SUBJECT : POW Luigi ALBERTI -

ROME

We have requested the Ministry of Foreign Affairs to take up the matter of the repatriation of Luigi ALBERTI.

Alberti was born in 1918, was in the Battaglione of S.Marco stationed in Shanghai (Cina) on the 8th of Sept. 1943, at which period he was taken prisoner by the Japanese and subsequently liberated by the American troops.

He escaped and tried to get to Italy through Russia but was arrested and put into prison at Pechin.

The family were informed that he was visited at the prison by Father Braga of the Catholic Mission C.O.P.K.S.U.C.H. No.62- Shanghai, who took up the question of his liberation with the competent Authorities. No more news has been received from him.

Alberti is an only son, his mother is a widow and has lost two sons, in war, he is therefore the only one who can take care of her.

In consideration of what is written above we would greatly appreciate if you would examine this case and obtain news as to the present position of Alberti.

Si segnala agli Enti in indirizzo, perché vogliano compiacersi di espletare il loro possibile cortese interessamento il caso del prigioniero di guerra Luigi ALBERTI.

L'ALBERTI, della classe 1918, arruolato di leva nel battaglione S. Marco, si trovava a Shanghai (Cina) presso il Consolato Italiano, all'8 Settembre 1943.

A tale epoca fu fatto prigioniero dai Giapponesi e successivamente fu liberato dalle truppe americane.

Desidero di raggiungere comunque l'Italia, tentò di fuggire attraverso la Russia, ma fu arrestato e internato nelle Carceri di Pechino.

E' giunta notizia alla famiglia che l'ALBERTI fu successivamente visitato in tali carceri dal Padre BRAGA della Missione Cattolica C.O.P.K.S.U.C.H. n.62 - Shanghai, il quale ha prospettato la necessità che siano interessate le Autorità competenti per la liberazione del prigioniero. Non sono pervenute poi altre notizie.

L'ALBERTI è l'unico figlio di una madre, vedova, e che ha perduto altri due figli in guerra e rappresenta l'unico sostegno della famiglia.

Per quanto sopra si sarebbe grati se fossero esaminate benevolmente le possibilità della sua liberazione

Serial No. 278(I)

TO : British Embassy,

Subject : Italian P.O.W. wife's request for information.

I have just received a visit from Signora Maria Luisa Baugoni, Via Chiusa 1, Alessandria, who had recognised her husband, a lieutenant in the Italian navy, whom she had believed to be lost, in one of the photographs of Camp 144 of Italian P.O.W.s in England which were given to the press and published. The woman has not heard from her husband since 7th May, 1945, and is, of course, tremendously excited by this discovery and has begged me to do everything possible to trace her husband.

His particulars are as follows -

Sotto Tenente del Genio Navale Walter Yangoni di Domenico embarked on Vedetta Antisom 231 which was sunk at Carthage on 7th May, 1945.

The photograph in which she recognised her husband is one of a set entitled "Current Service No. 68" which we received on 50th August, 1945, about Italian prisoners of war in England. Would it be possible to have enquiries made by our London Office at the War Office in order to trace this man. I would recommend that the matter be dealt with as urgently as possible.

FROM : MINISTRY OF MARINE (Cabinet)
TO : N.S.C. H.Q. - A.C.
DATE : 27th August 1946
REF. : 14063/2

Subject : Probationary Midshipman Salvatore PACE and Surg.
Sub/Lieut. Salvatore VERDE of the destroyer "Uragano".

On 3rd February 1943 the destroyer "URAGANO" sank in the Straits of Sicily.

Of the ship's company, 40, including officers and ratings, were saved; the remainder were considered missing by the Ministry of Marine and no news has been received of their fate.

Recently, Mr. Giuseppe Tornetta, an ex sergeant in the Italian Air Force who was made prisoner at the capitulation in Tunisia and who recently returned home after being a prisoner in British hands and later working for the French in Tunisia, presented a report to the Ministry of Marine in which he states that in December 1943 he knew a Naval Officer by the name of Salvatore PACE and a medical officer who was always in his company but whose name he did not know.

