Ufficio del Cappellano italiano

Oran, 12 Ottobre 1944

A LL' ECCCELLENZA ILL.MA E REV.MA
MONSIGNOR Angelo BARTOLOMASI
Ordinario Militare per l'Italia

ROMA

Eccellenza,

Il messaggio dall'Eccellenza V/ rivolto ai Cappellani militari prigionieri, e' stato accolto con viva gioia e spiccato senso di gratitudine, pari all'attesa. Le Vostre parole affettuose ci giungono al cuore e costituiranno il quotidiano viatico per il cammino che ci resta ancora da percorrere.

Posso assicurare l'E.V. che i Cappellani militari italiani di questo settore, hanno corrisposto, nei limiti delle umane possibilita' e in condizioni ambientali le piu' sorprendenti, alla fiducia che Voi, Eccellenza, riponeste in loro, nell'atto di lanciarli all'apostolato in mezzo ai soldati. Essi si sono prodigati in mille guise, dimentichi di se', per elevare il livello morale e spirituale delle anime loro affidate, portandole alla pratica della Fede e realizzando, in taluni casi, vere e proprie conversioni.

Il Signore si e' degnato benedire il nostro lavoro spargendovi, a larghe mani, la sua Grazia.

Confortati ora dal Vostro costante ricordo nelle preghiere, dalla Vostra benevolenza, dal Vostro paterno cuore, i Cappellani prigionieri, si impegnano di proseguire la loro opera con rinnovato zelo, con illimitata fiducia e assoluto abbandono nelle braccia della Provvidenza, cui essi affidano le loro mute angosce, il quotidiano travaglio e l'incerto avvenire.

Vogliate, Eccellenza, ricordarci sempre a Cristo Re e Martire e benedirci.
Dell'Eccellenza Vostra

Sac. Luigi Severini

Luigi Severini

P.S. Allego alla presente copia del messaggio di V.E., che, debitamente ciclostilato, ho diramato a tutti i Cappellani di questa circoscrizione.

Ufficio del Cappellano Italiano

N.60 di Prot. A.S.

Oggetto: Lettera di S.E. Mos.A. BARTOLOMASI ai Cappellani Italiani.
li' 7 Ottobre 1944

-A TUTTI I CAPPELLANI MILITARI PRIGIONIERI ITALIANI

S.E. Angelo BARTOLOMASI, Ordinario Militare per l'Italia, mi incarica di trasmettervi il testo di un suo messaggio, indirizzato ai Cappellani militari italiani prigionieri di guerra.

"AI CAPPELLANI MILITARI PRIGIONIERI DI GUERRA"

Cari Cappellani, piu' cari perche' siete lontani dall'amata Patria e dai campi di vostra missione che voi nostalgicamente ricorrete, ai quali ansiosamente sono protesi i vostri spiriti. Vi saluta da Roma, che senti' per mesi il ruggito e le minacce della guerra Vergine SS.e per le esterne cure del Papa, Vi mando, ora che posso, fervidi auguri e benedizione cordiale.

Dal Cappellano Capo don Nani e da alcuni pochi Cappellani militari rimpatriti, seppi la vostra sorte, la vostra tenerezza, al dove, la vostra virtuosa serenita' nel sopportare le pene e disagi di carita' nel concentramento, la vostra fortezza morale e la sacerdotale privazioni della prigionia, e nel confortarli con la fede Cristiana con la preghiera, con i SS. Sacramenti e con l'esempio di quel sape soffrire che trasforma i dolori in meriti e che "domina la sventura e la costringe ad essere nostra gloria".

A voi, che tali siete, l'augurio che tanta forza d'animo, da D. ispirata e corroborata, vi accompagni nel tempo di vostra prigionia che e' sventura, non colpa; che buoni, temprati alla fucina del dolore, diventiate migliori, e che, abbreviati i giorni della tribolazione, possiate rivedere la Patria, che, se afflitta, sara' lieta di rabbracciarvi, come lietissimi saranno i vostri cari, questo Ordinario ed i colleghi Cappellani militari, che pregano per voi, a voi uniti nella carita' di Cristo. "Estote fortes in fide", aggiungo "in spe".

Con questi pensieri augurali benedico a voi, ai Sigg. Ufficiali e Sottufficiali ed ai bravi e cari soldati.

