Dal Vaticano, li 5 Aprile 1946

Ill.mo Signor Colonnello,

è stato chiesto l'interessamento della Santa Sede per ottenere un sollecito rimpatrio del Tenente VOLPONI Luigi fu Vincenzo, della classe 1908, internato al Campo 356-B nel Kenya.

Il motivo addotto è la grave situazione creatasi nella famiglia, residente a Colonnella (Teramo), in quanto che la moglie impazzita è stata ricoverata all'ospedale Psitriatico, lasciando due bambini e una vecchia ammalata senza assistenza.

Trattandosi di un caso estremamente pietoso, mi permetto affidarlo al Suo benevolo interessamento, in modo che il rimpatrio possa avere esecuzione nel più breve tempo possibile.

Nel ringraziarLa fin d'ora della Sua buona opera, colgo l'occasione per ossequiarLa distintamente.

Dear General Infante:

Ref your 3177/AG of 20 Apr 46, you are advised that this Division forwarded to AFHQ a recommendation for the repatriation of Lt COMITO Gino on 20 Oct 45.

His name was included in the last list of specialists requested by the Italian Ministry of Post-War Assistance.

Since six months have already elapsed since that list was forwarded, it is quite possible he may already be on the way or among those awaiting embarkation.

It is regretted that the fact that his father is gravely ill in itself does not constitute a sufficiently compassionate reason, under the instructions set down by AFHQ, for special consideration.

These specify that the mother or head of the family must have died or be seriously ill, and that minor children need care. It does not appear from your letter that any children are affected in this case.

However, if there should be any minor children requiring care, then we would be in position to request priority repatriation.

Very sincerely,

I famigliari del Tenente BARACCHINI Marco Aurelio, prigioniero nel Campo 211 Algeria col n° N.A.T. 18523, hanno dichiarato a questo Ministero quanto appresso:

1. Ref our 1/11/2363 of 14 Jan 46 and your reply thereto 3891/A2 of 7 Feb 46, subject PW is a brother-in-law of an American Army Officer - Warrant Officer Thomas MILAZZO of G-2 Section (American), MTOUSA (AFHQ), now stationed at CASERTA.

2. WO MILAZZO, who is married to the sister of subject PW, expects shortly to be redeployed with his wife to the United States.

3. As Mrs. MILAZZO has not seen her brother in some years, and after her departure for the United States it may be some more years before she has an opportunity of seeing him, both she and WO MILAZZO have requested this Division to intercede toward effecting an early repatriation.

4. There are no compassionate or other special reasons why this PW should be given priority, but if anything can be done toward an earlier repatriation than might otherwise be accorded him, it would be appreciated.

5. May this Division be informed, please, of action taken, and, if favorable, of ETA ITALY, when available?

SUBJECT: Request for priority repatriation of Italian PW Capt NATTERO Agostino (3757), 351 Co-operators Group, NAIROBI, KENYA

TO : G1(Br), GHQ CMF

1. This Division has received the attached letter from Mrs. Elsie V. NATTERO, wife of subject PW and daughter of the late Colonel W. H. HINDE, Royal Engineers, requesting priority repatriation of her husband.

2. The letter itself is self-explanatory. Attached also is a declaration from the Committee of National Liberation of SANTA MARGHERITA LIGURE (GENOA Province) stating that Mrs. NATTERO was twice arrested by the German SS for having aided and lodged a South African prisoner of war, Pte JOHN WATSON of BLOEMFONTEIN.

3. Through her efforts, WATSON managed to reach the partisan zone and thus escaped capture by the Germans.

4. It appears from the CLN statement that she also helped the anti-Fascist elements of her home community appreciably in the fight for the liberation of ITALY.

5. It will be noted, further, that in her letter she mentions her brother, Brigadier H. M. HINDE, CBE.

6. In view of the special circumstances, this Division has not deemed it necessary first to submit this lady's application to the Italian authorities, but is instead forwarding her letter and accompanying declaration directly to you.

