TO THE C.O. EAST AFRICA COMMAND

Buenos Aires, August 3rd 1946

Dear Sir,

This is to request the repatriation of Seaman S.O.59609 - PIAZZA Vito - Italian 351.

This plea obeys to the fact that the above mentioned Seaman's mother, an old woman, is very ill and has nobody to care for her. She is therefore in great need of spiritual and material support, having no member of her family in Italy, for all her relatives are in America.

As I am not acquainted with the regular procedure to be followed in such cases, I beg of you to see that the necessary steps are taken to allow Seaman PIAZZA to join his mother in Italy, for she is lonesome and helpless and always pleading for her son to come to her.

Hoping that the Almighty will influence and reward your decision, I remain your most thankfully and very truly.

Signed, Rosario PIAZZA

Dear Sir,

The Marchesa Quéz Ovigo (English) who is known to you, has very kindly given me permission to mention her name when writing to ask you what I can do to taken the repatriation of my son-in-law, absent from Italy since 1937 - an ex-concessionario on the Lago Adele- Harar- Abyssinia- Now a p;w; since the fall of Harar in 1941 first in the concentration Camp for Italian Evacuees - NARDO GOVONI nº 25913 - Camp 13 - Kenya- Now, since this Spring 1946 - in the family of Mrs.C.C. Pitt-Morre-Kiambu- Kenya as a worker. I believe automobilist.

I am an ex-internee- arrested as a British subject (although widow of an italian as antifascist- put into prison, prived of our apartment- where I was living with my daughter and her baby of 3½ - wife and baby of the above mentioned, NARDO GOVONI- She and her baby had to follow to where I was interned at Piave S.Stefano, being without roof or means. At the distruction of this place by the germans by mines, we hid in the hospital just outside this small town, then his was shelled by them, and many killed; we had to fly- I and the baby (my little grand daughter), in one direction - and my daughter in another, until rescued by the British soldiers of the 8th Army. I've two taken to the Hospital at Sansepolcro and my daughter found the day after (5 Sept. '44), also by the British, who after a week at some Hospital, had to take her to the Psichiatric at Siena, where she still is in the paupers ward of the Infirmore there although better, still mentally deranged. The Marchesa Ovigo would confirm what I say.

I am 70 years of age - No British relations except very little known - niece, daughter of a step sister- My small income still in the hands of the Custodian of enemy property- I am only getting driblets of a small sum of back interest, accumulated during the war. I am or was, one of my son- in- law's family- he absent, we there are absolutely in a bad very financial, and need the repatriation of the head of our family. NARDO GOVONI to system own situation, for it cannot continue this life of

sacrifice and discomfort at my age. I have no subsidy of any but from Italian sources - and if it were not for great kindness shown to me by the Marchesa Ovigo, who has under momentarely taken already since a year, the keep at "La Foce"- Chianciano - of my letter grandaughter- I couldn't manage - My son-in-law, I can give my word of honour was not a fasciat- but very much the contrary, and only took his tessera in '39- in order to and this land concessions, after having been very badly treated in Abyssinia for not being a fascist , and having his garage closed for this reason.

I do beg you will keep me to has ten this repatriation; I am old and not in very good henkth - and it is tilling me all this sorry.

Should you wish for information is reference to me. I am sure the Marchesa Ovigo would g__ if you- She shortly will be at her Villa "la Foce"- Chianciano - Toscana -

MEMO FOR COL. J. E. REGIS

My cousin Giuseppina TOMBA, wife of Lt. TOMBA Federico P.W.I. No.47157 No.5 PW Camp at Myrtleford- Victoria- Austra_ lia, has a bleeding duodenal ulcer and should undergo a severe surgical operation, which she does not want to have preformed until she has seen her husband whom she has not seen for six years.

Could you have the POW in question repatriated as soon as possible on Compassionate Grounds?

My cousin Mrs. Tomba during the period from the 8th Sept. 43 up to the liberation (26th April 1945) helped and gave hospitality, at the risk of her own life and the lives of her family, to escaped Australians Pow, amongst them were the following :

G.C. BLOOFIELD - River Road- Harvey - WEST AUSTRALIA.

