Genoa, 4 September 1946

Dear Sir,

The undersigned is the mother of CAMERA Domenico who is taking the liberty of writing to you directly in the effort of tracing him. He was arrested in Genoa by Nazi-Fascists on the 18 Nov 1944 and confined to our local prisons at Marassi.

On 2 December 1944 he was transferred to somewhere else, God knows where, and I haven't heard of him since.

A few days ago I have been told by an ex IPOW coming from Camp 153A - BOMRAY, that he met a chap named CAMERA Domenico in that concentration Camp and, therefore, I am applying to you in order to have some assistance in tracing him. I am sure you wouldn't reject a demand from a mother who lost ~~xxxxxx~~ the dearest and the only thing she had left. I thank you in anticipation for any interest you would take in this case.

Particulars are as under:

CAMERA Domenico di Felice - class: 1924
Residence: Via Sparta 13/16
GENOVA-SESTRI

I remain,
Respectfully,
yours,

Camera Maria

PDG. ARCESSE Pietro, di Giuseppe, matr. 37983, le cui ultime notizie alla famiglia risalgono all'ottobre 1945 dal PW Camp 363, Bargeise, British Somaliland

Dear Sir,

I am writing you to ask for information as to my nephew, a prisoner of war in South Africa. He has been eleven years in military service and for three years his family were without news of him and considered him missing. His name is Ello Borrero of Piedimonte d'Alife, Caserta

The 30th of last August I received a letter from him. In his letter after having explained his involuntary delay in writing of three long and difficult years, he said that he was in prison under the sentence of an allied military tribunal, for having escaped from the concentration camp with other soldiers and for having stolen for the necessities of living. He seemed in a very depressed state because of his situation and for having committed this action and however he had always been an honest citizen.

His address is: Ello Borrero, Speland Street, P.O. Box 1457, Cape Town, S.A.

Since this I have received no news from him. We should like to have further information as to his person and the address of the prison. I am a catholic priest and his father's brother and I am anxious to do what I can to help him.

Naturally I am anxious to have news of him as soon as possible and thanking you in advance for the attention you may give to this matter, I remain, yours sincerely,

(Rev) Alfonso Borrero.

A request has been received by Miss Ursich Pierina, Trieste, Via Bissolotto, 20, regarding possibility of tracing Limberti Nilo Giovanni - Brigadiere of the Carabinieri - who is a P.O.W. in Kania.

His last news was received in May 1944. During an air raid over Trieste in June 1944 Miss Ursich lost all her documents and his address. As she has some money and other belonging of P.O.W. Limberti she would like to get in touch with him.

Your assistance would be greatly appreciated.