7. May this office be advised, please, of action taken, and ETA ITALY, when available?

Request for the priority repatriation of P.O.W. N° 3757 Capo NATTERO Agostino - N° 351 Co-operators Group Nairobi - Kenya -

TO THE ALLIED COMMISSION - ROME

I have received a copy of a letter from the War Office from a friend of my husband in England, and enclose a copy of it.

It is time that I did all I could to help escaped British P.O.W.s, providing what I could of food and clothing and had one, Pte John WATSON of Bloemfontein, hidden in my house for a time and I enclose a statement from the local Committee of Liberation to confirm this. The facts could also be varified through Field Security Section, N° 85 Port Security Office - Genoa.

I served in France 1914-1919 first as a V.A.D. and then Q.M.A.A.C; attached R.A.O.C. Colonel J.A. Middleton D.D.S.T. N° 3 District would confirm my activities in both wars.

In a letter dated Nov.28th last my brother Brigadier H.M.Hinde C.B.E. writes: "Major-General Hubert Whitty D.S.T. C.M.F. has again taken up the question of Stino's return and I do hope that the applications put in at Caserta and in London will produce results".

My husband was a volunteer serving in the Italian Navy in the war 1914-1918. He has always been pro-British and very anti-German. He was called up in August, 1939, and sent to Italian Somaliland and has been a prisoner since March 1941.

I am trying to grow all the food I can and urgently need his help to supervise the planting of the potato crop, etc. I also need his protection as I am alone in a rather isolated Villa.

I should be extremely grateful if he could be given priority for repatriation and his journey home be facilitated in every way possible.

Dear Sir

I am directed to reply to your letter dated 20 Dec. concerning P.O.W. A.NATTERO and to inform you that the general repatriation of Italian P.O.W. is at present being carried out, the basis of selection being that of age- but when the case has been referred to the Allied Commission in Rome for consideration, should the fact that his wife assisted British P.O.W. be confirmed, this could be accepted as grounds for priority.

MEMORANDUM FOR THE ALLIED COMMISSION

SUBJECT: Prisoner of war Moro Gerolamo Lino - Repatriation from Kenya.

1. Sublieutenant Lino Moro, a prisoner of war at Camp 356 East Africa n.23087, was included in the 3rd list of the Office of the President of the Minister's Council, concerning technicians, officials and practitioners, for whom repatriation was requested by the Italian Government for reconstruction grounds, on December 12th 1944.

2. The repatriation of Sublieutenant Moro was not approved at that time by the competent Authorities of his Camp, as it appears that a/m had been transferred to a special camp.

3. Information has now reached this Ministry that Sublieutenant Moro's personal case has been cleared, since he returned to his previous Camp. Moreover, a/m's wife, who is seriously ill, has produced the enclosed medical certificate.

4. Owing to these circumstances the Ministry for Foreign Affairs should be grateful to the Allied Commission if they could possibly see their way to recommend that the case of Sublieutenant Moro be re-examined by the competent Authorities and approval for his early repatriation may be granted from the latter.

1. Ref your 39500/1 of 30 Jun 45, forwarding list of Italian PWs recommended for repatriation as specialists, this Division is now informed by Hq EAST AFRICA Command, through GHQ CMF, that PW ADAMO Andrea registered himself as a Civilian.

2. He was, therefore, evacuated from occupied territories and is at present held in an Evacuee, and not a PW camp, in the EAST AFRICA Command.

3. He falls into a repatriation group which will be normally repatriated after Groups A-1, A-2 and A-3 (hospital ship cases, walking sick cases and men 50 years of age and over) have been disposed of.

4. PW CAPASSI M (32685), concerning whom this Division has no record, is in the same category as ADAMO.

5. As these men are classified as Civilians, EAST AFRICA Command states there are no immediate prospects for their repatriation for some months to come, shipping for them being now unavailable.

TO : G1(Br), GHQ CMF

1. With further reference to your 3891/A2 of 21 Jan 46, addressed to Hq EAST AFRICA Command (Civil Affairs Branch), copy to us, and our 1/11/2387 of 28 Jan 46, this Division has now received a copy of EAC/1316/105a/CA of 10 Jan 46, which includes the list requested by us.

