Our association is presently a charitable Institution to assist the families of War dead, mutilated, and civilians affected by the War.

This Organisation is badly in need of funds to help the less fortunate that have been hardly hit by the War and who live in straight and dire circumstances.

To realize our ambition and to give work to the needy it is our aim to obtain from the A.G. all the refuse, in shoes, suits and other supplies that would be eventually discarded by the Allied Forces, or from PW Camps.

We are certain that our request will be granted and we thank you in advance.

- 1/. By request of this H.C., the A.C. Commission has kindly disposed to send a certain number of copies of the United Nations news bulletin to Italian PW located in camps in N. Africa and in France.
- 2/. We receive from many PW Camps letters from Italian PW that show a complete lack of understanding and orientation on what is at present the political situation in Italy, what has been done, and what happens daily. It is in the interest of the Italian Nation as well as to have all the work of the Italian PW used in the war effort and to have them also interested in the reconstruction work of their country, reconstruction that will lead to a real peace when the time will come that all these masses of prisoners will be ready to repatriate, and so they will return to their homes in peace of mind ready to start work again with the new energy and with future possibilities as their goal.
- 3/. I will write to you further in this matter, but now I ask the A.C. to kindly examine the possibility to send every day to the Italian PW news from Italy, in the form of a brief Commentary, like it would be; Liberated Italy; Basic News etc. that the PWs is publishing daily. This H.C. would appreciate if you could illustrate the news to the Italian PW as they could really settle down and have a peace of mind and choose their way, and when back in civilian life would be ready to begin to accomplish the reconstruction work that Italy so badly needs.
- 4/. I shall be grateful if you could give us an answer on this matter which is necessary to achieve the common purpose.

OGGETTO : Notiziario per prigionieri di guerra italiani.

Alla COMMISSIONE ALLIATA

R O M A

1. In seguito a richiesta di questo Alto Commissariato, codesta Commissione ha molto cortesemente disposto che ai campi di prigionieri di guerra italiani più vicini (Africa del Nord, Francia, ecc.) sia trasmesso un congruo numero di copie del Notiziario Nazionale Unico, per rispondere al desiderio di tutti i militari italiani di avere notizie dirette degli avvenimenti in Patria. Si confida che questo utile servizio si svolgerà ora regolarmente.

2. Giungono lettere da tutti i campi di prigionia: Egitto, Kenya, Sud Africa, Australia, India, Ceylon, Arabia Saudita, ecc., da un lato grande disorientamento degli spiriti, e dall'altro il vivo bisogno dei militari italiani di essere tenuti al corrente, obiettivamente della situazione in Italia, e di quanto giornalmente qui si compie.

E' interesse non solo del lavoro di collaborazione ma vero il quale possono tendere anche la energia dei prigionieri comunque addetti a sforzi bellici, ma è interessante tanto della ricostruzione nazionale italiana quanto della costruzione di una vera pace, che queste masse di prigionieri che torneranno alle loro case, vi giungano spiritualmente quanto più è possibile tranquilli ed orientati sulle loro possibili future attività.

3. Mi riservo di fare all'uopo ulteriori proposte secondo un piano organico, ma intanto prego vivamente

4. Mi riservo di fare all' dopo ulteriori proposte secondo un piano organico, ma intanto prego vivamente codesta Commissione di esaminare la possibilità di far inviare giornalmente a tutte le regioni ove sono campi di prigionieri italiani un breve notiziario telegrafico, come sarebbe ad esempio "Liberated Italy" del giornale Radio News che il Y.N.U. giornalmente pubblica. Tele Mo

tiario dovrebbe essere subito inviato ai campi e per-
tato a conoscenza dei prigionieri di guerra. Le noti-
zie cislave, obblittive, in esso contenute varrebbero
molto a svolgere quell'opera di pacificazione, di orien-
tamento degli spiriti, ch'è tanto necessaria in questo
momento per i nostri compagni d'arme lontani, e spesso
esasperati dalla durata del loro stato di prigionieri.

4. Sarà stato se vorrà farvi avere un cenno, che
avete affermato, per l'adozione di questo provvedimento,
che si ritiene efficacissimo pel raggiungimento del
lo scopo comune : la vittoria.

Subject : Doctor Gaetano MASOTTO - father Remolo, mother Rosa del Piano
born in Milano. Request of news.

Doctor Gaetano Masotto - father Remolo - born in Milano 1906 - employed at the "Istituto Nazionale Luce" seems to have been captured as a Prisoner of War near Rades (Tunisia) one of the first ten days of May 1943, while he was a chief of the War Photographers Branch with 1st Italian Army.

His wife, Paola Masotti, who lives with her parents-in-law in Rome, Via Zanardelli 36, int. 15 - Tel. 31018, is very preoccupied for the absolute lack of news and has asked the High Commissioner to take an interest, after have tried in vain to get them in many ways.

I beg the Allied Commission to ask the competent Authorities if eventually Doctor Masotto, who is a militarized civilian, has been really captured as a prisoner and is included among the prisoners of whose capture the families are not already informed.

