Subject: Saverio PATRIZI. Civil Internee in Kenya - Change of address.

1. Further to memo nº 6/829/356 dated 22 March 1945, the Ministry for Foreign Affairs beg to notify, according to recent information, that the address of civil internee Saverio PATRIZI, listed under nº269 of group A, is now: Camp nº 351, East Africa Command (Kenya) (number of the internee 62396).

2. The Ministry for Foreign Affairs take the opportunity to recommend an early repatriation of the above mentioned, basing the request on the following points:

a) Marchese Saverio Patrizi, a well known scholar, has been appointed as scientific collaborator to the Museum of Natural History in Nairobi. His present activities, of a purely scientific nature, do not seem to be any longer closely connected with the war effort, while his presence in Italy would be highly beneficial for the Italian Government as Marchese Patrizi is a state official whose services are urgently required in Rome.

b) The Patrizi family is prepared to bear - if necessary - all costs of repatriation.

c) The applicant is a father of 6 children.

SUBJECT: Request for repatriation of Italian PW Lt MICALE Salvatore (71225), 2666 Italian Coy, Postal Section ME (EGYPT), formerly Block 2, SOUTH AFRICA.

TO : G1(Br), GHQ CMF

1. On 5 Jan 45, the repatriation of subject PW was requested with this Division's 1/11/332, forwarding a list of specialists required by the Italian Government.

2. This request was forwarded with your CR/3836/G1(Br) of 23 Jan 45 to The War Office, LONDON, and your G1(Br)/3836/A2 of 11 May 45 notified this Division that he had already been repatriated from SOUTH AFRICA. We so notified the Italian Government on 21 May 45.

3. That was more than ten months ago. To date, subject PW has not yet arrived in ITALY, and now this Division has received a letter from the Ministry of the Interior asking why his repatriation was not completed.

4. It is pointed out that he was called up for military service in 1940, only five months after his marriage, and that he has been a PW since January 41.

5. As he is the only support of his wife, whose health is precarious following a nervous breakdown due to the long delay in his repatriation, and of his aged mother, it is requested that, if possible, priority repatriation of subject PW be authorized so that he may rejoin his family and resume his profession as a physician.

6. May this Division be advised, please, of action taken?

Rome, 23 March 1946

Dear Major,

Please excuse me if I take the liberty for the first time, to address myself to your courtesy in a matter for which I am deeply anxious.

My sister's husband, a medical officer called to the Armed Forces in 1940 only five months after his marriage, is a prisoner of war since January 1941 and until today was not successful in obtaining repatriation, notwithstanding frequent solicitations by the Italian Government to the Allied Commission, and lately the case has been signalled as one of the "compassionate cases" worthy of particular consideration: he, as a matter of fact, was the only support of the family (an old mother and the wife); and my sister find herself in really allarming health conditions owing to a serious nervous breakdown.

Can you do something to expedite the return of this youngman, who has also been a collaborator with the Allies, so that he could resume after six years, civil life? I would be very grateful together with my family.

Here are the particulars :

Lieutenant Physician Salvatore Micale - Prisoner 71225

Caro Maggiore,

La prego di scusarmi se mi permetto rivolgermi, per la prima volta, alla Sua cortesia per una questione che mi sta molto a cuore.

Il marito di mia sorella, ufficiale medico richiamato alle armi nel 1940 dopo soli cinque mesi di matrimonio, è prigioniero dal gennaio 1941 e fino ad oggi non ha potuto ottenere il rimpatrio, nonostante sia stato più volte richiesto dal Governo italiano alla Commissione Alleata e, ultimamente, segnalato tra i "casi pietosi" meritevoli di particolare considerazione : egli, infatti, era l'unico sostegno della famiglia (la vecchia madre e la moglie); e mia sorella trovasi in condizioni di salute veramente allarmanti, in seguito a grave esaurimento nervoso.

Può Ella fare qualche cosa per affrettare il ritorno di questo giovane, che è stato anche cooperatore degli Alleati, affinchè possa riprendere, dopo sei anni, la vita civile ? Glielo sarei veramente grato, con la mia famiglia.

TRANSLATION

Rome, 5/12/1945.

To : Commander British Camp 304.
Egypt.

