G-5: 014.33

7 January 1945

SUBJECT: Petition from the League of Italian Women.

TO : Headquarters, Allied Commission, APO 394.

453

1. Reference is made to your 1/7/45 of 14 December, enclosing a translation of a petition dated 7 December from the League of Italian Women urging increased repatriation of Italian POW.

2. The petition was referred to G-1 this Headquarters, whose comments, concurred by G-1(B) and the Political Advisor, were as follows:

- "1. It is felt that the present repatriation policies are as liberal as they can be made at the present time, without effecting mass repatriation. Mass repatriation cannot be made since Italian Prisoners of War organized in Service Units are performing a very important function, and are making it possible to utilize many thousands of Allied Troops for combat who would otherwise be required for service troops in the rear areas. While the desires of the Italian Women's league are respected, retention of Italian P/Ws in Service Units speeds the time when all troops may be returned to their homes.
- "2. In connection with this appeal, it should be noted that many Italians in Service units are being brought to this country from North Africa, and a liberal leave and pass policy for them has been adopted.
- "3. Italians held as POW in the United States must await, as recognized in the petition, shipping space not needed for more urgent war materials."

3. In the circumstances it is felt that action should be limited to acknowledgment of the petition.

SUBJECT:- Medical Examination - Repatriation PW.

NA/T 1549 Cap Magg GABELLA, Fabrizio.

I have examined this patient and find nothing abnormal.

He states that he collapses and the question of possible Epilepsy is to be kept in mind. But in the absence of history and of physical signs I do not recommend repatriation.

If there is a reliable history of fits of which I know nothing at present, he should be seen again.

IPW/1/7/551

31 December 1944

Dear Marshal Messe,

With reference to your letter of 26 December in relation to the repatriation of Officer Prisoner of War Lieut. Stefano DEZZO, 2680 Italian Pnr. Coy. M.E.F.

Allied Force Headquarters informed me in October that arrangements were being made for the repatriation of the group in which Lieut. Dezzo was in to Italy.

Middle East authorities confirmed on 9th. December that the group of officers in which Lieut. Dezzo was included was in Egypt being concentrated ready for repatriation to Italy as soon as shipping was available.

I have again written Allied Force Headquarters asking that the return of this officer to Italy be expedited, as he is urgently required for a special appointment in the Italian Combatant Forces.

I shall inform you immediately I have any further information with regard to Lieut. Dezzo's return.

Yours sincerely,

J.A.C.

CHIEF OF THE STATO MAGGIORE GENERALE

P.M., 26 December 1944

Dear Colonel Campbell;

Since last June the Stato Maggiore Generale has requested the Allied Authorities to repatriate Lt. Stefano DEZZA (2660 - It. P.n.r. Coy - M.E.F.) and put his name on the 3rd list of the PW to be repatriated.

In spite of this up till now Lt. DEZZA has not come back.

As Lt. DEZZA is an excellent officer from every point of view, who in his country could be very useful, I would be very grateful to you if you would take personally an interest in his repatriation.

I thank for what you - I am certain - will do in the matter and greet you most cordially.

To : ALLIED COMMISSIONROMESubject : Camp No. 306 in Egypt

We have been informed that in the IPW Camp No. 306 in Egypt, there are about 1.500 sick soldiers who are not fit for work.

It seems that some have been wounded during the war in Eritrea and have never been examined by the competent Medical Commission, the rest are sick or wounded soldiers, coming from the Camps of Co-operators, and having been declared unable to work by the Medical Authorities of their Camps.

We beg the Allied Commission to interest the Competent Authorities so that these soldiers could be repatriated as soon as possible.

Thanking you in anticipation.
