TO THE LAWYER TAMAGNINI

I am a captain, veteran from imprisonment. In a few days I will call on you because I have been asked by Col. DUGGAN, Comander of Camp 305, to bring you a message.

In the meantime, in order to speed up a case that I am particularly interested in, I wish to prospect the following matter, which besides being very serious is an offence against a group of It. soldiers who are the victimes.

The question regards a group of sick soldiers who in a very bad phisical condition were repatriated on the Greek ship "Oradisca". Stopped by the British on the high seas, they were unexpectedly matriculated on the German model No. 3000 and have continued to remain as such. They are now at Camp 308 which is an International Camp in which are interned prisoners of 28 nationalities.

You may imagine under what conditions these poor boys are living, whose repatriation is excluded, as they result as German military personnel to all effects and as such are always in danger of being transferred to Berlin.

The following names are the only ones I had the time to get but there are 18 others in the same condition.

TO : Officer Commanding
IPW Division - A.C.

It would be greatly appreciated if you can assist in the following matter. An IPW 2/Lt. L. DE ROSA - N. 410353 at Camp N° 304 - Egypt, is believed to be suffering from pleurisy and sinovitis. His father, a Lucca resident, is also ill with nerve trouble chiefly caused by anxiety over his son. Medical opinion states it would be advisable for the son to return to Lucca as early as possible.

If this could be arranged considerable suffering would be avoided and a possible rapid cure of the father.

It is notified for information that the a/n invalids were evacuated to Naples by air on 3 Sept. 45 and not on 1 Sept. 45 as notified in our M.6862 of 31 Aug. 45.

It is regretted that it was not possible to notify ETA of these men as invalids evacuated to Italy usually embark on an aircraft which does not begin its journey in Malta and until the aircraft arrives here it is not known whether accommodation will be available. The aircraft usually leaves Malta early morning and consequently a message notifying you of the evacuation would not arrive in time for you to make arrangements for meeting the invalids at the airport.

In view of these circumstances it is suggested that, in future, invalids evacuated by air will carry instructions for the E.M.O. at the airport to transfer them to the nearest Military Hospital and instructionsfor the O.C. of the hospital to which they are admitted to notify your Headquarters and HQ Allied Commission immediately of their arrival.

SUBJECT : Midshipman of the Reserves, GIACALONE Giuseppe.

We have been informed of the following matter regarding the midshipman in question.

It seems that an the 26th of August 1944 he was fighting with the San Marco Battalion and was wounded and captured by the Germans during the battle of Acqualagna (Pesaro).

The officer wrote his family that he had been taken to Germany and subsequently transfered to Switzerland, afterwards to France and finally to Alexander in Egypt. The reasons for these transfers are unknown. His last letter sent from Alexander dated 8th February 1945 he said he was probably going to be sent to South Africa.

Midshipman Giacalone has had his left leg amputated, in fact in his letters he prepared his family that they would find him mutilated.

Due to his position and his condition of health, and the circumstances in which he was wounded, the midshipman in question could have been repatriated directly from France instead of being sent always further away and treated as a POW.

We beg your Sub Commission to call this matter to the attention of the competent authorities in the aim of obtaining his repatriation as quickly as is possible.

Gen MANNERINI (Ufficio Autonomo Reduci di Guerra, ROME) complained 15 Aug that:

(a) They had disembarked NAPLES and NOT TARANTO as requested.
(b) They had been sent to 209 PW Camp AFRAGOLA without reference to the italian authorities despite there being an Italian Liaisson Officer available at NAPLES.
(c) Such camp is used to detain fascists.
(d) There they had been treated as PW, i.e.
  i. Confined behind barbed wire
  ii. Were searched
  iii. Had their NAAFI cigarrettes impounded
  iv. Were on a low calory ration scale
(e) They were NOT moved to Centro Allogio, SAN MARTINO, as his Office had requested on 8 Aug.
(f) They had lost some of their baggage.

B. INTENTION:

(a) To ascertain the truth of these allegations
(b) To discover what mistakes were made and by whom
(c) To recommend a procedure whereby such incidents might be avoided in the future.

