1. Questo Alto Commissariato ringrazia per la risposta di cui alla lettera 1/11/1334 in data 29/5 u.s.

2. Si ha il dovere però di insistere nel porre in evidenza che i cappellani militari nel campo di Zonderwater privati dei loro privilegi perchè non hanno firmato la formula della cooperazione richiesta ai prigionieri di guerra non erano e non sono, come tutti i cappellani militari, prigionieri di guerra, ma elementi del personale protetto dalla speciale convenzione del 27/7/1929 relativa ai malati e feriti in guerra; e come tali essi avevano ed hanno l'obbligo permanente di prestare l'opera loro di assistenza spirituale ai connazionali prigionieri di guerra dovunque quelli si trovino e comunque siano impiegati.

3. La formula fatta per i prigionieri di guerra non poteva essere evidentemente essere adatta per i cappellani militari e, non firmandola, quelli non hanno perciò manifestato una volontà di non cooperazione o compiuto atto di dissidenza, ma hanno solamente interpretato, secondo la legge internazionale, i doveri del loro stato ed esercitato un diritto ad esso relativo.

4. Fare perciò a quei cappellani militari il trattamento dei non cooperatori sembra a questo Alto Commissariato che possa non rispondere alla a quella scrupolosa giustizia legalitaria che le Autorità Britanniche hanno sempre tenuto in grande pregio.

5. Per questo motivi non si può non rinnovare la preghiera che venga revocato il provvedimento punitivo e che i tre cappellani (Don

PREFETTURA DI GENOVA.

19th June 1945.

Subject: Repatriation of prisoners.

For any eventual action on your part enclosed is a declaration by Mr. Fabrizio Marcacci which has the scope of obtaining a prompt repatriation of his son, Dott. Giovanni Rodolfo, prisoner in North Africa (Algiers), owing to the bade state of health of his father.

"The undersigned Fabrizio Marcacci, residing in Genoa - Viale Brigata Bisagno 14/26, makes the following request to have his son, Marcacci Dott. Giovanni Rodolfo - medical lieutenant - actually a prisoner in Allied hands in North Africa since the 10th May 1943, be repatriated with the first batches sent home.

In support of my request I wish to point out that my son, Dott. Marcacci Giovanni Rodolfo belongs to the personnel under the protection of the Geneva Convention and should have been repatriated since November 1944. Infact, a part of the personnel of the same prison camp has already been sent home.

The undersigned also points out that his above mentioned son has now been absent from home for 3 years and where his presence would now be necessary owing to the bad state of health of his father.

I would also mention that my house was destroyed during a bombardment of Genoa and where I am still living.

Trusting my request will receive your consideration and thanking you in advance,"

It results at the High Commissariat that the following individuals are at Camp 305, being wx-POW from Kenya.

MORLEO Ubaldo	No.	37060
VICCICA Alfonso	"	25038
ANGIUS Giovanni	"	79414

HIGH COMMISSIONER FOR
ITLIAN PRISONERS OF
WAR
No. 1832/Pol.F.7

Rome, 6th June 1945

TO : the ALLIED COMMISSION
Sub-Commission for Italian Prisoners
of War.

SUBJECT : ~~Military~~ Military chaplains of Zonderwater
deprived of their privileges.

1. The High Commissariat thanks your Sub-Commission for letter 1/11/1334 dated the 29th of May 1945.

2. We however must insist, that the Military Chaplains in the Camp of Zonderwater, deprived of their privileges, because they refused to sign the formula for requested co-operation, were not and are not like, all military chaplains, prisoners of War, but formed part of the protected personnel previewed by the special convention of the 27th of July 1929, relative to sick and wounded in War; and as such were under the obligation to give their spiritual assistance to their compatriots, who, and wherever they were held as P.O.W.

3. It is evident that the form made for the P.O.W. to sign for co-operation, could not be signed by these chaplains, but by not signing it, id did not mean that they were against co-operation, but simply that they interpreted their duty differently and according to international laws.

4. Therefore the treatment given to these chaplains as non co-operators, seems to the High Comissariat, as not being in agreement with the strict ideal sense of justice, that has always been respected by the British Authorities.

