Reference your letter IPW/1/1cm/1746 B dated

The following cases have been investigated in
order to repatriate them with priority.

1. DANESIN Bruno

His mother is effected with arteriosclerosis and heart
trouble. The family are well off.

2. Corporal DE LEONARDIS Agostino

The illness of the wife is not serious enough to warrant
the repatriation of the POW also because she is being well
taken care of by her family, the prisoner's mother and
sister who are well off.

It is thought therefore that these cases do not
come under the head of compassionate cases.

Born at Naples on 15-8-1914

Fully ten years have passed up the present day since I saw my son the last time; and already four years he is under American custody at Kenia, East Africa.

When my husband deceased, he was prevent from coming and could not say him the last farewell. After my husband's death I am living under bitter difficulties, needing my son's help urgently, as I am weak, sick and in great want (see attached medical certificate). On these conditions it is next to impossible to live.

By these reasons it is my only desire to see my son again before my death. Therefore I ask for intercession in behalf of my son; to make possible his repatriation.

I would be greatly indepted to you if you would take in consideration my petition.

Subject : Compassionate release of Ten. Pieruzzi Vilivaldo.

I wish to refer to my letter of yesterday in which I mentioned that the wife of the POW in question, Ten. PIERUZZI Vilivaldo received news of his departure from South Africa.

Today, however, this turned out to be a false alarm and so I would appreciate it if you continued to make efforts toward a compassionate release of this POW.

In answer to your letter of Sept. 24 I wish to point out that the Ministry of Post War Assistance must have the entire story of the family conditions of the POW as his wife has complied with all the requests which were forwarded to her.

I hope that the Post War Assistance has answered your request in the meantime.

Please inform me of the progress made regarding the case.

The family of Lt. WALTER THOMANN P.O.W. 27825 Eldoret Kenya Camp 356 c East Africa - is addressing to the abovementioned Commander the present supplication regarding the liberation of their brother, who since 1941 is in Kenya at a British prisoner of war. Both the parents died during the war, the only sister, Jony Thomann - Ponticelli has a husband who is of bad health, and give little children to take care of, while the young brother is a war -invalid and another missing in Java since 1940.

The return from the prison camp of the abovementioned Walter would be a great necessity, not only for being a help to his family but also for the realisation of the heritage which without his presence in Bozen is impossible to be initiated.

With many thanks in advance.

Dear Col. Hancock

Reference your letter dated 15th October 1946, dealing with your request for the repatriation of PW Lt. PIETRABISSA, Gianfranco no. 27110 and PW. Cpl. Maj. CONFALONIERI, Agostino no. 138915.

After due consideration of PW Confalonieri, Agostino's case, it is felt that there are no purely compassionate reasons for his immediate release, but that his case comes rather under the heading of "Specialists". Although some of these prisoners (business men etc.) were given priority earlier on, the practice has been stopped and I am afraid he must wait his turn unless more definite proofs of hardships are forthcoming.

PW. Pietrabissa, Gianfranco 's case could be recommended because there would appear to be some compassionate reasons, but more details are required with particulars regarding family circumstances and whether he is the only son and sole support of old, ill and poor parents.

Yours sincerely

Caro Col. Hancock,

La ringrazio della cortese Sua del 26/9 u.s. e dell'interessamento che mi promette con la stessa circa il rimpatrio dei due miei raccomandati:

Ten. PIETRABISSA GIANFRANCO e Cap. Magg. CONFALONIERI AGOSTINO

Unisco alla presente i documenti richiesti comprovanti l'assoluta necessità dell'urgente rimpatrio essendo entrambi sostegni di famiglia; uno con i genitori vecchi ed ammalati, che attendono l'aiuto di questo unico loro figlio; l'altro con la vecchia Mamma e l'Azienda incustodita e pericolante in seguito al decesso del Padre avvenuto nel 1944.

La sarò molto grato Egr. Col. Hancock, se vorrà benevolmente interporre il Suo autorevole appoggio affinché sia concessa a questi due giovani la precedenza di rimpatrio.