Roma, 7 Agosto 1944

f.to Angelo Bartolomasi
Arcivescovo Ordinario Militare

La parola cala

...e da Roma, che senti' per mesi il ruggito e le minacce della guerra da Roma, salva per grazia di Dio, per la potente protezione della Vergine SS. e per le materne cure del Papa, Vi mando, ora che posso, fervidi auguri e benedizione cordiale.

Dal Cappellano Capo don Nani e da alcuni pochi Cappellani militari rimpatriti, seppi la vostra sorte, la vostra recelta' al dove, la vostra virtuosa serenita', nel sopportare le pene e disagi dei campi di concentramento, la vostra fermezza morale e la sacerdotale carita' nel condividere con i vostri e nostri carissimi soldati le privazioni della prigionia, e nel confortarli con la fede Cristiana con la preghiera, con i SS. Sacramenti e con l'esempio di quel sape soffrire che trasforma i dolori in meriti e che "domina la sventura e la costringe ad essere nostra gloria".

A voi, che tali siete, l'augurio che tanta forza d'animo, da D. ispirata e corroborata,, vi accompagni nel tempo di vostra prigionia che e' sventura, non colpa; che buoni, temprati alla fucina del dolore, diventiate migliori, e che, abbreviati i giorni della tribolazione, possiate rivedere la Patria, che, se afflitta, sara' lieta di rabbracciarvi, come lietissimi saranno i vostri cari, questo Ordinarato ed i colleghi Cappellani militari, che pregano per voi, a voi uniti nella carita' di Cristo. "Estote fortes in fide", aggiungo "in spe".

Con questi pensieri augurali benedico a voi, ai Sigg. Ufficiali e Sottufficiali ed ai bravi e cari soldati.

Roma, 7 Agosto 1944

f.to Angelo Bartolomasi
Arcivescovo Ordinario Militare

La parola calda e paterna del nostro Arcivescovo ci sia di conforto e di incitamento a perseverare nella nostra missione di pace nel fregore delle armi, con rinnovato zelo e fiducia, convinti che il buon Dio rendera' fecondo il nostro apostolato col divino fermento della sua Grazia, col dono inestimabile del suo immenso amore.

Con fraterno cuore

- Corrado Supremo - P.M. 151-A
 I am a widow, born in year 1883, heart-sick, mother of three sons, all three fighting. - One, second lieutenant in the air-force awarded of the silver medal, is PW in India; another is in the Army in Sardinia; the older, 2nd lieutenant Domenico Cavalli, who was supporting me in all way after my husband's death, is PW in Africa, No 322024 Blocco XI (hospital) - Union of South-Africa

Of my two daughter, one is in the far Peru with the family, the other is in Alessandria, in the part of Italy still in German hand. - So I'm living alone with my older son's fiancée, who live near me these days on my very sad loneliness.

It's for this my older son that I beg the repatriation, being also that he is living in the hospital for a chronic sickness which doesn't permit him to work manually, but anywhere, coming back in Fatherland, he could start again to work as a Civil Engineer, and give his services for the reconstruction of a new Italy, where at last we have again those ideas of freedom he likes so much.

It's to ask a highly humanitarian act, and I dare say, a recognition of a new Italy, that I dare request to the great heart of the members of this A.C.C. - They will surely accord to this poor mother their high consideration.

The undersigned Teresa Rossi (widow Casella), asks if there is any possibility of the repatriation of my son-in-law Maresciallo maggiore - Engineer Corp - Casella Francesco Prisoner of War - N° 81-1-37979 MATUOSA P.W.E. 151 - in Oran - Algeria.-

The reasons, for which I dare to ask this repatriation are:

In October, last year, my daughter Giuseppina, wife of the above-mentioned PW, suffering from meningitis, died, leaving me with her four years old child to take care of.-

Up till now, it has been possible for me, with many sacrifices, to assist this poor child, but I am nearly seventy years of age and have heart trouble and high blood pressure, and the child has not other relatives to whom I can ask to take care of him.-

Now I'm forced, by the hard necessity, to beg this Sub-Commission, also by council of the Allied Military Government Headquarter, (as the attached copy), for the repatriation of my son-in-law.-

Hopefull I thank and am waiting to know what to do with Maresciallo Casella's son Mario.-

TO HIS EXCELLENCY GENERAL ALEXANDER
CHIEF COMMANDER OF THE MEDITERRANEAN ALLIED FORCE
(personal)

Excellency

I am applying to you directly submitting a warm desire concerning my brother, Cavalry Lt. Don Giovanni del Balzo of the Duked of Presenzano, prisoner of the British in India.

