SUBJECT: Request for repatriation of Italian PW Lt DI MARZO Fabio (69123) Camp 25, BOMBAY

TO : Maria di Marzo, Villa di Marzo, AVELLINO, Italy

1. This acknowledges receipt of yours of 6 Dec 45 addressed to Eq, AC.

2. It is regretted that, under instructions received from AFHQ (Allied Force Headquarters), dated 6 Sept 45, "no further Italians will be repatriated by sea route except in medical or extreme compassionate cases, and except as they are repatriated in conformity with the release schemes of the holding Governments."

3. The foregoing instructions bar individual requests for the repatriation of specialists, in which category Lt. DI MARZO falls as a mining technician.

4. However, Italian PWs are being repatriated from all parts of the world as rapidly as shipping facilities permit, and no doubt, as soon as priority cases have been disposed of, the remaining PWs will follow in due course, if there are no security objections and no other reason why they should continue to be detained.

1. This Division has received a request for the early repatriation of subject PW, who was captured at GIMMA (Ethiopia) in June, 1941, and, it is understood, is 52 years old.

2. A letter from the General's wife states that in May, 1944, his mother died, naming him as executor of her estate. One sister, a war widow, is without any income other than a meager war pension, and is depending on liquidation of the estate to carry on.

3. Another sister lost a son in the war. An Officer in the San Marco Regiment attached to 8th Army, he was her only means of support, and is also awaiting liquidation of the estate.

4. A brother, younger than the General, is a prisoner in Kenya.

5. In these circumstances, it is pointed out that only the presence of the subject PW can ease the difficult conditions in which his wife and two sisters find themselves.

6. May this office be advised, please, whether General FARONATO's name appears on any nominal roll which you may have for early repatriation?

7. If not, it is requested that C-in-C INDIA be asked to expedite his repatriation.

Spett. MINISTERO ASSISTENZA POST-BELLICA

R O M A

La sottoscritta Luisa Faronato, moglie del Generale di Divisione Aerea LUIGI FARONATO, fa presente a codesto Spett. Ministero, quanto appresso.

Il Gen. Faronato, fatto prigioniero nel Gimma nel giugno 1941 ed attualmente in India nel Campo General Officer's Prisonner of War, ha subito nel maggio 1944 la perdita della madre. Da allora il suo ritorno si fa ogni giorno più indispensabile per la liquidazione dell'eredità familiare, tanto più urgente in quanto che una delle sorelle, vedova di guerra, essendo senza alcun mezzo di sostentamento all'infuori della pensione, è nel bisogno più assoluto di poter entrare in possesso della sua quota patrimoniale. Un'altra delle sorelle ha anch'essa perduto un figlio in guerra, ufficiale nel Reggimento S.Marco e aggregato all'VIII Armata, figlio che contribuiva al suo mantenimento. Altro fratello, minore, trovasi prigioniero nel Kenia.

In questa situazione, solo il Gen.Faronato, ormai capo della famiglia, può, con la sua presenza, decidere e provvedere all'assistenza di tutti i suoi congiunti.

Dato che egli è ormai prigioniero da circa cinque anni, ha superato i 50 anni di età e si trova nelle gravi contingenze familiari di cui sopra, si fa appello alla comprensione ed all'interessamento di codesto Spett. Ministero affinchè voglia accelerare quanto più possibile il rimpatrio del prigioniero stesso.

Con infinite grazie e con la preghiera di volere, possibilmente, dare un cenno di assicurazione che possa tranquillizzare tante persone in difficoltà ed in pena, si porgono i più distinti ossequi

Luisa Faronato

SUBJECT: Request for repatriation of Italian PWs from India.

TO : G-1 (Br) AFHQ (GHQ,CMF)

1. On 14 May 45, this office (our ref. 1/11/1233) requested that action be expedited in the matter of the repatriation of Italian PWs Ten. FISCHETTI Giuseppe (335631), S/Ten. COLUCCI Guido (48199) and some others from India.

2. Last word we had of this matter was copy of your G1(Br)/-3855/12/A2 of 12 July 45, addressed to Commander-in-Chief, INDIA.