5. For this reason I can not but renew my request, that these measures taken against the Chaplains, Don Giuseppe PASSANELLI - Padre Ettore DABBENE - Padre Igino GEROLLA, may be revoked and that their privileges may be restored to them and that they be returned to the co-operation Camps with their full prerogatives, and this even, if where they are now, they are awaiting repatriation.

1. Questo Alto Commissariato ringrazia per la risposta di cui alla lettera 1/11/1334 in data 29.5. u.s.

2. Si ha il dovere però di insistere nel porre in evidenza che i cappellani militari del campo di Zonderwater privati dei loro privilegi perchè non hanno firmato la formula della cooperazione richiesta ai p. di g. non erano e non sono, come tutti i cappellani militari, prigionieri di guerra, ma elementi del personale protetto dalla speciale convenzione del 27.7.1929 relativa ai malati e feriti in guerra; e come tali essi avevano ed hanno l'obbligo permanente di prestare l'opera loro di assistenza spirituale ai connazionali p. di g. dovunque quelli si trovino e comunque siano impiegati.

3. La formula fatta per i p. di g. non poteva evidentemente essere adatta per i cappellani militari e, non firmandola, quelli non hanno perciò manifestato una volontà di non cooperazione o compiuto atto di dissidenza, ma hanno solamente interpretato, secondo la legge internazionale, i doveri del loro stato ed esercitato un diritto ad esso relativo. 1999

4. Fare perciò a quei cappellani militari il trattamento dei non cooperatori sembra a questo Alto Commissariato che possa non rispondere a quella scrupolosa giustizia legalitaria che le Autorità Britanniche hanno sempre tenuto in grande pregio.

./.

Declassified E.O. 12065 Section 3-402/NNDG NO. 785020

5. Per questo motivo non si può non rinnovare la preghiera che venga revocato il provvedimento punitivo e che i tre cappellani (Don Giuseppe PASSANELLI - Padre Ettore DABBENE - Padre Igino GEROLLA) siano restituiti ai campi dei prigionieri di guerra cooperatori con il pieno ripristino delle loro prerogative.

E ciò anche se dove sono essi siano ora in attesa del rimpatrio.

NU 1334

Subject: Military chaplains in the camps of Zonderwater, deprived of their privileges.

1. We have received the information on very good authority:

"On the 28th of December 1944, the chaplains on duty at the hospitals and the camps at Italian POW in Zonderwater (South Africa) were asked to sign the declaration herewith attached.

Some of them did not think it their duty to sign it, retaining that they should be exempt from all work except that of a religious nature.

Notwithstanding this just reasoning, on the 29th of December 1944, the chaplains Don Giuseppe Passarelli and father Ettore DABBENE, who were on duty at the camp hospitals, were called with other officers by Lieut. Col. Blumberg director of the hospital who insisted on their signing this declaration: as they held to their refusal, they were transfered on the 31st of December to the political block where all the fascist POW are interned.

The 2nd of January 1945. the two chaplians with other medical officers were called to the concentration command, which command made another attempt to convince them to sign the declaration. To their protests, that they had been qualified unjustly from a Political standpoint, they received no satisfaction, on the other hand they were judged to be in their rights in refusing to sign the declaration of co-operation. It was however declared taht the formula of the declaration could not be changed by the Command. In consequence of this the chaplains were re-accompanied to the political block and subsequently on the 5th of the month, transfer to a special camp where, they we found chaplain father Igino Cerolla and were still in said camp at the end of January 1945, together with medical officers interned for the same motive.

2. It is thought that the Authorities that requested the military chaplains (and perhaps also the medical officers) to sign a declaration of the POW Co-operator, and that subsequently on account of their refusal to do so, deprived them of their privileges previewed in the III chapter of the Geneva Convention, have committed an error of judgement.

It is thought by the Italian Authorities that military chaplains can not sign a similar declaration.

1. Because they are not POW and even if attached to the POW Camps, retain their status of Military Chaplains, with the duties and perogatives of protected personnel of non combat units.

1993

2. Because they are in duty bound to serve their compatriots according to international law (V.Art. 10 of the mentioned convention) and according to special agreements between the Italian Government anf the British Government.