E.N. CRAPTON- 47 Bicarbson S.T. - Boulder- WEST AUSTRALIA.

who could testify that the above statement is correct, also the aid she gave was regularly reported to the A.M.G. of Vercelli and to Capt. Principe Russel of the Allied Command at Milano.

I therefore dare to hope that because of the help she gave the Allies, her husband may be repatriated immediately.

Thank you.

pletamente a terra. Quindi essendo ormai 9 mesi che il mio ma=
rito non prende più sue notizie che è IO anni che si trova in
Africa e ora è già 5 anni di campo di concentramento in Kenya
e io avevo l'unico figlio di 9 anni e mezzo col primo bombar=
damento si è ferito e mi è vissuto 4 mesi e poi dovette morire
con grandi atroci dolori e allora mio marito sentendo che il
suo caro figliuoletto è morto non sono più stata capace di pren=
dere le sue notizie così io avevo fatto due volte i documenti
per farlo rientrare a casa ma non vidi nessuna risposta.Quindi
mi rivolgo a Voi Consolato che siete tanto buono e che sapete
cosa vuol dire la povertà di ricercare se potete e fare rien=
trare a casa il mio marito quanto prima ossia darmi una spiega=
zione se potessi sapere qualche cosa di lui se mi fate questo
grande favore che almeno potesse venire a casa a darmi un aiuto
perché ora proprio non posso più vivere soltanto con L. 500
mensili.

L'indirizzo del mio marito è questo:

TRADUZIONE

Egregio Signore,

questa Commissione ha ricevuto la corrispondenza da lei spedita al Ministero della Guerra Inglese.

Mentre la richiesta di aiuti finanziari non può, purtroppo, ricevere alcuna considerazione, almeno da parte del Governo Britannico, cercheremo di interessarci in modo speciale per un pronto rimpatrio di suo figlio Pietro dal Sud Africa.

Poichè dai nostri protocolli appare che suo figlio non è stato ancora rimpatriato, voglia gentilmente darcene conferma, in modo che si possano fare i passi necessari per ottenergli la precedenza nel rimpatrio.

Dear Phillips,

--- I am sending you herewith in original a letter dated 24th May, 1946, and other documents sent to the War Office by an Italian called Signor Carlo.

--- 2. I am also sending copies of a War Office Memorandum to the Foreign Office, and the resulting letter from the Foreign Office to this Embassy.

3. As one son of Signor Carlo lost his life in one of the 1st Italian Units raised and trained to fight against the Germans, and has been awarded a certificate by G.O.C. XIII Corps, describing his services in glowing terms, I feel that we should at least turn on priority repatriation for the P.O.W. brother, if you see no objection, although financial assistance is out of the question.

4. It is just this divergence between the attitude of London and that of the Commanders in the field which bedevils our relations with the Italians, who cannot understand the difference. I believe, too, that this is the sort of case which M.M.I.A. is struggling to prevent.

5. I should be grateful if you would let me know in due course whether you have been successful and if you would inform Signor Carlo of the action taken. 1803

THE KING OF ENGLAND

L O N D O N

EXCELLENCY,

the undersigned ALLEGRINI CARLO, mutilated of 1915-18 war, relates to you as follows:

in the war, when Italy and England fought together against the worst enemy of mankind, I had the ill-luck of losing my leg; but I was proud for this, because I contributed to the victory of justice on barbarity, with my humble gift.- But after some years, the beast that had been killed, appeared again, thank to some unknown device and to the winner's magnanimity.- The German army had been quite defeated, but, under the guide of the barbarian Adolph Hitler, drew the lots again, but justice triumphed thank to the allied soldiers, and the Germans were dun again, and as such defeated as they will be unable to raise their head again for a new conflict against mankind.- Thanks for this immense help, the land, sea, air English forces gave to the whole world, glory to them who died for this holy triumph.- Also I had two sons to offer and offered them: the elder,(born in 1920) ALLEGRINI Piero, was made a prisoner by the valorous 8th army at To-