3. May we be advised, please, of the status of these cases?

4. It is now four months since your letter went forward to C-in-C INDIA, and six months since our 1/11/1233 to you. Our files indicate that on 2 Jun 45, you had sent a previous letter to INDIA with reference to the same cases, and still another letter as far back as 23 Jan 45 (your ref. to us: CR/3836/G1(Br).

5. Since all of these PWs are to fill important posts in the Italian judicial system, it is most vital that every effort be made to repatriate them as soon as possible. The names of all of these went forward in original lists requested for repatriation in the Fall of 1944, more than a year ago.

6. Your cooperation in communicating the urgency of these cases to the C-in-C INDIA will be appreciated.

IPW/1/11/2106 27 October 1945

SUBJECT: Request for repatriation of 2d Lt. Renato OTTAVIANI (PW).

TO : G-1 (British), AFHQ.

1. Ref. our IPW/1/11/391 of 14 Jan 45, our IPW/1/11/1174 of 1 May 45, and our priority signal 598 of 26 June 45, all strongly urging that immediate steps be taken for the repatriation of the subject Italian PW, it is pointed out that up to now, this office has received no indication that Lt. OTTAVIANI has been released.

2. Your GR/3836/G1(Br) of 9 Feb 45, addressed to the Commander-in-Chief, contained this man's name at the head of a list which your para 1 of that letter stated comprised names of PWs whose release was requested by Hq, Allied Commission, "to fill legal positions with the Italian Ministry of Justice."

3. It is pointed out that this is not correct with respect to Lt. OTTAVIANI, who, in private life, prior to his entrance into the Italian military service, occupied the delicate and highly responsible position of private secretary to His Excellency, the Assessor of the Holy Office attached to the Court of the Holy Roman Rota. He is, in addition, a nephew of His Excellency, Mons. Alfredo OTTAVIANI of the Supreme Holy Congregation of the Holy Office of the Vatican.

4. Lt. OTTAVIANI's urgent repatriation has been recommended by the Apostolic Nuncio for Italy and other high quarters of the Vatican; by the British Legation to the Holy See (Sir Francis D'Arcy Godolphin Osborne, K.C.M.G., British Minister); by General Pietro GAZZERA, Italian High Commissioner for Prisoners of War, and by Mons. O'Flaherty of the Vatican State.

5. In our IPW/1/11/1174 of 1 May 45, Lt. Colonel J. A. Campbell, Director, War Materials Disposal and Italian Prisoners of War Sub-Commission, stated that Lt. OTTAVIANI's repatriation was asked by His Holiness, the Pope, through his Secretary of State, and urging that a signal be sent to the C-in-C, India, to repatriate the subject PW "by the quickest means possible, even by air, owing to the high level from which the request comes." The urgency and importance of this particular case was stressed again in our signal 598 to you of 26 June 45.

6. This office is now in receipt of a communication from Hq, Allied Screening Commission (Italy), C.M.F., dated 22 Oct 45, asking why action toward repatriation has not yet been taken to repatriate Lt. OTTAVIANI after so many months.

2) IPW/1/11/2106 Subject: Request for repatriation of 2d Lt. Renato OTTAVIANI (PW), 27 October 1946.

7. Since this office was first addressed on this matter by the British Minister to the Holy See on 16 September 1944, and your communication to the C-in-C, India, requesting his repatriation went forward on 9 Feb 45, and nothing has yet materialized, it is requested that your office send an urgent signal to the C-in-C, India, setting forth the salient points of the urgency of this case, and asking for a reply with the greatest possible speed.

8. It is urged at this late date that every possible effort be made to have Lt. OTTAVIANI repatriated by air.

9. His full address is: Sotto-Tenente Renato OTTAVIANI, POW No. 16787, Wing 1-B, 26 POW Camp, c/o G.P.O., Bombay, India.

1. Ref. our ASC-6-0/5-3/WCS/RB/9 of 9 April,1945, and previous negotiations with your Sub-Commission with regard to the above.

2. We were informed at that date that the only reason for delay in the repatriation of Second Lieut. OTTAVIANI could be due to shortage of shipping space.

3. Six months have now passed, during which time we understand that numerous Italian Ps/W have been repatriated to Italy.

4. Since the repatriation of Second Lieut. OTTAVIANI had been recommended strongly from several high quarters, we had understood that he would be among the first to be repatriated.