Molte grazie ed auguri alla Signora.

Con tutta cordialità.

7 ottobre 1949

Molto Reverendo Monsignore,

so che la sua vita passa facendo
del bene, consolando tante anime,
portando sollievo a tanti cuori -
so che vive con la mamma e mi
rivolgo al suo affetto di figlio per
che possa comprendere l'angoscia
mia materna. Con fiducia, speran-
za, cortesia, mi affido a Lei, sicu-
ra di non chiedere invano aiuto
all'animo suo pietoso.

È la voce di una mamma che
arriva a Lei, di una povera mam-
ma che da anni vive nell'attesa
più ansiosa, più desolata e cerca
consorto all'Altare di Dio.

Il mio figliuolo maggiore, che
già era d'aiuto al Papa, da
due anni è prigioniero e si tro-
va nel Sud Africa. - Da due an-
ni e mezzo mi è morto anche
il marito, tanto, tanto buono,
così, oltre il dolore morale sono
afflitta da tanti pensieri d'in-

dole finanziaria e necessita il
ritorno del mio figliuolo. I miei
diversi marito combinano pasticci
con grave danno dell'azienda e fino
al ritorno dell'assente non si
può fare nulla. Altrimenti, quindi,
questo ritorno tanto desiderato,
che sospiro ogni giorno sempre
inutilmente. Lei, Monsignore,
ha già in mano la pratica per:
Agostino Confalonieri, abitante
Luffonta in Via Sanfiorini 30. —

Monsignore, io la prego a
mani giunte e con le lagrime
agli occhi perché voglia, con bon-
tà interessarsi a questo caso. —

So che una sua parola, un suo
atto, un suo interessamento può
molto e può dare a me un con-
forto dopo tante pene e la giusta
grande di riabbracciare finalmen-
te il mio figliuolo ed affidare a
lui i gravi interessi malandati.

Io la ringrazio fin d'ora ten-
tamente e pregherò sempre
per lei e per la cara Sua Fam-
ilia. — Sento il disturbo e si-
cché l'espressione del mio
animo grato che pone in Lei
tutta la speranza. Dio. ott.

COMUNE DI MEZZANA
Provincia di Trento

Mezzana, 11 19 Giugno 1946

OGGETTO : Prigioniero di guerra TOGNALI Romano rimpatrio

Al Ministero degli Esteri:

R O M A

Il prigioniero di guerra TOGNALI Romano di Giovanni e Redolfi Alma della classe 1923, che si trova in mano inglese al seguente indirizzo, Matricola 410197-305/8 P.O.W. Camps C/O Chief P.O.W. Postal Centre M.E.F., appartenente a questo comune, ha la madre fortemente ammalata, reduce da una cura ospedaliera, ma che deve prossimamente essere sottoposta a nuova cura e probabilmente anche ad un intervento chirurgico e non è possibile prevederne l'esito.

Essa, com'è naturale, nel dubbio di non poter più rivedere l'unico figlio, che da ben 4 anni non rivede, avrebbe ardente desiderio di riabbracciarlo prima di sottoporsi all'intervento chirurgico.

La famiglia del prigioniero è poverissima e vive esclusivamente sulle braccia del marito e padre, che quale operaio non ha occupazione continua, ma con sensibili interruzioni, ciò che diminuisce di molto il suo guadagno, che non può essere sufficiente al mantenimento della famiglia specie colla circostanza della malattia sopracitata.

L'aiuto dell'unico rampollo maschio si rivela quindi di assoluta ed imminente necessità.

Con questa premessa questo comune pregherebbe caldamente codesto Ministero di voler benignamente interessarsi presso le autorità britanniche per ottenere il rimpatrio sollecito del prigioniero.

Si assicura a proposito che la famiglia e il prigioniero stesso non sono mai stati compromessi in affari politici e che hanno avuto sempre una condotta incensurabile sotto ogni aspetto.

SUBJECT : Request for repatriation
PW DI VITRI Sebastiano no. 30613
353 Camp - East Africa Command

TO : General Headquarters
Central Mediterranean Forces
Attn. G-1 (Br)

1. This Division has received a request for the repatriation on compassionate grounds of PW DI VITRI Sebastiano no. 30613.