of losing my leg; but I was proud for that,
contributed to the victory of justice on barbarity,
with my humile gift.- But after some years, the beast
that had been killed, appeared again, thank to some
unknown device and to the sinner's magnanimity.- The
German army had been quite defeated, but, under the
guide of the barbarian Rudolph Hitler, drew the lots
again, but justice triumphed thank to the allied sol-
diers, and the Germans were mad again, and so much
defeated as they will be unable to raise their head
again for a new conflict against mankind.- Thanks for
this immense help, the land, sea, air English Forces
gave to the whole world, glory to them who died for
this holy triumph.- Also I had two sons to offer and
offered them: the elder,(born in 1920) ALLEGRINI Piero,
was made a prisoner by the valorous 8th army at To-
bruch, where he is still, while the younger one esca-
ped from the ranks of Italian Navy as soon as he could
to volunteer in the invincible 8th Army, where he
fought with pride and enthusiasm in its ranks as far
as Florence,but the 4th of August 1944, while in the
preparatives for attacking this town, he was struck
to death by an enemy boat; in this way a young life

ended, the life of a volunteer among volunteers, thi
life of him who always longed to fight against the
hat e ful Germans.-

Excellency,

after the lost of such a son of mine and with the other
who is still a prisoner, certainly we, parents, have
had the hardest blow, so much so as my wife, the mother,
has been afflicted with scrofulous tuberculosis this
four years, and she needs frequent and expensive medi-
cines, which I cannot supply for my mutilation.- Our
lives are a continual sorrow and the picture of the
most pitiable poverty, I do not know what will be of us,
and what my decisions will be, if a help will not come.-

Excellency,

I beg your pardon for this disperate cry of mine, in
the hope to be taken into consideration by xr you so
that I may have the help before too late.- You can
know the truth about my son from the papers enclosed and
know indeed if my son was just as I have described
him.- I entreat you larnestly so that, within the
concessions of the English Government (you are the
representative of) for those who, losing their lives,
deserved to be honoured, he may have those benefits

Italian Government did nothing for me, inspite of my iustances.-

Message from the General Commanding the 13th Army Corps on the departure of Private Allegrini Mario A soldier belonging to the "F RECCE" Squadron

It is with profound grief that I send you this message of good-bye on the painful and moving occasion which signifies the end of the long and loyal co-operation between the Squadron "F.RECCE" and the 13th Army Corps. The Squadron "F.RECCE" was the first Italian Division to take up arms against the common enemy and which showed by its verve and deeds that Italy would have fought at the side of the Allies to acquire its new liberty. Ours was a true comradeship in arms. The Squadron "F.RECCE" commanded with skill and ardour by Francesco Gay, always carried out with very great courage and highest success every task assigned to it.

The laurels of the Squadron were won by the heroism of its soldiers on the snows of the Maiella, on the ruins of Cassino, in the vineyards of Tuscany and in the winter mud of the Appenines. Your final operation, the break on to the Padua plains was the true peak of your aspirations and the true expression of your souls.

Some fell, let us remember them.

You have written a glorious page in the history of the liberation of your country, a page which will be often read again in the future. Now we must all of us look to the future. Now that the battle is ended many of us will be going home. The soldiers of the 13th Army Corps will not forget you. In their name, as also on my behalf I salute you and wish you all the best. Good bye.

Ill.mo Signor Colonnello,

è stata umiliata supplica al Santo Padre, chiedendone l'Augusto Interessamento per ottenere un sollecito rimpatrio del Pen. ANTONIO JASCONE-MAGLIERI, matr. 35181, Campo 356, Kenya.

La madre del prigioniero, Sig. Maria Giacinta Iascone-Maglieri, dovendo sottoporsi a lunga e dolorosa operazione, come risulta dall'acluso certificato medico, vorrebbe prima riabbracciare il figlio, giacchè teme che l'età avanzata difficilmente le permetterà di sopravvivere.

Mi permetto pertanto di segnalare il caso pietoso in parola al Suo benevolo Interessamento e La ringrazio fin d'ora di quanto potrà fare in merito.

Would it be possible for you to ask the Court, Indian to give such priority as is possible to this case to return in view of the special circumstances?

I would have sent this note through the Liaison Group, Venezuela but I am not sure whether it still exists.

If anything can be done in this case I should be most grateful.

Ill.mo Signor Col. James REGIS

Capo della Sotto commissione Alleata in Italia per i Prigionieri di Guerra

Roma

Mentre sentitamente ringrazio V.S.Ill.ma la gentile Sua fattami pervenire, purtroppo debbo comunicarle che mio marito non è stato compreso fra i 3100 prigionieri partiti il primo di agosto dall'Australia.