5. We shall appreciate it, therefore, if you will let us know what the present position is regarding his application.

6. In case you find it necessary to re-submit a recommendation, we repeat below the essential particulars regarding the P/W in question:-

Second Lieut. Renato OTTAVIANI, 16787, P.O.W. in Camp 8, Bombay, India.

He is the nephew of His Excellency Mons. Alfred Ottaviani of the Suprema Sacra Congregazione del Santo Offizio, Vatican.

All documents, recommendations etc., were handed to Lt.Col.J.A. Campbell, at that time Head of WMD & IPW Sub-Commission, Hq. AC., by Monsignor H. O'Flaherty, who was particularly interested in this case.

SUBJECT : Repatriation of POW Lieut. AVOGADRO Vittorio -

1. The H.C. for It. POW with no. 6 list (no. 1 prisoners in India- camp 26 Wing 3 A - no. 1876) forwarded to your Commission with letter no. 37500 dated June 15th 1945, requested the repatriation of Lt.Vittorio AVOGADRO di COLLEBIANO.

2. The Secretary of State to His Holiness the Pope has been asked by the family of the officer in question to inform this Ministry, who in turn is to inform the Authorities, that said family will assume the expenses of his return trip if the Allied Authorities will repatriate Lt. AVOGADRO by air or any other rapid means.

3. The release of AVOGADRO would be of great interest to the National economy because he is the owner of vast Estates and Agricultural property of 414 Acres which as the present moment due to his absence is being very much neglected.

4. We beg you courteously to examine the possibilities of repatriating him and we thank you.

OGGETTO : Rimpatrio p.d.g. Tenente AVOGADRO Vittorio.-

1)- L'Alto Commissariato Prigionieri di Guerra col 6° listone (n° 1 prigioniero in India - Campo 26 Wing 3 A matricola 1876) trasmesso a codesta Commissione Alleata col foglio n° 37500 del 15 Giugno 1945, propose per il rimpatrio il Tenente Vittorio AVOGADRO DI COLLEBIANO.-

2)- La Segreteria di Stato di Sua Santità per invocazione della famiglia del prigioniero ha chiesto a questo Ministero di segnalare alle Autorità che la predetta famiglia assumerebbe volentieri a suo carico le spese di viaggio del Ten. Avogadro qualora le Autorità Alleate volessero rimpatriare quest'ultimo "per aereo o con qualunque altro mezzo rapido".

3)- La liberazione dell'Avogrado risulterebbe di grande utilità all'economia nazionale perchè egli potrebbe accrescere molto il rendimento della sua vasta azienda agricola di oltre 414 ettari attualmente pochissimo curata per ragioni varie indipendenti dall'interessato.-

4)- Si prega volere cortesemente esaminare le possibilità di accogliere l'invocazione della famiglia Avogadro, di un molto prossimo rimpatrio del suddetto prigioniero anche alle condizioni citate.- 2803

Rome, 21 September 1945

Gen. Dir. of Labour - Div. VI
File Nº 1115/AG - 2 - 364

SUBJECT: Repatriation of the POW Simeone Pasquale, son of Filippo.

TO : The Presidency of the Council of Ministers - Cabinet -, ROME.

A list of workers and technicians, who are prisoners of war, was forwarded to you with letter Nº 254 A.G. of 31.3.1945, with the object of proposing for repatriation, among others, the Lieutenant Simeone Pasquale, son of Filippo, Nº 80999, belonging to camp 28, Wing 3/A, c/o G.P.O. Bombay (India).

This Ministry is requesting you kindly to furnish particular information about the above mentioned Lieutenant, regarding his repatriation by care of the Allied Commission.

This request is grounded on the fact, regularly proved, that on 17 March 1945 the father of the mentioned officer died, leaving the family in a hard situation. This family, indeed,- composed of the mother who is very old and not very healthy, a sister, wife of an officer of the Italian Army who is actually prisoner of war in Egypt, with three little children - gets the means for its subsistence from the cultivating of various pieces of land. After the death of the only person able to administer them, these lands are now rather abandoned, so that the family remains without any income.

