To the Commander of the A.F.H.Q.

I have the honor of enclosing, for your jurisdiction, the request of Mrs. Luisa Lopes, widow Alberti about obtaining the return (repatriation) of the PW 2nd Lt. (Medical) Dr. Alberti Domenico - son of the late Vincenzo.

I take the liberty of calling your attention to the fact that what has been explained in the request is entirely true and that 2nd Lt. Alberti (Medical) is a specialised Obstetrician and Bacteriologist and is indispensable in our community where there is no one to act as his substitute.

The Mayor.

To the Commander
of A.F.H.Q.
Algiers.

The undersigned Luisa Lopes widow Alberti, mother of 2nd Lt. (Medical) Dr. Domenico, PW. R.E. 81-1-341828 - PW #.7007, Oran (Algeria) has the honor of stating what follows:

Her unfortunate son has been a prisoner for a long time and his health requires care which he centainly cannot get in a concentration camp.

But, apart from this, my son has suffered the worst insult a man of honor can suffer. His wife, indifferent to her husband and her painful situation, indifferent to her two young children, has taken to an "easy life" bringing grief and distress to a family that boasts of traditions of honor and justice.

To me, unfortunate mother, well along in years, poor in health, has fallen the sad and serious task of sheltering my little grandchildren, and to provide for their support, as their unnatural mother had sold everything that was in their house, the fruit of my poor son's work.

In such a wretched situation it is necessary that my son return to his children as I cannot provide for them. Moreover the privations I undergo make my condition worse for my health (I suffer from heart disease) requests quiet and especially expensive treatment in these hard times.

Excelency, I appeal to your father's heart so that my distressed prayer be answered and my son ne returned to his children as the only valid support for them.

The Police in Palermo will give you all the information about my daughter in law as they are will informed about her wretched life.

With the hope that you will help me receive my gratitude and my respects.

Resuttano, Dec. 11, 1944.

1. The expansion of the 808 C.S. Bn (I.A.I.) which is an Italian Intelligence organisation operating on behalf of the Allies, and on a British War Establishment, has given rise to an increasing demand for personnel, particularly of officers who have had Intelligence experience or service with the CC.RR. The numbers of these officers is very limited and considerable difficulty is now experience in finding officers for the work which will be required in Northern Italy.

2. Many CC.RR. officers who have had Intelligence experience are at present held in P.W. Camps and it is thought that if a certain number of these could be released to the 808 C.S. Bn the problem of personnel would be considerably eased.

3. In particular it is requested that the following two officers of the CC.RR., who are known to be well-trained and experienced officers, may be repatriated for service with the 808 C.C. Bn:-

Capt. REDAELLI Emilio, mat.40666, born TRIESTE 13-12-1898. Captured at DAMBI 28-6-41. Camp 356 East AFRICA.

January 20, 1945.

Dear Colonel Campbell:

At the request of Monsignor Toraldo, Secret Chamberlain to His Holiness The Pope, I am calling to your attention the case of Prof. Rosario Mazzone, who is understood to be an Italian prisoner of war in American hands in Algeria. I am further informed that his family has already made a request for his repatriation, but that so far no action seems to have been taken in his case.

It would be appreciated if the matter could be looked into by the appropriate authorities and a report sent to me which I could show to Monsignor Toraldo.

As a means of ready identification there is enclosed a postcard received by his family from Prof. Mazzone dated December 26, 1944.

Sincerely yours,

Myron C. Taylor

SUBJECT: Release of POW Sgt. Burgio Guido

TO : WMD AND IPW S/C - DIRECTOR

1. In connection with the organization and control of civil transport the Economic Section is endeavoring to assist the Italian Government in every way possible.

2. A number of conferences have been held with the Minister of Commerce and officials of FNAC. It is agreed that competent and trustworthy personnel to represent the Italian Government is one of the greatest needs, especially in Sicily and Sardinia.

3. It has been considered that Sgt. Burgio Guido, fu Giovanni Class 1914, now POW NA/T 1855 PW Camp, Fort George G. Meade, Md., USA, Box 20, G.P.O. is most essential to the purpose indicated above.

4. Our information is to the effect that Guido is the third son of an antiFascist family who have substantial land holdings at Mazara del Vallo, Sicily and San Angelo Cupo Terra, Cagliari, Sardegna. He was a former resident of both Sicily and Sardinia.

5. It is desired to obtain the release of this POW for the purpose indicated in paragraph 1.

6. Is it desired that the Economic Section contact the Minister of Commerce who in turn will submit the matter to the Italian High Commissioner of Prisoners of War for processing with your Sub-Commission, or is it possible for your Sub-Commission to make the request for such release?