When Tornetta returned to Italy, he read a notice in the returned prisoners centre at Naples, requesting news of Prob. Midshipman Salvatore PACE and he immediately contacted PACE's family to whom he narrated the following. When shown a photograph of Midshipman PACE, Tornetta had no difficulty in recognizing the officer whom he had met in Tunisia. Information on the character of the medical officer which he was able to provide also enabled Surg. Sub/Lieut. VERDE to be identified.

The information provided by Tornetta briefly is as follows

- His first meeting with the above officers was in December 1943 in an Italian field hospital about 4 Km. from Biserta on the Biserta-Tunis road. This hospital was then under British jurisdiction.
- There were subsequently further meetings as Tornetta often had the opportunity to stop at the hospital in the lorry on which he was employed.
- Tornetta saw the two officers for the last time on 10th May 1944 when they left for Algiers in a British motor column.

6319

4472

In July 1945 the International Red Cross Committee communicated to the VERDE family that, according to information received from their branch at Algiers, he was a prisoner at the following address :

P.O.W. Camp Fort Meade
G.P.O. Box 20 New York - U.S.A.

This news had no result, however, as the enquiries made in America directly on behalf of the VERDE family were unsuccessful. As can easily be imagined, the information of Mr. Tornetta, who, although he was contradicted by the above facts, firmly stated that he was giving the true explanation, which he also endorsed in his report to the Ministry of Marine, was very distressing to the families of the two officers and they turned to the Casualties Office of the Ministry of Marine asking for the investigations to be renewed despite their previous negative result.

Owing to the importance of the matter, it is requested that the Navy Sub Commission should approach the Allied Authorities concerned, for the renewal of the investigations as it is not out of the question that some of the crew of the "URAGANO" should have been saved by British ships or have finished up on the coast of Algeria, contrary to the fate of the other group of survivors who were picked up by our own ships and whose names are known.

Ferranti Stefano

RECEIVED 23 OCT 1946

Il mio amministrato in oggetto, nella notte dell'11 al 12 agosto 1943, trovavasi per i lavori di trebbia in contrada Cicogni territorio di Lentini (Prov di Siracusa) in un fondo di proprietà del N.º Alfonsino Reina, ove trovavasi il campo di aviazione Alleato Wing 422 SPT F.º. Quel campo, quella notte, fu oggetto di un'incursione aerea tedesca, durante la quale venne ferito alla gamba destra il Ferranti Stefano.

Del giorno di tale evento, la famiglia composta dalla moglie Mazzera Nicolina e di tre figlioletti non ha avuto alcuna notizia.

Solo ebbe una vaga notizia che il ferito fu soccorso dall'ambulanza inglese e trasportato in località ignota. A lenire lo sofferenza di questa famiglia dolente prego voler disporre attive ricerche in proposito, comunicando in prosieguo a quest'ufficio l'esito di esse.

Caro signore.

Io le sono altissimo grato se potesse comunicarmi se mio marito BALBO ALFREDO di GIOVANNI è vivo o morto.

La mia domanda è in relazione alle comunicazioni che ho ricevuto dal vostro Comando che vi trascrivo sotto A, e B.

Mentre con la A mi si assicura che mio marito BALBO AL. è stato trasferito dal 338 Italy Camp alla U.N. War Crimes Commission, la B in risposta a mie ulteriori notizie richieste mi risponde che non è disponibile l'indirizzo postale!

Io non so più cosa pensare data la disparità del contenuto delle lettere. Io penso che sia ciò dovuto a errore o a qualche fatto nuovo sopravvenuto, quale morte o trasferimento in luogo che non può comunicare.

Se sono ricorrente se mi comunicate qualcosa in merito gradisca i miei più cordiali saluti

2/Lt. PAGLIUCCA Serafino, who was one of the Offra with the 2nd Company of 184th Bgt. Col. ,arrived at M. Fiké with the above Unit during the first days of April 1941.

On the 1st May 1941 he was put in Command of a 1/2 Company in a stronghold somewhere on the left side of di road SCIASCIA-MANNA- ADAMITULLO.

