reasons for which the above officers could not be freed.

The prisoners in question are now in the General

This Ministry has nothing against ^{their} them being taken

APO 394, U. S. Army.

1. Attached hereto for your information is a copy of a letter written by Pvt. Ugo Redivo, 81-I-32894, to the Italian Ministry of War requesting to be released from any future service in the Italian Army.
2. It is believed that the Italian Army has little claim to hold this man as he was born and raised in Germany. He became an Italian citizen merely because his birth was registered with an Italian Consulate in Germany as his father was of Italian birth and his mother a German.
3. Pvt. Redivo has been completely loyal to the U. S. Army since August of 1943. It is considered that he has been thoroughly converted to the democratic way of life and we would like to assist him in his desire to return to Germany. He will always be a friend of the U. S. and we feel that we will need to have friends in Germany.
4. It would be appreciated if you would advise us if it would be possible to have Redivo classified as a "displaced person" and returned to Frankfurt am Main, Germany, subsequent to his eventual release from the Italian Army.

Translation of the request by REDIVO Ugo, Sold., 61-L-32894 "RE"
U.S.P.W.E. 7004, NAPLES, (Italy).

To the Ministry of War

General Directory of the Conscription Board for N.C.O.'s and Enlisted Personnel.

Enlisted Personnel Division.

R O M E.

The undersigned, REDIVO Ugo di Domenico, Pvt., ASN 7418, of the class of 1919 with the Military District Sacile, requests to be discharged from the Italian Army for the following reasons:

The undersigned, son of an Italian living in Germany, was born at Wiesbaden, Germany, and has always resided in Germany; last residence being Frankfurt am Main. Prior to the war the undersigned had been inducted into the Reserve Corps notwithstanding that he had never performed military duty. In March 1942 all Italians of the classes 1917 to 1921 residing in foreign countries were called to perform active service for a six month period. On 7 June 1942 the undersigned arrived from Germany and reported to the Military District of Sacile and on 13 June 1942 was assigned to the 1st Artillery Regiment at Pordenone. After three months of service he was requested by the General Staff for examination as an Italian-German interpreter and on 10 September 1942 was assigned to the 1st Interpreter Company of the 51st Infantry Regiment at Rome. In March 1943 he was sent as an interpreter to the 30th Army Corps Information Bureau in Tunisia. He was captured by the British on 11 May 1943 and from September 1943 he is a member of a cooperator unit attached to the U. S. Army. The undersigned's aged parents (father 70 years old, mother 64 years old) who are living in Germany do not have any assistance. They have never received any subsidy. The last news received from the parents was on 9 January 1945. Since the occupation of Germany the undersigned has not received any news of his parents.

The undersigned begs your office to take into benevolent consideration his request and to give the Military District of Sacile instructions concerning his discharge.

MEMORANDUM FOR THE OFFICER IN CHARGE:

SUBJECT : Screening Reports of Prisoners of War.

1. Pursuant to a request for screening of the Italian Prisoners of War listed below, dated 25 March 1945, forwarded to this Office through G-2, Pensouth, dated 12 April 1945, this Agent, under direction of the Officer in Charge, conducted interrogations of the personnel in question on 12 May 1945 at the 262d Station Hospital Aversa.

LATINI was first sent to Tunis then to Oran where at the time of the Armistice he decided to accept the offer to work with the Allies. The company to which LATINI belonged was repatriated to Naples in January 1945 and when LATINI became sick, he was sent to the 262d Station Hospital Aversa.

C. (Auth: AFHQ. C.I.(Br)/3841/A2, dated 1 May '45.)

It was not possible to complete Appendix 'A', as the Balance of pay due to this Co-Operator could not be arrived at owing to the number of unsigned items and "rubblings-out" on the A.Fs. W.3488.

This man had not been paid for five months, and in view of the facts that he had no money in his possession upon leaving this Hospital, and was proceeding to his home in BOLOGNA, it was felt that an effort should be made to obtain at least part of the moneys owing to him.

Accordingly, he was despatched home via NAPLES, where he was instructed to break his journey in order to deliver to his ex Unit his A.Fs. W.3488 and a letter addressed to the O.C., a receipt being obtained for same (as per attached copies mentioned above).

REG. NUMBER: 17846

NAME: PAOLETTI, Luciano

RANK: Tenente NUMBER: 81-G-420223

ARM OF SERVICE: Luftwaffe.

DISABILITY: Psychosis, acute, severe, unclassified.

BRIEF PAST HISTORY: Patient was admitted to 262d Station Hospital 17 May 45 in a very violent and agitated state. Restraint was required in order to control him. He was non-cooperative, uncomprehending, disoriented and excited. Refused to speak through an interpreter. Had an expressionless stare "in his eyes". Continually called for a person named Gennoro. History obtained from medical attendants revealed that he had without provocation and suddenly struck a soldier at the Dispensary of the PWE while he was waiting for sick call. Physical examination on admission was normal except for the aforementioned facts and absent patellar reflexis.

PRESENT CONDITION: Has become cooperative after treatment with sedatives and rest. Is fairly well oriented. Has completely recovered from attack of acute mania. Is liable to recurrence, at any time, of attack. Due to language difficulty it is hard to obtain complete psychiatric background but observation of the patients actions indicate a diagnosis of "psychosis, acute, severe, unclassified."

Recommend that patient be confined in an institution for the insane.

TRANSLATION OF LETTER WRITTEN BY-- MARIA MAPELLI

TRIPOLI 1034

Maria Mapelli dwelling at Via Vignola 59, wife of civilian internee MAPELLI, Albino, whose father's name is John and whose mother's name is Spadoni Valentina. The above-named internee was born in Milan on 2 May 1902. I am asking for the release of this interned civilian for precarious, economical conditions at home. He is the sole supporter of two children-- ages 2 and 4.

I'm sure you will do all in your power in regard to the above case.