7. It may be that you will want the matter handled through the Minister of Transport in order that you may have the benefit of the Italian Government screening, as it appears the record of this POW has not been screened officially.

8. Would you give us guidance in this matter?

Herewith please find a request from the University of Camerino concerning Professor Cilli Vittorio of the Faculty of Veterinary Medicine.

Prof. Cilli, who was also head of the "Istituto Vaccinogeno Zooprofilattico" of Asmara, found himself in Eritrea when the war broke out and was therefore unable to return to Italy.

The University of Camerino is unable to find a suitable sustitute for Prof. Cilli, who is a great expert in his own field. We, therefore, strongly support their application for the return of Prof. Cilli to Italy.

Presso la compagnia di prigionieri di guerra italiani che presta servizio al Royal Artillerie Training Depot in Tivoli vi sono i seguenti sei Carabinieri italiani adibiti, come gli altri prigionieri, a lavori ordinari:

1 Although it is contrary to my normal policy to give testimonials or reference, I feel I would be failing in my duty if I did not place on record, before leaving Rome, all the most excellent services rendered by you during my period as Chief of A.M.G Police in the area.

2 From 4th-5th June 1944, onwards, when the Allies entered Rome, probably the heaviest burden of work and responsibility of any Allied branch, department or service, fell on Public Safety Division and I remember with sincere gratitude your long hours of work, unfailing courtesy with hundreds of callers daily and the momentuncous task which you assisted to accomplish.

3 In the early stages the pressure of work was so great that very long hours of duty were involved, and with great loyality and devotion of duty you remained day after day besides assisting the Allied cause, you did much in the interest of the Italian people themselves.

4 I thank you sincerely for all your greatest assistance to me, and wish you the best of luck, good health and success in the future.

5 If any person wishes to know more of your work and efficiency, I need hardly say I will be pleased to supply further details I remain in Italy.

Dear Colonel,

I already sent you the "Promessi Sposi", but Francesco writes to me that you have not received it yet. Now I am trying to send you another one through another way, hoping that you will receive it.

Will you please, give Francesco these to letters? Perhaps he will have them sooner. As you see I am waiting for him. I hope he will be back very soon, because his presence is necessary here and I am so lonely.

I am working for the Public Safety and I am very happy with my work, which is the only thing which helps me either morally or materially.

I wish you a merry Christmas and a happy New Year. I thank you so much for the kind interest that you always have had for my son.

Yours sincerely

Rome, Italy,
November 29, 1944.

Headquarters Allied Commission,
APO 394

Sirs: Attn: War Material Disposal and Italian Prisoner of War Sub-Commission. (Captain, B.S. ALPER)

It is requested that you consider the repatriation of an Italian prisoner of war, Lieut. FRANCESCO LABISI, I.S.N. 81-1-48322, 7144th Sanitary Co. (Italian) now confined at Oran, Algiers, on the following state of facts:

This prisoner of war is 32 years old, a graduate of the University of Palermo who, prior to the war, managed large agricultural properties in Sicily. These holdings are, the Cocuzza Estate, Province of Catania; the Modica Estate, Province of Syracusa, and his own property located in the Province of Ragusa. These properties produce grain, olive oil and citrus fruits. I regret that I am not able to tell you the areas of these holdings or the volume of the foodstuffs they produce, but they are large. When my father died in 1928, his equity in the Cocuzza Estate was appraised at 80,000,000 lire.

My mother, Mrs. Lydia Lenchner Cocuzza, a U.S. citizen and a resident of the St. Francis Hotel, San Francisco, my brother and I have been regularly receiving a nominal income from our Sicilian holdings, but I must tell you that we are not solely dependent on this as we have other assets in the U.S. and Italy. I, too, have a personally earned income as a concert pianist.

My particular interest in securing the release of this Prisoner of War is to enable the Sicilian properties to produce more essential foodstuffs for hungry Italians. Obviously our income would be greater in this event. Lt. LABISI is a distant cousin of mine but the relationship is not the reason for my interest in the matter as I care little for cousins in general and even less for those of Sicilian extraction. 3859

Declassified E.O. 12065 Section 3-402/NNDC NO. 785020

I hope you can take favorable action from the somewhat meager and the very general information I have. In case you require more detailed data I shall communicate with Sicily and secure letters from Prefects, Sindacos and my attornies.

Thanking you for your consideration, I am

Respectfully,

Josephine Cocuzza

Reference your letter addressed to the Insurance Company "Phenix" reguarding his inspector for Sicily M. Stefano Polizzi at present PW in Algeria.

I insist on the fact that for the prolonged absence of this Inspector and for the impossibility of substituting such person having competency and knowledge on "Phenix" business, the agents of that company in Sicily are now in a very difficult situation.