I am not in the position to state if 2/Lt. PAGLIUCCA received any order during the fighting because his O.C., whom I met when the fighting was over, could not understand me properly as he was very badly wounded and going to die. The other Officer of the same Unit was seriously wounded as well.

I could not carry on accurate inquiries in the fighting place since the time I have been allowed to stay there before being forwarded the rear front, was very short one (about 45 minutes).

According to the statements made by some askaris who witnessed the fighting, 2/Lt. PAGLIUCCA had been shot dead during the last attack by the British Troops against our stronghold.

Da informazioni fornite dal PWIS., ME., risulta che il soprannominato, già prigioniero di guerra in Egitto, fu trasferito nel Regno Unito, e viaggiava su di un piroscafo che fu silurato nell'Oceano Atlantico il 19 Settembre 1942.

Poiché nessuna notizia è giunta alla famiglia da tale epoca, la famiglia prega chiedere notizie all'Ammiraglio britannico, nel caso esista un elenco dei sopravvissuti in quell'azione bellica, per sapere se il soldato in oggetto debba considerarsi perito.

Ill.mo Signor Colonnello,

Il Ten. ROLLO Giovanni si è rivolto a questo Ufficio per esporre il suo caso.

Reduce dalla prigionia, dove ha collaborato per due anni e mezzo a Nairobi con elogio, ha ottenuto la licenza di trenta giorni essendo egli Ufficiale nell'esercito italiano.

Egli ha la propria madre a Tripoli, residente in Via Armando Casalini, 16, inferma e che non ha più visto da sei anni.

Il suddetto ufficiale desidererebbe vivamente di poter trascorrere 15 giorni di licenza presso la madre per poi tornare di nuovo in Italia.

Per quanto il caso si presenti alquanto difficile, tuttavia mi permetto di sollecitare il Suo caritatevole intervento, considerata la condizione pietosa dell'esposto.

Nel ringraziarla in anticipo per quello che crederà opportuno di fare in proposito, La ossequio distintamente.

OGGETTO Aviere scelto Armiere MERONI Antonio fu Giuseppe -

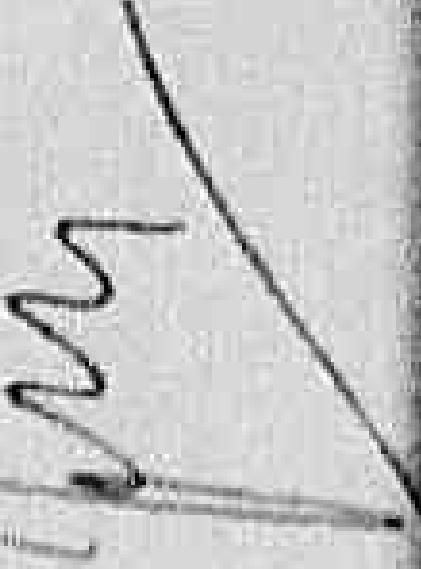

I famigliari dell'Aviere scelto MERONI Antonio si sono rivolti a questo Ministero chiedendo notizie del proprio congiunto.

Dai dati forniti dalla madre del disperso MERONI Antonio, risulta che il figlio in data 22/2/1941 partiva su aereo da bombardamento, dall'aeroporto di Grotteglie per bombardare Freveza; accolti da una violenta reazione contrerea, l'apparecchio fu costretto ad ammarare a 10 miglia ad Ovest dell'Isola di Antipasssa.

Trascorso un periodo di tempo, la Signora MERONI, riceveva una lettera dell'Arcivescovo di Milano, con la quale la comunicava che la Missione Cattolica della Svizzera, tramite la Santa Sede comunicava che l'Aviere Scelto MERONI ANTONIO era prigioniero nelle Indie Britanniche col numero di Matricola I27668.

Si sarà grati a codesta Commissione se vorrà controllare l'eventuale presenza o meno del Meroni nei campi di prigionia e compiacersi fornire a questo Ministero le notizie che in proposito venissero raccolte.