On 21 September 1945 this application was urged in consequence of the death of the applicant which occurred on 17 March 1945.

1. Your 3899/A2 dated 27 Aug.'45 refers.

2. No formal application was made by this HQ for the repatriation of this PW.

3. On receipt of FX 92169 dated 13 Jun. it appears that the Italian High Commissioner for PW was informed verbally of his expected arrival at NAPLES

4. Normal procedure would have been for the Italian authorities then to notify their NAPLES office

5. It is appreciated that the arrival of this PW could in no way have been considered a normal repatriation, but it seems likely that the Italian Authorities misconstrued the information they were given and therefore unwisely advised the relations of the PW to meet him and also arranged for his reception at S.Martino.

6. This explains why S.Martino expected him.

7. The only request for his release made by the HQ appears to be the telephone conversation referred to in IPW/1/11/1720 dated 21 Aug.

8. Your request that this HQ should state under what authority he was released is not understood in view of para 3 of your 3899/A2 dt.18 June to 209 PW Camp.

We take the liberty of addressing the following request to this Hon. Committee begging that something be done for the hastening of the repatriation of Lieutenant Piero Parri.

Dr. Parri has been our dependant since the 15th July 1938 and was transferred to Addis Abeba on the 1st May 1940 in order to occupy the post of Vice Director of our branch offices in said locality.

From there he was recalled to military service and afterwards taken prisoner.

Having necessity of dr. Parri's services in our Commercial Managing Department we have addressed this petition trusting that you will favourably meet our request.

Thanking you in anticipation
We remain
Yours faithfully.

1. Your letter 125771 dated 23 Aug. refers.

2. You will remember that this HQ letter 1/11/723 dated 22 Feb. was based on a misunderstanding.

3. This misunderstanding arose as follows:
a) HQ FMOA notified us by signal that repatriation of PW enumerated in letters written by this HQ was planned
b) unfortunately the signal did not make it clear that only some of the PW were involved.
c) When written confirmation of the signal arrived however it became clear that our letter 1/11/723 to you had given an inaccurate representation of the true position.

4. It is appreciated that false hopes were thereby raised for the relatives of the PW concerned, of whom PAULI was one.

5. No further information has yet been received concerning the balance of PW enumerated in our letter 1/11/723, but you will be informed as soon as news is received.

ROME
Via Veneto

Dear Sir,

I beg you to excuse me if I take the liberty to write to you without being introduced: but my name is well known in Allied circles as Pietro Longhi, former President of the C.L.N.A.I. and, as such, Head of the Delegation who came out, before the liberation of the North, to take contact with the Allies.

In the A.C. I am particularly known to Brig. Grafftey Smith and Col. Menapace, Joint Directors of the Finance Sub-Commission.

(A96506 Gen. 26-W/Inv 3 C) An old friend of mine, Capt.Claudio Grandjacquet has been a prisoner of war in India since December 1940. He was one of the first taken. I suppose that he will have a certain priority in repatriation, but apart from this, I feel obliged to point out to you the necessity for me to have him back as soon as possible in order to have him at my side in this strenuous work of reconstruction which lies ahead of us. Capt. Grandjacquet is a man of high capacity and of high moral integrity . I can affirm that his presence in this Country would represent a great help for many of us.

As I said before, my work with you has been important and it is not ended, and I feel authorized to ask you the favour to try to repatriate Capt. Grandjacquet as soon as possible.

Please accept my thanks and believe me,

Your obedient servant,

Dott. Alfredo Pizzoni 754

To the Honourable Military Commandment,

Roma.

A few weeks ago I made a demand to this honourable Commandment by means of the "Alto Commissario per i Prigionieri di Guerra, Roma." The answer I got appears to me so very contrary to the spirit of equity that inspires your conduct, that I dare repeat what I was asking for, directly to you.-

I begged you to send me here as soon as possible our only son, the engineer Gabor Dessau; and I got the answer, that only the death of the head of the family with heavy effect for the economic situation, would be a reason to accord my request. Here the facts: Our son was made prisoner of war in Eritrea where he was working as mining engineer since several years. We are jews and therefor he lost his splendid position in spring 1939; but as his activity was very precious, the vice - roy Duca d'Aosta allowed him to work privately. He, beeing a jew, was no soldier. He was made prisoner in february 41, his number is I3/204. I3 204. His address was until september 44: P.O.W. Camp X, Wing 2, Bombay. Then I got a comunication from the Red Cross, that he has been transfered - on paper only - to the Central Internment Camp, Deoli.- We know that he is not there, but he is working as mining engineer.-