3. Because their only duty is to serve in a religious field and therefore,

Declassified E.O. 12065 Section 3-402/NNDC NO. T85020

(1333)

cannot assume the obligations to participate in any military activity in any material and techinical sense of the word, as results in the formula of the declaration they were requested to sign, formula that is adopted for combat units.

3. It therefore, seems that for this reason these three chaplains should not be deprived of their privileges and even less, interned in a fascist camp. The Archbishop Mons. FERRERO di CAVALLERLEONE of the "Ordinario Militare Italiano", has interested himself personally in the question of these three officers.

4. We would greatly appreciate if your Sub-Commission would intervene immediately in this matter and make a request to the competent British Authorities in South Africa to obtain the release and the restitution of their privileges, of these three chaplains, if still interned. If they are not needed at the POW Camps we would very much appreciate if you would have them repatriated as is previewed by article 12 of the Geneva Convention.

Thanking you for a courteous intervention in this question.

N.1580/F.7/Pol. di prot.

Roma, lì 17 maggio 1945

O G G E T T O : Cappellani militari dei campi di Zonderwater privati dei loro privilegi.-

Alla
COMMISSIONE ALLEATA
R o m a

1. E' stato autorevolmente riferito quanto segue:

" Il 28 dicembre 1944 i cappellani militari in servizio presso l'ospedale e i campi dei p.di g. italiani in Zonderwater (Sud Africa) furono invitati a sottoscrivere la dichiarazione che si allega per copia.-

Alcuni di essi non ritennero di poterla firmare assumendo di non potere esprimere alcuna attività lavorativa che fosse all'infuori del loro ministerio religioso e chiesero di esserne dispensati.-

Non ostante le loro buone ragioni il 29 dicembre 1944, i cappellani don Giuseppe PASSARELLI e Padre Ettore DABBENE che prestavano servizio nell'ospedale dei campi vennero convocati con altri ufficiali medici presso il ten.Col. Blumberg direttore dell'ospedale il quale insistette perchè firmassero la predetta dichiarazione; e poichè essi mantennero il loro rifiuto, furono trasferiti il 31 successivo al blocco politico nel quale erano e sono concentrati i p.di g.fascisti.

Il 2 gennaio c.a. i due cappellani con altri ufficiali medici vennero chiamati al Comando del Concentramento dove si fece un altro tentativo per farli recedere dallo atteggiamento assunto. Alle loro proteste per la qualifica politica che era stata loro ingiustamente attribuita non fu data alcuna soddisfazione, ma fu invece riconosciuta giusta la eccezione da essi opposta al testo della formula di cooperazione.-

Si dichiarò tuttavia che essa non poteva dal Comando venire modificata.-

T 39

./.

Declassified E.O. 12065 Section 3-402/NNDC NO. 785020

(133)

In conseguenza di ciò i cappellani vennero ricondotti al blocco politico e poi il 5 successivo trasferiti in un campo speciale dove vennero tosto raggiunti dal cappellano Padre Igino GEROLLA e in tale campo di concentrazione i medesimi si trovavano ancora alla fine del gennaio del c.a. insieme ad alcuni ufficiali medici che erano stati colà concentrati per lo stesso motivo."

2. Si ha ragione di pensare che le Autorità le quali hanno richiesto ai cappellani militari,(e forse anche ai medici),la sottoscrizione dell'impègno dei p.di g.cooperatori e che in conseguenza della loro mancata adesione li hanno privati dei privilegi previsti nel capitolo III della Convenzione di Ginevra relativa ai malati e ai feriti in guerra, siano cadute in equivoco.

Sembra alle Autorità Italiane che i cappellani militari non possano firmare impegni come quello richiesto:

1°) - perchè essi non sono p.di g., e se anche sono addetti a campi di prigionia conservano inalterata la loro qualità di cappellani militari, coi conseguenti doveri e prerogative di personale protetto,non combattente;

2°) - perchè essi hanno già il dovere di servire i loro connazionali, sia per dettame della legge internazionale (v.art.10 della citata convenzione), sia per gli accordi speciali intervenuti fra il Governo Italiano e il Governo Britannico;

3°) - perchè essi non possono che servire nell'ambito religioso spirituale che è quello di istituto connesso alle loro cure e perciò non possono assumere impegno di partecipare comunque ad attività militare nel senso tecnico e materiale della parola,quale quella risultante dalla formula dell'impegno,adottata per i combattenti.