2. No action by you is therefore necessary on our 1/11/2387.

3. However, in connection with paragraph 7 of EAC's letter and the AFHQ letter quoted thereunder (G-5: 014.33-3 of 14 Aug 45), this Division desires to point out that the procedure proposed in paragraphs 2 and 3 of the quoted letter, rather than facilitating repatriation, would complicate it.

4. At present all our requests for repatriation are routed through G1(Br), GHQ, CMF, or through G-5 (American), AFHQ. These requests, we presume, are then security screened and then forwarded to the proper Allied commands.

5. If, on the other hand, this Division were first to address AFHQ for security clearance, it would then be necessary for us to await a reply before forwarding requests directly to the commands concerned.

6. It appears obvious that this would make for additional, and, from our viewpoint, unnecessary correspondence, not to mention the extra work required on our files and card indexes for this superfluous "red tape."

7. This Division, therefore, will continue to forward 2215 requests for repatriation as indicated in paragraph 4 above.

Judson B. SMITH of the OSS, to Major General William J. DONOVAN, Chief of the OSS, regarding this PW.

2. While it is appreciated that, under instructions received from AFHQ some months ago, no more individual requests for repatriations by sea routes were to be entertained, it is requested that, in view of the extraordinary services rendered by Dr. Pietro FERRARO, brother of the PW, behind enemy lines at risk of his own life, special consideration be given this case.

3. Attention is invited to paragraph 3 of basic communication, attached, to the effect that members of the OSS, before the liberation of Italy, promised that an attempt would be made to have Dr. FERRARO's brother repatriated.

ATTENTION: Captain H. ARMAND de MASI

1. It is requested that Giuseppe FERRARO, 3543, Italian Prisoner of War at Extension Interrment Camp No. 5, Southern ~~Rodhesia~~ Rhodesia, be repatriated.

2. Subject's brother, Dr. Pietro FERRARO, has been employed by this organization on confidential missions behind enemy lines. After the liberation of Rome where Pietro FERRARO held a leading role in the resistance movement against the Germans, Ferraro volunteered to parachute into enemy occupied territory in July 1944, remaining in the Venice, Padova, Belluno, Udine region until the end of hostilities in Italy. Through his contacts with the regional Partisan commands he arranged many flights of Allied Airborne supplies for Partisan formations. Through an extensive intelligence service covering this whole region it was possible for the Allied Air Force to destroy enemy troop concentrations, bridges, river ferry crossings, munitions dumps, rail communications and coast wise shipping. From the middle of April FERRARO, through negotiations with the German command in Venice, prevented the enemy from carrying out a program of destruction of all port installations, public utilities, including all the shipping anchored in the Venice basin. Further, he made possible the surrender of the harbor, coast defenses and garrisons to the Partisans. He recovered all the plans of mines planted in the Venice harbor and adjacent waters. FERRARO also gave an accurate estimate of the health conditions within his operational zone, making it possible for the military medical service to prepare the necessary medicines to take care of civilian needs upon their entry. For his activities FERRARO has been recommended that he be awarded a military decoration by the Italian Government and the Legion of Merit by the United States Government. The British 8th Army has also recommended FERRARO for a decoration. 2206

3. Before the liberation of Italy, representatives of this organization promised that an attempt would be made to have Dr. FERRARO's brother repatriated. Any action taken by your office to have Subject repatriated will be highly appreciated by this organization.

SUBJECT: Request for repatriation of Italian PW Capt BENUCCI Marcell (35023), Camp 356-D (old address); Camp 360 (new address)

TO : G1(Br), GHQ, CMF

1. Under date of 16 Dec 44 this Division forwarded to you, with our 1/7/405, a list of Italian PWs recommended for examination by a Mixed Medical Commission with a view to repatriation.

2. Under date of 26 Sept 45, with our 1/11/1975, we forwarded List 13-B of Italian PWs recommended for repatriation as specialists.

3. The name of subject PW appeared in both lists - on the first page of "Elenco N. 6" of the medical list, and as number 11 in the EAST AFRICA roster of List 13-B.

