Rome, 5 Sep. 1945

The Office of the Chief Commissioner has been requested of information concerning the following soldier who belonged to the Fascist Army:

Giovanni PEPE of Guglielmo and of Zoe Fosi, born in Salerno, class 1923.

The said soldier was last heard of on June 12th 1945, but there was no indication about the locality where he happened to be at the time. There are reasons to believe that he is at present in a concentration camp in Lombardy(1st hypothesis) or in Tuscany(2nd hypothesis).

N.45560 di Prot.

SUBJECT : Commander T.V. MOTTURA Carlo;
2nd. head quartermaster TRENTINI Paolo.

On the request of the families of the above mentioned officers, we beg your Sub Commission to make an investigation regarding their whereabouts.

Said families have been informed by the British Naval Command at Venice that the submarine "Zaffiro", was captured in June 1942 near Tobruk and turned over to the Greek Navy.

Her crew, composed of 47 persons, amongst whom were the officers in question and the midshipman Tristano (Engineer) Arich (Attention on letter n.4936/Inf. POW Bureau dated 7th September addressed to your Sub Commission) were taken prisoners and first sent to South Africa and from there to India.

In consideration of the source of this information, we beg your Sub Commission to request an investigation of this matter by the British Authorities.

Not one of these 47 people, which was the entire crew of the "Zaffiro", have given any news of themselves.

We enclose a photograph of the Commander of the submarine, Carlo Mottura in order to facilitate your investigation.

Thank you.

News are required of the Lieutenant doctor TITA COLAUTTI who was born in Udine on the 17th of March 1908, his father's name is Giuseppe, and his mother's Della Savia Teresa.

He was a doctor at the airfield of KALAMATTA (Greece), was taken prisoner by the Germans in September 1943 and succeeded in flying from the Military Hospital of Athens where he had been received; and to reach the partisans he went up to the mountains. Since then we have never heard of him.

We beg warmly this Commission to get kindly interested in the matter and to let the anxious family know something of the above mentioned lieutenant.

We thank you; very much and beg to remain yours truly

The High Commissariate for Prisoners of War with letter n° 2533 dated 26 July 1945 has described to your Sub Commission the hygienic conditions of the 2nd group of camps in India.

We ask your Sub Commission to make known to us what has been possible to be done in favour of these Prisoners of War and to make out if, with the end of the war, the possibility to give these Prisoners of War the precedence in repatriation may be examined.

SUBJECT : Soldier CASTELLUCCI Dante - cooperator - Matr. 212126
Camp 208 -

In reference to letter on same subject and same number dated 18 May 1945 we communicate ~~that~~ having checked the conditions of the family of Prisoner of War cooperator in Italy CASTELLUCCI Dante it results that the case is exceptionally compassionate, because:

the wife is affected with tuberculosis of the kidneys
the mother is affected with mental disease
the father is old and in bad health.

The family is ~~is~~ very destitute and it is a very compassionate case that we present to your Sub Commission, hoping that the liberation of this prisoners will be granted soon considering that the punishment he got in March 1945 because he did not come back from leave is now ended and considering he is cooperator in Italy and of an old class and that he would have been freed in July if he had not had the above mentioned punishment.

1. It is advised that Camp 13 D was used for the holding of intransigent Italian PW and troublemakers. Owing to the defiant and un-co-operative attitude of such PW, it was found necessary to impose certain restrictions upon them which restrictions were later removed after the PW had become amenable to discipline. The restrictions involved no breaches of the Convention. Italian PW held at Camp 13 D enjoy all the privileges accorded PW at other Camps. 1144
2. The complaint concerning lack of beds at Camp 13 C is unjustified. Beds are not issued to PW but should PW desire to construct their own beds no restrictions are placed upon their use. Straw filled palliasses are issued to all PW.

TREATMENT OF ITALIAN P.W. AT P.W. CAMPS IN INDIA.

Reference your GI(Br)/3455/A2 dated 25 August 1945 and the Italian High Commissioner for P.W. letter No. 2533/Pol/C 13.

