267614 POW. BERTOLDI Silvio -
Cpl. Roy. Ital. Navy -
6 P.P. Wing. Group 5 - Bombay.

I, undersigned Giorgio SPACCARELLI, 2 Lieut. M.O. Italian Royal Navy, who was in charge of the Mental Department P.O.W. Hospital Group 4 Clement-Town (Dheradhun - India) since June 43, up to November 44, was authorized by the British Authorities to resort to Italian O.R.s captured as fighters to ^{attend to} 140 mental patients under my care, owing to want of protected personnel.

26 O.R.s volunteered and took over as orderlies and sick attendants in my hospital. Corporal BERTOLDI Silvio (Italian Royal Navy - P.O.W. Nr. 267614 - captured Asmara 8-4-1941) proved the most useful and clever. Since October '43 he got trained so soon that he became my chief mental nurse by January '44.

In August '44 I was deeply impressed by two cases of mental illness among my orderlies, and took official steps through the British Authorities in order to have all my orderlies repatriated on accompaniment of my M.M.C. mental cases, whose repatriation was to take place shortly. The application was warmly recommended by the Officers attached to the H.Q. Group 4, Brigadier Mathias, Lt; Col. Puri I.A.M.C. and Maj McClumpha. In fact The British Medical authorities agreed with me that working so long with the insanes was an overstraining job, specially for laymen and prisoners.

The International Red Cross Delegate of India Mr. Huber went officially into the matter, and the British Authorities ordered 13 out of the 26 orderlies of mine to be repatriated on accompaniment of the mental cases.

The official letter G.H.Q. Delhi was received by the O.C. P.O.W. Hosp. Clement-Town by the end of October '44. The order included, among the 13, Cpl. BERTOLDI, who was therefore issued with the embarkation serial number "C/T 254" and on the 6th November '44 left Clement-Town on repatriation together with me, 104 M.M.C. mental patients, and his 12 brother orderlies.

In Bombay our repatriation was postponed and all the P.O.W.s had to go back to new camps because the Group 4 had been closed. Out of all the M.M.C. cases, the O.R.s, plus 12 orderlies of mine

1499

were sent to the P.O.W. Hospital of Bhairagar-Bhopal Group. All the officers including me, plus the thirteenth orderly, Cpl BERTOLDI were transferred to the P.O.W. Hospital Group 5 Yol.

In December '44 I received a letter from the new Internat. Red Cross Delegate Dr. Wenger who gave official assurance that the M.M.C. Cases and the 13 orderlies would have been repatriated shortly.

In April '45 I was again ordered to leave on repatriation to escort the M.M.C Cases who had to be repatriated within a few days.

I immediately informed the Group Authorities (Lt. Col. M.O. Healey R.A.M.C. and Major Germain, Group Adjutant) about the BERTOLDI's case, but failed to have him included in a ~~list~~ batch of 15 orderlies of Yol (nothing to do with my 13) who accompanied me and the patients to Italy.

I admit that the cause of that has been error or misunderstanding, because the 12 other orderlies of mine who were in the same official situation as BERTOLDI and had been posted in Bhairagarh, have now been repatriated from there and sailed to Naples with me on board of H.S. Dorsetshire (arrived Naples 15-5-45)

Furthermore the news of the BERTOLDI's next repatriation was broadcast in Italy in December '44, and his relatives know that, as he also does. Furthermore he was reasonably certain to be repatriated soon, and being cancelled without any reason is really the last straw for a man who has been more than four years a P.O.W. and at work for so many months in the mental wards (since October 43 - He is still working as a mental nurse in the P.O.W. Hospital Group 5 Yol.)

Any objection that Cpl. BERTOLDI was not in the Medical Corps and then is not a P.P. should be disregarded because:

i) The Internat. Red Cross Delegate and the British Authorities knew that none of the 13 orderlies of mine (12 of them were repatriated so recently) was a P.P.

ii) The I.R.C. Delegate Mr Huber told me personally in September '44 that all the P.W. O.R.s employed as medical staff in the P.W. Hospitals had now to be considered officially as Protected Personnel according to a recent agreement.

To: Italian Ministry of Marine

Subject: Return to Italy of ex-POW Ten. GAMBARDILLA Leopoldo

- 1/. The Italian Ministry of Marine has requested the release of the subject POW in order that he may serve with the Italian Navy.
- 2/. Lt. GAMBARDILLA was released to the Naval Officer in charge of Port Tewfik with other 160 POWs on 29 August 44 for employment in Massawa dock yards. He signed a "No Claim Certificate" dated 8 Sept 44 stating that he had no further claim either to the privileges of POW status or on the British Authorities.
- 3/. In view of the fact that GAMBARDILLA is no longer a POW, it is brought to your attention that expenses involved in his repatriation to Italy must be the responsibility of the organization requesting him. This problem being overcome, there is no objection to Lt. GAMBARDILLA's release.
- 4/. May this Headquarters kindly be notified promptly of your decision in this matter.

