qualche mese al campo predetto per smobilitazione del campo 303 ove egli si trovava.

Le sue condizioni di deperimento fisico e di esaurimento nervoso destano le più gravi preoccupazioni nei suoi familiari, recentemente colpiti da altre sventure.

Le sarei vivamente grato se Ella volesse fare esaminare con speciale considerazione...

1641

Cuneo, 10 June 1946

TO: Allied General Command

After one month from my first application I am applying to you afresh in order to urge the release of my husband Dante Spedini, a First Sergeant in the Italian Army.

I learned from the Riccione Command that our husband had to hold themselves eligible for release beginning from 23 May 1946 by order of your Supreme Command.

The Riccione authorities wrote me that my husband would return home within a few days but 20 days have already elapsed since without my husband coming back.

Therefore I am appealing to you who are so good and certainly have a wife too and, perhaps, some children. I entreat you to heed my prayer and return my husband back to his child and to myself, being in a great destitution.

How is it that our husbands, who remained at Bologna in the Military Hospital, though discriminated by the Camp's Commission and, afterwards, by the Ministry Commission are not being released as those who have gone to Taranto?

While expecting a kind reply from you, I send you my best regards.

yours truthfully

Caro Norman:

Ho sempre avitato di disturbarti con sollecitazioni, ma questa volta mi sono spinto da un dovere di umanità a rivolgerti una preghiera, a favore della signora Maria Manno Serventi.

Essa ha inviato al l'Ammiraglio Stone la lettera di cui ti accludo copia originale.

Il caso e' tragico: la povera donna sta diventando cieca e chiede che sia frettato il ritorno di suo figlio (Tenente Eugenio Manno) dalla prigionia (23/1/B POW Camp V Yol, Kangra Valley, India) affinché' essa possa rivederlo ancora una volta prima che i suoi occhi finiscano di spegnersi!

Caro Norman, conosco il tuo cuore, e sono certo che farai volentieri quanto e' in te per asciugare questa delle tante lacrime che si versano oggi in Italia.

Grazie e cordiali saluti

TO: The Allied Forces Headquarters - Canada -

I, the undersigned, Girolamo Carignan, son of Giuseppe, residing at Sossano (Vicenza), am applying to you in order to obtain the release of my son Giuseppe Carignan, A.S.N. 385274, presently held at the 1647 Italian Detachment c/o Central P.O., Section Middle East Egypt. He was taken prisoner by the British Forces in May 1943. Being my wife seriously ill inasmuch as she is affected with gastric carcinoma, the presence of my son is urgently needed.

It is my wife's earnest desire to see her son once again before dying. Encouraged by your high humanitarian feelings I hope that you will accede to my request. I thank you in advance. Respectfully, Dear Sir, Yours.

Yr. Girolamo Carignan.

Dear Colonel,

With letter dated 5th April 1946, Lt. Moro Lino, IFW at 300 POW Camp - Kenya, complained about the bad postal service, which almost from the beginning of the present year, deprive the POWs of news from their families.

I shall be grateful if you would approach the competent authorities on the matter and, at the same time, possibly, consider the early return of Lt. Moro, whose repatriation has been recommended by H.E. Mons. Montini.

Thanking you in anticipation for everything,

Therefore I implore your Command to urge my son's release. In the certainty that my request will be heeded, I thank you beforehand.

Yours respectfully

His Britannic Majesty's Minister to the Holy See has been approached by the Vatican with the request for the immediate repatriation to Italy of the Italian Prisoner of War Armiato Angelo, of the 1912 class, at present No. 106734 in the Italian Prisoner of War Camp in the Union of South Africa. There is transmitted a doctor's certificate to the effect that his widowed mother is seriously ill and in imminent danger of death.

A similar appeal has been received in respect of the Italian Prisoner of War, Lieutenant of Artillery Dr. Carlo Predome, Depot Pioneer Corps, Meerut, India, whose mother is also dangerously ill.

Sir D'Arcy Osborne would be grateful if these cases could be given sympathetic consideration and exceptional treatment on compassionate grounds.

I the under signed RACIOPPI Giuseppe begs you to inform
Pte LISA Antonio that his wife died on the 25.1.46.

The four children of Pte LISA, all under age, are now
left with nobody to look after them.

I therefore beg you, if it is in your possibility, to
include Pte LISA on the list for the next repatriation considering
that his four children are in a state of misery.