My husband, once Professor of physics at the U. University of our town, is now 82 years old and is very ill. I enclosed the certificate of our doctor to my demand. During the years of persecution we too have suffered and you will understand, that day and night the pains of my husband are increased by the thought, that he will never see his son again and that he will leave me so utterly alone without the support

Ltr Tor advises insufficient grounds for compassionate application. — 8 Aug 45.

of children or any relations. Our only daughter is married in Palestine - for seven years we did'nt see even her - and for the moment their is no possibility to see her.

I had the answer, that our case is not hard enough to get back our son. I dont agree, and I hope so much,that you too are not of that opinion!

If the activity of our son is useful where he is, he could easily return to India; we would be happy with a short leave,just that my husband could die in peace after having seen his son,knowing that I will not stand alone near his deathbed.

I thank you with all my heart for a kind answer, according my request.

Yours very obliged

SUBJECT: Repatriation of a Technical Director.

The Stocking-maker Torrieri Brothers Firm of Lanciano has submitted to our Office a petition for the purpose of obtaining the repatriation of its own Technical Director, Ettore De Laurentis, a lieutenant, who was made prisoner by the Allies at Sidi el Barrani on the 31-12-1940, and sent later on to Bombay, where he is now.

The official steps taken on the matter with the competent Italian agencies have not brought about, so far, satisfactory results.

Considering that the said Technical Director was responsible for the great development that the above mentioned Stocking-maker Firm had attained in the past, and that the Firm itself has acknowledged that the personal co-operation of Signor De Laurentis is needed for the resumption of the activity of this important industry, we beg to ask you to be so kind as to intervene by the competent Allied Agencies, for the purpose of obtaining the repatriation to Italy of the Technical Director in question.

IL SOPRINTENDENTE AI MONUMENTI
DEL LAZIO

26 Giugno 1945

Illustre Colonnello

Il Prof. Vincenzo Fasolo della R. Universita' di Roma ha un suo figliuolo prigioniero in India fin dal Febbraio 1941 - OSVALDO FASOLO - architetto di ruolo nella Amministrazione delle AA. BB. AA.

Nell'Ottobre scorso, data la grande necessita' che ha l'Italia di personale specializzato, per il restauro dei numerosissimi monumenti danneggiati della guerra, il Ministero della Pubblica Istruzione richiese il rimpatrio del Fasolo e furono iniziate le pratiche relative. Io stesso nel Marzo u.s. scrissi in proposito al Ten. Perry Cott, che rimise a Lei la mia lettera. Da sua parte il Vaticano, interessato dai genitori dell'architetto, ha indirizzato la lettera che allego.

Dato l'effettivo grande bisogno che abbiamo di architetti nell'attuale momento, io mi permetto di insistere nuovamente presso di Lei affinche' quanto puo' essere fatto per il rimpatrio del Fasolo sia fatto con cortese sollecitudine. E la ringrazio vivamente in anticipo.

Saluti cordiali.

No. 36108 di Prot.

Rome 25th May 1945
To the Allied Commission
Sub-Commission for It. PW

1354

Subject: Repatriation of Italian Military personnel POW in India.

In the first four lists of 200 POW, whose repatriation was requested by the Presidency of the Council of Ministers on the grounds of national reconstruction during the months of September and December of 1944 and in January 1945, there were the names of 260 POW interned in the camps of India.

Up to date, none of these individuals have been repatriated.

They are nearly all in the category of those who have superated the 4 and even five years of imprisonment, and have suffered the most, due to their long inactivity in a closed area.

The families of these people, who know that the individuals in said lists who were imprisoned in other territories for a shorter period and have already been repatriated, are very much demoralized and insist that they should receive the same treatment.

We beg your Sub-Commission to call this matter to the attention of the competent authorities, that the individuals, whose repatriation has been requested on the grounds of national reconstruction or in their quality of civil servants or specialists, may be repatriated as quickly as is possible.