425918 " MARIAN L.
425919 " POZZER M.

3. These men should be handed into the custody of the Italian Minister of Marine as soon as possible after their arrival.

4. As these Italians are to be submitted to disciplinary action under the Italian code, by the Italian authorities, they should be kept under adequate guard until handed over.

TO: The Allied COMMISSION

R O M E

SUBJECT: Serg. Magg. R. Navy CONFALONE, Fortunato.

The High Commission has been informed as follows.

On the date of the Armistice between Italy and the United Nations, Serg. Maj. CONFALONE Fortunato of the R. Navy was in Greece.

He escaped from internment by the Germans and when Greece was liberated, presented himself to the Allied Authorities at Athens.

Contrary to his expectations he was taken prisoner and sent to Egypt, his address is, No. 447819, POW Camp 305, Postal Section Middle East.

We beg this Sub Commission to call this matter to the attention of the Allied Authorities to examine the facts and the possibility of the eventual release of Serg. Maj. CONFALONE Fortunato, whom if repatriated would have his job as director in the paper factory of Angelo CONFALONE in Amalfi (Salerno).

While awaiting your courteous answer we thank you.

R O M A

E' stato rappresentato a questo Alto Commissariato quanto segue:

Alla data dell'armistizio dell'Italia con le Nazioni Unite il Serg.Magg.della R.Marina CONFALONE Fortunato si trovava in Grecia.

Riuscì a fuggire all'internamento da parte dei tedeschi e, avvenuta la liberazione della Grecia, si presentò spontaneamente alle Autorità Alleate di Atene. Contrariamente ad ogni sua aspettativa, fu fatto prigioniero ed inviato in Egitto (n° 447819 P.O.W. Camp 305 Postal Section Middle East).

Si prega pertanto codesta Commissione di voler interessare benevolmente le competenti Autorità Alleate perchè dopo gli opportuni accertamenti, esaminino la possibilità di un eventuale rilascio del Sergente Maggiore CONFALONE Fortunato che, qualora fosse rimpatriato, riprenderebbe il suo posto di dirigente nella Cartiera Angelo Confalone in Amalfi (Salerno).

In attesa di un cortese riscontro alla presente, si ringrazia per quanto sarà fatto al riguardo.

Reference: (a) Ministry of Marine ltr B3500 of 29 March 1945.
Enclosure: (A) Copy Repatriation of Italian Prisoners of War and Merchant Seamen.

1. The Ministry of Marine in reference (a) requests that 7 Italian Naval officers and 80 ratings from LEROS and RHODES, plus several hundred other Italian Navy personnel be repatriated. REPATRIATION OF ITALIAN PRISONERS OF WAR AND
MERCHANT SEAMEN.

1. WAR MATERIALS DISPOSAL AND ITALIAN PRISONERS OF WAR SUB-COMMISSION is responsible for the handling of all questions concerning the repatriation of Italian Prisoners of War and Italian Merchant Seamen.

2. The following are the categories in which Prisoners of War or Merchant Seamen may be repatriated.

(a) Entitled Repatriates.

Sick, wounded, those who are 60 years of age or over, those who are over 50 years of age and have been two years in captivity. These Prisoners of War are now being repatriated automatically as shipping becomes available and will be demobilized on arrival in Italy.

(b) Compassionate cases.

Cases where Prisoners of War are required to take care of a family who have no other means of support, on conditions similar to those under which an Allied soldier would be posted home. Such cases are comparable to those of men of military age exempted from service, and will be demobilized on arrival in Italy.

(c) Priority workers.

Workers who are required by a U.S. or British agency or by an Italian Government agency for important work as a direct contribution to the Allied War Effort. Such cases are comparable to those of men of military age exempted from service as key workers, and will be demobilized on arrival in Italy.

(d) Effective Members of the Italian Armed Forces.

Prisoners of War who are required for active service with the Italian Armed Forces. Approval must first be obtained from the Service Sub-Commission concerned.

3. ³⁶⁴ All applications and enquiries regarding repatriation with-
in classes 2(a) and (b) will be forwarded direct to the Italian High
Commissioner for Prisoners of War, Corso Vittorio Emanuele 110, Rome.

4. ¹¹²⁴ Requests will only be submitted under 2(c) when respon-
sibility is accepted by the Director of the Sub-Commission, Regional
Commissioner or the Italian Government agency, submitting the case that
the Prisoner of War concerned will fill and is qualified to fill the
appointment for which he has been requested. Requests under 2(c) made

Subject: REPATRIATION OF ITALIAN PRISONERS OF WAR AND MERCHANT SEAMEN.

by an Italian Government agency will in the first place be submitted to the Italian High Commissioner for Prisoners of War.