Our family, belonging by right to the Sovereign Military Order of Malta, is related to the great English families of the Bayron and the Walpoles. In effect our great grandmother on our father's side was a niece of Lord Bayron and our aunt, Duchess of Caprigliano, was Dorothy Walpool of Oxford.

There is some English blood in our veins. As such my brother taken prisoner by you, two and half year ago, in Bardia, Africa, strongly wishes to be enlisted in the glorious Allied Armies and to aid in the final victory of the Liberating Armies of the United Nations.

Your Excellency's intervention will certainly succeed in recalling from India my brother so that he may serve in the Allied Armies. He was a Cavalry Officer of the 4th Group Mitraglieri Genova, and having good experience in the use of such arms, he could usefully be enlisted in the Allied Machine-gun units.

His address is

My brother was never a fascist and he went to war because it was his duty as a soldier and as an Italian.

He was able to continue the tradition of our family doing his duty, only his duty. You, Excellency, as a soldier, are sure to understand and appreciate this.

As the del Balzo Family, of Provençal extraction, (de Beaux) in 1000 fought in the Holy War of the First Crusade, so my brother, a del Balzo, wants to fight at your side the Holy War of 1944 the war of the last Crusaders against barbarism and tyranny and

evil powers impersonated by the two devils, Hitler and Mussolini.

This is the desire of a soldier who has many drops of English blood in his veins from his grand-mother's mother Lady Bayron and from his aunt Lady Dorothy Walpoole, Countess of Oxford.

General Alexander, if you will, you can grant my brother's burning, reverent wish. Both I and he will thank you most heartily.

God save the new Italy! God save England! God save the United Nations!

For investigation of my brother and our family you may apply to H.R.H. the princess of Borbone Dampierre, cousin of H.M. the King of England, and also to the uncle of my aunt, Countess del Balzo Granito di Belmonte, His Eminence the Cardinal DeawGennaro Granito di Belmonte, Vatican City.

Grateful for all that your Excellency will do for my brother, I express to you my greatest admiration and send the heartiest wishes for the certain final victory of the United Nations.

Waiting for Your Excellency's intervention, I assure you of my and brother's devotion and thankfulness.

Victory!

TRANSLATION

Poggioreale, Sicily,
(Province of Trapani)

April 23, 1944.

The Honorable Mayor of
New York,
Mr. Fiorello LaGuardia.

Inasmuch as you have true Italian blood running through your veins and because of your well-known political position and your kindness towards everyone, I take the liberty to ask you to get in touch with the Provost Marshal General in Washington, to get a release for the liberation of the sicilian prisoner, Major in the Quartermaster Corps, Professor Giuseppe Aloisio, of the late Vincenzo, 57 years of age, of this town.

The reasons are as follows:

1. He was born in Louisiana, U.S.A. on the 25th of June, 1887, and he is the son of an American citizen, and he has a brother, Felix Aloisio, who has been living in Bronx, New York for 25 years (2078 Arthur Avenue)
2. He was never a member of the National Fascist Party.
3. He has 2 sons. Vincenzo was born in 1914 and Francesco was born in 1920. They are both complimentary officers, Vincenzo with the 355th Battalion at Taranto and Francesco, from whom I have had no news.
4. He was a reserve officer, who was recalled for duty on June 15, 1940, but not combat duty, instead as a quartermaster Major, as Director of the largest Food Storage. He felt it was his duty to carry out this assignment and, hence, was taken prisoner, while on the job, in Palermo, July 22, 1943.
5. He was a permanent teacher in the Schools of Poggioreale, for 35 years, having a reputation not only as a fine teacher but also as a trustworthy acting principal. His presence in the schools is very vital.
6. He owns 68 "hectars" of land consisting of Olive trees, and the property is in the hands of peasants without the proper control, and therefore, menacing his interests, because there is no one in the family who would be able to care for it, with the exception of his two sons, Carmelo, who will graduate as a Doctor from the University of Palermo, and Nicolino, a high school student in Castelvetro.
7. For the past year he has had stomach trouble and has lost his fine health and at times he suffers with a chronic bronchial cold. Any one of your doctors would verify this.