1. The figures quoted by the High Commissioner cannot be reconciled and no attempt has, therefore, been made to answer them.
2. Regarding the climate and location of Group 2 P.W. Camps and the incidence of certain diseases such as malaria, it is requested that you will refer to C.H.C.(I) letters No. B/78287/IV/PW 1(b) dated 3 Sep., 1945 and B/78287/IV/PW 2 dated 28 Dec. 1944, from which you will note that the medical authorities do not consider the climate or location of this group of camps detrimental to health and that the alleged high malaria incidence was due to faulty diagnosis on the part of the Italian doctors.

3. The Medical commissions have always worked in accordance with the procedure laid down by the War Office. In addition, it may be pointed out that recent commissions appear to have erred on the side of leniency rather than severity and that 1427 invalid P.W. have been repatriated to date during 1945, although these invalids can only be moved as and when suitable shipping is available.

4. Regarding the High Commissioner's final paragraph, the policy regarding general repatriation is a matter for H.M.G. to decide.

OGGETTO

Condizioni sanitarie nostri p.d.g. in India.

~~~~~

Lai rapporti trasmessi dal C.I.C.R. a seguito visite effettuate dai delegati della C.R. ai campi P.O.W. in India, risulta una preoccupante situazione sulle condizioni sanitarie, che non può esimere questo Alto Commissariato dal segnalarla a codesta C.A. per tutti quei provvedimenti che si renderanno necessari e urgenti. 1142

Nel 2° gruppo campi ( n° 9-10-11-12-15-:e o-  
spedale ) su una forza di 12.553 prigionieri di guerra al no-  
vembre 1944 vi erano ben 2.107 ammalati - in particolare nel  
campo 2° su 3806 presenti e nel campo 15 su 2825 presenti ri-  
spettivamente 900 e 400 casi di malattie croniche. Nell'ospe-  
dale del gruppo vi erano ricoverati 807 persone.

Si tratta di una percentuale veramente eleva-  
ta e preoccupante, anche perchè mancano i dati relativi di cam-  
pi 9 - 10 - 12 - 15 e le cui ragioni sembra siano da attri-  
buirsi alle particolari condizioni climatiche e all'influenza  
di malattie epidemiche, principalmente segnalate malaria, dis-  
senteria, nei mesi dal maggio all'ottobre. Infatti sul numero  
di ammalati sopra indicato vi sono ben 800 casi di malaria pri-  
maria.

Sembrerebbe anche che le Commissioni mediche  
proposte per le visite di rimpatrio siano state a suo tempo  
molto severe nel giudizi perchè casi di tubercolosi e di ma-  
lattie croniche non sono stati ammessi al rimpatrio.

E' vero che le segnalazioni del C.I.C.R. ri-  
salgono alle visite effettuate nel novembre 1944, e che di re-  
cente circa un migliaio di ammalati sono rientrati dall'In-  
dia.

Però, è da tenere presente che le condizioni  
di ambiente in cui i nostri prigionieri vivono non sono per

./.

- 2 -

nulla mutate, perchè i campi sono sempre nelle dislocazioni iniziali. Inoltre influiscono sempre più a peggiorare lo stato; fisico il disagio della lunga prigionia, che ormai dura da oltre 4 anni, e le condizioni morali.

Poichè la guerra in Europa è ormai finita e lo status di prigionieri, per quanto ancora non modificato, materialmente deve intendersi tale sarebbe desiderabile una maggiore larghezza nel giudizio delle Commissioni mediche e un più celere rimpatrio non solo di tutti gli ammalati riconosciuti ma anche di coloro che per menomate condizioni fisiche potrebbero aggravarsi col perdurare della prigionia.

Si rivolge viva preghiera a codesta Commissione Alleata per un cortese interessamento nel senso sopra indicato e si confida anche per un benevolo intervento presso le competenti Autorità tendente a migliorare le condizioni di ambiente in cui i nostri prigionieri sono ancora tenuti.

Si ringrazia.

SUBJECT : Lt. VENTRIGLIA Silvio, son of Gaetano - born 1915.  
Whereabouts.

News is requested, regarding the whereabouts of above mentioned subject who belonged to the "Piemonte" Division, under the Command of General Turisan, who on the 8th of September 1943 was at Athens attached to the Italian Legation. To facilitate your investigation we furnish you the following particulars: up to the arrival of the Allied troops in Greece, Lt. Ventriglia was hidden in Athens at the following address: Via Pipinon N° 19.

