Dear Sir:

If Colonel Regis is still head of WMDIPW, I shall not go into any lengthy discourses to identify myself as the former master sergeant in G-1 American under Colonel Uhler and Dragnoff. (Hya Colonel, regards to Lt Tor!) However, if he has been replaced by someone else the purpose of this letter will nevertheless be the same.

My aunt, a resident of Naples has written me that she has not heard from her soldier son since August, 1944. He was captured by the Nazis and imprisoned in Germany since 1943. Knowing of my affiliation with the Allied Commission in the past, she has asked me to intercede with the hope of obtaining some word of her son, an Italian prisoner of war.

These are the particulars as I have them:

Name:- Nicolangelo Annunziata, age 25
No. :- 67523
Address:- San Gennarello di Ottaviano, Prov of Naples
Father's name:- Fedele
Mothers' name:- Emanuela
Designation of Prison Camp:- M.-Stammlager XII D, Trier
St. Goat 10154
Germany

Any information you can furnish will be deeply appreciated.

Gratefully yours,

Signor Colonello Regio
Capo servizio prigionieri

Roma -

Invio a Voi questa mia, con la speranza di
esser esaudito. Sono la mamma del Sottotenente Fabrizio
Legnazzi della Marina effettivo Otto classe 1923
disperso il 2 Dicembre 1942 in azione di guerra
con la nave Ostenfeld diretta in Africa. Questo
mio figlio non ha mai scritto, ho fatto fare tante
ricerche, ma nessuno ha saputo darmi notizie.
Però a lunghi intervalli per radio ho sentito il suo
nome, l'ultima notizia l'ho sentita il 9 Aprile
1943 ore 19.30 radio Londra. Ora mi rivolgo a Voi
pregandoVi come può pregare una mamma per
sapere il perchè non scrive e anche per sapere (se possibile)
se questo ultimo mio messaggio era effettivamente di
mio figlio, perchè non indicata se la città, se la via.
Ve lo chiedo di grazia, calmate la mia angoscia
facendomi sapere qualche cosa riguardo mio figlio.
Fiduciosa di esser da Voi bene notizie con
ossequi

The rating in question appears to have been missing since March 1941 following the sinking of his ship, the auxiliary vessel "GIOVINEZZA".

From the enclosed copies of letters sent to his family, Puglisi appears to have been a prisoner in the United States till November 1945 and subsequently repatriated.

It is suggested that the man quoted by the American Authorities is a namesake of the man in question, since the fact that he did not communicate with his family during his long imprisonment nor return to his family on repatriation, can not be explained.

It is requested that the American Authorities concerned should be approached again to clarify the matter.

(a) " It is regretted the return of the above mentioned PW to ERITREA, even for a short period, would cause dissatisfaction among relatives of other PW who have not yet been permitted to return or who are still awaiting repatriation. Many of these have equally strong claims to settle private affairs in ERITREA.
