DI SUA SANTITÀ

N.0071419

Dal Vaticano, li 3 Agosto 1946

Ill.mo Signor Colonnello,

il Sig.Ferru Salvatore (Roma, Via Marcartonio Odescialchi, 10) ha chiesto l'interessamento della Santa Sede per ottenere il sollecito rimpatrio del proprio figlio Maresciallo d'aeronautica FERRU SILVIO (Matr.92468 - Campo N.360 - East Africa Command), il quale si trova in Africa ininterrottamente da 12 anni ed è prigioniero da sei.

Il richiedente dichiara che il figlio è affetto da senovite cronica già da molti anni e che ora data la scarsezza al campo di mezzi moderni terapeutici necessari al caso ed essendoglisi già la gamba sfinata si teme che il male degeneri in t.b.c. qualora il sollecito intervento sanitario richiesto dovesse venire ancora a mancare.

Trattandosi di un caso estremamente pietoso, mi permetto di affidarlo al Suo benevolo interessamento al fine di preservare al prigioniero in parola dalla grave complicazione tenuta.

Nel ringraziarLa in anticipo di quanto potrà fare in merito, colgo l'occasione per porgerLe i miei più deferenti ossequi.

7402231 Pte. BROWN, S., Hospital Ship "Principessa Giovanna" states on oath:-

"At about 1915 hours on 25th. June 1945 I was in the Mental "cage" on the Poop supervising the "closed" or dangerous cases. I saw two Patients standing at the Stern on the deck below. They had been there for about quarter of an hour. I had seen one of these men in the same place previously. He was talking to the other man who was emptying swill. After a few minutes, when I looked down, I saw him standing on the rail and jumping overboard. I called Opl. HARRY but by the time he arrived the Alarm had already been given".

QUESTION:- "Did you see the other Patient do anything to attempt to save the man?"

ANSWER:- "No".

QUESTION:- "Was it possible to throw anything overboard to mark the place?"

ANSWER:- "No, the cage is completely enclosed by wire".

(Signed) BROWN, S.

Mr. J. GIBSON, Mason Officer, Hospital Ship "Principessa Giovanna", states on oath:-

"At 1925 hours 25th. June 1945 in position Lat. 38° 54' N. Long. 15° 32' E. a Patient jumped overboard from the Poop. The Alarm was immediately given to the Bridge by ward of mouth and the Vessel was immediately manoeuvred into position near the Patient.

At 1932 hours the Motor boat was sent away and before the boat could reach the Patient he was seen from the Bridge to disappear under the water. A search was made till 2020 hours and the boat then returned to the Vessel as it was considered useless to continue the search.

The Vessel continued on her course at 2030 hours."

FORZIO Raffaello has been transferred from No.6 Camp, UGANDA to No.3 Camp, Nanyuki, KENYA for segregation as a Fascist trouble maker. He is in good health and is not recommended for repatriation for security reasons.

QUARANTA Michele is a sick man, classed as second priority for repatriation on health grounds. A number of chronically sick civilians have first priority for repatriation, when sick berth shipping is made available, and in fairness, and in order to avoid dissatisfaction in the camp, men who have prior claims for health reasons must be repatriated first.
