No 9368 di prot. sez. III

OGGETTO: Prigionieri di guerra italiani nativi dell'Eritrea
internati nei campi dell'East Africa.ALLA COMMISSIONE ALIBATA
Sottocommissione prigionieri di guerra

ROMA

Nell'East Africa vi è un centinaio di prigionieri di guerra italiani internati nei campi da circa 3 - 4 anni, "nativi dell'Eritrea" ed aventi le loro famiglie in Eritrea stabilmente residenti.

Poiché non ha ancora alcun affidamento circa la loro liberazione ed il ritorno in famiglia, si chiede il "trasferimento" dai campi dell'East Africa al campo prigionieri di Asmara di quei prigionieri di guerra che sono nativi dell'Eritrea ed ivi le loro famiglie hanno sede permanente.

Si tratta di circa un centinaio di prigionieri già selezionati e di pieno affidamento per le loro opinioni politiche, ed il provvedimento di "trasferimento" che si richiede oltre che soddisfare il vivo e giusto desiderio di numerose famiglie, ne faciliterebbe il ritorno alle loro abituali attività nell'immediato dopoguerra.

Si ringrazia.

Subject: Repatriation of PW from North Africa.

Reference your letter IFV/1/3/198 from 25/8.

After the debarkation of 518 PW at Palermo in the first part of September all the available berths in that zone will be temporarily exhausted.

Therefore I beg to ask that measures be taken in order that the 400 PW arriving from the United Kingdom (as of your letter IFV/1/3/198 of 25/8) disembark at Naples as of your first suggestion, so that our request for a debarkation at Palermo has to be fulfilled.

We hope soon to know what decision will be made in this regard.

1. Reference is made to your letter ACC/128 dated 10th August 1944 asking for the repatriation of Lieut. GUSSANT Enrico a prisoner of war in North Africa.

2. It is considered more convenient to deal with the repatriation of P. S. prisoners of war as a whole rather than to deal with individual cases separately.

3. It has been ascertained that the Italian High Commissioner for Prisoners of War in conjunction with the President of the Council of Ministries is compiling lists of Prisoners of War who should be repatriated to fill key civil and Governmental positions.

1. The above two Italian Officers arrived at CEVOLI (Q2648) in the Fifth Army Area on 9 Aug 44.
2. They state that they had been held in the US as PoW having been captured by British troops in ETHIOPIA and had been repatriated as the result of a request made by Marshal MESSE, Chief of Staff, Italian Armed Forces, for the release of Lt. Gen. FUSCO on the grounds of "ill health". They flew via CASABLANCA, ALGERES and NAPLES.
3. Their entry into the Army Area was in order in as much as they were in possession of an ACC Pass issued by Lt. Col NEPROD, HQ. Fifth Army AMI.
4. Both these officers have been interviewed by CIC and it would appear that it is their intention to remain at CEVOLI at the house of Lt. FUSCO's family.
5. May this H Q please be informed whether they are to be allowed to remain indefinitely or for a specified period at CEVOLI. From interviews with them, their present status is not clear (i.e. whether they are on leave, permanently discharged etc.).
6. As a matter of interest, it may be stated that the CIC Agents who have interviewed Lt. Gen. FUSCO have noted no visible symptoms of ill health.

Subject: Proposed legislation

100-100000

Reference is made to the letterhead memorandum dated 10/1/44.

In the letterhead memorandum of 10/1/44, it was stated that the proposed legislation would require the Historical Records Section to maintain a record of the names of all persons who have been in the service of the Government since 1917. This is a very important matter, and it is suggested that the Historical Records Section should be authorized to collect and maintain this information.