Non può immaginare quanto dolore mi abbia procurato questa nuova delusione patita. Da qualche tempo soffro per un ulcera duodenale sanguinante che richiede un'intervento obbligatorio; intervento ch'io non intendo sottopormi se non dopo di aver prima riabbracciato mio marito.

Per non rattristarlo maggiormente avrei voluto tenergli nascosto tale mio malessere, ma la notizia della sua mancata inclusione fra i partenti mi ha indotto, tramite Stazione Carabinieri di Vercelli e Ministero di Assistenza Post-Bellica di Roma, di inoltrare una documentata pratica.

Voglia V.S.Ill.ma essere tanto buono di concedermi di poter rivedere ancora mio marito prima di sottopormi ad un atto operatorio che potrà forse costarmi la vita.

Avrà le più fervide benedizioni di due cuori che da quasi sei anni anelano di ricongiungersi.

Confida e spera

2. From a letter he has received from his brother, it appears that his mother underwent an operation in February 45 and his father, who is suffering from blood pressure, is in a critical condition. Their respective ages are 50 and 53 years.

3. They rely for food on the allowance made to them by the Italian Government which is barely enough to suffice for one person. In addition to this, they require various medicines, which, due to lack of money, they are unable to purchase.

His father and mother died of consumption. His wife is sick and has no means of earning a living to support herself and a child.

The following are two extracts from letters written by Mrs. LOMBARDO to her husband:

' I have done all the possible for your parents and I think I have spoiled my health. I caught a bronchial catharr matched perpetually with fever. Do you think I shall die in your parents' same way?

' I do not know what will happen and I do not understand it. My bones look like glass. From today on I will undergo a recovering treatment which, I hope, will abate my bad cough and take of my fever which is causing me so much anxiety.

Sir,

We, the undersigned three sisters Margherita, Virginia and Pierina BONATO beg to submit our case to your kind attention.

1. Our brother PIETRO BONATO a former employee of the Bank of Massaua, while serving as a Second Lieutenant in the Italian Army, was taken prisoner and shipped to India five years ago.
His address is now as follows:-

YOL KANGRA VALLEY (India)

2. During our brother's absence both our parents died.

3. The three of us have thus been left alone with no one to assist in the management of our business (a farm and a hotel) at Bassano del Grappa and the presence of our brother is therefore of paramount importance to us.

4. Three certificates issued by the Town Office of Bassano del Grappa are attached as evidence in support of the above.

Relying on your benevolent consideration we wish to express our gratefulness in anticipation of whatever you will do to meet our request.

I apply to you, Sir, so that my son's naturalization be ordered by yourself.

I beg you, Sir, to consider this application of mine.

All a petition addressed to the Allied Commission, Rome.
The organization, Mr. DISORDI Lorenzo, living at Falconara(Ancona)
begs to ask for the release of his son DISORDI Lorenzo, a P.O.W.
registered as 81 S 697348H, U.S.P.O.W. P. 9045, NAPLES.

He points out that he has lost another son in a war action,
and that the return of the P.O.W. in question would be of a great help
to his family, especially considering the advanced age and the poor
financial conditions of his parents.

Thanking in advance,

sgd/ DISORDI Lorenzo.

Attached to the petition are two statements issued by the Mayor and
Parish Priest of the place, both issuing a favourable opinion to the
return of the P.O.W., and asking for a kind acknowledgement of receipt.

I, Francesca Ragonese carried to Provagliante, with home in Palermo Via Pari 8, have my husband sick of bronchial asthma (see attached medical certificate) and I beg you for having my son Provagliante Calogero repatriated: P.W. 1017 - 3rd Italian Generator Group ... (C/O B.F.S.) (Kenya) NAIROBI.

This P.O.W. has been away from home since the 3rd of March 1943 and prisoner of war for 4 years.

As I have lost the other 22 years old son on the 9th August 1943, the family remained without any help as he was the only one who could take care of the home affairs as the father cannot work for his sickness.

The a/m prisoner of war, if released, would not be unemployed, as he should manage personally a Hotel and restaurant in Isnard, Corso Margherita 52, which is now administrated by strangerous people.

Furthermore a credit balance is existing which was sent by the P.O.W. himself the sadly in bad conditions.

Please authorize the return of the son.