3. Sembra perciò che per queste ragioni i tre cappellani non potessero essere privati dei loro privilegi e meno ancora essere segregati in un campo di " fascisti". Di questa situazione relativa ai tre ufficiali molto si interessa anche l'Ordinario Militare Italiano, l'Arcivescovo Mons.Ferrero di Cavallerleone.

4. Si sarebbe pertanto grati a codesta Commissione se volesse cortesemente intervenire con la urgenza che il caso richiede presso le competenti Autorità Britanniche del Sud Africa per ottenere che i tre cappellani militari, se sono ancora rinchiusi nel campo di segregazione, ne siano dimessi e rimessi nella pienezza delle prerogative del loro stato. Se eventualmente non fossero necessari ai campi dei p.di g.italiani, si gradirebbe fossero rimpatriati, come è del resto previsto dall'art.12 della Convenzione di Ginevra che li riguarda.-

1990

Si ringrazia sin d'ora della cortese opera di codesta Commissione Alleata.-

1. The release of two Italian State Archive officials has been requested by the Ministry of Interior (details as required for identification are enclosed herewith).

2. These persons are urgently needed for important administrative posts. They are both men of experience, specialists in a career which can be of use at the present time. There is at the moment a drastic shortage of personnel trained in the care of archives, and this problem, which is already acute and has been often referred to in Fine Arts Officers' reports, will be emphasized when the North of Italy is liberated, political grounds being an objection to the re-employment of certain officials.

3. In the case of Domenico CORSI it is understood that an application for his release has already been turned down on the grounds of his present employment in a Co-operator unit. It is requested that this decision be reconsidered and the circumstances above mentioned be taken into full account,

Shortly after the birth of my child in Tripolitania he became seriously ill. A Prof. Dr. Felici Mario, an Italian P.O.W. doctor employed in the civil Hospital there tended him. To show how ill the child really was is to simply state he stopped breathing four times in 24 hours and was resuscitated each time by Felici. During the first day of his illness Felici never

Dear Sir,

I inform you as follows.

Dr. CERQUOZZI Luigi, son of the late Francesco and the late Elvira Menale, born at Savona on the 2rd of Oct.1902, was at Addis Abeba, on December 1939, with his wife Luisa Gritti and his daughter Augusta. After the fall of Addis Abeba , Dr. Cerquozzi was sent to a PW Camp in Kenya (his present address is P.O.W. 9655 Camp No.356, Section A, East Africa Command) his wife and daughter after having been interned in a concentration camp, were repatriated to Italy in ~~the~~ June of 1942. His wife, ill with liver trouble and his daughter with malaria.

Since the month of Nov. 1944 Dr.Cerquozzi's family have requested through the High Commissariat, his repatriation, and at that time, the Presidency of the Council of Ministers was also interested in his repatriation. His family have since been informed that the Italian Authorities have done all they can regarding his repatriation, by putting him on a list of POW to be repatriated and that the final decision for his repatriation, rests with the competent Allied Authorities.

We therefore turn to you, in the name of Dr. Cerquozzi's wife who has referred this matter to the Sovereign order of Malta, to ask you to interceed in her benalf for the repatriation of her husband.

In the assurance that you will do all in your power to obtain quickly the repatriation of Dr. Cerquozzi, you are thanked and we send you the token of our highest esteem.

Ill.mo Signor Colonnello,

Mi pregio esporre alla S.V.Ill.ma quanto segue:
Il Dott. CERQUOZZI LUIGI, fu Francesco e fu Elvira Menale, nato a Savona il 2 Ottobre 1902, era ad Addis Abeba dal Dicembre 1939 con la moglie Luisa Gritti e la figliuola Augusta. Dopo l'occupazione di Addis Abeba il Dott. Cerquozzi fu inviato in un Campo di Prigionieri di Guerra nel Kenia (il suo attuale indirizzo è: P.O.W. N° 9665 - Camp N° 356 Sezione A - East Africa Command), la moglie e la figliuola, dopo essere state internate in un campo di concentramento, furono rimpatriate in Italia nel Giugno 1942. La prima aveva contratto male al fegato e la seconda febbri malariche.