According to a telegram received by the Ventriglia family from an officer, Caravella Ezio by name at present resides in Athens, Via Kipselis 22, Lt. Ventriglia after the arrival of the Allies in Greece, on going out of his house did not return and according to the same telegram, he was presumatly taken by the Allies and transported to Tobruk.

According to a statement made by Miss Seravia, who was repatriated from Greece in July 1945 and who was employed at the Italian Legation in Athens, the officer in question around about the end of November 1944, seriously effected with eye trouble, told Miss Seravia that he was going to present himself to the British Authorities in the hopes of being put in a hospital ship and repatriated to Italy.

Since then Miss Seravia had not seen Ventriglia and supposed that he had been taken by the English and sent to a hospital in Egypt or elsewhere.

SUBJECT : Colonel LEGGIO Felice.

On the request of the Ministry of War we beg your Commission to call the following matter to the attention of the Competent British Authorities and have an investigation made by them on

Colonel Felice Leggio  
Commander 1st Infantry "Regina" of the Military Command of the Island of Coo,  
who, during the military operations of the 3rd and 4th October 1943, when the island fell into German hands, with about a hundred survivors under fire, surrendered to the enemy.

News from German source is that he was captured and shot at Pireo together with his battaglion Commanders.

As this news is uncertain, it is thought opportune to make an investigation and that the Greek Father Michelangelo Bacheca and Father Spartoletti, chaplains of the 10th Infantry "Regina" be questioned, who having been in the Island of Coo at that time might be able to furnish precise information.

Thank you.

MEDITERRANEAN THEATRE (2).

TREATMENT OF ITALIAN PW AT PW CAMPS IN INDIA.

Reference your GI(Br)/3455/A2, dated the 23rd August 1945.

The questions raised by Italian High Commissioner for PW in his letter No. 2526/Pol G.13, dated the 31st July 1945 were also raised by the Delegate of the IRCC on his return from RANCHI in December 1944.

2. The Italian High Commissioner would appear to be under a misapprehension, since the cemetery is not abandoned.
3. The PW graves in the cemetery are maintained by the Indian Agency of the Imperial War Graves Commission and immediate steps were taken to effect any necessary repairs as a result of the Delegate of the IRCC representations.
4. Regarding the chapel in the RANCHI cemetery the erection of which was commenced by the PW whilst at RANGARI, arrangements are in hand for its completion and furnishing. The work is being carried out under the supervision of the Bishop of RANCHI and so there should be no doubt of it being fully and properly completed.

No. 3350/Pol/C-3

Subject: 2/Lt. SCHIAVO Mario, Lt. SCATTURIN Carlo,  
Lt. IACCADINI Mario.

1107

We have received information which has been confirmed by a report from the International Red Cross Committee, that in Camp 211 Algiers in British Custody there are, amongst the Italian Military personnel the above mentioned officers: Lt SCATTURIN Carlo and 2/Lt SCHIAVO Mario, captured in LAMPEDUSA AND Lt IACCADINI Mario, captured in Sicily.

It seems that the camp in question is to be considered as a punishment camp, as a quota of Italians captured in the Egean sea, in Crete and in Italy after the Armistice, have been sent there for not having joined the legitimate Italian Government:

The three officers in question were captured when Italy was at war and they request that they may receive different treatment than is meted out to the masses of internees in the camp. They particularly protest against the total lack of moral aid, due to them as officers.

We beg you to call this matter to the attention of the Competent authorities in order that they may receive different treatment than that given to all those individuals captured after the Italian Armistice of the 8th Sept 1945 and if possible, to repatriate them, keeping in mind that the American authorities have already liberated the POW in their hands in French North Africa and that the French authorities have also announced that they will liberate the POWs in French Custody.

Thank you,

SUBJECT : Italian Prisoners of War ill- treated by the French -

