1. W.e.f. 1 July 1945 cooperators now serving with British formations ~~will~~ ^{are to} be absorbed into the Italian Army.
2. The administration of these men will now become an Italian responsibility, and calls for the formation of a number of administrative H.Q.'s with a corresponding demand for officers to operate them.
3. Since the supply of such officers from War Ministry sources is not sufficient to meet this demand, it is requested that consideration be given to the possibility of obtaining 100 officers, with suitable administrative qualifications, from the large numbers believed to be available in North Africa.
4. The proportion proposed by rank is:-

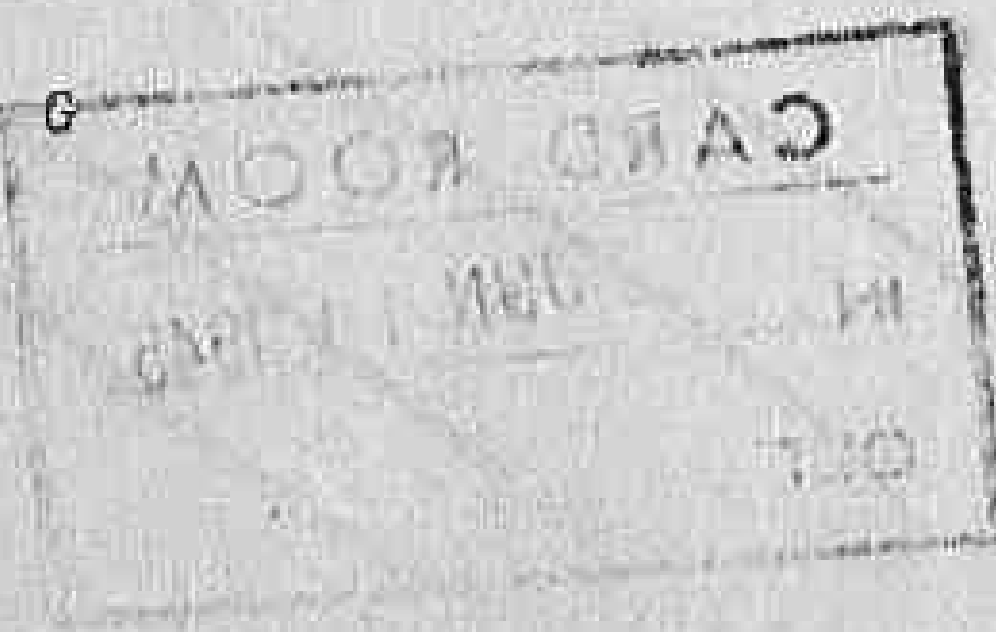

5	Lt. Cols.
15	Majors
80	Captains and Subalterns

5. Please treat this matter as urgent as time is short in which to complete the organization.

Subject: the arrival in Italy of the CC.RR. POW's.

We have received information that on the 8th of January 1945, there arrived at Livorno from Orano, the 7135 Company "M.P." of CC.RR.

This group was put at the disposal of P.B.S. and put into Camp at Stagno (Livorno)

We beg this Commission to examine the possibility of returning these men to the Carabinieri Reali, owing to the lack, (in this moment) of an adequate Police Force in Italy.

R O M A

Da comunicazione pervenuta sembra che il giorno 8 gennaio c.a. sia giunta a Livorno-proveniente da Crano - la 7135 compagnia "L. R." costituita da carabinieri reali prigionieri di guerra.

Tale reparto sarebbe ^{ora} in disposizione della "Peninsular Base Section" ed accampata a Stagno (Livorno).

Si prega vivamente la cortesia di codesta Commissione di voler esaminare la possibilità di restituire questi militari all'Arma dei Carabinieri Reali che - per le deficienze in atto - ne ha urgente bisogno per i servizi di ordine pubblico.