Sin dal mese di Novembre 1944 i familiari del Cerquozzi inoltrarono domanda all'Alto Commissariato dei Prigionieri di Guerra per ottenere il suo rimpatrio, e della cosa si occupò in quell'epoca e successivamente anche la Presidenza del Consiglio dei Ministri del Regno d'Italia. Se non che recentemente ai familiari del Cerquozzi è stato assicurato che essendosi da parte dell'Autorità Italiana compiuto quanto di loro spettanza per l'inclusione di esso

HIGH COMMISSIONER FOR ITALIAN PRISONERS OF WAR
N. 1970 di Prot.

To: the Allied Commission
ROME

Subject: Request for Repatriation of Military Chaplains.

We have taken action relative to the matter forwarded to us in your letter 1/11/778 dated the 5th of March 1945 regarding the Inspector of Spiritual Assistance, Monsignore Trozzi Giuseppe.

The information given on this subject has been forwarded to the competent Italian Authorities, who will not fail to ascertain the eventual responsability of the actions of said Inspector, before the conclusion of the Armistice and on the basis of the aforesaid information, HE will be favourably employed.

The same Authorities do not fail to observe that they could have had no knowledge of this matter in as much as it referred to the period of 1941-1942, after the fall of Addis Abeba, at which period Addis Abeba was in the hands of the British troops and Monsignor TROZZI was then residing there.

The Italian Authorities have taken note of the exemplary conduct of Monsignor TROZZI during his imprisonment and of his desire during that period, to cooperate with the Allied Authorities. This fact was known to the Italian Authorities, that were informed that the Monsignor in question, was allowed to visit all the Camps in Kenya and thereby gaining the good-will and trust of the Allied Authorities.

They therefore judge that there will be no objection to his being repatriated.

Si è preso atto di quanto codesta Commissione ha segnalato col foglio 1/11/778 del 5 marzo 1945 relativo al rimpatrio dell'Ispettora del Servizio di Assistenza Spirituale Monsigner TROSSI Giuseppe.

Le informazioni date sono state portate a conoscenza delle competenti Autorità italiane, le quali non mancheranno di accertare le eventuali responsabilità del suddetto ispettore nei riguardi del suo operato prima della conclusione dell'armistizio ed in base alle predette segnalazioni e ad esse egli sarà opportunamente impiegato.

Le Autorità stesse non mancano di fare osservare che quanto è stato comunicato non poteva essere ad esse note in quanto si riferisce al periodo 1941-1942 dopo la caduta di Addis Abeba mentre Addis Abeba stessa - ove Mons.TROSSI si trovava - era occupata dalle Truppe Britanniche.

Le Autorità italiane hanno poi prese atto con compiacimento del contegno da lui tenuto in prigionia, durante la quale egli ha dimostrato buona volentà e cooperazione con le Autorità Alleate. Questo era note alle Autorità italiane, che sapevano come al Monsignor in questione fosse stato permesso di visitare tutti i campi del Kenya e riscuotere quindi la fiducia delle Autorità Alleate. Ritenevano dunque che nessuna obbiezione potesse essere mossa al di lui rimpatrio.

1. It is requested that you initiate the appropriate proceedings to secure the repatriation of Tenente De Sanctis Ernesto, son of Gustavo, who according to our information is held under serial No. 27142, Campo 356/B - Kenia.

2. Lt. De Sanctis is 30 years old, an agricultural technician and the only son of Dr. Gustavo De Sanctis, a high official of the Ministry of Agriculture. His presence is vitally needed as his father, owing to his duties at the Ministry, is unable to attend to the management and re-activation of 300 hectares of land belonging to the family in the province of Teramo. This land normally produced wheat, olives and had a sizeable number of livestock.

Ref your EAC/20/11/234/PW of 2 Jan 45.