2. As per documents held by this Division, PW's brother is completely blind as a result of a bomb blast during the war, and cannot support his old, ill and very poor parents.

3. The help and assistance that the younger sister might give is not sufficient for her parents and blind brother.

4. Therefore, while it is appreciated that the case of subject PW does not come under any of the usual reasons for compassionate release, it is considered that, in view of the circumstances, a strong plea should be put forward for his immediate repatriation.

COMMISSIONE ALIATA

H O M A

Il sottoscritto, DI VINCENZO VINCENZO DI LUCCI, cisco di guerra, residente in Acquaviva delle Fonti (Bari), Via Pergamini 11, 2, chiede che sia rimpatriata con cortese possibile urgente il fratello Sebastiano, prigioniero degli Inglesi del 1941 in Adis-Ababa e attualmente: Prisoner of War M. 30518 - I.C. 353 Spet - Africa Command, perché la condizione di disagio fisico ed economico della sua famiglia sono estremamente precarie. Infatti, il suo unico sostentamento i suoi vecchi genitori, ambidue invalidi al lavoro e sprovvisti di qualsiasi bene e di mezzi, rispettivamente di anni 70 e di anni 85, costretti ad assistere delle loro infermità dell'unica figlia signorina di anni 33.

Considerato che per la sua salute bilaterale, avendo chiesto, ha ottenuto il ricovero nella casa di riduzione di Firenze, e che, sprovvisto ancora dell'assegnazione della pensione di guerra dovutagli al momento degli effetti di legge, comunque, deve lasciare i suoi genitori e non poter loro dare un aiuto finanziario, la richiesta di espulsione giustificata e legittima di considerazione, in quanto lo presenta in famiglia del fratello sarebbe perenne di vita, di conforto e di aiuto ai suoi genitori, che, prima di chiudere gli occhi per sempre, per l'umano amore dei figli, infatti, hanno il diritto di rivedere il figlio dopo molti anni di separazione e di ansia sospesa.

5016

condizioni di disagio fisico ed economico delle sue famiglie sono estremamente pietose. Infatti, a suo carico starbbero i suoi vecchi genitori,abili ma invalidi al lavoro e sprovvisti di qualsiasi bene e di fortune,rispettivamente di anni 75 e di anni 85, sostenuti ed aiutati nella loro infermità dall'unica figlia signorina di anni 33.-

Considerato che per la sua esatta bilateralità,avendo chiesto che gli venga il ricovero nella casa di residenza di Firenze, e che, sopravvissute ancora dell'assuefazione della pensione di guerra dovutagli ai suoi ed agli effetti di legge, comunque, deve lasciare i suoi genitori e non poter loro dare un aiuto finanziario, la richiesta si appoggia giustificata e legittima di considerazione, in quanto la presenza in famiglia del fratello sarebbe garanzia di vita, di conforto e di aiuto ai suoi genitori, che, prima di chiudere gli occhi per sempre, per l'umana legge, dovessero affetti, hanno il diritto di rivedere il figlio dopo molti anni di separati e di ansie angoscianti.

Unisce, all'uso, la documentazione giustificativa, nella fiducia che cotesta Cd/le Commissione,validata le ragioni esposte e i documenti annessi, voglia disporre in conformità della richiesta.

This Ministry has received a request for the repatriation of POW ANGELONE Michèle War Camp 6° 2° Block Union of South Africa no.189149, whose wife is very ill with epilepsy, her home was destroyed by bombardment in Battipaglia.