4. This Division now desires to make a special urgent appeal for the earliest possible repatriation of this PW, who went to EAST AFRICA shortly after the invasion of ETHIOPIA in 1935.

5. Five years later, in 1940, he was to be joined in ADDIS ABABA by his wife, a French lady, who throughout this period had remained in ROME with their only child, a girl now 15 years old. However, the reconquest of ETHIOPIA by the British prevented the reunion, although Capt BENUCCI had found a house and made all preparations for the arrival of his wife and daughter.

6. Since then five more years have elapsed, and throughout the ten years of BENUCCI's war service and imprisonment, he has not seen his wife or child, who was only five years old when he left his home. 2201

7. In addition to this, when his repatriation was first requested as a medical case, he was gravely ill. His wife, greatly dejected by the long separation and herself in poor health as a result, has appealed to this Division to plead the case of her husband, who, incidentally, is related to Pope Pius XII.

1/7/405 ADD 1975 1893 1/7/405 404

8. If there are no military objections, therefore, it is urgently requested that subject PW be repatriated as quickly as possible, and this office notified of ETA, ITALY.

IPW/1/11/2194 14 November 1945

SUBJECT: Request for repatriation of Italian PW Lt. MICHETTI Mario(Med).

TO : G-1(Br) AFHQ (GHQ, CMF)

1. Ref. our 1/11/615 of 29 Jan 45, and reply thereto by G-5 Section, AFHQ (ref. G-5: C14.33-82 dated 8 Feb 45), and also ref. our 1/11/2078 of 20 Oct 45, forwarding lists of names of Italian PWs recommended for repatriation:

2. The Italian Prisoners of War Division of Allied Commission is particularly interested in the case of Ten. Dott. MICHETTI Mario, serial 61147, listed as No. 157 on page 15 of the East Africa list submitted.

3. Dr. Michetti was taken prisoner at GIMMA in 1941, and was at Camp 366 (JINJA, Uganda) and previously at Camp 351 (NAIROBI, Kenya), in his capacity as a physician. A recent letter indicates he is presently at the Italian Central Hospital, NJERI, Kenya.

4. Apart from the fact that his services have been urgently requested by the Royal Clinica Odontoiatrica of the University of Rome, there is also a highly compassionate side to the request and recommendation for his prompt repatriation.

5. Dr. Michetti's wife, Mrs. Federica MICHETTI, has been employed as a secretary by Allied Commission since January, 1945, and for the last few months has been with the Italian Prisoners of War Division, Allied Commission (this office).

6. The Michettis were married in 1940. Shortly thereafter Dr. Michetti entered the military service, and during the last four years he has been a PW. During all of this period, it has fallen upon Mrs. Michetti's shoulders to support her husband's mother and younger sister.

7. Mrs. Michetti is far from well, being under a considerable nervous strain due to the long separation from her husband and the financial burdens she has had to assume. She has rendered excellent service to Allied Commission and especially to this Division.

8. In view of the foregoing, it is requested that you communicate to the East Africa Command an urgent plea for the repatriation of Dr. Michetti at the earliest possible moment. 2175

1. The Company Rasero Oreste - Officine Metallurgiche Meccaniche of Torino, operate's a large mechanical shop for the repairing of railroad cars, street-cars, and other equipments.

2. Their plant was practically destroyed during the war, and they have almost finished rebuilding it. They expect to have it in operation within sixty days.

3. The person that managed this plant before was Rasero Fiorenzo. The only person left to operate it is a younger brother and his sister. As these two persons are young and inexperience, it is very necessary in these crucial times to have the older brother returned for this work.

4. This Company has contracts with the railroads- tram Companies, and others for large volumes of necessary rebuilding jobs.

5. The railroads especially are anxious to get this plant in operation so all available railroad equipments can be repaired.

6. I understand that Rasero Fiorenzo is a prisoner of war at this address : Rasero Fiorenzo, Artigliere, n° 198567, Italian Prisoners of War Camp Union of South Africa.