I undersigned Francesconi Ida married to the late Di Giulio mother of P.O.W. Di Giulio Gustavo n.367962 Camp.304 recently stricken by the loss of my husband, I have remained alone without any other relatives and helpless. My son is the family head now after his father's death; my conditions both financial and of health urgently require his presence. Let me point it out that my son left for Tunisia ill and with a swelled sleen.

I made an application on 1944 to the High Commissariate for P.O.W. for him to be repatrieted owing to his father's very serious illness and to a request by Ditta Cavatorta wherein he was employed.

My application towards the end of juhe 1945 was forwarded to Allied Command of Rome and later to Caserta.

I apply now faithful to the generahsity, to the comprehension of your Command in order that my son who is still unaware of the tremendous loss which has occourred, my only support and my only love, be repatriated to live with my big pain and resume a job which gives bread.

God will pay for so much goooness, God who gave me so much strenth to wait.

Sgn. Francesconi Ida ved.Di Giulio
No.39 Viale Angelico - Rome.

I would appreciate if my son could be let unaware of his father's death or if necessary that the news could be reported with most cautiousness, as I enderstand his immense pain.

Io sottoscritta, Francesca Gola ved. Di Giulio, madre del prigioniero di guerra Di Giulio Gustavo # 367962 - Campo 304, colpita recentemente dalla perdita del mio consorte, sono rimasta sola, senza altri parenti e senza aiuto. Mio figlio è ora, dopo la morte del padre, capo famiglia; le mie condizioni finanziarie e di salute richiedono urgentemente la sua presenza. - Mi si permetta di far presente che mio figlio partì per la Tunisia malato e con la milza gonfia. Feci domanda per il suo rimpatrio fin dal 1944 al Alto Comm.to per i prigionieri di guerra, per la gravissima malattia del padre e perchè richiesto dalla Ditta Cavaterra presso la quale era impiegato. La mia domanda, verso la fine di giugno del corrente anno, fu inoltrata al Comando Alleato di Roma ed in seguito a quello di Caserta.

Cara Signora:

In conferma di quanto ho detto per telefono in data 27 Novembre u.s. a sua cognata, abbiamo ricevuto la sua lettera del 27 luglio 45, indirizzata alla Commissione Alleata, e giunta a questa Divisione dopo vari disguidi.

Come ho detto a sua cognata, c'e' stato un notevole scambio di lettere tra questo ufficio, le autorita' italiane, e i comandi alleati, tutte dirette al rimpatrio del suo eroico figlio, sottotenente Giuseppe MONACO.

Dal marzo 1945 fino a poco tempo fa' era stato impossibile di confermare il suo presente indirizzo, ma in data 3 novembre ci e' stato comunicato ch'egli si trova precisamente al Campo 305, e ci e' grato avvertirla che suo figlio rimpatriera' con la prima nave disponibile.

Il suo rimpatrio fu approvato fin dal settembre 1944.

My dear Madam:

Confirming telephone conversation of ~~yesterday~~ 27 Nov 45 between the undersigned and your sister-in-law, [redacted] this acknowledges receipt of your letter of 27 July 45, addressed to Allied Commission, and through some [redacted] clerical mistake just received by this Division.

As your sister-in-law was informed, much correspondence has passed between this office, the Italian authorities and Allied commands looking toward the repatriation of your heroic son, Lt. Giuseppe MONACO.

From March 1945 until just recently, however, it appears it was impossible to trace his actual whereabouts.

Under date of 9 Nov 45, we were notified that his present location at Camp 305 had been confirmed, and we are pleased to advise you that your son will be repatriated to Italy on the first available ship. He was recommended and approved for repatriation as far back as September, 1944.

MONACO Giuseppe, son of Angelo, Ten. in the artillery in permanent service from the military school in Rome was sent to Rhodes in June 1941. When Italy capitulated he took position against the Germans according to the orders received.