R O M E

I the undersigned ANZALONE Carmela, wife of PW ANZALONE, Michele no. 189149 - Camp 6 Block 2 - Union of South Africa, ask for the repatriation of my husband being unable to endure the following present life conditions any longer -

1. - After having lost everything under the Air raid of Battipaglia, where I lived, I have been obliged, after long wandering, to accept living on the charity of my grandfather who is now 90 years old and cannot help my son, 8 years old, and myself any longer with his very small pension.
2. - I am housed in a shabby hotel for which I have to pay a rent I cannot afford.
3. - During long six years I had to adapt myself to several most humiliating kind of work in order to feed my son, but now work has become a difficult task for I suffer with epilepsy and I am physically seriously run down. My urgent needs and poor condition lead me to ask for the return of my husband, who with his work can relieve his family from poverty and misery -
So much I hope, and trusting in you I thank you -

SAVIELLO CARMELA ANZALONE

Dear Miss Edwards

I have been in touch with the Prisoners of War Department

here.

They tell me that compassionate repatriation is not being granted for the relief of the previous generation but only for the most of the following generations. i.e. for wife or children but not for parents.

However they suggest that the parents of the Prisoner of War in question should make an application for the early return of their son to:

Ministero Poste Pollice
per Dott. NELLI.
ROME.

in the hopes that he may be given priority for an early passage back to Italy.

Repatriation of Italian P.W. from Australia has been almost non-existent up till now owing to the difficulty of obtaining shipping.

There were 17,657 P.W. in Australia and until recently only about 700 had been brought back, all compassionate cases.

However shipping is now becoming available and three ships containing about 3500 P.W. from Australia are shortly arriving in Italy.

I expect that some, if not all, of these ships will be returning to Australia for another lift of P.W. in October or early November. A letter from the parents to the Ministry now, might secure the inclusion of their son in this next lift.

Thank you very much for offering to arrange a visit to a village for us. We will be very interested to come and see it, if you will let us know, in due course, when to come.

Dear Madam,

Receipt is acknowledged of your letter addressed to this Headquarters dated 26 Jul '46, requesting repatriation of PWI 48240 NOBILIA CESARE on compassionate grounds.

Although it is appreciated that NOBILIA'S parents are old and sick and his presence at home is necessary, it is regretted that this headquarters is not in a position to authorize his repatriation as repatriation on compassionate grounds, and likewise the whole matter of repatriation of Italian PW from Australia is in the hands of the British Authorities and the Italian Government. Australia is holding PW on behalf of the British Government, and their repatriation is the responsibility of the Authorities in the United Kingdom.

It is suggested, however, that NOBILIA'S parents make an application to the appropriate Italian Government Department for their son's repatriation on compassionate grounds on the first available ship carrying PW to Italy.

NOBILIA is at present in this Camp and is in excellent health. He has been informed of the contents of your letter and is grateful for the interest you have taken on his behalf.

Il sottoscritto DE LUCA Giuseppe fu Giovanni da Tufo di Carsoli, L'Aquila, classe 1880, ex combattente, fa domanda alle S.S. V.V. Ill.me perché vogliano, al più presto possibile, concedere il rimpatrio del proprio figlio, soldato cooperatore DE LUCA Fernando Matr.n. 2729 P.O. Box 4014 Nairobi- Kenya, perché affetto da non lievi malanni, maggiormente da reumatismo, articolare, residui di guerra, che lo tormenta, non si sente più abile "anzi da tempo" occuparsi begli affari agricoli e commerciali, da cui ricavava quanto era necessario per il giusto mantenimento della vita. Oggi tutto sta andando in rovina.

Fa osservare che il detto figlio è l'unico suo sostegno perché il secondo da tempo sposato, ha due figliuoli, lavora per conto suo e fa anche troppe procacciare per la sua famiglia.

Sicuro di poter ricevere dalle S.S. V.V. Ill.me una tanto sollecita e doverosa giustizia, si onora ringraziando, ripete

Bolzano 5 Settembre 1946

Gentile Colonnello,

richiamandomi agli affidamenti che Lei ebbe così cortesemente a darmi in proposito, Le rivolgo preghiera affinché voglia prendere in benevolo esame il caso di un giovane altoatesino, il tenente Pio Di Paoli, dell'Esercito Italiano, che in atto trovasi detenuto in un Campo del Kenya.

