Addressed to Adm. Stone

February 4th 1946

Dear Sir,

I am the sister of an Italian soldier,a prisoner of war for six long years,that is to say since 1940,nearly at the beginning of this war.

In this long spell of time many events happened in our country and in the world,but particularly in our little family, for our beloved and still young parents have been seized for a cruel destiny by death,just when their company was at the most necessary to me. I remained,then,alone to take care of our home eagerly waiting for my brother's return.

I found myself in the situation to be obliged to face life alone,with the low wages of a teacher,and feeling in need of my brother's moral assistance I sent a petition to the High Commission for the prisoners of war in order to obtain a ready repatriation. Subsequently the High Commission replied with a letter No 10778 accept= ing my petition and transmitting it afterwards to the Head Office of the Allied Commission,of which you are the High Commissary.

I inform you besides that,since my brother was in the civil life an employee of State as a tecnic officer of the "Intenden= za di Finanza",the High Italian Commission of the prisoners of war accepted my petition because my brother was considered necessary to the civil reconstruction of our country.

I apply to you now,so that my petition,based on a legitimate and human ground,may be as soon as possible followed by my brother's return.

Think of it:my brother left home when my father and mother were still young and in good health and now,after six years of war he will find me alone,miraculously safe after so many terrible events. I am now all his family to him.

May he then come back soon from the distant Australia! I ask you that for the humanitarian sentiment which is at the basis of the English character.

Allow me to tell you that when in June 1940 war was declar= ed to Great Britain and France I bitterly wept because I felt that the sincere friendship between England and Italy,which had been so strong through the centuries,was then broken.

It is recollecting the feeling I felt in that unfortunate day and which has to-day an immense maral value for me,that I eagerly ask you to grant my petition.

My brother's address is:

Soldato Nassi Mario 1804
Matricola N° 62369 Campo 17 P.O.W. Sandy Creek
South Australia

Thankfully greeting you believe me,dear Sir,
Yours truly
Lina Nassi