8. His wife, here in Italy, has a serious heart ailment.
He is a prisoner at the following address:

Major Giuseppe Aloisio, 81-I-47846,
P.W. Natousa Enelzure (No. 131)
Oran, Algiers.

Major Aloisio's conduct has always been excellent and he is of the highest esteem. As a complimentary officer he was always known to have a fine character.

Most Illustrious and Noble Mr. Mayor of New York, in my behalf, for I am the brother of this prisoner, and in behalf of his wife and family, I turn to you, as inspired by God. You hold a powerful office and the American Government has a great deal of faith in you. Please see to it that this man is sent back to his family, where, showered with their love and affection, he will get his health back. God help us! The slightest misfortune in his place of exile, would be fatal!

All the people here are complaining about his absence and his own family has suffered great losses.

Then too: All the prisoners in the camps of Sicily were sent back to their homes, including Medical Corps Officers and commissioned as well. He, too, is a Sicilian, Quartermaster Officer, and he should enjoy the same privileges, not being in combat duty.

Mr. Mayor, thank you from the bottom of my heart and I know that God will repay you.

Sicily has welcomed the American Army with open arms. Therefore, Aloisio, who is an American-born, should be liberated.

Respectfully yours,

Francesco Aloisio (Priest)

PW ESPOSITO Giuseppe, 211 Camp POW Matr. 35436 Algiers (Algerie) is the husband of the undersigned Caccia Maria.

She has been afflicted for many years with Pulmonary T.B. for which she was hospitalized at the "Nosocomio del Forlarini" in this city. For sometime now the wife of the PW has become practically a skeleton due to the scarcity of food and the fact that she is alone in caring for her 3 small children. Above all, now that the necessity again presents itself of staying at a hospital, the mother does not know how her children are to be cared for.

She pleads for release of her husband as she had not the necessary financial means of caring for self and children, is too sick to work and will have to go to hospital.

CAPTAIN ELLERY M. STONE

241 27 July 0930

Chief Commissioner of the Allied Control Commission

R O M E

Dear Captain Stone,

I know that my family will finally be blessed by the Goddess Fortune if this letter, reaching you, is read by you personally. I sincerely believe that you are a kind and generous man, and I put my trust in these two virtues of yours.

You are a soldier; my husband too was a soldier; devoting yourself to a true ideal, you are working for your country and for our good; my husband after being snatched away from his family and his work for a mad idea which he never did believe in, languishes in a prisoners' camp in Algeria, after having delivered weapons which were not used and which no one ever tried to use.

Meanwhile, my family, composed only of women, is in a desperate situation, and lives on the charity of relations and friends. My husband worked in a firm of which he was the only representant in Sicily; these interests which are not properly cared for will mean later on the financial ruin of my family.

His return is urgent and necessary, not only on sentimental but also on business grounds. Better than anybody else, you can do that. Give him back to his family! I appeal to your kindness, and generosity, to these who are dear to you, to your dead.

Don't disappoint this last and greatest of hopes; give orders for the repatriation of CAPTAIN NATALE ZANCHI.

Memorial for the A.C.C.

On September 10, 1943 hit by enemy torpedo, the battleship "Roma" of the Italian Navy was sunk at large of Corsica. On board there was my son Hermes, head-quartermaster of the 2nd class, of whom I have not heard since.

His name does not appear in the 2 lists, which the Naval Ministry received some time ago and which indicated the saved ones (who seem to stay now at the Baleari) and the missing ones. I went at once for information to the Naval Ministry after the sinking of the ship, but was told that news was missing of many boats as they went to various ports: (British of North Africa Corsica and Sardegna) and as the possible indications were considered "war information" they could not be made known to the public). Now that Rome has become finally part of "Freed Italy" I hope most sincerely that through the interest of the A.C.C. I might finally know something about the fate of my dear son.

This would be a great consolation for a family which since more than 9 months has lived in the most tragic anxiety and which has given the contribution of other 2 sons, of whom one is PW in India.

To facilitate inquiries I add that Hermes Mangani is married to Pina Rizzo of Giovanni, whose family last September lived at Tempio Pansaia (Jassari) though having residence at La Maddalena. Information therefore could be had there.

I confide in the interest of the A.C.C. and am most grateful to them.
