Move of 900 Italian repatriates MARSEILLES to LEGHORN, ref EX 28034, 2 April not to all, is subject.

Agreeable to use only craft which are returning direct to LEGHORN.  
Do not use craft returning via BASTIA as 57 Bomb Wing program must not by (be?) disturbed.

Suggest repatriates be made available for loading craft to capacity as number of craft returning direct to LEGHORN during period requested may be limited.

Request intent to load cables be sent so arrangements for reception can be made.

DLC agrees.