7. Under the circumstances it seems very necessary that this person returns to manage this important work.

SUBJECT: Request for repatriation of Italian PWs from KENYA

TO : G-1(Br), AFHQ.

1. Ref. our IPW/1/11/1741 of 30 Aug 45, requesting the repatriation of three Italian officers from Camp 356, ELDORET, KENYA - Capt. D'ERCOLE Parmenide (ME 93184), Lt. Carlo SPANI (40374) and 2d Lt. Carlo De BELLAGARDE (56040) - may this office please be advised as to the action taken in their cases?

2. This office is particularly interested in the case of Lt. SPANI, concerning whom Lt. Col. R.W.Godson, of 356 PW Camp, writes as follows to Brigadier A.P.Grafftey-Smith, OBE, ED, Hq, Allied Commission:

> "This Officer worked under me in 1943. He speaks perfect English, his mother being of that Nationality, and, prior to the war, he studied and passed his exams for the Bar. He has been employed since 1943 in an important executive position in one of the camps, and has, at least on one occasion, been used as Official Interpreter at FGGMs in Nairobi. In my view, this Officer, with his knowledge of English and his legal experience, would be invaluable to the (Allied) Commission. He is also extremely hard-working and conscientious. He is domiciled in Rome, where, I understand, his parents live, and it might be possible for you to get a line on him at your end."

3. In addition to the foregoing, Lt. Spani's cousin is employed as a Secretary in the Italian Prisoners of War Division.

4. It would therefore be appreciated by this Division if this repatriation request could be treated with some degree of urgency.

Mr. LONGEGA Giuseppe is now with his son civil prisoner in Kenya at Camp n.1- A the matricular numbers are respectively n.23150 and n.36294.

We wish very much to take again in our employ here in Italy Mr. LONGEGA who would be very useful to us in our commercial activity.

The conditions of the LONGEGA family are to be considered, the wife and two children were repatriated in 1942 and with the high cost of living with scarce means has they are reduced in a very bad position.

To : Ministry Post War Assistance.

1/. Reference your letter 1580/F.7/Fol. 46 prot. dated 17 May 1945 subject as above.

2/. A thourough investigation of the above subject was made by orders of the AFHQ and the following report was submitted to the office of the Adjutent General, Unione Defence Forces, PRETORIA, by the camp Commandant PW Camp ZONDERWATER.

"1) Your minute A.G. (POW) 31 dated 2 Aug 45, refers.

2) The suggestion in the communication from the Holy See to the Foreign Office, para 3, to the effect that certain chaplains were interned in special segregation camps as a measure of reprisal because they had declined to sign the Declaration of Co-operation with which, in common with the others, this camp was supplied, is completely incorrect.

3) Political feeling at the time was running high amongst Italian POWs and it was deemed expedient to place the chaplains concerned amongst other Non-Co-operators, who had been separated from the other POWs under my command for security reasons, since there was the likelihood that they might be subjected to insult and violence by Co-operator POW. It is considered that the possibility of disturbance arising from political differences continues to exist, and for this reason Non-Cooperator POWs are still kept separate from the ot

4) In arriving at the decision to remove the chaplains concerned to a block in which they would be able to minister freely to POWs whose political ideas were similar to their own, this HQ was moved by the experience of refusal, on more than one occasion, by POWs whose political views did not accord with those of the chaplains concerned to accept the consolations of their faith at their hands. At least one ugly situation was avoided by prompt action on the part of the Block Commander and it would not have been in the interests of good orders and military discipline to permit possible repetition of incidents such as that described. The chaplains concerned, however, were not and are not, debarred from exercising their ghostly functions within the limits of the block in which they are accomodated.

5) In this connection it may be added that, whilst appreciating the general attitude of chaplains at this camp in the exercise of their purely spiritual and moral functions, there have been numerous complaints from POWs that chaplains have indulged in political propaganda and activities.