Dear " Uomo Qualunque"(man in the street) you that proclaim yourself the knight of freedom and do many other nice things, you that say that to be a prisoner is the most agreeable thing on earth because prisoners are so well cared for perhaps you are not well informed on what happens in Camp VI of Saida (Algeria) there a thousand officers or so live in complete abandonment, without food, without medical assistance, with their clothes in shreds because during two years captivity they have never been given even a handkerchief. It is consoling to read their letters and to hear them say "Food is very light, and in consequence I am very light too and I have had to stop every activity even a little study and reading and content myself with vegetating just to be able to live and to know they have nothing because every thing was taken away from them in continual perquisitions done with great delicacy by those very civilized Frenchmen that we call maroccans. The smallest and most intimate personal belongings were borrowed, things like little chains, stylographic pens, watches but perhaps this is in the spirit of international law for Prisoners of War or perhaps this note was added to the Atlantic Chart. But what do you care? You live well and the news papers say that Prisoners of War live still better and nobody would be obliged to believe what this unknown person writes? And why tell us this? Those unhappy creatures are in French custody talk it out with them. Nothing better than this can be expected from you who I am sure will not have the pluck

## OSSERVAZIONI

7 PRISONERS OF WARCATTIVO TRATTAMENTO INFLITTO DAI FRANCESI AI PRIGIONIERI DI GUERRAITALIANIITALIAN POW ILL-TREATED BY THE FRENCH

Caro Uomo qualunque, voi che vi proclamate paladini della libertà e di tante altre belle cose, che a sentir voi, fare il prigioniero è la cosa più bella di questa terra, perchè di quante cure li circondate e con quanto amore li allevate, sembra che non siate perfettamente al corrente di quello che avviene nel campo VI di GADA (Algeria). Là un migliaio di ufficiali italiani vivono nel più triste abbandono completamente denutriti, senza assistenza medica, con gli abiti e brandelli perchè in due anni di prigionia non un fazzoletto fu dato loro di ricambio. E' consolante leggere le loro lettere e sentirli dire "Il vitto è molto leggero e quindi anch'io sono leggerino e ho dovuto occupare qualche attività, sia pure lo studio e la lettura e accontentarmi di vegetare per poter tirare avanti..... sapere che non hanno più nulla, perchè fu portato via tutto in sistematiche perquisizioni e spogliazioni operate con molta delicatezza da quei civili -imi francesi che noi chiamiamo -marocchini. Fino i più minuti ed intimi oggetti personali prelevare..... in prestito, come catenelle, penne stilografiche, orologi, ma già, forse questo è compreso nei codici internazionali dei prigionieri di guerra, o non è invece nella Carta Atlantica che venne aggiunta questa clausola? Ma a voi che ve ne importa. Voi state bene e poi i giornali dicono che i prigionieri stanno ancor meglio e si dovrebbe credere a quello che scrive questo sconosciuto? E poi a noi venite a raccontare queste cose. Quei miserabili si trovano coi francesi e quindi

Reference your letter MEDME/4230/ALS. dated  
27th September 1945.

1. "Notizie Nazionali Unite" is no longer being published thus accounting for its irregular receipt during the past two months.

2. Cognizant of the prospected cessation in publication of the above mentioned Newspaper, arrangements have been made to substitute "La Patria", which will be distributed as per plan as soon as delivered to this Office by the Italian Authorities.

3. Reference your para 3, decision to deliver 50 copies to Headquarters B.T.N.A. is based on Allied Force Headquarters letter G-5 sect. G-5 311.I dated 23 June 45 which states as follows:

EXTRACT

With reference to the N.African delivery, separate arrangements it appears are being made by the RAF but a delivery of 50 copies to Headquarters B.T.N.A. would cover the necessities for those administered by British ground forces.

Dear nephew Ettore

Following our conversation I send you the list of all the Prisoners of War of this commune and not yet home.

The personal interest you have taken in these cases to make them return as soon as possible or to make them give news of themselves more often has met with great satisfaction and gratitude of their families that thank you with all their heart for any thing you will be able to do for them.

With all best wishes
