Dear Dr. Ferrero,

I am enclosing an enquiry which has been received by the Bureau from Dr. Renato Ritti, Ministry of Post-war Assistance, Rome, with regard to the circumstances of death and personal effects of T. 36737 Nallo, Alfredo.

I shall be obliged if you will reply to this enquiry.

T. 36737 OM. Nallo, Alfredo died on the 20th December, 1944, of asphyxia and shock due to the accidental bursting of a boiler. He was buried in Kilmarnock Cemetery, Kilmarnock, Scotland, on the 30th December, 1944, Grave No. 1419 39, Section 2. The personal effects of Nallo, Alfredo, were included in Consignment No. 22, Package No. 152, which was despatched to the Ufficio Albo D'Oro, Rome, on the 7th December, 1945.

The death of this prisoner of war was notified by cable in January, 1945, and was followed by an entry on the Bureau's Official List No. 37 of deceased Italian Prisoners of War dated the 25th February, 1945.

Yours sincerely,

MEMORANDUM TO LT. COL. ALFONSO WALTER - CHIEF OF THE LIAISON OFFICE - ROME

Mrs. Gergolini Maurer, wife of Capt. Pil. Sergio MAURER, has asked my help in order to obtain news of her husband who did not return to base after the last air combat over Tunisia, during the afternoon of the 6th of May, 1943.

All inquiries made by the Red Cross and the Vatican have, up to now, yielded no results.

The above-mentioned lady, therefore, is still hoping to receive confirmation of what she has repeatedly been told by I.A.F. personnel in concentration camps or ex P.O.s.

A number of I.A.F. personnel have informed her to have heard - they never say exactly who by - that Capt. MAURER had been seen in a North African camp.

Mrs. Maurer recently received further detailed information. Her husband was, it appears, seen by a certain 2 Lt. D'ALESSIO or ALESSI, not more than 2 months ago, in a punishment camp near New York.

The a/c 2 Lt. says that Capt. Maurer told him that he crashed, fractured an arm and a leg, burnt the upper part of his body, and that after having been in Algeria for 4 months, he was taken to America.

Mrs. Maurer is now trying to locate the Officer in question, and in the meanwhile I would appreciate if you could forward the name of Capt. Maurer to the American Command in order to obtain confirmation of the recent news received by the lady.

Signed: Col. Pil. A. ROMONDINO

.. My dear, I write to you again as I did
not get reply. Yesterday they looked for
you again and you must do something about.
Sometimes a Carabinieri (M.P.) with the
Maresciallo (Sgt.Mj.) come our home looking
for you and tell that you escaped from
Artillery Regiment. Try to speak to your
O/C. and to get a statement by him when you
are getting home in order to save trouble.

Everytime they come here they take your

To the Allied Command - Rome

My brother Feliciano Edmondo, Sergeant 3rd Infantry,
Company Command, Albania P.M. 70, was a prisoner at the
following address: Feliciano Edmondo, E.I. Sergeant,
Lager III, present front. N. 1200/1.

In accordance with the news I had from repatriated pri-
soners, it seems that he was a prisoner of the Germans in the
concentration camp of Hor, near Wies in Yugoslavia.

He sent no news ever since August 1944, and neither the
International, nor the Italian Red Cross answered the letters
asking for news about him.

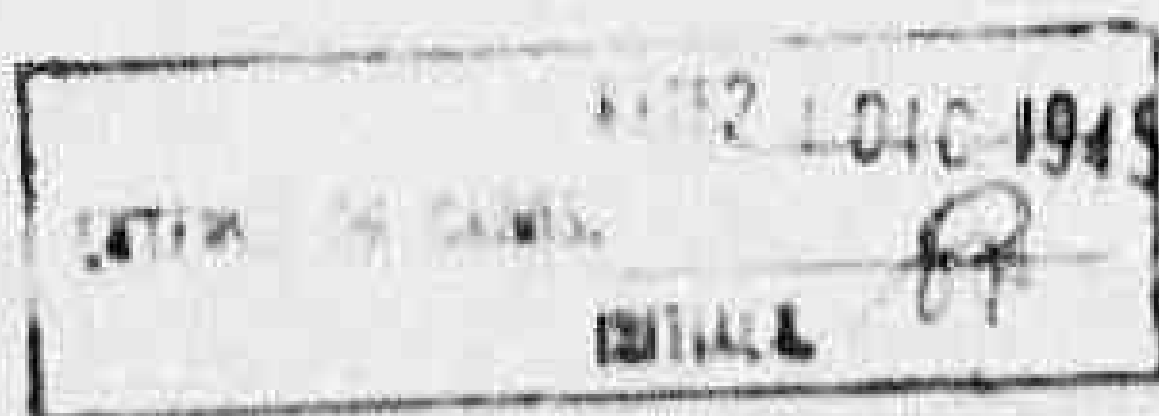

I beg this Command to have investigations made so that
my brother's family may be informed of his fate.

Thanking you, I remain,

Subject: Investigation of 2nd. Lt.
Minelli Renzo, son of
Adenico (Reserves) born
at Fara Sabina (Rieti)
25 years old.

On January 1941 the motor boat "VITTORIA" was sunk,
with 120 officers apart from the soldiers, by an enemy submarine
and about 400 miles from the North African coast.

The officer in question was on board and results as
missing.

Certain officers who were saved by the Italians stated
as having seen Minelli, who was a great swimmer, helping weaker
people and suppose that he may have died from shock after wear-
ing himself out.

It is also thought that he may have been saved by the
enemy submarine.

We beg the Allied Commission to investigate this case by
searching in all the military hospitals of North Africa and the
Colonies and the various prison camps of IPW, to find out if
the officer in question is still alive.

R O M E

The undersigned, Francesca VALENTE, mother of
soldier VALENTE Saverio begs for news of her son.

In 1940 he was called up in his turn and sent
to the war: In the first months of this year he took service
under the Allies and his address was as follows:

VALENTE Saverio- Soldier R.E. 81-1-66783-
N.S.P.W.E.7478 Naples

although he was working at Leghorn.

It is five years that I have not seen my son
and last March being very ill I wrote that I wanted to see
him. His Commanding Officer in consideration of what is abo-
ve, kindly gave him a brief furlough of a week's time.

At the end of his furlough my son presented
himself punctually at his Command but the Commanding Offi-
cer had been changed and as he had no justification for
his absence it seems that he was punished.

It has been many months that I have received no news
of him.

I beg you to give me news and in consideration
of this compassionate case show him indulgence.

Thank you

Signed

Undersigned Cecilia BARTOLI married DELMOTTO begs to ask
for your interference about following matter:

Her only brother, CC.RR. Pvt. BARTOLI Angelo, son
of late Giuseppe born in 1909 at Montecchio diBacchi (Terni),
was taken prisoner in Tunisia in May 1941. Afterwards he
was interned in the P.O.W. Camp 644 in Great Britain, where
he was registered as Prisoner B 196116. During last October,
a family living at Montecchio received, from an acquainted sol-
dier also interned in Great Britain, a news-paper report con-
cerning the solemn burial of CC.RR. Pvt. BARTOLI Angelo from
Montecchio, who had found death in a road accident, on the
18th August 1945.

Although the data are the very ones of her brother,
undersigned, who is greatly anguished for she does not hear
from him since four months, still hopes that the dead prisoner
may be someone else.

She turned to the Assistance Office of your General
Command, which is not informed about the case.

She thus begs to warmly ask you to interfere with
the Allied Authorities, which are probably the only ones
able to get informations about the road accident.

Anxiously waiting, undersigned thanks in advance.