L'Alto Commissario
per i prigionieri di guerra

Roma, 25 maggio 1945

- Ufficio Militare -
N. 36108 di prot.

OGGETTO: Rimpatrio di militari italiani tuttora prigionieri di guerra in India.

ALLA COMMISSIONE ALLEATA
Sottocommissione per i P.D.G.

R O M A

Nelle prime quattro liste di 200 prigionieri di guerra richiesti in rimpatrio dalla Presidenza del Consiglio per la ricostruzione dell'Italia nei mesi da settembre a dicembre del decorso anno e gennaio 1945, erano compresi 260 prigionieri internati nei Campi dell'India.

Sinora nessuno di questi militari è rimpatriato.

Si tratta di persone che da maggior tempo sono in prigionia (la maggioranza ha superato i 4 anni, alcuni hanno raggiunto i 5 anni) e che più hanno sofferto per la lunga inattività in un recinto chiuso.

Le famiglie a conoscenza che i militari compresi in dette liste e internati in altri territori sono già rimpatriati pur avendo un periodo minore di prigionia, sono assai demoralizzate e insistono per poter avere uguale trattamento.

Questo Alto Commissariato prega pertanto cotesta Commissione 2715
di volere interessare le Superiori Autorità, affinchè questi militari, che sono stati richiesti nella loro qualità di funzionari e tecnici indispensabili per la ricostruzione nazionale, siano con ogni benevolenza e sollecitudine fatti rimpatriare.

Si ringrazia

It. Prime Minister

The undersigned requests the repatriation of his son Lieut. Barile++i Domenico, PW in India - No. 112739 - Camp 27 - Wing No. I BC/O - C. P.O. Bombay, since February 1944, for the following motives:

The undersigned together with his father and sister are proprietors of an agricultural property of great importance (175 acres) near Palombara Sabina, Domenico Barile++i PW being the director.

In these years of Domenico Barile++i's imprisonment the ground has been administrated by the undersigned. The PW presence now is very important, firstly because of the advanced age of the undersigned and also because of the difficulties of the moment, moment in which all agricultural work needs competent people to direct it, Barile++i Domenico being an agricultural specialist is therefore urgently needed to administrate and direct this work that it may be brought up to with maxim possibilities.

Thanking you

Signed

Antonio Barile++i

P.S. Apart from what is written above the undersigned informs you that he has to take besides his son's family, his daughters family because her husband Capt. Manfredi Azzarita was shot at the Fosse Ardeatine.

Signed. Antonio Barile++i

A SUA ECCELLENZA IVANOE BONOMI
PRESIDENTE DEL CONSIGLIO DEI MINISTRI

Il sottoscritto ANTONIO BARILETTIchiede il rimpatrio del proprio figlio tenente DOMENICO BARILETTI prigioniero in India (P.O.W. II2739,Camp. n.27,Wing n.I B,C/O-G.P.O. Bombay) sin dal febbraio I94I,per i seguenti motivi.

Lo scrivente in comunione col proprio fratello e le sorelle,è proprietario di una azienda agricola di notevole importanza(circa I75 ettari) in territorio di Palombara Sabina, della quale il Barilett Domenico era il conduttore.

In questi anni della sua prigionia, l'azienda è stata amministrata, per quanto è stato possibile,dal sottoscritto e dal proprio fratello.La sua presenza oggi si rileva di assoluta necessità sia perchè la tarda età dello scrivente e del proprio fratello non permette loro di occuparsi della azienda con quella cura ed assiduità che essa richiede,sia perchè, date le attuali contingenze in cui i lavori agricoli devono essere potenziati al massimo grado, il Barilett Domenico per la sua speciale competenza(perito agrario) è l'unico membro della famiglia che possa dare sicuro affidamento per una oculata,prificua e competente amministrazione della azienda stessa.

Con perfetta osservanza.

Antonio Barilett

P.S.- Indipendentemente dalle ragioni su esposte il sotoscritto si permette di far presente che egli ha a suo carico oltre la famiglia del figlio Domenico, anche la famiglia della figlia Maria Teresa il cui marito Capitano Manfredi Azzarita è stato fucilato alle Fosse Ardeatine.