Commandant of a battery on the Paradiso mountain near the Marizza aeroport he fired against the German troups who had occupied the aeroport. Even when isolated and wounded he continued fighting. When the island capitulated he tried to go to Turkey where he was interned. In Turkey he was locked after by doctor Ferrini; from there he tried to join the British lines at Castelrosso together with Ten. Dosi (Rome-Via Veio 53 Tel. 765484) now away from Rome but will return soon. Following arrangements with the British authorities he was sent to Palestine so as to be repatriated. But from there together with other officers coming from the Egeo without knowing the reason he was sent to Egypt in Camp 305 (No.11279) where he still finds himself now.

He, who is away from his country since four years, begs to know why although he has always done his duty, he has been treated this way. His mother has made an enquiry at the Ministero della Guerra. Her request has been passed on by General Capizzi Manlio to the Allied Commission. She has not had any further news. At the High Commissioner and at the Ministero della Guerra they have assured her that they are quite informed of the question; that all the officers who are in a special part of camp 305, have requested to cooperate and that arrangements are being taken for their repatriation. In fact the naval and aeronautic officers have already been repatriated and others for illness. The ones in permanent service have already begun their service.

We beg the Ministero della Guerra to examine the position of Tem. MONACO and to request him as the Ministries of the Navy and Air Force have done requesting and obtaining their officers.

Ten. MONACO had requested several times in global and personal lists to cooperate with his work or fighting. The parents old and sick are waiting for him anxiously.

Io sottoscritto Ten. dell'Arma Aeronautica r.s. S.P.E. PEDRETTI Marcello dichiara uqanto segue,sotto la mia personale responsabilità,nei riguardi del tenente art. S.P.E. MONACO Giuseppe attualmente internato presso il 305 P.O.W. camp-Middle East-Egypt.

Durante i tre giorni che seguirono la data dell'armistizio e precisamente dall'8 al 11 settembre 1943,il Ten. MONACO si trovava a Rodi (Egeo),al comando di una batteria situata in vetta a Monte Paradiso,soprastantel'aeroporto di Marizza,apriva il fuoco contro le truppe tedesche che avevano occupato l'Aeroporto e contro batteria tedesche che battevano la sua posizione. Pur essendo ferito ad una gamba ed essendo rimasto completamente isolato,continuava a combattere valorosamente contro i tedeschi fino allo esaurimento delle munizioni. Subito dopo la resa dell'isola,per sottrarsi alla cattura da parte dei tedeschi,riusciva ad abbandonare Rodi, raggiungendo il territorio Turco,dove fu internato.

In seguito ad accordi fra le autorità italiane,inglesi e turche fu inviato in Palestina per il successivo rimpatrio,ma di la fu poi avviato in Egittoal 308 ed in seguito al 305 P.O.W. dove attualmente si trova.

Posso affermare che il Ten. MONACO ha dovunque conservato una condotta correttissima e disciplinatissima,manifestando,ogni volta presentatasi l'occasione,il suo odio per il nemico tedesco e la sua avversione per il regime ed i metodi fascisti.

Nel 305 camp è sempre stato in recinti destinati dagli inglesi a coloro che essi stessi hanno giudicato e definiscono "Antifascisti "

Ha sempre dimostrato profonda rettitudine ed alto spirito di Italianità. Ha pure fatto molte volte,tanto in elenchi collettivi quanto in richieste personali,scritte edorali, damanda di poter cooperare combattendo o lavorando ,perla causa comune dell'Italia e delle Nazioni Unite.

M O N A C O Giuseppe e di aver riscontrato in lui, in ogni occasione, come collega e compagno di prigionia, sentimenti di antifascismo. Lo scrivente può attestare quanto sopra in quanto è stato con il Tenente MONACO nell'isola di Rodi, dove il predetto ufficiale combattè contro i tedeschi rimanendo ferito, e quindi in Turchia e nei campi dell'Egitto. Ha rilevato ed apprezzato sempre il suo fermo atteggiamento, di militare ligio al giuramento al Re, in numerosi incidenti con gli internati fascisti del campo 305 P.O.W. Non ha mai partecipato a discorsi politici, dichiarando sempre che egli era militare e come tale si asteneva.=

Da quello che risulta allo scrivente, come collega e pari grado, il Tenente MONACO è stato sempre ammirato dagli inferiori ed apprezzato dai superiori per la sua rettitudine morale e per l'attaccamento alle Istituzioni: le sue classifiche ne fanno fede .=