C. ENQUIRIES MADE:AT HQ AC:

(a) Repatriation offered 8 Jul by MIDEAST
(b) Having conferred with Gen MANNERINI, ALCOM signalled to MIDEAST ONLY 10 Jul as follows:
  "ITALIAN GOVERNMENT ACCEPT REPATRIATION 780 IPW INVALIDS AND SPECIFIES THAT THEY BE LANDED AT TARANTO"
(c) MIDEAST signalled 13 Aug stating final numbers embarked THIS SIGNAL MADE NO MENTION OF DESTINATION BEING OTHER THAN AS WE HAD REQUESTED;
(d) No further trace of information about this movement until G.1(Br)A.2 AFHQ telephoned 7 Aug stating that some 780 PW ex MIDEAST had been disembarked NAPLES and sent to 209 PW Camp, whose Commandant and an Italian General amongst the repatriates were bitterly complaining at such disposal.
(e) Knowing there is never anyone to answer Gen MANNERINI's telephone during the afternoon until 1600 hrs, and that there is no english speaking Officer there, ALCOM telephoned Lt ANTONELLI and requested urgent alternative disposal instructions.
(f) Despite repeated requests to ANTONELLI 8 Aug no instructions were forthcoming, and it became apparent

an Italian Liaison Officer available at NAPLES.

(g) By 1700 hrs 8 Aug ANTONELLI telephoned stating that the repatriates should go to CENTRO ALLOGGIO, SAN MARTINO = NAPLES.

D. VISIT TO COL INCHILERI (Ufficio Autonomo Reduci di Guerra =NAPLES)

(a) 58 of the draft were hospitalized; balance were walking cases.
(b) SAN MARTINO would have been able to accomodate them on the day of disembarkation if they had been informed.
(c) Movement from 209 PW Camp to SAN MARTINO didnot take place until 14 Aug.
(d) Liasson has not been established between his office and MOV NAPLES, and he didnot know of the Lieutenant to whom Gen MANNERINI had alluded.
(e) Officers' baggage was still missing.

E. VISIT TO AFHQ = Maj CONDRON (G.1(Br)A.2)

(a) A copy was produced of AFHQ signal F.31/92 dated 3 Aug to ALCOM for action advising the number due to arrive and stating that they would disembark NAPLES ex EMPIRE TROOPER 8 Aug.

F. VISIT TO MOV NAPLES = S/Capt Q(M)(personnel) = Capt CHAPMAN

(a) This Officer assumed his present appointment 13 Aug; his predecessor had already left and was not available therefore to be interviewed;
(b) MOV NAPLES Disembarkation Order No.118 was produced. It stated that 171 Officers and 609 ORs Italian PW would disembark 7 Aug on Berth 25 NAPLES ex EMPIRE TROOPER and would move to 209 PW Camp under arrangements that Camp/
(c) It was stated that such disposal was laid down by "A" Branch 56 Area.
(d) ESO on Berth 25 had stated that all baggage was off loaded and cleared from the quay night 7/8 Aug.
(e) It was thought likely that the PW baggage had accompanied some 700 displaced persons who disembarked from the same vessel and moved to NAPLES CENTRAL STATION for rail movement to a destination not known to him. Such movement is a civil commitment.
(f) He would welcome an Italian Liaison Officer being available to deal with these drafts, but could find no trace of one having been available in the past.

G. VISIT TO 209 PW CAMP = AFRAGOLA (Adjutant = Capt NILE)

(a) OC PW Camp had protested by telephone 1 Aug to AFHQ that the repatriates should NOT be routed to his Camp.
(b) "A" Branch 56 Area told NILE by telephone that the draft were definitely for 209 Camp and were to be treated as a normal PW intake. They added that disposal would be notified as soon as possible.
(c) On arrival the repatriates
i; were searched = to avoid unauthorised entry of prohibited articles and subsequent possible transfer to other PW.
ii. were deprived of NAAFI cigarettes &c

(c) On arrival the repatriates
  i; Were searched = to avoid unauthorised entry of prohibited articles and subsequent possible transfer to other PW.
  ii. Were deprived of NAAFI cigarettes &c = to avoid dissatisfaction amongst British guards. This is normal practice and doesnot apply to other property: the cigarettes were returned on dapurture.
  iii. Were rationed on low calory scale = This is the normal PW scale, and is the only one in issue at PW Camps.
  iv. Were NOT disinfested = because such was considered needless as they had just disembarked from a British vessel.
  v. Were supplied with one extra blanket in view of their medical condition.