Io sottoscritta MONACO Adele, moglie di Altesiano Francesco che attualmente trovasi prigioniero dal maggio 1945 nel campo N.3 R.N.T. di Miramare Rimini, chiede venia ad esporre quanto segue:

Mio marito era manovale presso la stazione F.S. di Cuneo ed era comandato dall'Amministrazione Ferroviaria a prestare servizio presso la Milizia Ferroviaria. In verità esso era di sorveglianza ai carri ferroviari per evitare furti, controllava i biglietti ai viaggiatori, il peso dei bagagli etc., percepiva lo stipendio dall'Amministrazione ferroviaria e seguiva la carriera e la sorte di tutti i ferrovieri: così come tutti i suoi compagni di servizio. E' risaputo che i capi suoi erano esclusivamente dei ferrovieri: Ispettori, Capi stazione etc. della ferrovia e nessuna ingerenza politica o militare esterna esisteva gli appartenenti tutti che lavoravano esclusivamente nell'ambito ferroviario, per l'interesse del patrimonio ferroviario, sotto gli ordini dell'amministrazione ferroviaria.

Premesso quanto sopra, io dalla data in cui mio marito è considerato prigioniero di guerra mi vado chiedendo il perchè di tale fatto. Da quanto io so nessun agente della ferrovia è internato in campi di concentramento, ed invece ciò si verifica per mio marito e per molti suoi compagni di lavoro di Cuneo tutt'ora internati nel campo di Rimini Miramare N.3 R.N.T.- Mio marito è l'unico sostentamento della famiglia che pertanto dal maggio dello scorso

Sig. Colonnello,

Il ritorno di molti prigionieri sparsi per ogni dove, mentre mi rallegra, mi addolora per il ritardo del mio figliuolo che inizia il settimo anno di sua forzata lontananza. Io sono sua madre, già vecchia ed acciaccosa e consumata dalle pene e dalle privazioni subite in questi anni di dolorosissima prova, che, conosciuta la bontà del Vostro cuore paterno, Vi rivolgo la calda preghiera di dare la precedenza al mio caro,"Sergente MESSERE Nicola" fu Francesco - Matricola N° 97203 - Prigioniero di Guerra - UNION OF SOUTH AFRICA", perché in casa si sente assoluto bisogno di lui. La moglie da sola, di salute molto cagionevole, non può badare al sostentamento e all'educazione di due piccine che non conoscono affatto, o quasi, il loro babbo; mia figlia, impiegata da tanti anni, ora stabilmente sofferente, non può più pensare al mantenimento di due famiglie, specialmente ora che la vita è tanto dura e cara,perciò faccio ricorso a Voi, perché poniate termine alle mie insistenti preoccupazioni, dandomi la gioia di farmi riabbracciare il mio amatissimo prigioniero. La riconoscenza mia e di tutta la mia famiglia sarà imperitura.

In attesa di un Vostro desiderato cenno di reale interessamento, Vi ringrazio di cuore.

SECRETARIAT OF STATE

Prot.n. 00714376

Dear Colonel Regis,

The Holy See has been asked to take up the matter of the repatriation of 2nd Lt. ZOVATO Luigi (son of Antonio) Pow No. 106377 ME Camp 28 - 11- B- India, whose return is requested for very urgent motive.

He is married and has a son 6 years old. His family resided in Zara and have now been refugees for many years in the Province of Padua and are living under very bad financial condit_ ions. The gravity of their situation has greatly increased in the last few months due to the fact that his wife, Capurso Maria Zovato has had to go to the Sanatorium of Camposanpiero (Padua) being affected with T.B.C. and her child has had to be taken from her and is now practically been left to the charity of strangers.

Due to the extremely compassionate reasons of the above case I permit myself to request you to have the prisoner in question as soon as is possible.

