From : MINISTRY OF WAR'S (Enclosure)
To : F.B.I.
Date : 1st April 1946
Ref. : 17924

Subject: Request for information of prisoners of war or interned "Missing Sources D'ACUTIS Paolo" Italian Royal Navy, 1919 class

It would be greatly appreciated if, with the help of F.B.I., it could be possible to obtain information of Lieutenant Sources D'ACUTIS Paolo .R.N., son of Giuseppe D'ACUTIS and of Rosalia Riccardi born in Acqui (Alessandria) on 14th April 1919, who was a member of the ship's company of the destroyer "Lanciere" sunk by submarine on 29th April 1941 in the Sicilian channel.

From reliable sources, it has been reported that after the sinking of the ship he was rescued by an American aircraft, and that he is at present an inmate of a North American military hospital, having completely lost his memory.

Difficulties have been encountered in previous enquiries made by Italian Royal Navy because of lack of details regarding the name and location of the hospital.

We transmit physical description of the subject : height about 1,72 metres, brown eyes, brown hair slightly wavy, tending to baldness, appendicitis scar on stomach, and scar of burn on one elbow.

From: Min. of Post War Assistance — Ref.: 6727

To: A.G. P.O.W. Sect. — Date: 23/5/46

The family of P.O.W. TACCOLA Umberto son of Olinto, at present a prisoner at Castel Benito (Tripoli) has informed us that their son has written complaining that she has not heard from them for some time.

We ask you to kindly approach the competent authorities in order to ensure the s/m P.O.W. that his wife and children living at La Spezia, his parents living a Leghorn, and relatives here at Rome are all in good health and that probably the lack of news is due to bad postal services.

Informazioni

6727

I familiari del pdg. TACCOLA Umberto di Olinda, attualmente prigioniero a Castel Benito (Tripoli) hanno reso noto a questo Servizio che il loro congiunto ha scritto lamentandosi di non ricevere da tempo loro notizie.

Pregasi volere interessare le competenti autorità perchè al su citato pdg. sia data assicurazione che la moglie con i bambini residenti a La Spezia, i genitori domiciliati a Livorno, ed i parenti qui in Roma godono tutti buona salute e che probabilmente la mancanza di notizie è dovuta a ritardi postali.

Si ringrazia.

SUBJECT: Sig. Mir. SPARTACO SCANDALI.

We would like to beg you kindly to forward us some information concerning the "SPARTACO SCANDALI" mate. No. 285620, interned in the South-African Areas so as to enable us to hand any news available to his wife, Mrs. LUCIA born DI ROCCO of Viale Manzoni 101, Rome.

Said Prisoner appears to have written a letter to his wife last February in which he was announcing his embarkation for repatriation, but nothing was heard about him since.

Our special gratitude to A.C. is prompted by the fact that even the smallest indication will make it possible to calm the unnatural state of agitation his family is living in.

With thanks

re : Italian Civil No.VI/512 Vincenzo Domenico.

The a/m ICE. is without news from his father, MENGANIC Pietro, Via Amorosa 2, Parenzo (Pola), Italy, since the 1st of Jan 1945. He has made several enquiries, through the Local Red Cross Society, but without result. He fears that the cause may be that his family lives in occupied territory from where it may be more difficult to obtain news and has asked for a further effort to be made on his behalf.

We submit his case to you for your kind attention.

My husband, 2nd Head Mechanic BALBO Alfredo, on active service, son of Giovanni and DOVICO Angela, born in Castiglion Tinella on the 6.11.1911, embarked on the requisitioned ship "AVENTINO" which left Palermo on the 1st Dec 1942 full of troops for Tunisia and was sunk on the night of 2.12.42 by aerial bombardment. Since then I have received no news but a friend assured me that he saw him jump into the water and make for the English or American ship which was picking up the survivors. Other people have also told me that news of my husband was given on the radio from America.

Subject: Gun-man Enzo ROMANELLI, born in 1920 at Florence.

From : Ministry of the Post-War Assistance - Regional Office for Lombardia - Information Section.

To : The British Army Headquarters - Caserta -

The person mentioned in subject, a crew-man aboard the steam-boat "V 5" (Padreterno), was reported missing on 20 May 1941 by the Italian Navy Department.

Yet his relatives rely on the benevolence of the competent Allied Offices so that proper investigations be carried out in order to ascertain his fate.

We have already applied to the U.S. Authorities in the eventuality that he is held by them;up to date the inquiries have been fruitless.