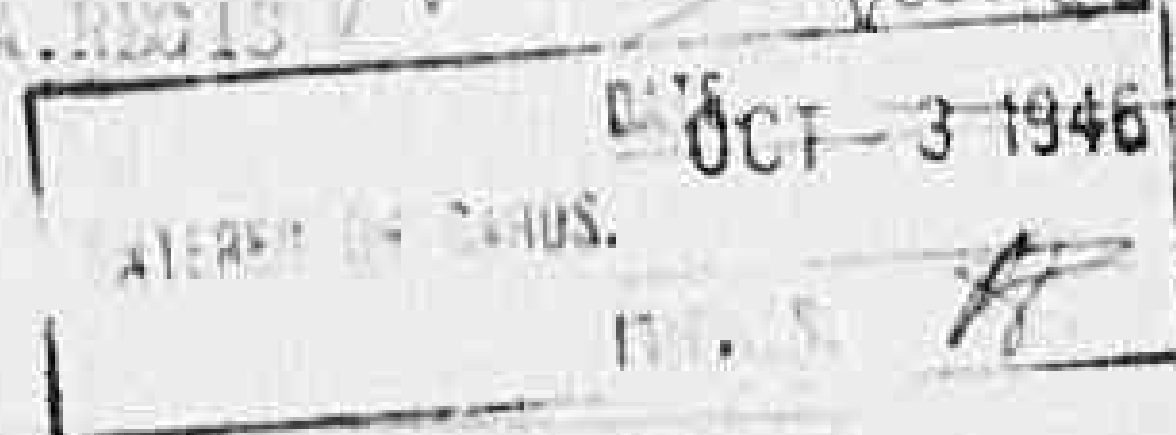

Le invio a tal fine un promemoria che concerne detto prigioniero e La prego di considerare che, nel desiderio di fare cosa gradita alla famiglia, avrei particolare interesse a favorire il di lui ritorno in Patria.

Confido pertanto nel Suo autorevole intervento perché la procedura di liberazione possa essere sollecitamente avviata.

Colgo l'occasione per confermarLe ancora una volta i miei ringraziamenti per il Suo pronto intervento a favore dei prigionieri altoatesini detenuti nei Campi alleati in Italia, che ha ridato la tranquillità a tante famiglie le quali da tempo attendevano ansiose il ritorno dei loro congiunti.

La ringrazio altresì di quanto vorrà fare per il Di Paoli e Le porgo i miei cordiali saluti.

Dear Sir,

I don't know whether I am right in addressing myself to you to be informed on this very important matter. If not will you please forward this writing of mine to the right office.

LT. GHURIA CHAND has been a prisoner of war for 5 years in India. His present address is: Camp No 10/A 2 Group P.O. Jaipur
RAJAGARH (Mhopal) INDIA.

He is the only son of a poor woman who through grief and worries has become mad. Now she is in a lunatic asylum. The doctors say that she will possibly recover from her present condition if she sees her son again. All their hopes rest in the quick return of her son.

The father has been in bed for a long time dangerously ill. The doctors are not certain he will see his son again, unless he comes very soon. From the little I have said you will see how tragic is the condition of this poor family. I beg you to do all that is in your power to urge the return of their son. Think that the life of a mother and of a father depend on this.

We have been told by repatriated prisoners of war that the name of LT. GHURIA was already written down in the list of those who had to be sent to India. A long time has passed since then and nothing has happened

MEMO FOR COL. REGIS

I have been requested to intervene on behalf of CANTEIMO Crisostomo Vincenzo son of the late Antonio who was under arms in Eritrea and is now working at the ice factory of Massaua at the dependence of Prof. Betocchi who is in the repatriation Commission.