The end of that will be very important because the interests of that company are very damaged and going on they will get worse while the simple return of M.Polizzi to Sicily will easily put are end to it.

Reference your letter addressed to the Insurance Company "Phenix" reguarding his inspector for Sicily M. Stefano Polizzi at present PW in Algeria.

I insist on the fact that for the prolonged absence of this Inspector and for the impossibility of substituting such person having competency and knowledge on "Phenix" business, the agents of that company in Sicily are now in a very difficult situation.

The end of that will be very important because the interests of that company are very damaged and going on they will get worse while the simple return of M.Polizzi to Sicily will easily put are end to it.

Je me réfère à la demande que vous a adressée la Compagnie d'Assurances "Phenix" au sujet de son inspecteur pour la Sicile, M. Stefano Polizzi, actuellement prisonnier de guerre en Algérie.

Je me permets d'insister sur le fait qu'en raison de l'absence prolongée de cet Inspecteur et de l'impossibilité de le remplacer par une personne ayant sa compétence et sa connaissance des affaires du "Phénix", les agences de cette maison en Sicile se trouvent dans une situation précaire.

J'attacherais en conséquence beaucoup de prix à ce que prenne fin cet état de choses préjudiciable aux intérêts de cette Compagnie, qui ne peut que s'aggraver en se prolongeant, d'autant plus que le simple retour de M. Polizzi en Sicile devrait y mettre facilement fin.

Scalfati Francesco, born in Naples on the 5th February 1916.
Sergeant A.U. Prisoner of War, n° 205815. CAMP 310. EGYPT.
Was made prisoner at El-Alamein
He Is the manager of an estate of 900 Hectars owned by his wife Lydia Manfredi.
I applied to the Prefectura of Avellino that he may be sent back home and the request was approved and sent to Rome.
General Gazzera affirmed that he had put his name in the list of the prisoners who are requested by the Italian Government, but he said that it would be necessary that the request be endorsed by the Allied Government.
Scalfati has had many troubles during the time in which he was prisoner on account of anti-fascist activity in prisoner's camp, and after the armistice the Allied Authorities were very kind with him and he was sent to an English Hospital.
His Colonel wrote a nice letter to his mother telling her that her son was a very great help for him.
I cannot write to Colonel Mitchel who was the director of this hospital because he is not there anymore.

ARGOMENTO: Rag.D'Onufrio Giuseppe - prigioniero di guerra

I servizi di questo Ente, sono venuti a trovarsi in gravi difficoltà a causa dell'allontanamento di numerosi funzionari per richiami alle armi, dovuti alle contingenze belliche.

Allo scopo di eliminare tali difficoltà questo Ente si trova nella necessità di dover richiedere il richiamo dalla prigionia del proprio dipendente tenente Rag. D'Onufrio Giuseppe di Giuseppe - Ten. R.E. Automobilista N.A./T.36316 P.W.208 Algiers (Algeria) per essere restituito alle speciali funzioni che esso disimpegnava anteriormente al suo richiamo alle armi.

Si prega pertanto codesto Ministero, in considerazione di quanto sopra e degli alti fini di interesse nazionale che questo Ente persegue, di voler richiedere alla Presidenza del Consiglio competente a graduare le domande ed a compilare le liste dei prigionieri di guerra da sottoporre

Whilst we are unable to give an unqualified recommendation for the requested release, we have no reason to believe that the contents of these letters in any way exaggerates their needs. The Company is a French one, and this alone may favourably recommend the case to the French authorities.

We should be grateful if you could deal with the case in the ordinary way, it being understood that Polizzi's release would assist the company in rehabilitation.

I am wondering if you would be good enough to get Colonel Campbell, who I understand deals with Italian Army Prisoners of War, to endeavour to obtain the repatriation of the undermentioned Officer of the Italian Army:

IL DIRETTORE

Dear Mgr. Mc Geough,

my brother-in-law, Geo Salvati is prisoner of war in Africa, in an American Camp. The Ministero della Guerra has given authorization for his repatriation. Now the Allied Authorities have to give their consent.

This man was a judge in the Army. As a private he was ~~then~~ a lawyer; and he has had his house destroyed in Tivoli by an aerial bombardement, and a sister and a brother of his have been killed. His presence is absolutely necessary for his dispersed family, who is now without a responsible person as well as without a house: a very tragic condition.

Can you help me and my wife (his sister) to have him returned as soon as possible from Africa? It depends on the American authorities.

It would be for my family itself a great relief. Excuse me for the trouble. And many thanks to you. This is the address of the prisoner:

Subject : Repatriation of Italian PW Dr. Massimo PATERNO RIZZARI.