1. In confirmation of telephone conversation Capt PAGET - Capt FITZHERBERT, it is agreed that there is no firm security objection to the proposed repatriation of TROSSI.

2. For a number of reasons, and in view of the earlier importance of the individual in question, it is proposed, however, to record an opinion of TROSSI's repatriation in the light of his known past activities.

3. In ETHOPIA the Catholic Church was know to Security for its connections with and sympathies for the Fascist regime. The Consolata Missions, in particular, were actively engaged in pro-Fascist propaganda following the British occupation. As late as Oct 1942 it is authoratively stated that the "the Consolata Missions were used as a means of political penetration by the Fascist Government and they continue in this character today".

4. Many Italian chaplains were closely associated with the Mission they themselves had been accepted as chaplains on account of the fervency of their Fascist beliefs. TROSSI, as Chaplain General, was their leader.

5. After the British occupation, the connivance of the Missions in banda and escapist activities was fully established. The following from INT ETHIOPIA, is on record: "A number of Italian priests, who served as chaplains, were a source of concern even to the Consolata brothers because of their "unprofessional" conduct in the Mission. TROZZI, the Chaplain General, was a virulent Fascist."

6. Security records contain infm which shows in some detail TROSSI's association in DEC 1941 with Don Nazzareno Vitali, a notorious propagandist and banda agent.

7. In Jan 42, the security authorities requested TROSSI's removal from ADDIS ABABA on account of his implication in the subversive activities of an Italian Chaplain there. TROSSI and other chaplains were duly evacuated.

8. None of this infm is up-to-date (though recent rumour indicates that TROSSI is still a Fascist). Because of this, coupled with his good behaviour and co-operation with the authorities over a long period, no security objection is now raised to TROSSI's repatriation.

1897

9. It is difficult to understand, however, how a person who had such connections and interpreted his office as a priest in this fashion, would, from an allied point of view, be regarded as a suitable person "to

N. 17387/1 di Prot. C/2/B

Subject: Repatriation of CC.RR. POW's

It would seem from information received that in French Central Africa (Camerum) there is a nucleus of CC.RR. who are being held PW's and of whom we have neither their numbers or their addresses.

Amongst them is Bennati Riccardo. These men have exspressed the desire to partecipate in the War on the side of the Allies against the Common Enemy, they have also manifested their loyalty to the Italian Government.

We beg this Commission to examine the possibility of returning this Military Personnel of the CC.RR. on the grounds, (as we have many rimes pointed out) of their urgent necessity in the Police force of the country.

My dear Minister:

You, I am sure, agree that one of the most critical problems facing the Italian Government and the Italian people is that of transport. In view of the Armed Forces requirements with respect to the use of railroads, it is apparent that the most effective work that the government can do relative to improving the transport situation is in taking all necessary steps to bring under control the motor transportation.

The decree establishing ENAC has been passed and progress has been made in setting up the organization. Much remains to be done. The selection and assignment of reliable and competent men to carry out the provisions of the decree is most important. It will be difficult to obtain experienced transport officials.

Our attention has been directed to the fact that Tenente di Artiglieria Ferrante Luigi, now a prisoner of war No. 76100, Camp 356 (C), POW East African Command, is an experienced and qualified transport officer. We understand that Tenente Luigi was prior to his military service, employed by the Italian Transport East African Command.

It is suggested that this officer's record and qualifications be checked. If his record is clear and he is considered qualified perhaps a position can be found for him in the ENAC organization. In the event his services are considered essential by the government, a request for his release as a prisoner of war and return to Italy should be made to the High Commissioner for Prisoners of War, General Gazzera. It is respectfully suggested that this matter be investigated.

Sincerely yours,

A. G. ANTOLINI

The undersigned, Brigadier of the C.C.R.R. Bonadonna, Giuseppe informs this Command as follows:

1) On the 10th of Sept. 1943, immediately after hearing the news of the Armistice between Italy and the Allied Nations, he left Susaak (Jugoslavia) where he had been on duty up to that date at the Command of the 2^ army (section C.S.) to get into the territory occupied by the Allies on the 26th of November 1943 he arrived at Brindisi where he reported to the Italian High Command - S.I.M. which High Command after giving him a few days furlough, designated him to the C.S. section (counter-espionage) at the Command of Command of the British 8th Army.