While thanking you for what you may do I take this occas_ ion to send you my most cordial greetings.

sincerely

Prot. 007L4376

Dal Vaticano, li 23 luglio 1946

Ill.mo Sig. Colonnello

E' stato chiesto l'interessamento della Santa Sede per ottenere il rimpatrio del S.Tenente ZOVATO Luigi di Antonio (Matr.106377 M-E-Campo 28-II-B-INDIA) il cui ritorno è reso necessario da gravi e urgenti motivi :

Egli é ammogliato ed ha un figlio di sei anni. La sua famiglia già residente a Zara é profuga da parecchi anni in Prov. di Padova e versa in condizioni economiche assai precarie. Negli ultimi tempi, la condizione familiare si é venuta ad aggravare in modo disastroso, poichè la moglie Capurso Maria in Zovatto é stata ricoverata urgentemente al Sanatorio di Camposampiero (Padova), affetta da malattia polmonare avanzata ed il bambino per ragioni igieniche, allontanato da lei, vive attualmente presso estranei quasi abbandonato a se stesso e senza quelle cure che richiede la sua giovane età.

Trattandosi di un caso estremamente pietoso, mi permetto di pregarla a voler compiere i passi opportuni per restituire al più presto il prigioniero in parola ai bisognosi congiunti.

Nel ringraziarla in anticipo di quanto potrà fare in merito, mi valgo dell'occasione per esprimerle i sensi del più distinto ossequio.

Oggetto: Sergente CATANESE Francesco - Rimpatrio.

Sono state rivolte vive premure al Presidente De Gasperi allo scopo di ottenere il sollecito rimpatrio del Sergente CATANESE Francesco di Francesco, classe 1922, n.6284 di matricola, 2701 Italian c/o R.N.R.S.P.W. Central Postal Section M.E.P.-Egypt.

La richiesta di rimpatrio del suddetto prigioniero é motivata dal fatto che il di lui padre, quasi settantenne, é gravemente ammalato ed inabile al lavoro.

Dear Madam,

I am in receipt of your telegram dated 25 July 1946, dealing with your request for the repatriation of your husband, M/S Norberto Luzzi, No. 182197, on compassionate grounds.

Unfortunately, illness of a mother is not sufficient to warrant a case being made for priority repatriation of your husband, but I have arranged for the whole question to be taken up with the Italian Ministry of Post War Assistance for the necessary investigation.

You will be informed in due course of the position.

President De Gasperi has been asked to obtain urgently the repatriation of the officer in question.

His repatriation is requested because his mother has recently had a surgical operation and is in danger of dying.

The case of Lt Miglio is not ~~already~~ previewed by the A.C. however in consideration of what is written above we beg you to kindly examine the matter and if possible have him repatriated with one of the first groups from EGYPT.

Thank you

TO THE PRESIDENT OF THE ITALIAN REPUBLIC.
ROME

I permit myself to care to your benevolent attention the particular case of my family,which amongst the great suffering of so many families represents a most compassionate situation.

My only son Lt. Ugo Stanghellini due to Military reasons has been away since 1914, the year he left for Libia as an Infantry Officer to form part of the meharist.

When the war broke out in East Africa he was sent to that zone and was promoted for war merits to a position in the regular Army. At the end of the war he remained in East Africa for reasons of duty and in 1939 found himself at Massawa on the road to repatriation having obtained a long desired furlough.

An unexpected order(the war had already broken out in Europe)his departure was put off. From that time began our calavary.

My son is now POW at the following address:

Camp 356 (B) East Africa Command

Our house in Forli was destroyed during the war? We are,Mr.President dreadfuls and our only hope is to re-embraceour son for which reasons I beg you to have his repatriated. We are both in bad health, heart trouble which could be the motive for which my son writes as follows:

"I passed 50 days in hospital with a nervous breakdown. I am now better but obliged to wear glasses at 32 years of age."

Any comment is superfluous even if made by the mother to describe the sense of discomfort that this sentence gives one.

I have great faith Mr.President, that you will do all in your power for me.

Thank you Respectively Sgd. Adele Stanghellini nata Collesarini

Casarano, li 18 luglio 1946.

All' Illustrissimo Signore
Sig. Col. James E. Regis
Capo della Sottocommissione Alleata in Italia
dei Prigionieri di Guerra
ROMA

Illustrissimo Signore,
Io qui umile sottoscritta sono la moglie di
Lucio Laporta di Francesco
rimasto Prigioniero a Mogadiscio in Somalia. Quasi tutti q' quei Prigionieri sono tornati nelle loro famiglie; mentre mio marito è rimasto colà e non sa dirmi quando - più o meno - possa iniziare il viaggio di ritorno a casa.