Chi di lui, ufficiale in S.P.E., proveniente dalla Regia Accademia di Torino e dal Collegio Militare, afferma che ha sentimenti fasciati ignorando quello che il Tenente MONACO ha fatto dopo l'8 settembre 1943 e il modo nel quale si è comportato in Turchia, in Palestina e in Egitto, è in malafede e calunnia un ottimo ufficiale.=

Chi lo ha conosciuto da vicino, nei slanci sinceri a cui porta la prigionia, si assume la piena responsabilità, come lo scrivente, di dichiarare a chiunque quanto sopra ha scritto .=

I sottoscritti Tenente A?A? MORCONE Enrico e SIDOTI Felice ,in servizio rispettivamente presso la Compagnia Filo del Nucleo 3^ Z.A?T? e presso il Ministero Aeronautica -Direzione del Personale Militare, dichiarano quanto appresso:

Il giorno 9 settembre 1943 alle ore 14 circa, in seguito alla occupazione del campo di aviazione di Marizza (Rodi) da parte dei tedeschi,dietro ordine del Colonnello Comandante,abbandonavano il campo e riparavano sul monte Paradiso ove trovavasi dislocato un Gruppo di Artiglieria di cui faceva parte il Tenente MONACO

Appena giunti sul monte,tale gruppo di artiglieria apriva il fuoco contro la batteria tedesca sottostante, situata nelle adiacenze del campo?

Durante la permanenza sul monte (dalle ore 15 del giorno 9 alle ore 16 del giorno 10), i sottoscritti hanno notato il lodevole comportamento di tutto il Gruppo e particolarmente impressa è rimasta la figura del Tenente MONACO il quale per tutta la durata del combattimento si è prodigato instancabilmente per colpire il nemico, dimostrando, oltre a grande perizia, supremo sprezzo del pericolo e alto senso di abnegazione. Il Tenente MONACO è rimasto continuamente accanto al proprio pezzo dirigendo il preciso tiro ed infondendo ai suoi dipendenti calma e coraggio, finchè dovette riparare nel rifugio perchè ferito ad una gamba dal tiro nemico. Dopo superficiale medicazione, nonostante l'invito dei superiori di rimanere in rifugio, ancora dolorante, volle tornare al proprio posto di combattimento continuando superba-

mente la lotta fino al completo annientamento del nemico.

Il giorno 10 alle ore 16 i sottoscritti, in seguito ad ordine del Comando Aeronautica dell'Egeo, assieme a tutto il personale dell'Aeronautica trovantesi sul monte, raggiunse= ro Rodi.=

Dopo la resa dell'Isola ai tedeschi da parte del Gover= natore i sottoscritti ripararono in Turchia dove ebbero la lieta sorpresa di ritrovare il Tenente MONACO. Anche qui, con= in Palestina ebbero modo di apprezzare le doti ed i nobili sentimenti di questo magnifico combattente il quale per tutto il periodo di internamento si è dimostrato inoltre ottimo camerata e collega sotto ogni aspetto.=

Il sottoscritto Ten.Colonn.Pilota R.A. GIANNONE Fernando dichiara quato segue :

Fuggito il 27 settembre 1943 dalla prigionia tedesca nell'Isola di Rodi, e internato in Turchia nel Campo di Concentramento di Isparta (Anatolia) ove trascorse 5 mesi.

In tale periodo di tempo conobbe alcuni Ufficiali del R.Esercito che erano fuggiti anche loro da Rodi e da altre isole dell'Egeo.

Fra questi il S.Tenente MONACO. Detto Ufficiale durante tutto il periodo d'internamento si comportò in maniera encomiabile, tenendo alto il decoro ed il prestigio della divisa italiana. Sebbene il trattamento non fosse stato del tutto buono pure l'Ufficiale in questione, come del resto tutti gli Ufficiali Italiani internati, sopportò con animo fiero tutte le privazioni e sopratutto tutte le mortificazioni di carattere morale. Trasportato come tutti gli altri in Palestina ad opera delle autorità inglesi, per accordi intercorsi con le autorità turche di Ankara, fu inviato ad El Burrey (Coohelligerants Camp). Ivi le tre armi: Esercito - Marina - Aeronautica furono smistate ed allogate in tre differenti e lontani punti del campo. Il sottoscritto non ha avuto più alcun contatto con gli Ufficiali del R.Esercito che erano con lui in Turchia, però dopo circa un mese di permanenza ha saputo che alcuni di essi furono smistati in altri campi. Di conseguenza dal momento dell'arrivo in Palestina avendo perduto di vista il S.Tenente MONACO, non può dire nulla nei suoi riguardi.=

A request made by me was sent to Rome on the 19 March 1945 to the Italian High Commissariat of War Prisoners.

