TEN. PILOTA - LIBERA SPORZA ANTONIO.

Inquires have reached us regarding the fate of the above mentioned Italian Air Force Officer.

He was born in 1917 at BUSSETO and shot down by a Beaufighter on the 7/7/43 whilst flying in a small formation of Italian single engine fighters between CATANIA and CASTELVETRANO in Sicily.

It was presumed that he was a British POW and the persons making the inquiry (Ten. Pilota LEUZZI FRANCESCO, stationed at TARANTO Airfield) is under the impression that he may be amongst a total of 7,200 Italian POW who (again according to Ten. Pilota LEUZZI on information received from the Red Cross) are not allowed to communicate with their families.

It is requested that if possible some information be furnished as to the ultimate fate of the above mentioned officer and if it be considered necessary steps be taken ^{to} ~~issued~~ ^{to} ~~denial~~ the dangerous rumour quoted above.