5. All requests for repatriation under 2(d) will be initiated by the service Ministry concerned to the appropriate service Sub-Commission. The requests will give full particulars of the personnel required and their proposed employment in the Armed Forces. After approval by the service Sub-Commission concerned the requests will be returned to the service Ministry for submission to the Italian High Commissioner for Prisoners of War. Prisoners of War will not be absorbed into the Armed Forces in ITALY by any other means.

6. The Italian High Commissioner for Prisoners of War will check and collate all applications and requests made to him and will forward them to War Materials Disposal and Italian Prisoners of War Sub-Commission which will, if it approves, make formal application to higher authority.

7. In all cases under the above conditions repatriated Italian Prisoners of War of military age will only be demobilized or released from service for other duties provided the service Ministry concerned does not require their retention in the Armed Forces.

In as much as the families have received news that these officers are still in India, we beg you to inform us whether their repatriation has been annulled or delayed. ARGOMENTO:

Mancato rimpatrio di prigionieri.-

Nel mese di novembre dello s.anno cotesta S.Commissione comunicava alla Croce Rossa Italiana, che lo faceva annunciare alla Radio Italiana, l'avvenuto rimpatrio di una lista di prigionieri tra i quali erano compresi i seguenti Ufficiali della R.Marina :

- Capitano di Fregata FADIN Araldo.
- Maggiore Armi Navali CARINI Silvio.

Poiché invece, da lettere pervenute alle famiglie, i suddetti Ufficiali risultano ancora in India, si prega voler comunicare se il loro rimpatrio, che doveva avvenire per ragioni di salute, è stato annullato oppure se è stato semplicemente ritardato.-

In questo caso si pregherebbe di volerlo sollecitare in considerazione del fatto che la mancata partenza, che era già stata loro annunciata, ha aggravato le loro condizioni fisiche e mentali : -cosa che si può rilevare dalle lettere scritte ai famigliari.-
Si trascrivono per ciascun prigioniero i dati necessari per il loro sollecito ritrovamento.-

R O M A

L'Ing. CARLO BARTOLOMEI-CORSI Direttore della Società Trasporti Urbani - S.T.U. - di Firenze, azienda controllata dalla FIAT la quale gestisce il servizio tranviario per conto di questo Comune, venne richiamato alle armi in data 27 Giugno 1940 col grado di Capitano di Corvetta di complemento della R. Marina.

Destinato successivamente ad Orano nella Commissione di Armistizio con la Francia (C.I.A.F.) fu fatto prigioniero nel novembre 1942 dagli Eserciti Alleati e trasferito in Inghilterra e poi in America dove si trova tuttora.

Ci permettiamo fare noto a codesto On. Ministero che la presenza del Direttore della Società sarebbe in questo momento particolarmente necessaria a Firenze, tenuto conto dei gravi problemi sorti dopo le vandaliche distruzioni compiute dalle forze armate germaniche al momento dell'abbandono della città.

Le Autorità locali ed il Governo Militare Alleato desiderano che al più presto possibile venga ripreso il servizio tranviario, sia pure con le limitazioni imposte dalla deficienza di energia elettrica e dalla distruzione dei ponti sull'Arno e ad una parte della rete cittadina. Si sente quindi la necessità che il Direttore dell'Azienda, che ha un'esperienza più che ventennale di lavoro nei reparti tecnici della FIAT e particolare competenza in materia tranviaria, riprenda il suo posto che durante la sua assenza è stato provvisoriamente affidato ad un direttore ad interim.

Poiché risulta che in alcuni casi speciali l'intervento di codesto On. Ministero è valso ad ottenere il rimpatrio di prigionieri che si trovano nei Paesi Alleati, si prega di voler prendere in considerazione la presente richiesta, tenuto conto

della particolare importanza che la presenza dell'Ing. Bartolomei avrebbe oggi per la città di Firenze e per l'Azienda.

Il Ministero della Marina ha rappresentato allo Stato Maggiore Generale Italiano che si trova in serie difficoltà di personale idoneo per far fronte a tutte le necessità per rimettere nella loro piena efficienza i mezzi della R. Marina che si vanno potenziando per la guerra contro i tedeschi.

Segnala inoltre che parecchi degli ufficiali anziani rimpatriati sono fisicamente menomati, ed in grado di prestare utile servizio solo dopo un periodo di cura.

Al contrario gli uomini giovani e specialisti rientrati, e di cui è presentemente grande necessità per le unità naviganti, sono pochi. -