Another was sent at the same time to the Italian Embassy in London

In May a third request was made by the Rector of the University of Florence for the repatriation of several professors and assistents and my son's name was included.

Until now there have been no results and my husband is getting worse and worse.

Turin, 21 August 1945

TO : The PRESIDENT
of the Asdile Constructors ' Board
Turin

We would feel obliged for your kind interest in behalf of the following:

We have learned that we might be able to obtain - through your kind support - the repatriation of young man interned in Palestine, owing to his particular inclination for collaborating to the technical and administration activity of our Firm. As you know, our Firm has undertaken important works, which are actually well under way, for the reconstruction of bridges and especially of the Viaduct of Busano along the railway line Turin-Genoa, as well as other works of reconstruction of industrial buildings, such as the Fiat-Mirafiori, Robiola, UTET, Bobbi and Co, Manifatture Torobiano, etc.

The actual address of the above young man is as follows:

Second lieutenant CHIARAVIGLIO Nicola son of Peter, born in Turin on 3.8.1921 - 3526 C-O - G.H.2 - C.2.S M.E.F.

According to our knowledge, he made his escape from Rodi in September 1943, he committed himself to the British forces in the Sini island, then he was transferred to Palestine and afterwards to Egypt, and was attached over there to a military party of the former Cuneo' Division, which is actually working with the Allies.

We should be obliged if you kindly would inquire about the possibility of quickening the repatriation of this young man, as well as about the way by which it would be possible to attain it, and we thank you heartedly for it, with our kindest regards.

Although wounded in the leg and completly isolated he continued to fight untill he ran out of ammunition.

1) - Si fa seguito alla lettera n.95/Pol/G-1 del 13/1/1945.

2) - Risulta a questo Ministero che il Ten. MONACO Giuseppe dal= l'8 all'11 Settembre 1943 mentre trovavasi a Rodi al Comando di una batteria situata in vetta al Monte Paradiso, soprastante l'Aeroporto di Marizza, apriva il fuoco contro le truppe tedesche, che avevano occupato l'Aeroporto, e contro batterie germaniche che battevano la sua posizione. Egli pur essendo ferito ad una gamba è rimasto completamente isolato, continuava a combattere valorosamente contro i tedeschi fino all'esaurimento delle munizioni.
L'Ufficiale, secondo dichiarazioni scritte di più Ufficiali testimoni, ogni volta che ne ha avuto l'occasione ha manifestato odio per il nemico tedesco e la sua avversione per il regime ed i metodi fascisti.

HIGH COMMISSIONER FOR ITALIAN POW

Rome 13th January 1945

TO : The Allied Commission
ROME

Nº 95/Pol/G-1 di Prot.

SUBJECT : Military Personnel transfered from the Egean sea to Egypt.

As is known, after the Armistice some few thousands of Italian belonging to the units in the Islands of the Egean ("Cuneo" Division, "Regina" and others) after having fought against the German troops, managed to escape capture by the Germans, taking refuge in Turkey. Subsequently they accepted tranfer to the Middle East, thenking that they would be repatriated sooner and therefore be able to continue to fight against the common enemy in Italy.

It is also of common knowledge that a certain number of these officers were interned in POW cases camp 305 M.E.F. where the prisoners that go there are declared as being firm fascists and others who had refused to Co/operate with the Allies.

The Prime Minister has received in these days a protest from certain number of families whose relatives formed part of the Military Personnel in the Egean and who have been interned in Camp 305 (V.list attached that gives the hames of a number of them).