R O M A

Si ringrazia sentitamente per quanto comunicato col foglio I.P.W./1/3/38/74 in data 29 ottobre 1944 nei riguardi dell'assegnazione di ufficiali italiani prigionieri di guerra ai campi e reparti truppe in Inghilterra.

Sempre con riferimento alla nota verbale n. 9 in data 21 marzo scorso con cui questo Alto Commissariato aveva esposti i vantaggi che a suo avviso conseguono a detta assegnazione, si prega codesta Commissione Alleata di volere esaminare la possibilità di effettuare l'assegnazione stessa anche a tutti i campi o gruppi di prigionieri in Australia ed America. Risulterebbe che parecchi di essi ne siano privi ancora.

Si ringrazia fin d'ora sentitamente.

To confirm the promotion of Capt. Marchese to the higher grade,
it is necessary to know in this case if the officer is a prisoner of war and:-

- if he was captured after the 10th of July 1943.
- if at present the officer, who is working with an Allied branch, is still considered as a prisoner of war.

I ask this because the Italian Law prescribes that soldiers while they are prisoners of war cannot obtain any promotion.

As the M.M.I.A. knows, the Allied authorities in the Middle East, employ more than 6,000 soldiers once belonging to the "Cuneo" Division.

The Ministry of War deems it advisable to let these soldiers have some link with their country by sending them books, newspapers and magazines. It would even be better if the News Bulletin "Italia" published by this Ministry could be sent to them.

Rome 5 November 1944

To: Allied Commission, Rome.

Subject: Forwarding of parcels to Italian Prisoners of War in Germany.

As is well-known, the conditions of the Italian Prisoners of War in Germany are very bad, and they suffer especially hard privations. At the present they need woolen clothes, shoes, food and medical supplies.

The Government and Italian people know the sad situation of these brave fellows who suffer so much not to break their oath, not to fight against their Italian brothers and the soldiers of the United Nations, and not to co-operate with the Nazi war effort. Our Government and people would like to help these unfortunate countrymen for whom another winter is approaching as hard as the last one.

The Commission, many times requested by the Italian authorities to take an interest and authorize us to send from liberated Italy food and clothes, has not yet decided to accept the request because of our present supply condition.

Up till now, although the efforts of the Italian Government have been unsuccessful in obtaining the forwarding of packages of wool, shoes, food and medical supplies from foreign countries (Switzerland, Portugal and especially America), we ~~most~~ earnestly beg the Allied Commission again to take into consideration the possibility of authorizing the above-mentioned supplies to be forwarded from Italy.

Italians who are anxious about the fate of their countrymen are ready to endure every kind of sacrifice to help them, even depriving themselves of what they need.

N° 1752/Pol./G.15. di prot.

OGGETTO : Invio di pacchi ai prigionieri di guerra italiani in Germania.

ALLA COMMISSIONE ALLEATA
R o m a

Come noto le condizioni dei prigionieri di guerra italiani in mani tedesche sono quanto mai dure, soprattutto per la privazione cui essi sono sottoposti. Particolarmente è ora sentito il bisogno di indumenti di lana, scarpe, viveri e medicinali.

Il Governo ed il popolo italiano ben conoscono la triste situazione di questi fieri figli che sopportano tante sofferenze per di non mancare al loro giuramento, per di non combattere contro i fratelli italiani ed i soldati delle Nazioni Unite, per di non lavorare per lo sforzo bellico nazista. E tanto il nostro Governo quanto il nostro popolo vorrebbero, in ogni modo, aiutare quegli avventurati condannati per i quali forse si sta approssimando un secondo inverno non meno duro del primo.

Questa Commissione, ripetutamente interessata dalle Autorità Italiane, perché volesse concedere l'autorizzazione per l'invio dall'Italia liberata di derrate ed indumenti non ha finora ritenuto di potere accogliere la richiesta data le nostre condizioni nei riguardi dei rifornimenti.

Ora poiché, a malgrado dei numerosi sforzi compiuti dal Governo Italiano, fino ad oggi non si è potuto ancora ottenere l'invio effettivo di pacchi di indumenti di lana, scarpe, viveri e medicinali dall'Estero (Svizzera, Portogallo e specialmente America) si rinnova viva preghiera a questa Commissione Alleata di volere favorevolmente esaminare la possibilità di autorizzare detto invio dalla Madrepatria, per quanto possibile.

Gli italiani - che con tanta ansia seguono la sorte di quegli avventurati fratelli - sono pronti ad affrontare qualsiasi sacrificio pur di aiutarli, privandosi anche del necessario.

Si ringrazia fin d'ora molto sentitamente.

The M.M.I.A.

In order to relieve at least in part, the very sad conditions in which are the P.W's captured on Sile Island, the Military Command of Sardegna has given orders to send to Corsica 431 series of out-fits taken from recovered staff.

This request was refused by the Officer of the M.M.I.A. - American Major FOSBETTER - on account of the existing blockade for clothing.

On account of the urgent necessity to help our prisoners in Corsica in the shortest possible time, I would be very grateful to this Mission if it would be so kind as to authorize the entry of the 431 series of out-fits specified herewith.