From then until now he has been on duty with the 412th. section of the F.S.S.

2) In the Community of Torre Orsaia (Province of Salerno) resides his family composed as follows:

His father Giovanni aged 67 - postal service.
" mother Rosa Cavaliere aged 76
" sister Adele aged 42-postal clerk
" " Elvira aged 32 - house wife

admn 494 To G 5 28 June

A brother, Bonadonna Alfredo of the class of 1910 that has been PW since 1942, of the Allied Armed Forces in Africa, where he was since 1936 as a clerk in the post office.

The other brother Angelo, is in Venice with his wife and 4 children where he has lived for the last 12 years.

Owing to the advanced age of the father and the illness of his sister Adele, ill with very bad stomach trouble, (they run the Post office at Torre Orsaia where the brother Alfredo worked up to 1936) they run the risk of loosing the only income they have and the return of the brother Alfredo, is indispensable.

The recent ruling adapted by the Allies regarding Italian PW and the desire to continue my work in a spirit of tranquillity, encourages me to ask this Command to examine my case and if possible have my brother Alfredo liberated that he may return to his family in Torre Orsaia (Salerno)

Il sottoscritto Brigadiere dei CC.RR. BONADONNA Giuseppe, si permette esporre a codesto comando quanto segue:

1°)- Il giorno 10 settembre 1943, subito dopo essere venuto a conoscenza dell'armistizio tra l'Italia e le Potenze Alleate, si allontanò da Sussak (Jugoslavia) ove aveva prestato servizio fino a quella data presso il comando della 2^ Armata (Sezione C.S.) e si diresse verso il sud d'Italia allo scopo di raggiungere il territorio alleato. Il 26 novembre 1943 giungeva, così, a Brindisi ove si presentava al Comando Supremo Italiano = S.I.M. = che, dopo averlo inviato in licenza di alcuni giorni, lo destinava alla Sezione C.S. (Controspionaggio) presso il Comando dell'8^ Armata inglese.

Da allora ha sempre prestato servizio alle dipendenze della 4I2 Sezione F.S.S. .

2°)- Nel comune di Torre Orsaia (Provincia di Salerno) risiede la propria famiglia, così composta:
- il padre Giovanni, di anni 67, titolare postale;
- la madre Rosa Cavaliere, di anni 76;
- la sorella Adele, di anni 42, impiegata postale;
- la sorella Elvira, di anni 32, casalinga.

Un fratello: BONADONNA Alfredo, della classe 1910, é dal 1942 prigioniero di guerra delle Forze Armate Alleate in Africa ove si trovava fin dal 1936 in qualità di impiegato delle Regie Poste.

L'altro fratello, Angelo, vive da 12 anni a Venezia ove ha moglie e 4 bambini.

L'età avanzata del padre e una recente grave malattia stomacale della sorella Adele, (i quali reggono l'ufficio postale di Torre Orsaia, ove precedentemente al 1936 era impiegato anche il fratello Alfredo), rischiano di far perdere l'unica fonte di guadagno della propria famiglia.

Il ritorno,perciò, dalla prigionia del fratello Alfredo si é reso quanto mai indispensabile.

I recenti provvedimenti adottati dai comandi alleati nei riguardi dei prigionieri di guerra italiani e il desiderio di continuare il mio lavoro in assoluta serenità di spirito, mi fanno osare di chiedere a codesto comando di interessarsi affinché, ove possibile, il mio fratello Alfredo venga liberato e fatto rientrare in seno alla famiglia in Torre Orsaia (Salerno).

1. The above named subject is a brother of the present Sindaco of Torre del Greco, in which Comune we are about to open the Hospital Agostino Maresca.

2. As you doubtless appreciate there is a serious shortage of surgical skill in the territory and if the above named Italian Prisoner of War, could possibly be repatriated so that he might rejoin his wife and two small children as well as the staff of the afore mentioned Hospital, it would be greatly appreciated both by his family and Hospital authorities.

3. I understand he is presently confined in the Italian Prisoner of War Camp P.O.W. Hospital in South Africa.