This protest states, that the procedure that condemned the people in question to internment in said camp, was summary and arbitrary: it seems that they were judjed amongst others, by Italian Military Personnel, who had neither the capacity or the competence to judge them

3271

1/1 1960

Declassified E.O. 12065 Section 3-402/NNDC NO. T25020

and therefore resulted, the imprisonment of officers and men who had always prooved themselves as being of the best group of soldiers and had done their duty by fighting against the Germans at the moment of the Armistice and who had only one desire, which was to get back to Italy to be able to continue the war against the common enemy. Amongst these officers was Col. Manno of the General staff, well known by the Italian Military Authorities for his honourable past.

The Italian Authorities have received numerous protests regarding this matter which puts in evidence the humiliating position of these people, contrary to what could be expected.

We beg the Allied Commission to call this matter to the attention of the competent authorities that they may re-examine their position, which people, if given their due, should be considered ad heros who have fought the Germans and should therefore be treated as free Italian Personnel and if possible repatriated.

ALTO COMMISSARIATO PER I P.D.G.

COPIA

N.95/Pol/G-1 di prot. Roma, 13 Gennaio 1945

OGGETTO: Militari italiani che dall'Egeo vennero trasferiti in Egitto.

ALLA COMMISSIONE ALLEATA

R O M A

Come è noto dopo l'Armistizio alcune migliaia di militari italiani appartenenti alle unità che presidiavano le isole dell'Egeo (Divisione "Cuneo", "Regina" ed altre) dopo aver agito contro le truppe tedesche, riuscivano a sfuggire alla cattura e a ripararsi in territorio Turco. Successivamente accettarono di essere trasferiti nel Medio Oriente con il presupporto di venire al più presto rimpatriati per continuare in Italia la lotta contro il comune nemico.

E' pure noto che un certo numero di questi Ufficiali e soldati vennero internati in apposita gabbia P.O.W. 305 M.E.F. dove si trovavano i prigionieri di guerra dichiaratisi fascisti intransigenti e altri che non hanno accettato di collaborare con gli Alleati.

E' pervenuto in questi giorni al Presidente del Consiglio dei Ministri un reclamo redatto da un certo numero di famiglie i cui congiunti militari, già in Egeo, sono ora internati nel Campo 305 (v.elenco annesso che dà i nomi di almeno una parte di essi).

In detto reclamo si dichiara sommario ed arbitrario il modo con cui venne emesso il giudizio che determinò l'internamento di questo militari: aggiunge che sembra vi abbiano concorso anche militari italiani che non avevano nè la capacità, nè la possibilità di discernimento con cui è risultato che vennero internati anche ottimi Ufficiali e soldati di fede sicura, che avevano sempre conpiuto il proprio dovere anche contro i tedeschi all'atto dell'Armistizioed il cui unico desiderio è anche ora quello di rientrare in Patria per continuare a compire il proprio dovere.

Fra questi Ufficiali vi è anche il Colonnello di S.M. MANNO, ben noto alle Autorità Italiane Militari per il suo passato di onore e di probità.

Le Autorità Italiane hanno già ricevuto a tale riguardo numerosi reclami che pongono in evidenza l'attuale posizione umiliante di questi militari e contraria a quella che si attendevano.

Si prega codesta Commissione Alleata di voler interessare le competenti Autorità affinchè si compiacciano riesaminare la posizione di questi militari, i quali, da quanto viene esposto, meriterebbero di essere considerati come valorosi combattenti per la causa comune contro i tedeschi, e di essere conseguentemente trattati come militari italiani liberi, e possibilmente rimpatriati.

- Since July 1943 he declared himself ready to serve in the Allied Forces.
- In July 1944 he was sent to a co-operator unit. His moral, political and military position has always been excellent.
- In civil life he was the secretary engineer of the Geotecnic and Politecnic Center in Naples, and his service is very much needed for the reconstruction of the country. Said Institute has fequested his repatriation.

The undersigned mother of the POW, aged 60 is ill and therefore begs your Sub Commission to intervene on her behalf so that her son may be repatriated as soon as possible.

COMMISSIONE ALLEATA DI CONTROLLO

R O M A

L'Alto Commissariato per i prigionieri di guerra ha comunicato al marito della sottoscritta che é stato richiesto alla competente Autorità Alleata il rilascio del figlio:

P.O.W. N° 399604 Sottotenente CROCE Arrigo-Camp 307
C/C Chief Postal Centre-Middle East

e che ogni decisione in merito é ora rimessa a tale Autorità.