1/. The repatriation of subject is recommended strongly by this Headquarters. His case has been investigated, and as a specialist we feel that he should be returned to this country. The position which he will fill upon his return is both important and one which will appreciably aid the Allied War Effort.

2/. As the problem of taking care of the war injured is gradually being shifted to the Italian Government, the need for trained medical personnel is greatly increasing in Italy. If we are to expect the Italian Government to assume these added responsibilities and carry them out effectively, we must furnish to them personnel suited for the position. As Dr. Massimo Paterno Rizzari Italian PW No.177476 - Union of South Africa - is such a trained specialist, his early return can contribute appreciably towards the results hoped for.

Sottotenente medico Massimo Paternò Rizzari - Italian Prisoners of War Camp. N° 177476 - Union of South Africa.

It is wellknown to you we are in need, in this particular time of Sanitary personnel mainly of doctors well prepared on Hygiene matters for the campaign against infectious diseases.

For this reason, in emergency circumstances doctors have been hired who did not ever comply with their duties. Therefore we should need a professional man, really prepared whom we could trust for the prophilaxis programme against small-pox and typhus.

Will your authorable interest, please, take therefore the necessary steps to the concerned Allied Authority in order that Lt. Massimo Paternò Rizzari, Medical Officer, 30 years old, be rimpatriated from the War Prisoner Camp of the Union of South Africa, where he is living now under the number 177476.

Doctor Massimo Paternò Rizzari has been working in the Comunal Office on Naples up to 1941 and has proven himself to be very capable, coscientious and willing to work.

Sottotenente medico Massimo Paternò Rizzari - Prigioniero di Guerra N° 177476 - Union of South Africa

E' a Vostra conoscenza la necessità di personale Sanitario che noi abbiamo in questo momento, e particolarmente di medici che abbiano sufficiente preparazione in Igiene per la lotta contro le malattie infettive.

Spesso per questa necessità in circostanze di urgenza sono stati assunti medici che non hanno sempre adempiuto ai loro obblighi. Pertanto si avrebbe bisogno di un buon professionista, regolarmente preparato e che dia pieno affidamento per il lavoro di profilassi del vaiuolo e del dermotifo.

Vi prego quindi di volere spiegare il Vostro autorevole interessamento presso le competenti Autorità Alleate perchè vegga rimpatriato dalla prigionia il sottotenente medico Dott. Massimo Paternò Rizzari di anni 30 che si trova attualmente contrassegnato col N° 177476 nel Campo dei prigionieri di Guerra Italiana nell'Unione del sud Africa.

Il Dott. Paternò Rizzari ha fino al 1941 prestato servizio presso il Comune di Napoli e si è distinto per la sua capacità e per il suo attaccamento al lavoro.

WAR MATERIALS DISPOSAL AND ITALIAN PW SUB-COMMISSION

IPW/1/11/21

29 August 1944

To: Public Safety Sub-Commission.

Subject: Repatriation of Gulisano Ettore.

1/. Confirming the conversation Maj. Cunliffe had with Col. Wilcox 23 August, 1944, I would like to make clear the 2 distinct possibilities involved in the request which you sent this Sub-Commission. Reference APS-POW 14613/20 of 10 August.

(a) If the Public Safety Sub-Commission is especially desirous of placing this particular person in a key position, it need only to send a formal request to this Sub-Commission. The matter would then be approved and sent through necessary channels.

(b) If, however, this is not a special case, but rather one of many qualified men who may be PW and essential to the rehabilitation of the agencies under the Ministry of the Interior, the matter is one upon which the various departments of the Italian Government which are concerned in this matter should get together. The Italian High Commissioner for PW in conjunction with the President of the Council of Ministries is compiling 3 lists of 200 each, of PW who should be repatriated to fill key civil and governmental positions. These men are needed for the job in the interest of furthering the war effort.

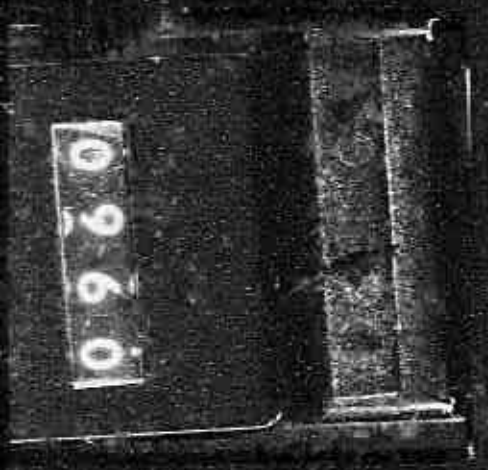

2/. Lt. Gulisano's name may be considered in connection with a group to be repatriated for the same reasons. This is not only an easier method of handling the problem but apt to be much more fair to the prisoners concerned.