6) The transfer of the chaplains concerning whom complaint is made to the Non-Cooperator Block was carried out with the full knowledge and approval of the Senior Chaplain, Cap. Don Rosario Napolitano, who has since been repatriated and whose advice and guidance in these matters was invariably sought. It will be seen, therefore, that there has been neither segregation nor deprivation of privilege and that such measures as have been taken have been in the interests of the safety of the chaplains themselves."

We declare this accountant CALDERONI Guglielmo as our employee since February 10-1931. In date 1 October 1937 he was sent by us to Adis Abeba in East Africa to open our firm there.

Attorney CALDERONI Guglielmo has always done his work in our Branch firms in Italy and that was why we sent him to the new Branch in Adis Abeba.

In his quality of Director in Adis Abeba he did very well and his work would have been still more profitable if the war had not started.

Attorney CALDERONI was put in a civil internment camp in Kenya where he still remains.

We would like to have him in our firm again in Italy, because he knows all our business in Adis Abeba and we would like to employ him in the commercial Sections of our Firm.

Brigadier A.P.Grafftey-Smith, OBE., ED.,
HQ Allied Control Commission,
CMF.

My dear Brig.

I am sorry to bother you once again, but I would like to give you three more names of Officers I consider highly suitable for repatriation under the Allied Control Commission.

We are continually having names sent to us of Officers selected by the Commission, and there is a strong feeling amongst P/W that the selection is apt to be done by relatives such as Popes, Bishops, and, possibly, Cardinal "puffs". Some of the Officers selected I doubt will ever reach the atage of being Cardinal "puffs".

Here then are the three Officers:-

1. ME.93184 Capt. D'Ercole, Parmenide. This is an Officer in the Carabinieri who has been employed in this camp since November'43. He is extremely conscientious and pro Allied. In view of his difficult position, especially in an Officers' Camp, he obviously has many enemies, and I feel that, although we have sent a large number of Carabinieri back, particularly Officers, his name has been deliberately withheld. I enclose copy of a letter written to him by my predecessor, Lt.Col.A.D.Stitt, DSO., MC.

2. No.40374 Lt. Spani, Carlo. This Officer worked under me in 1943. He speaks perfect English, his mother being of that Nationality, and, prior to the war, he studied and passed his exams for the Bar. He has been employed since 1943 in an important executive position in one of the camps, and has, at least on one occasion, been used as Official Interpreter at PGCMs in Nairobi. In my view, this Officer, with his knowledge of English and his legal experience, would be invaluable to the Commission. He is also extremely hardworking and conscientious. He is domiciled in Rome, where, I understand, his parents live, and it might be possible for you to get a line on him at your end. - his cousin is my Secretary Miss Lucas.

3. No.56040 2/Lt. de Bellegarde, Carlo. This Officer also speaks fluent English, and has relatives on his mother's side who live at Winchester, where ~~they~~ he frequently visited before the war. In 1943, he was one of the inmates of my Escapee Camp, and put up a very good show when he almost got to Portuguese East on one occasion. Since the fall of Italy, he has been out on regular employment, and, for some time, has been in charge of an Engineer Camp at Kisumu. By profession he is a civil engineer, domiciled in Florence. As I have told you before, I have always considered the escapee chaps the best the Italian Army could produce.

I am very sorry to hear the other day of the death of Terence. The Reunion meetings without his caustic comments and Irish wit will seem very dull.

Hoping all is well with you, old boy.

Yours Dick.

P. A. Command
18th January, 1945

Captain D'Ercole

Dear D'Ercole ,

I would like to offer you my most sincere thanks for the very excellent work you have done and are doing in this camp. I know that a very trying and difficult position you are in, and it means a great deal to me to think that I have such a capable and efficient officer in charge of the Carabinieri .

I have always heard the Italian Carabinieri are the smartest unit in the Italian army, and, from your behaviour and the behaviour of your NCO's and men, I am quite convinced this is a fact.

You are doing work of the utmost importance in this Camp, and, on your return to Italy, I am quite convinced that the Prisoners of War in this camp will then realise what a wonderful job of work you did on your behalf .

I wish you all the very best of luck in your future life, and trust we may one day meet in more favourable circumstances.

yours sincerely,

Alan D. Stitt