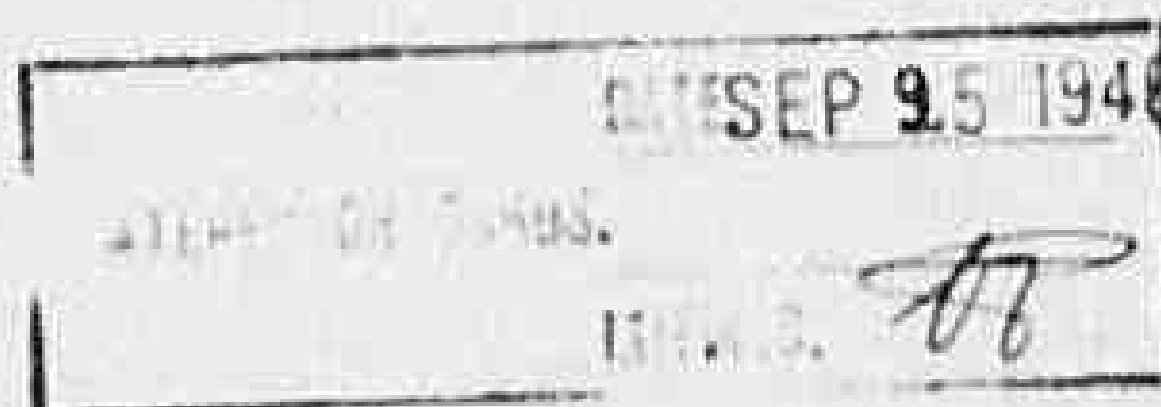

He has lost his father during his absence, and his aged mother has great need of her son.

He asked to be repatriated over a year ago but did not obtain it as it seems that Prof. Betocchi did not want him to be repatriated due to the fact that CANTEIMO is a very good worker and very useful to Prof. Betocchi.

I beg you to have CANTEIMO included in the next groups of repatriation.

PROMEMORIA PER IL COL. REGIS

Si sono state rivolte vive premure per il rimpatrio del prigioniero di guerra

CANTINO Grisostomo Vincenzo

È Antonio, il quale si trovava in servizio militare in Eritrea ed attualmente lavora presso la Giannella Eritrea a Massaua alle dipendenze del Prof. Betocchi, componente della Commissione di rimpatrio.

Il CANTINO ha perso il padre durante la sua assenza ed ha la mamma vecchia ed inferma che avrebbe bisogno dell'assistenza e dell'aiuto di questo suo figlio.

Splide inoltre anche domanda di rimpatrio, da circa un anno, senza ottenerne alcun esito. Sembra anzi che tale rimpatrio sia ostacolato dal Prof. Betocchi col l'opera del CANTINO viene particolarmente utile nell'Azienda.

Prego pertanto di voler fare incidere il CANTINO, qualora possibile, in uno dei prossimi gruppi di rimpatrianti dall'Eritrea.

Sig. Comandante,

è col cuore trepidante e pieno di ansia che io indirizzo a lei questa lettera per rivolgerle una fervente preghiera. Sono ZUCCARELLI Maria, la mamma del militare BIONDI Armando, matricola N. 2450, prigioniero in codesto Campo.

Da questo paesino disperso sulle Alpi Apuane, io lanciaio, verso l'Equatore, a lei il mio appello disperato, certa di trovare nel suo cuore la sicura via che allievera la mia angosciata attesa di madre.

Da molti anni attendo il ritorno dei miei due figli duramente provati e colpiti dalla guerra. Invano! Uno di essi disperso nell'Agosto 1943, come da Ufficiale comunicazione del Comando Marina, non tornerà più.

Egli giace sui fondi del mare; le onde che egli aveva navigato per tanto tempo, si sono coperte pesantemente e per sempre su di lui. E quando il mio bimbo, mi domanda: "Ma quando torna papà?" "Il mio cuore si stringe, io soffoco il pianto e gli rispondo: "Tornerà col mio zio Armando, presto."

Se lei è giovane pensi al dolore di sua madre, e se è anziana pensi al dolore che proverebbe per la perdita di un figlio. A me non resta che Armando, che possa lenire ancora colla gioia del suo ritorno, il mio profondo dolore e arrecare un sollievo alla mia vecchiaia.