Perchè la S. V. Ill/ma possa rendersi conto della posizione del predetto mio marito, mi permetto di esporLe un po' la storia della vita militare di lui.

Il su detto mio marito Lucio Laporta partì volontario per l' Africa Orientale il 3 dicembre 1936, fece un breve periodo di Istruzioni durato tre mesi a Piacenza, poi partì per l' A.O.I. il I° marzo 1937, giunse a Mogadiscio e rimase in quelle OFFICINE DEL GENIO MILITARE PONTIERI, per la costruzione dei PONTI fra Mogadiscio, Dolo e Lugh fino al 3 novembre 1938. In questa epoca scadeva il suo obbligo militare poichè era stato arruolato con la ferma di due anni; e fu congedato. Ma fu riassunto immediatamente allo stesso posto, non più come militare, sibbene come operaio, previo deposito di Lire 300. Le sue mansioni erano quelle di maestro falegname pontiere. Ed allo scoppio della guerra egli restò allo stesso posto <u>come operaio militarizzato</u>.

Io adesso ignoro la vera posizione giuridica del detto mio marito; scrive; ma le lettere non arrivano tutte; ed ignoro se le mie gli arrivino. Nella sua ultima lettera affermava che sarebbe rimpatriato per la primavera....! La primavera è passata, ed egli sta ancora a Mogadiscio.

Consigliata da persone che leggono i giornali, e mi hanno fornito il Suo rispettabile indirizzo, io mi permetto di supplicare la S. V. Ill/ma affinchè si benigni di interessarsi in particolar modo del ripetuto mio marito Lucio Laporta e di dare disposizioni che egli rimpatri al più presto. Penso che a Mogadiscio egli sia rimasto, se non solo, certamente in mezzo a pochissimi connazionali. Il suo indirizzo è questo:

La presenza di lui in famiglia

Declassified E.O. 12065 Sec 1.3m 3-402/NNDC no. 785020

La presenza di lui in famiglia è indispensabile perchè col caro vita attuale, e che minaccia di divenire sempre più costosa, la modestissima somma fornita a titolo di soccorso dall' Ente Comunale Assistenza (ECA) non è per nulla adeguata ai bisogni della famiglia, motivo per cui è indispensabile che mio marito venga a lavorare qui e provveda ai bisogni di casa.

Nella dolce speranza di essere esaudita, rimango in attesa di notizie,

Ringrazio ed ossequio.

ROMA

Roma 20 Luglio 1946

Al chiarissimo Signor Col. Regis (I P W)
Commissione Alleata in Roma

Il preoccupante stato di salute di mia moglie mi costringe a rivolgere una preghiera, che altrimenti non reputerei opportuna, nè avrei l'ardire di formulare.

Alla fine del 1938 il nostro figlio Dr. Luciano Petech si recò nelle Indie per raccogliere materiale per i suoi studi di storia orientale. Fu insegnante all'Universeità di Allahabad fino allo scoppio della guerra, cioè fino a quando venne rinchiuso nel campo di internamento di Ahmednagar. Più tardi venne trasferito al Campo di Deolali, dove fu gravemente malato quindi a quello di Dehra Dun, infine a quello di Deoli, ove tuttora si trova al Wing N. 3.

Durante tutto il primo anno di prigionia siamo rimasti senza sue notizie, ciò fece peggiorare la già malferma salute di mia moglie. Le ulteriori sue notizie ci giunsero ad intervalli di circa quattro mesi, aumentando così le nostre apprensioni ed il nostro tormento.

Quando giunse la notizia che il nostro figliolo era gravemente malato, mia moglie ebbe un grave esaurimento nervoso, e da allora non si riebbe, anzi la dolorosa attesa peggiorò sempre più le sue condizioni di salute, tanto che oggi il nostro medico ed io abbiamo serie preoccupazioni sulla sua possibilità fisiche a sopportare ulteriormente le ansie di questa snervante attesa.

Per comprovare l'esattezza di quanto sopra espongo, allego un certificato del medico curante, e rivolgo la presente preghiera, con la più grande speranza che la nostra situazione verrà presa in benevola considerazione e che ci sarà ridonata, col ritorno del figliolo, la speranza di un miglioramento delle miserevoli condizioni fisiche di mia moglie.

Con i più sentiti ringraziamenti, devotamente