(d) Gen GOTTI POSCINARI, the senior repatriate was informed of the position, which he appeared to understand fully, and which he undertook to pass on to the others to allay discontent. He appears not to have been unduly distressed.
(e) Col BOWER of SAN MARTINO was allowed to visit the repatriates, and his visit is stated to have been markedly cordial.
(f) Transport was stated by 3 Dist through 56 Area to to have been unavailable on account of sudden calls for "LIAP" movement of British personnel.
(g) 4 x 3=Ton lorries only were supplied 14 Aug: these were supplemented by 209 PW Camp from own resources in view of their inadequacy, and of the unfortunate events which had already marred the repatriation.
(h) A full statement of missing baggage had been prepared by the repatriates themselves, and had been forwarded by the Camp to HQ 56 Area.
(i) All types of PW are accomodated in this Camp, and segregation of types is not normally undertaken.

H. VISIT TO HQ 56 AREA

(a) Staff Lieut dealing with PW and Movements stated:
i. Difficulties had previously arisen, therefore disposal to 209 PW Camp was specifically queried with Maj CROFT at HQ 3 Dist. The latter stated that G.1(Br) AFHQ had no disposal instructions to offer = hence as 209 PW Camp was the only local establishment suited to the reception and screening of PW, the draft was sent there.
ii. Nothing was known of the existence of an Italian Liaison Officer authorised to advise on PW.
iii. Guidance, if not positive direction, from a high level would be welcomed to define transport priorities between British service commitments and the movement of Italian PW; it being noted that Italians were frequently ~~disembussed~~ lifted when British personnel had to march. It was appreciated that in this particular instance the choice didnot arise as the Italians were sick.

(b) S/Capt "Q" stated:
i. He was aware some baggage was missing but pointed out that docks clearance was a movements responsibility and that receiving Unit were normally on hand to assist.
ii. He had enquired of ESO = see report of conversation with ESO at para "I" below.
iii. The list from 209 PW Camp had not yet arrived, but when it did he would pass it to MMIA.

I. TELEPHONE CONVERSATION WITH ESO ON BERTH 25 NAPLES:

I. TELEPHONE CONVERSATION WITH ESO ON BERTH 25 NAPLES:

(a) The EMPIRE TROOPER off loaded all her baggage night 7/8 Aug and it was all cleared from the docks.
(b) No one appeared to take care of the PW, although in the case of the displaced persons on the same vessel, an official supplied by AMG (Naples Commune) was, as on previous occasions, on the spot.
(c) It was assumed that all the baggage went to NAPLES CENTRAL STATION with the displaced persons. Enquiry had been made of the PW whether there was any more baggage for them; the reply was negative = he couldnot remember who gave this answer, not what his rank was.
(d) He would very much welcome the future presence of an English speaking Italian Officer provided that such person had the backing of AC and the Italian authorities and would be prepared to work under his direction to arrange marshalling of personnel and kits and their

despatch from the docks.

J. VISIT TO NAPLES CENTRAL STATION:

(a) Italian RTOknew nothing of the movement of the displaced persons on 7/8 Aug, but stated that Italian Red Cross would have handled it if it took place!!!
(b) Italian Red Cross stated that the movement did take place and that personnel and baggage departed for ROME, from where they would be routed to various destinations by the Italian Red Cross Office at ROME.

(c) In view of the contents of the Signal (copy attached) it is NOT understood.
i. Why IPW was omitted from distribution
ii. Why Transport S/C didnot refer it to IPW

L. CONCLUSIONS:

(a) About this incident:
i. ALCOM Message Centre failed to route the AFHQ Signal F 31792 correctly.
ii. Transportation S/C should have referred it to IPW.
iii. Had there been a liaison link available between MOV NAPLES and the Italian authorities, the mistake could have been avoided despite i & ii above.
iv. Gen MANNERINI should be advised to enquire of Italian Rlys Comm Rome regarding the missing baggage.

(b) For the future
i; All signals emanating from ALCOM about movements should be copied to AFHQ cite FHGDM.
ii. Gen MANNERINI should be requested to provide an English speaking Liaison Officer at each port to which repatriates are normally routed. Such Officer should be introduced to local MOV HQ by ALCOM, and should be empowered by the Italian authorities to issue orders (on the direction of ESO) to repatriates concerning transportation arrangements for themselves and their baggage.
iii. It would greatly assist MOV at each port if

iv. Can Italian transport be made available to lift repatriates from the port to tneir destination? This would be particularly helpful at NAPLES, which port is so busy with redeployment of British and American personnel.