As it is believed and is firmly hoped that the sailor in question could be interned at Malta, we would highly appreciate it if your office will investigate in this direction.

Accept our best thanks,

yours

s/ (illegible)

Il nominativo in oggetto indicato, già imbarcato sul motoveliero " V 5 " ( Padreterno ), é stato dato disperso il 20 maggio 1941 dal competente Ministero della Marina.

I famigliari tuttavia contano sull'interessamento degli uffici a ciò preposti affinché vengano eseguite nei limiti del possibile, le ricerche relative.

E' stato già fatto un passo presso le Autorità Americane nell'eventualità che il Romanelli fosse andato colà a finire : il risultato é stato finora negativo.

Si pensa e si spera che detto marinaio possa essere in mano brittannica e si trovi eventualmente internato in Malta : saremo grati a codesto ufficio se vorrà indagare in tal senso.

Anche da parte dei famigliari ringraziamo sentitamente.

Dear Sirs,

We beg You to make researches about the Serg.t COLOMBI LUIGI, belonging to the 1st Grenadier Regiment, machine-gunner comp.F.M. 64.In the month of October 1943 his regiment was in Corsica and then it was transfered to Sardinia, from where the family has never received news from him. Only some time ago a soldier coming from Sicily told a member of the family that he had heard speak about Colombi in some Sicilian military hospital,but he could'nt give any other details.

Awaiting Your kind answer, we thank You in advance ,as

Yours truly

The Prefect of Florence, asked to carry out investigations in order to identify the persons responsible for the death of Mazzola Gennaro, has replied that these investigations have been unsuccessful.

We consider that the motive for the crime is, most likely, for political reasons.

We ask your Commission to kindly give, through the competent authorities, in the way you may think most advisable, this information to POW Mazzola Guido who is about to be repatriated on compassionate grounds, due to the impoverished state of his family.

Serg. MAZZOLA Guido -

Dalla Presidenza del Consiglio - Ufficio Gabinetto - si riceve informazione, con foglio n.68954/55367/2-3 del 27 maggio u.s., che il Sergente MAZZOLA Guido, prigioniero di guerra nel Sud Africa n.178802, ha chiesto alla Presidenza su indicata, in un esposto in data 14 novembre 1945, che fosse fatta luce sulla misteriosa uccisione del proprio fratello Gennaro avvenuta ad Empoli.

Il Prefetto di Firenze, interessato per esperire le opportune indagini per l'identificazione degli autori delle uccisione del MAZZOLA Gennaro, ha risposto che le indagini stesse hanno dato esito negative.

Si ritiene che il movente del delitto debba, probabilmente risiedere in ragioni di carattere politico.

Si prega vivamente codetta Commissione di voler disporre, tramite le Autorità competenti, ad informare, nella forma che crederà più opportuna, circa l'esito negativo delle indagini, il prigioniero MAZZOLA Guido in favore del quale è in corso d'istruzione la pratica di rimpatrio quale caso pietoso, date le condizioni di vera miseria in cui versano i famigliari.

Subject Enguiries and Repatriation of POW N° 8I=I=2I0569
ODIERNA Mario - U.S.P.O.W. Casablanca.

The father of ODIERNA Mario,POW in U.S.POW Camp Casablanca, hereby gives information which was passed on to him by the following ex-POWs who arrived at Naples on the 27 Inst.from the a/m camp - Lt. MILONE Enzo - Florence District - Pte. INDICOS Prlabdo - Pte.BUONVENTRE Salvatore - Pte. FONTANA.

Returning to camp after an arbitrary leave he was caught by the American commander of the camp Lt. Harison who took him in a jeep 30 km outside the town,stripped him of his uniform and told him"you may go now you are a civilian". Lt.MILONE who was in charge of the cage having heard this, with complete disregard of,his own personnel safety,went out and brought him back to the camp where Lt.Harison very angry asked him"what do you want""you have taken me prisoner and you will repatriate me" was the reply.With these words Harison lost his temper striking the above -named causing sereral wounds to his head and face;first aid was administered by his fellow-POWs.The repatriation order arrived the same day,but Harison fpr reprisal tore my son's up.His fellow POWs in order not to leave him on his own due to the camp being disbanded took him to the American hospital in Casablanca and now,no news has been received of him since.

From the above,it is evident that American Lt.Harison has not the slightest knowledge of the Geneva Conventions.

With this letter the parents of the a/n ask for information and repatriation of their son as soon as possible.