Dal giugno 1944 io non percepisco alcun sussidio e sono lasciata nel più completo abbandono dagli organi assistenziali, ma pazienza! A tutto io passo sopra, purché mi si renda mio figlio. Sò che molti, anzi tutti i prigionieri del suo campo attendono impazienti l'ora del rientro. Ebbene io credo che nessuno di essi negherebbe in considerazione del mio dolore e della mia situazione, un posto di precedenza a mio figlio.

Dal lontano 41, data della sua ultima licenza, attendo Armando. L'attesa mi ha esaurito. Ecco perché io lanciaio a lei il mio grido disperato. Mi accolte signor Comandante, e faccia tutto quello che è nelle sue possibilità per dare un poco di serenità a questa madre che tutto ha dato alla patria senza nulla chiedere.

.....//

Se fosse necessario le preciso che l'anno scorso inoltrai domanda al Ministero dell'Assistenza Post Bellica per il rientro di mio figlio, quale agricoltore.

Fiduciosa ringrazio implorando da Dio su lei mille benedizioni.

Mrs. Pieruzzi states that she supplied the Post War Assistance organization with verified statements concerning her and the family's condition and recently the Tolmezzo Carabinieri have forwarded to Post War Assistance another note confirming the condition of the home circumstances.

I would appreciate it if you kindly investigated the matter as I can readily state that the case is an urgent one.

September 30th 1945.

Dear Colonel Resis,

I have received an appeal from the widowed mother of the Italian soldier LEO Vincenzo Roberto, 351 It. Co. Op. Groups (350 Pst) East Africa Command, Kenya.

She asks that, if possible, her only son, who has been a prisoner of war in our hands since 1941, may be included in the group of Italian prisoners of war said to be leaving Mombasa for Italy on September 28th.

The mother states that during the Nazi-Fascist occupation of Rome she hid English officers and others in her house, and that latterly she has been suffering from a weak heart as a result of that troublesome period.

Her son is now the head of the family and her only support in her declining years, and she very much feels the need of him.

I think her letter a very reasonable one, and I hope that you may perhaps be able to arrange for his early repatriation.

fu Antonio, il quale si trovava in servizio militare in Eritrea ed attualmente lavora presso la Giacciale Eritrea a Massaua alle di-

Il CANTELMO ha perso il padre durante la sua assenza ed ha la
madre vecchia ed inferma che avrebbe assoluto bisogno dell'assisten-
za e dell'aiuto di questo suo figlio.

Egli ha inoltrato anche domanda di rimpatrio, da circa un anno,
senza ottenerne alcun esito. Sembra anzi che tale rimpatrio sia
ostacolato dal Prof. Betocchi cui l'opera del Cantelmo riesce par-
ticolarmemente utile nell'Azienda.

Prego pertanto di voler fare includere il CANTELMO, qualora
possibile, in uno dei prossimi gruppi di rimpatriandi dall'Eritrea.

PROTEZIONE PER IL SIS. COL. BERTI

Mi sono state rivolte vive premure dal
Sottosegretario di Stato Militare per il
rimpatrio del prigioniero di guerra

Tenente S.F.R. SIMIANI Carlo

di Vincenzo, classe 1915, internato nel Campo
di BANALGAR - BHAPAL (India).

Egli perse la mamma durante la sua permanen-
za alle armi senza averla potuta rivedere ed
ha ora il padre che versa in pessime condizio-
ni di salute, aggravate dal suo mancato ritor-
no che avrebbe dovuto aver luogo con gli ulti-
mi contingenti e che fu invece rimandato al
l'atto della partenza, per mancanza di posto.

Prego, qualora fosse il caso, di voler far in-
cludere il Tenente SIMIANI in uno dei pros-
simi gruppi di rimpatrianti dall'India.-

SUBJECT : ALLEGRIPI Piero

Dear Sir,

The correspondence you forwarded to the British War Office has been received by this Commission.

While it is unfortunate that financial assistance is out of the question, at any rate on the part of the British Government, it is desired to make a special case for the early repatriation and release of your son Piero from South Africa.

Since no records confirm the repatriation of your son at present moment, will you kindly confirm that he has not in fact returned, when steps will be taken to obtain for him priority in release.

Yours faithfully

W. Phillips Major