La sottoscritta,madre del sottotenente Croce,fa presente che il figlio é prigioniero dal 5 aprile 1941;che fin dal luglio 1943 si é dichiarato pronto a prestare la propria opera a servizio degli Alleati;che in effetti dal luglio 1944 é prigioniero cooperatore,risultando di ottimi precedenti militari,morali e politici.

Il figlio prigioniero é ingegnere Segretario del Centro Geotecnico del Politecnico di Napoli,Istituto la cui opera é particolarmente richiesta ed importante per la ricostruzione;e che perciò ha avanzato la domanda di rimpatrio.

La sottoscritta,che ha l'età di 60 anni,é gravemente deperita per esaurimento nervoso ed é affetta da disturbi apatici,invoca ed attende il ritorno del figlio,non soltanto per i motivi esposti nella domanda avanzata all'Alto Commissario per i prigionieri di guerra,ma anche come compenso alla condotta ed all'opera prestata dal prigioniero agli Alleati,e come solo rimedio alle affezioni e malattie che la affliggono.

Confidando nel senso di umanità dimostrato in tante occasioni dalle Autorità Alleate,é sicura che il rilascio sarà accordato e prontamente disposto,ed esprime per questo i sensi della sua riconoscenza.

Con osservanza.

"The High Commissariat has been informed that the following ex PW from Kenya are now at Camp 305:

MORLEO Ubaldo	No.37050
VICCICA Alfonso	" 25038

These PW belonged formerly to the CC.RR. and were to have been repatriated in Oct. 1944 in a convoy of 600 Italians. Falling ill with dysentery they were left at Alexandria and from there sent to the 3rd General Hospital on 17 Oct 44. As all their documents remained behind, they were sent to Camp 305 where they are now. To date it has been impossible to have them transferred, as their whereabouts are not known to the Allied Authorities".

SUBJECT : POW Capt. MONACELLI Luigi No.12108 (regular Army)

Mrs. MONACELLI, Giovannina, mother of the POW in question who is in Camp 305 Middle East, has informed the High Commissariat as follows:

Capt. MONACELLI was at Rodi for four years and was on the eve of departure from the Island, when he was taken prisoner by the Germans on the 8th of Sept. 1943. He escaped and arrived in Turkey where he presented himself to the English Authorities, to be repatriated with the desire to do his duty towards the liberation of his country. Instead of which, he was transferred to a Concentration Camp in Egypt.

The mother states that by mistake he was assigned to Camp 305, as he had never taken part in any fascist activity.

We beg your Sub-Commission to examine the possibility of having said Officer transferred to another Camp, that he may not remain in contact with people who not in agreement with his political ideas.

La Signora MONACELLI Giovannina, Madre del p.d.g. Cap. spe MONACELLI Luigi, matr. 12108, 305 C P.O.W Camp, Middle East, ha reso noto a questo Alto Commissariato quanto appresso:

Il prigioniero in oggetto trovavasi a Rodi da oltre 4 anni ed era già in procinto di rimpatriare, quando l'8 Settembre 1943 fu fatto prigioniero dai tedeschi. Fuggito, riusciva a raggiungere la Turchia ed a presentarsi alle Autorità Inglesi per essere rimpatriato e compiere il suo dovere di soldato per la liberazione della Patria. Non era accontentato, ma veniva inviato in Egitto in Campo di concentramento.

La madre del sucitato p.d.g. ha dichiarato che il medesimo è stato erroneamente assegnato al Campo 305, non avendo mai partecipato alla vita attiva del Fascismo, né avendo mai dato motivo a lagnanze di alcun genere.

Si prega codesta Commissione di volere esaminare con ogni benevolenza la possibilità di trasferire il sunnominato ufficiale in altro Campo, perchè non rimanga a contatto con elementi che non sono della sua stessa idea.

Gen SCATTINI considers Lt Col MASSART to be a most able and suitable officer, eminently fitted to command a unit in the new Italian Army.

In view of the proved difficulty of obtaining really suitable unit comds from within the present resources of SMRE this application is most strongly endorsed.
